

H I G H T A L E N T S

From the Principal High Talent

Congratulations to the 79 students who volunteered to give up a day to collect money for Legacy Badge Day on August 31. Your commitment to serving the community is to be applauded! Well done to the Junior A Chess team who have won their way to the state final. A belated congratulations goes to the 15 years basketball team that won the Sydney East Regional knockout competition – a good effort. Well done to Will Randles (7S) who has been awarded a 'highly commended' for his entry in the 2007 Sydney Writers Festival *Writenow!* Competition. He was invited by DET to join a student panel of young writers at an event for school children in the North Sydney Region. The Year 11 debating team has reached the state semi-final and will debate early next week for a place in the final – a very good effort so far boys!

Volunteer Mentors for Incoming Students

I am appealing to interested students in Years 8 and 10 particularly to act as 'buddies' or student mentors for new students arriving in 2008. It is important that High inducts these students well into our programs and school life, to make them feel at home quickly and to ease the inevitable issues surrounding the transition process to a new school. I envisage that 20 volunteers will be needed from each of the two Years and at least 2 Year 7 boys to buddy our two new arrivals in Year 8. The school service role will be to introduce yourself to the new arrival and to share contact details so that you can answer queries the new student might have. Primarily, the job is to show the new arrival 'how we do things at High' so that he can feel comfortable quickly. I see this role as lasting for a term by which time the new student ought to have made his own connections with class or team mates. This school service role will count towards the *Student Awards Scheme*. Mr Codey has already volunteered to be the *Senior School New Student Teacher Mentor* looking after new arrivals in Years 10-12. Senior School volunteers will liaise with him and have their efforts signed off. I am

seeking another teacher volunteer to act as the *Junior School New Student Teacher Mentor*. Staff and students interested in volunteering for this program should register with the Principal's Executive Assistant, Ms Lynne Williams.

The Coaster Refurbished

Rather than get rid of our old work horse, we had an inspection made and the report assessed at least three more years working life for the vehicle. Consequently, we spent \$8.5k. on replacing the back door, panel beating the 'dings' and recovering the seats. I ask students and staff to observe the bus use protocols. I have asked the P & C to reserve on term deposit \$25k per year for the next three years so that we have the capital to replace the Coaster when it finally has to be retired from service. They have agreed and have already set aside funds this year. I thank them for their vision and belief in the necessity for school owned transport in our busy school life.

Another School Bus!

Mr Ayre has scoured the electronic market and secured us a newer 47-seater. It has just been delivered and with just 330,000 kilometres on the clock it is a relative youngster compared to the >950,000 kms on the existing old bus that has served us well for three years longer than it was supposed to. I am pleased that more students will be able to be transported to sporting venues, events and activities using the bus. I know that students will respect the school property that has been acquired for their benefit. The old bus will be sold as soon as possible. We are always looking for staff drivers so if you have the urge to wander and like big vehicles here is your chance to have your licence upgraded at the school's expense. For business people out there with a wide suburban market, we have a pristine vehicle ready for a generous

sponsor who would help a worthy cause and have a mobile advertising opportunity.

Coaching Effects in the Junior School

I caution parents who are investing in coaching or tutoring for their children. Understandably, they want the best for their child and they want him to keep up with the pace of the lessons. However, there ought to be a greater

confidence out there in the capacity and professionalism of our teachers who are qualified, willing and able to deliver the curriculum and produce high quality outcomes. There are at least three purposes of coaching that occur: augmentation, remediation and substitution. When coaches **augment** the curriculum by enriching the units of work being delivered or scaffolding concepts and skills about to be delivered or reinforcing existing necessary skills, they might serve a useful if supplementary purpose. Where coaching is aimed at the **remediation** of a student's knowledge of a topic or unit already delivered or his grasp of a skill he is expected to have acquired, I can also see its purpose. Regrettably, there are far too many instances of coaching being used as a **substitution** for teaching time itself. Such a purpose is counterproductive in several ways. First, parents essentially waste their money achieving something expensively that they would get for nothing in a term or two in the future if they were patient. Second, the coached student has a strong propensity not to pay attention in class, to assume he knows the topic pre taught by the tutor, and to interrupt the learning of others by diverting the teacher's attention by arrogant displays of academic superiority or uncooperative attitudes to class work and homework set. Third, he may not have fully grasped all the necessary concepts and skills via the substitute teaching and so has been ineffectively schooled twice.

Dr K Jaggar

Linguistic Logistics

News from the Languages Department

Excursion to the Academy Twin Cinema, Paddington.

