

## From the Principal

### Remembrance service for Mr Fittler

In a dignified and moving ceremony at the Steele Barracks Chapel last Sunday, cadet officers, family, friends, colleagues, old boys and students paid their respects and honoured the life of John Fittler. High CUOs carried Captain Fittler's slouch hat and ceremonial sword to the altar and saluted his memory. A large contingent of cadets stood outside the overflowing chapel to hear the service conducted by Lieutenant Colonel Colin Aiken, Chaplain of the Army Cadets. Eulogies were delivered and hymns sung. I was very proud of the High boys for the way they conducted themselves on this emotional occasion.

### Oarsmen command attention at Penrith

Our senior rowers were excited after their performances on a muggy morning at the International Regatta Centre on Saturday. The fours have some ground to make up being >10% off the winning time. The boys gave their all and rowed hard to the finish. The second VIII had a strong race to finish fourth, just 4.4% off the winning time and well within the 5% margin of excellence. The first VIII finished nearly a boat length clear in fourth place, with the chance of a podium finish at the Head of the River a genuine goal for their training efforts from now on. Their time was 3.4% off the winner's – a clear indication of their quality. Earlier, the GPS Year 10 eights showed that low 6m 20s will be the benchmark

for 2000m at the Head of the River. Congratulations to all the boys for their dedication and to Mark Prater and David Luscombe for preparing them so well.

### Tennis victory at Kingsford

A major experiment with the doubles combinations by coach Carl Nielsen paid off as High secured the three doubles for the first time this season. In hot and humid conditions, Ivan Cerecina played strongly in his return to first grade. Brian and Dejan had easy wins. Our boys overcame their opposition in the singles without much trouble except a determined number 5 from Joeys outlasted Alex Zinzopoulos. Storm clouds threatened to wash out the final matches but Mitchell Kelly came back in 3 sets to win the final match as the rain started falling. High's result of 11-1 was not good enough to peg back Riverview's 6-point lead as they demolished Newington by the same margin.

### High Store trademark policy

All support groups and committees are reminded that school policy is – everything to do with clothing and logos goes through the High Store. It is illegal to reproduce the school's crest without permission of the Foundation through its nominee, Michelle Gentile. Companies caught supplying merchandise with even remote likenesses to our trademark can be sued and fined. Please check with Michele before dealing with any supplier of any apparel.

### Support for the High Store

Teachers should insist on school uniform being worn, particularly at sport. This means school T-shirts and shorts as well as school swimming costumes. We are considering mandating school shirts with our logo to identify our boys. There has been a call for Saturday trading to be offered at the High Store. We have nominated Saturday April 2 and Saturday April 30 as possible trading mornings 0830-1030. Michele will open if she has bookings or expressions of interest for merchandise on those days. Book now to make the trial effective.

### Weights Room Shake up

Thanks to Jason Tassell of TJs Gym for attracting 90 boys to sign up for term 1! A great show of support. Keep it up boys and performance benefits will follow!

### School bus acquisition

Laurie Heil has researched and bargained for some time and now secured a big bus for school use. School Family committees are invited to discuss ways in which this asset might be used to reduce transport costs to events. Up to 76 passengers may be carried on short trips c30mins. A heavy rigid licence is required to drive the bus. Current bus hire costs are \$200 per trip.

**SUSIE MCGUINNESS.**

After 27 years at Sydney Boys High School, Susie has decided to retire. Susie has worked with three Principals and has worn many hats as a member of the School Administrative Staff, most notably her role as Editor Extraordinaire of the High Notes. The weekly production would not be the standard it is without her input. This edition is, sadly, her last. We thank her for her dedication, her loyalty and mostly her friendship. Her shoes will be hard to fill and she will be very much missed. We wish her much happiness today and always.

**Gayle McLachlan**  
**School Administrative Manager**

### From the Counsellors

#### Counsellor times for 2005

Estelle Harman will be available for counsellor support each Tuesday and Thursday in 2005. Ms. Susy Plummer will be available each Monday and every second Friday. Students can self refer to the Counsellor by going directly to the Counsellor's room upstairs in the McDonald Wing or by making an appointment at the main office. Parents with concerns can phone the counsellors on school phone numbers and discuss their concerns or make an appointment to meet in person.

#### *Taking Charge for Teenagers – Managing Stress, Anxiety and the Blues*

“Taking Charge” is a group program for students between 15-18 years, who are experiencing increased stress levels, elevated anxiety and/or feeling down or depressed. The program is conducted by the Health Psychology Unit (Director Dr. Anthony Kidman) and is part of the University of Technology, Sydney, located at the Royal North Shore Hospital. Participants are taught to apply self help strategies to take greater control over stressful life experiences and thereby reduce anxiety, and boost self esteem.

The next “Taking Charge” Program commences on Monday 28 February and will run over eight weekly sessions, between 4.00 and 5.30pm. Each group has 6-12 participants and groups are conducted at the Health Psychology Unit, located at the Royal North Shore Hospital at St. Leonards. For more information or application forms please contact the Health Psychology Unit on 9514 4077 or discuss with the School Counsellor on 9361 6910 Ext.118.

**E. Harman & S. Plummer**

## From Communities

### Introducing the Communities and ESL web site

The FRONT PAGE is <http://neilwhitfield.tripod.com> If you look on the left hand side you will find lots of active buttons:

- The BLOG, a kind of journal, <http://neilwhitfield.tripod.com/blog/> is updated frequently. Look there for the latest.
- FAQ <http://neilwhitfield.tripod.com/faq.html> Here are all those questions people ask me. Maybe your problem is here...
- QUIZ <http://neilwhitfield.tripod.com/quiz.html> where there are links to thousands of quizzes on all levels from easy to really difficult.
- ESL or 12 Steps to Better English <http://neilwhitfield.tripod.com/eslhelp.html> will provide for any students who are having difficulties that arise from being a non-native speaker, but ALL students can benefit from this page.
- ENGLISH <http://neilwhitfield.tripod.com/lit.html> is for all students and brings together links on English Studies, Media Studies, and more... Especially good for Years 11-12.
- BOOKS <http://neilwhitfield.tripod.com/books.html> helps you find something to read.
- DA VINCI HOGWASH <http://neilwhitfield.tripod.com/code.html> is a page devoted to the very successful Dan Brown thriller. This page is a bit controversial, but has proved very popular.
- WRITING <http://neilwhitfield.tripod.com/write.html> which also includes STUDY SKILLS: for ALL students.
- THE LAB <http://neilwhitfield.tripod.com/faq16.html> How should you write up a Science experiment? With links to some great sites to help you understand the language of Science.
- FOR PARENTS [http://hsc.csu.edu.au/for\\_parents/](http://hsc.csu.edu.au/for_parents/) HSC Information in many languages.
- RACISM <http://neilwhitfield.tripod.com/race.html> An interesting debate from a few years ago with a then Year 11 student. See also HATE <http://neilwhitfield.tripod.com/rosado.html> and RACISM NO WAY <http://www.racismnoway.com.au/> OUR PLEDGE

<http://neilwhitfield.tripod.com/pledge.html> is in the school foyer. Have you seen it?

- DIVERSITY <http://neilwhitfield.tripod.com/diversity.html> is the first of three pages on this theme.
- STUDENTS <http://neilwhitfield.tripod.com/student.html> has a few real life stories of people who are or were at Sydney Boys High.
- SUCCESS <http://neilwhitfield.tripod.com/bob.html> tells one such story, that of Bob Li (2000) in more detail.
- BULLYING <http://neilwhitfield.tripod.com/bully.html> has two short essays by ex-students on this theme, and some good links. One essay is by Hilbert Chiu (2000) who has recently won the Sydney University Medal for History.
- BOYS <http://neilwhitfield.tripod.com/boys.html> is mainly for teachers and parents, dealing with boys education issues.
- TEACHERS <http://neilwhitfield.tripod.com/teach.html> has even more, covering ESL and multicultural matters, gifted and talented education, internet and media matters, and more.

**And that's not all! Do explore. It has taken a lot of work to create this site, and now it is at your service.**

Issue #4 2005

The weekly dose of court-side action

## FIRST GRADE

Round 12 Saturday 19 February 2005

Score: 78 - 38

Top Points: C. Conway 10

Second Points: D. Palana 9

Joey's had come off a narrow one-point loss the previous week to the run-away front runners Newtonington, and were looking for revenge and an exceptional result.