Le lundi 30 juillet, quelques classes de français ont regardé un film français, « La vie en rose ». Dans le film, il s'agissait de la vie de la chanteuse Edith Piaf, racontant ses difficultés, ses joies, ses succès et ses échecs. Voir

la vie d'une célébrité avec une telle complexité était une expérience fascinante. Souvent, on perçoit des célébrités comme des stéréotypes artificiels, mais ce film a vraiment présenté Piaf avec beaucoup d'humanité, avec beaucoup de réalisme. À la fin du compte, « La vie en Rose » a souligné « le personnage Piaf » plutôt que seulement « la chanteuse Piaf ».

Pour autant que je sache, chacun a été impressionné du film, que ce soit en raison de sa structure innovatrice ou de la voix retentissante d'Edith Piaf. Selon moi, les films français offrent une occasion de se familiariser avec la langue française, particulièrement des expressions familières et liées à la culture.

Year 8 Parents – Change of Meeting to 10 September

As detailed in the School Calendar, Dr Jaggar will be addressing the parents of Year 8 on **10 September 2007** in the Great Hall. As such, the parents meeting planned for **5 September has been rescheduled** to coincide with this evening.

Please join your fellow Year 8 Parents for this meeting and discussions afterwards.

2007 Tournament of Minds.

Seven students from Years 7-10, Anirban Ghose, Tadeusz Davenport, Puneet Baweja, Robert Sternhell, Alex Weinstock, Peter Wu and Anton Jurisevic took up the Maths and Engineering challenge at the 2007 Tournament of Minds held at Marist College, Kogarah, on Saturday, August 25.

Tournament of Minds is a problem solving program, which requires solving demanding, open-ended challenges. A team of seven students is required to work together on a 'Long Term Challenge' for six weeks without assistance from teachers, parents or peers. We constructed a song plant that made three different sounds to highlight climate change. We had to work within predefined parameters with limited materials and present the solution in 10 minutes within a 3 metre X 3 metre performance area. Our ability to think creatively and group cooperation skills were tested at the 'Spontaneous Challenge'.

We have been working during recess, lunch, before and after school and on weekends for the past six weeks. Unfortunately, we didn't win any honours, but learnt a lot from the experience.

Anirban Ghose (9E)

Fencing General Meeting
Wednesday 5 September 2007
7pm, Staff Common Room

All fencing parents are invited to attend this meeting to be held on Wednesday, 5 September 2007.

If your son fences, please try to come along. We need your support!

Andrew Byrnes (acbyrnes@hotmail.com)
(Convener, Parents' Fencing Support Group)

Fencing Report

This report is from the MIC on behalf of our Captain Yu Lin who is busy sitting his trial exams.

Our Senior E team [Cailin McKay, Harry Zhuang, Brian Jian and Nishant Paul] had a forfeit from Oxley C and a tough match against Manly. Nishant was man of the match with his impressive and inaugural win.

The Seniors F team [Hayden Schilling, John Aclis, Denaysh Selvakkumar and Simon Chen] had matches with North Sydney Boys, where our boys showed amazing perseverance against a very energetic opposition, and Oxley who were in top form. Simon was the dark horse and fenced very well on the day. A special thanks to Debbie and Juliet Schilling for their support on Saturdays.

Our new fencers competed in their first match on Saturday.

The Minis B team [Weicong Huang, Angus Ng, Harry Liu and Shaun Pak] soundly defeated Edgecliff B 7-2. Their fencing mentor, Boris Zolotarev, reported that they adapted well to each opponent and took advantage of their weaknesses. Well done.

The Mini Cs team [Ming Chin, Shaun Fletcher, Joel Ng and Tony Chen] fenced St Aloysius Minis A and all had personal wins. The standout performances were from Shaun who persevered with his attack and parried well and Tony with a 100% strike rate.

The Minis Ds [Andrew Lau, Jordan Liang, Ankur Paul, Michael Zhu] also fenced and defeated St Aloysius As 6-3 and had a tougher time against Edgecliff Mini A with a narrow loss 4-5. Congratulations on your promising start to the season.

The Minis Es [Benjamin Hillier, Frank Li, Ming Pan and Carl Luiker] fenced Glenaeon who were just unshakable on the day.

There were many new fencing parents at Newington on Saturday who enthusiastically supported our fencers. Thanks so much for the friendly and enthusiastic atmosphere you helped create.

I would like to especially thank Henry Mack, Julian Byrnes, Andrew Byrnes and Boris Zolotarev who

went out of their way to come and assist the new fencers and parents on Saturday.

Fencing Minis 25 August 2007

SBHS Minis As [The Awesome Foursome] and coach Tuko

Last Saturday was an exhausting program for SBHS Minis teams. Our Minis As comprising Ian Ho, Anthony Xu, Albert Nguyen and Matthew Chan have had an outstanding performance in the Schools League winning every match and will be hot contenders in the finals on 8 September. Congratulations. The experience of competing in 2006 and the development camps members have attended have certainly reaped rewards in this competition.

Our other Minis teams have only begun fencing. Despite their relative inexperience compared with other teams in their pool all fencers appeared to have rewarding experiences and lots of fun supporting their team.