Josh Kraindler could not suit up for High as he paid a visit to the dentist to get his wisdom teeth removed. Hopefully the pain and swelling will go away before next week's game. Therefore since Josh did not suit up, there was no "Shane Time" recorded this week. Sorry guys.

St. Joseph's were a lot taller and quicker than the High boys, giving High little hope of winning. High started the match poorly and Joeys made them pay. Joey's Australian shooting guard import, L. Kirwan, hit threes from all angles on the court, while their captain Jake Jones used every inch of his 6 foot and 6 inches height to gather a huge number of offensive rebounds and finish with simple put-back baskets. This enabled Joey's to have a comfortable lead at quarter time.

High played their best basketball during the third quarter. High came out after the break with a renewed spirit and confidence. Fired up by inspirational captain Cameron Conway, High started running their plays, which resulted in easy scores. Also smart decision making and some good passing from the guards allowed for some easy shots. By the end of the 3rd quarter High outscored the Joey's boys 14-9 through great leadership by Captain Cameron Conway, point guard Dustin Palana and great rebounding by centre Tom Mainprize.

The fourth quarter showed what High is really made of. Even though the game was well out of reach due to an insurmountable margin, the High boys continued to fight right to the death with determination and spirit; refusing to be blown away. High came up with great passages of play that would have enabled them to compete right throughout the game, but inconsistency had let them down again. Looking ahead to next week's game against SHORE, High need to improve on their ability to switch on right on game time and be not blown out after the first quarter. Once this is rectified, High is a good chance against any outfit in the GPS competition.

Though there was a large difference in points made, its encouraging to see that the High defence in the second half limited the Joeys offensive juggernaut to just around 30 points. High supporters should not be too disheartened at this result as St. Joseph's are one of the leading GPS teams and are current vying for second spot on the GPS ladder. Next week against SHORE we would like another big turn-up for our game, and since SHORE are going through a rough spot of their own, we are a great chance to win this one.

>>Written by Francis Wong and Dustin Palana (First Grade Players).

## SECOND GRADE

Round 12 Saturday 19 February 2005

Score: 48 - 39

Top Points: H. Walker 14

Second Points: L. D'Avigdor 12

High were coming into the Joeys game full of confidence and were looking forward to a positive result after a week of solid training. After a quarter of dismal basketball from High Joeys looked to win the game with ease. Joeys played a full court defence and caused panic right through the High boys which led to many unfortunate turnovers. Soon the High boys were faced with a 15 point deficit and looked as though they had no hope. The second quarter saw no improvement from the High boys as the Joey's side continually ran the court and converted many easy points to lead at half time by 10 points. With inspirational guard Lewis D'Avigdor leading the High boys a string of good plays and defensive work closed the Joey's lead to just three points. The momentum with them, the High Boys were carried into the final quarter and once again vital points from Lewis and two vital shots from guard Harry Walker kept High within range of victory. The Game came down to the final minute where the crowd was raucous and the High supporters were on the edge of their seats. Lewis D'Avigdor came up with a HUGE clutch lay-up in the final minute to give High a one point lead. Getting over excited and complacent the High boys slacked off on defence and soon Joey's were able to score consecutive baskets to close the game with a 9 point win. Full credit goes to the High boys for staying in the game even at times when they were down by 15 points; great teamwork during the third quarter showed future signs of a promising basketball team.

>>Written by Raymond Huynh (Second Grade Captain).

term 4

{ ANOTHER GREAT WEEK FOR THE MOST EXCITING SPORT  
IN THE SCHOOL // 3RDS AND 15B'S ARE ON FIRE THIS  
TERM COMBINING FOR 5 WINS ALREADY!!

reports

## 3rds make it 2 in a row!!!!

After a tough win over a well-drilled Kings side the week before, Sydney High 3rds went into the fixture against Joeys full of confidence that we would be able to perform against the larger opposition. From the tip-off this confidence was converted into some solid defence that repelled constant attack from Joeys throughout the first half. Our offence, however, was somewhat lacklustre with far too many turnovers early on. However, our defence led by David Greenup, Philip Tripp and William Xu held its own, and we went to the break up by six.

The beginning of the second half was dominated by Walter Hong, who scored seven points, including a huge three, in the space of 5 minutes. Our intensity continued to lift throughout the game, and, despite a few lapses, refused to descend to the level of Joeys, who decided to stop playing basketball, piling up over 10 team fouls in the process. All in all it was a great effort by the whole team resulting in a winning margin for High, 36-24.

>>Phillip Tripp (3rds Captain)

## 15 As

On behalf of the 15As, I would like to welcome our newest addition, Stuart, to the team. He made a great impact on Saturday's game, scoring some great goals and playing some very tight defence. Everyone else also played brilliantly, and had it not been for Joeys' many fast breaks, we wouldn't have lost by nearly as many points.

At the end of the first half Joeys were leading 30-8, having scored every one of their goals on a fast break after either intercepting a lob pass or winning a rebound. In the second half (much to our benefit) we stopped doing lob passes and started making more of our drives. Somehow Joeys still managed to score more points than us, and their lead only increased. Although we left the court with a loss, we also left with the determination to beat them next time. Well done 15 As.

>>M Bock (15s Captain)

## 16 As

All teams came into Saturday's game hoping to carry their form from last week. The Ds, Cs and Bs all won their matches comfortably with solid defence and great teamwork. The As however were a different story. The Joeys team contained the likes of 1st grade rugby five-eighth, Kurtley Beale. Nevertheless the As were confident for another win. We started the game off with a half court man hoping to force some turnovers. To Joeys credit they executed many pick and rolls causing our defence to crumble. Hard drives from Alex Vertoudakis and Jamie Tao kept us within striking distance. Half way through the 1st half we switched to a zone hoping to force Joeys into shooting. Instead their big men posted down low and with their height and power could perform simple lay-ups. By half time the As were losing by more than 15. In the 2nd half, with the zone obviously not working, we changed back to man again. This seemed to work for a while with our strongest team on the court. Jaffe Chiu and Moussa Farhat played hard defence causing many turnovers and our offence was organised well with Victor Nguyen dishing out many assists. As the game entered its final stages, fatigue set in. Joeys took advantage of this with strong defence and endless fast breaks. Missing many shots from the free throw line the lead increased to 19, leaving the score at 46-27. Beaten mostly by 3 or 4 players who we had never seen before in all our years of playing, with Shore next week the As hope to get the season back on track.

>>Victor Nguyen (16s Vice Captain)

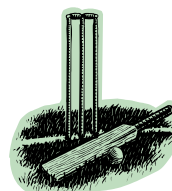

Shootin' Hoops brought to you by Bennett Wong(11M).  
Thanks to Mr. Hayman.

## SYDNEY BOYS HIGH CRICKET

[www.sydneyboyscricket.info](http://www.sydneyboyscricket.info)

Sportsmanship is far from lost in the GPS competition as High have experienced in the last two weeks. As you may recall last week the report how Scots Under 16 team bowled an extra over to give our High batsman Louis Yang on 49, the chance to achieve his 50. Last Saturday in the 14 B fixture against St. Joseph's where we were obviously outgunned in the batting department, the team coach approached me and offered to limit his team's innings to give our boys a second opportunity to bat which we accepted. The premise of the discussion was that both teams had arrived to play cricket and participation was the keynote, not a crushing defeat by one team over another. Our congratulations to both Schools' coaches for these acts of sportsmanship.

### **FIRST XI (Day 1) High 9 / 214 versus St. Joseph's**

After a poor start on a wicket playing in favour of the bowling team we saw Mark Carroll on debut, play his strokes for a solidly made 43 to steady the innings in the pre lunch session. After the lunch break High buckled down and worked their way back into contention with disciplined shot selection and by valuing their wickets to help High reach 9 / 214 before play was abandoned due to the storm arriving from the south; Damitha Fonseka finished with 70 no. Next week High have the opportunity to put St. Joseph's under pressure in chasing what can be regarded as a defendable total. Full report on the cricket website

### **SECOND XI (Day 1) High 10 / 125 versus St. Joseph's 1 / 16**

St. Joseph's put High into bat on a strip not usually used by senior teams which seemed unusual as our openers put on 60 runs, before losing a wicket and in the 10 overs before lunch High collapsed to be 5 / 85.