The results overall
SBHS A 6/6 wins
SBHS B 3/6 wins
SBHS C 1/6 wins
SBHS D 1/6 wins
SBHS E 2/6 wins

Thanks to all the parents for their contribution to a very pleasant supportive and enjoyable atmosphere. Wild

cheers for all especially the Minis As and their awesome efforts.

Good luck in the finals. Final timetable to be published as soon as available.

MIC Fencing

Athletics Report

The weather was good for our 2nd invitational carnival of our short season. The carnival consisted of hard opposition but our results were promising as we move into the final preparations for the GPS carnival.

Some of these great results were Josh Tassel's run in the 100m where he clocked an amazing 11.22. In the 200m he also scorched the track with a great result of 23.8 seconds. Josh is definitely one of our best hopes for GPS glory with his consistent results on the podium.

Another consistent performer is Harrison Lane, in his pet event, the 3000m, he ran a time of 9 mins 40 seconds. With this time he is able to run in this event at the CHS state athletics carnival coming up. On the weekend he took 20 seconds off his previous PB.

him a 2nd
relay is

Chris Morrow also had a good day at the high jump clearing the 1.55 mark and earning place. Also the 16s 4X100m peaking at the right time of the season with a time of 46.02.

It was disappointing to see the lack of 17s and 18s competitors. There were only 2 competitors out of a possible 30.

This year there will be an Athletics dinner for the whole athletics team and it will be urged that everyone possible will attend. At this dinner the GPS team will be announced. This dinner is a move forward as Athletics continues to gain more recognition from the rest of the High school community.

Nelson Ridges
Junior Athletics Captain

LEARN TO ROW

A successful Learn to Row program has been running out of "The Sheds" on Sunday mornings since the beginning of 2007. Now

supported by several community colleges, participant numbers have jumped. Volunteer coaches are desperately needed to accommodate this rise in participants. The coaching session goes from 7:00 till 9:00 Sunday mornings for a period of six weeks with the most recent course having started on Sunday, August 12. Volunteer coaches will row/cox as part of the crew they are coaching. So if you think you could get back into a boat and row three to four slow kilometres as well as putting something back into the school please contact Ross Bowey on 0428 519 705 or rossbowey@optusnet.com.au as soon as possible.

Newcomers welcome!

If you haven't been to a parking event before, a Sydney Swans event is a great time to start.

All parking tickets for Sun 2nd have been pre-sold to Swans members.

We simply collect the tickets, and show drivers where to park.

Student Award Scheme

Boys who help out at Parking events earn points towards the student award scheme, which encourages and recognises participation in a wide range of school activities.

P&C Parking Co-ordinator

Year 9 2008 Parent Information Evening

A Parent Information Evening will be held on Monday 10 September in the Great Hall at 6.00 pm to discuss the subjects studied by boys in Year 9 2008.

Year 10 2008 Parent Information Evening

A Parent Information Evening will be held on Tuesday 4 September in the Great Hall at 6.00 pm to discuss the subjects studied by boys in Year 10 2008. Subject Acceleration (in subjects such as Modern History, Geography, Music etc) has been offered to Year 10 boys in past years. In 2008 Year 10 boys will study 2 electives (possibly including an Acceleration subject). The options available to boys for 2008 will be discussed at the meeting.

Year 11 2008 Parent Information Evening

A Parent Information Evening will be held on Monday 10 September in the Great Hall at 7.00 pm to discuss the subjects studied by boys in Year 11 2008.

R Dowdell

Parking

The P & C's fundraising parking event is on **Sunday September 2nd** - the Swans v Hawthorn AFL game

Please email Alice Paul at alicepaul@ozemail.com.au if you are able to help out. We will have two shifts, so we'll need people from 9.30 am to 12.30 pm and also from 11.00 am to 1.30 pm.

SBHS CANTEEN COMMITTEE

Invites all Parents and
other interested parties to

The Annual General Meeting 2007

at 2.45 pm, Friday, 14
September
in the Boardroom

All positions are declared vacant and
are up for nomination and election.
SBHS Canteen not only feeds our boys
but also supports their development
and education.

Please come along and
be part of the team.

MUSIC NOTES

GPS Music Festival

We would like to invite you to attend this wonderful evening of music held at The Kings School in Parramatta from 7pm in their *Futter Hall*. Our boys have worked very hard over the year and will be performing with other students from the GPS schools. Please come along and support our boys performing in their various ensembles.

Piano Competition

Congratulations to the following boys on their achievements in the piano competition held early this term. Well done to all the students who participated in this annual event and many thanks to those who came along and supported the performers. Presentation will be held at the Music Awards Assembly in Term 4.