At the resumption the rot continued and High were all out for 125 in the 54<sup>th</sup>. OVER. St. Joseph's then had their turn at the crease and were 1 / 16 when bad light and weather saw play abandoned.

Best Batting - Shaheen Kumar 32, Manusha Samaraweera 25 and D'arcy Blaxell made 20. In the short stint at the bowling crease, Nathan Frazi finished with 1 for 3 Full report on the cricket website.

### **THIRD XI-(Day 1) - High 10 / 117 versus St. Joseph's 0 / 60**

Buoyed with 3 wins from 4 matches, High went into bat pumped up for a good result. After the openers got off to a good start, the wheels started to fall off and wickets were lost every second over and we were soon 4 for 24. The captain Anisul Islam came to the crease and in a blitz of 4 overs of the bowling, finished with 51 and High had some respectability with 117 on the board. Joey's batted for 17 overs and finished the day at 0 for 60 See website report.

### **UNDER 14 A (Day 1)- High 10 / 78 versus St. Joseph's 6 / 171**

In trouble at 5 wickets for 7 after electing to bat, High ground out the overs finishing at a creditable 10 / 78.

After an early breakthrough having Joey's at 2 for 6, we let them off the hook and they recovered to 6 / 171 at stumps. Our best bowler on the day was newcomer Shadman Ali with 2 for 14. Full report on the website.

### **UNDER 13 A - High 10 / 53 defeated by St. Joseph's 3 / 243 (5 batsmen retired)**

A remarkable turnaround from last week and a spirit lifter for the team which should engender more confidence. This week at sport we concentrated on defensive and driving batting drills, as well as tidying up some bowling actions. It will be interesting to see the results this week.

Best Batting Captain Ben Encell 11 runs, Ishan Bapat 12 and team captain Ben Encel 11

Bowling Ben Encel 1 for 22 (4 overs) and Matthew Phung 1 for 24 (4 overs). J. Bastable took 2 catches

### **UNDER 13 B - High 10 / 39 defeated by St. Joseph's 3 / 186**

Further improvement in our final score this week, but we are quickly developing a "duck farm" in company with the 13 As which we trust will not increase this week. Together with the A team, drills were the focus at sport this week and we look forward to the boys achieving more satisfaction with their cricket

Best Batting David Ma 12 runs, Nelson 6, Bill Wang 6 and David Liu 2.

Best Bowling Bill Wang 1 for 31 and William Liu 1 for 38. Kaz 1 catch.

**CRICKET COMMITTEE and GENERAL MEETING. A reminder that the meeting of this committee will be held next Wednesday in Room 901 at the gymnasium at 6:00pm.** The Cricket Dinner will be discussed and final arrangements made for the night's organization.

**CRICKET DINNER and PRESENTATION OF AWARDS. Will be held on SATURDAY 2<sup>nd</sup> April from 6:30pm for 7:00pm in the Great Hall at School. DRESS for all cricketers attending is SCHOOL UNIFORM on the night as photographs will be taken. Awards will be presented to each team from 1<sup>st</sup> XI, through to all of our junior teams for Batting, Bowling and Team Player / Fielding and award winners are expected to be present on the night.** Payment for the Dinner is made at the school office and the final date for those attending is THURSDAY 24<sup>th</sup>. March 2005. The cost of dinner and drinks is expected to remain the same as last season for all teams. Liquid refreshments for adults will also be available on the night.

**Laurie Heil**

# NETWORKING

## FIRST GRADE:

GO FOR COURTS - ISSUE #1

Sat 19thFeb. – St Josephs vs High (R4)