Senior Division

1st Place – Zhi (George) Zu

2nd Place – Nathan Kwok

3rd Place – Brian Lau

Highly commended – Garry Luu and Dominic Wong

Junior Division

1st Place – Guangzhi Niu

2nd Place – Vivian Le

3rd Place – William Baxter

Highly commended – Evan Wong, Nathan Kok, Ben Wilcox and Peter Wu

John Morrison Jazz and Stage Bands Festival

We would like to invite you to hear the Junior Stage Band and Jazz Group; *Diminished 5ifths* perform at the John Morrison Jazz and Stage competition to be held on Sunday the 9th of September 2007 at the Joan Sutherland Performing Arts Centre, Penrith. The boys will be competing against other high schools from the Sydney region with performance beginning at 9am.

Percussion Ensemble

Percussion ensembles are well on its way with rehearsals on Monday and Tuesday mornings. Practice is held from 7:30-8:30am (Juniors – Monday Rm101, Seniors – Tuesday Rm201) and is conducted by our Marching band director; Matthew Capper. Thank you the music committee who have supported us in the recent purchase a wonderful marimba. Please see the music staff if you are interested in joining.

MUSIC NOTES (cont.)

Congratulations to the following boys who have been chosen to perform in the GPS Concert at Kings on September 1.

SYDNEY BOYS HIGH CRICKET

www.sydneyboyscricket.info

Due to a Computer Server Upgrade for our Website the information to be highlighted by last Wednesday will now appear during the coming week. My apologies to all for the delay but we couldn't resist the \$200 cost saving.

The Cricket Website is to be our prime information media channel and will always carry new information in addition to reminders in High Notes and at Sport Afternoons. Last season too often I had players and parents say they didn't know about some information that had been communicated through High Notes, hand outs, on sports days and in the Daily News sheets and this season it is my aim to achieve a well supported and smooth running section to alleviate this problem. A prime example of this last season was the chaotic approach in nominating bus bookings to attend awkward to get to locations and then find the day before people withdrawing, late bookings and non attendances on the day, where a different vehicle and driver could have been used. We will be providing buses this season and the dates will appear on the Website with timings etc. The cost for a return trip is \$5-00 per player which assists in remunerating the drivers we have to roster and running costs.

A REMINDER to all who are interested in the Open Squads CHECK the High Notes of the last 2 weeks and make sure you nominate and provide the information as required in the notes. If you have not, you will be missing in the Trial Planning Lists which are to be prepared pre-camp.

TRIALS -OPEN SQUADS

The number of responses to the Expressions of Interest to Trial for the 1st and 2nd XIs has been terrific and to date a total of 28 have nominated for the Trials. The 1st XI Coach will head the programme and final selections for the initial teams will be conducted by a Selection Panel consisting of the Head Teacher Sport, the 1st and 2nd XI Coaches and myself. Be aware however, that to maintain a position in these teams we are looking for commitment, current form, consistent performances and attitude to training as High moves into a new phase of cricket within the school. This will also recognize performances by eligible players in other age groups as the season progresses so if you don't make the initial squads do not despair, your season performances may provide your chance to be capped.

LEVEL 1. COACHING ACCREDITATION COURSE

In response to several students indicating that the proposed dates conflicted with exams that would preclude them from attending the course, an application will be made to CricketNSW to amend the dates for the course. I thank those of you who took the time to contact me regarding this

As a result of the number of enquiries it is essential that those who wish to gain the Accreditation nominate in writing so that we can illustrate we have sufficient numbers to conduct an in-house course. There is a cost to this course which normally is \$100 for Masters and Students but due to the interest shown the Cricket Section will subsidize the fee to reduce the cost to \$50-00 per student. This covers the handbook coaching manual and handouts and is retained by the coaches.

Nominations are therefore required by email (lheil39@bigpond.net.au) by no later than Monday 10th SEPTEMBER 2007 stating full name, DOB, Address, Home /or Mobile Phone contact plus Email address.

BILLETS – AUSTRALIAN 5 HIGHS CARNIVAL

We are calling for early advice on your ability to assist with a billet or billets during the Carnival from 2nd – 7th December 2007. We have 42 boys from Interstate who will require billeting during the course of the Carnival. If you are prepared to assist, please advise me by email over the next 2 weeks and your support will really be appreciated. Players selected in the 5 Highs XI will be required to assist with billets.

FOR YOUR DIARIES:

Saturday 22nd September – Net and Centre Wicket Trials for Years 7, 8 and 9. from 9-00 am – 1-00 pm. Location to be advised.

Saturday 22nd September – MANAGERS and SCORERS FAMILIARIZATION SESSIONS for Ex Students, Parents and Senior Student Team Managers in a Centre Wicket Presentation 10-00 am -12 noon. Location to be advised.

Sunday 9th December – Barberis Cup (Year 9) Team Departs for Melbourne. Returning Tuesday evening 11th December.