Sydney High had its first home match of the season against a St Joseph's side coming off a recent win. This did not at all deter us; rather it gave us the incentive to really put the cleaners through 'Joey's'. With Riverview extending their lead to 6 points, we needed to maximise our return in this fixture. I noted last week that we would show no mercy to the opposition, and that's exactly what we did. We altered our doubles combinations to increase our chances of taking all three and this move had the potential to completely backfire. Brian Ly and Peter Pereira blitzed the opponents at 1, Dejan Bodrozic and Ivan Cerecina played well to win at 2 and most notably, Mitchell Kelly and Alex Zinzopoulos came through 7/5. 7/5 at 3. Taking all three doubles was a terrific effort, and virtually ensured we would win. However, we needed as many points as we could get. Brian overwhelmed his no.1 counterpart, Dejan mauled his rival, Peter overcame illness to win and Alex never quite found his rhythm at 5. This left Mitchell and Ivan on court, and as the day progressed, the main opposition was not coming from the opposition, rather the heavens. Ivan finished first, scoring a solid win at no 6, leaving Mitchell with the honour of closing proceedings. He did this with aplomb, battling some indifferent form and holding his nerve to win in three sets.

The 11- 1 result is certainly pleasing and matches Riverview's result against Newington. Thus the next two weeks will be crucial for us if we are to truly challenge for the title. I believe the team is beginning to peak and this should hold us in good stead for our clash this week with a capable Shore outfit.

**Peter Pereira – 1<sup>st</sup> Grade Captain**

## SECOND GRADE:

Sat 19thFeb.- St Josephs vs High (R4)

Sydney High produced an impressive performance against the 4<sup>th</sup> ranked school of the GPS competition, St Josephs. The no. 1 doubles David & Henry 6-1, 6-2 lost at the hands of a more disciplined consistent partnership, while Martin & Paul easily disposed of their no.3 doubles opponent 6-2, 7-5. Meanwhile Hai & Hieu were unable to outlast their opponents in a 3 setter marathon going down 2-6, 6-4, 7-5. Henry and David commenced their respective singles Henry winning in straight sets 6-1, 6-1. but David being defeated. At 3 rubbers to 2, the 4 remaining singles would determine the final scoreline. Hieu and Paul were cruising comfortably at 6-2, 4-1 and 6-1, 2-1, when the forbidding clouds became torrential rain & lightning. Play stopped for 40mins, then out came the squeegees, Hai & Martin went out to even their score 1 set all. Unfortunately Hieu & Paul were not able to play as the remaining courts were flooded. On previous occasions High 2nds have been defeated through lack of judgement or skill, not battling treacherous weather. Hence the last 4 singles were drawn, giving Joey's a win 6.5 – 5.5. On a positive note we thank SHS cricket players for their enthusiastic support, and look forward to Shore next!

Martin Nguyen (2nds captain) and Hieu Dang

Sun 3	CHS Championships	Taree
Wed 6	Boat cleaning	Abbotsford

As the season draws to a close keep the above dates in mind. The remaining highlights are the Junior dinner, which is for all Year 8 & 9 crews. It is held at Abbotsford and all parents are welcome. Dress is full school uniform. The unusual part of this season is the early Gold Cup Regatta which can be viewed from the grounds of St Ignatius College.

The Rowing Assembly is held the day before the Head of the River and all parents are welcome. It begins at 11:30am and there is an occasional address, a junior rowing report by the stroke of the 1st Quad and a speech by the Captain of Boats. Crews will be presented to the Guest speaker.

The CHS Rowing Championships will be held at Taree on April 2 & 3 and will involve the 1<sup>st</sup> & 2<sup>nd</sup> VIIIs, the 1<sup>st</sup> & 2<sup>nd</sup> IVs, some members of the Year 10 VIIIs, 1<sup>st</sup> & 2<sup>nd</sup> Quads from Year 8 & 9 and selected others. Our contingent will be about 65 boys. There will be a dinner on the Saturday night at Taree High School in school uniform.

## ***UPGRADE OF ACCESS TO SCHOOL - ANZAC PARADE APPROVED***

Plans have been approved for the construction of three sandstone piers to hold patterned steel gates and fencing, which will honour the memory of notable Old Boy, Sir Roden Cutler.

D.A. approval has now been granted so work can commence.  
Due to financial constraints it will be necessary to complete the project in stages.

Construction on Stage One will commence once the figure of \$37K is reached.

Previous generous donations towards the project have been held in trust and have gained interest, however, a further \$7K is needed to commence and complete Stage One.

I urge all School Family members to carefully consider a Tax Deductible Donation to the project so as work can commence no later than Second Term.

Dr K Jaggar
