From the Principal

High Talent

There were tremendous results this week from our boys at the Sydney East Regional Athletics carnival. Our total of 455 points was a huge improvement on 292 from 2007! With 11 gold, 14 silver and 9 bronze medals, the team showed strength and depth. Congratulations to Mr Devlin, Mr Ayre and the coaches who prepared the team so well – and to all the dedicated boys for their efforts. I received a very pleasant email from a member of the public, DB, who wrote: "I was so impressed by one of your students that I just had to send you this email. Having just stepped off the train I was trying to negotiate my way down a set of stairs with an awkward - not heavy - trolley. Suddenly - a very well presented high school student came up to me and asked "Can I help you with that?" He gave me a lovely smile that expressed his sincere interest in assisting me. I thanked him for his kind offer and explained that the trolley isn't really heavy and that I was OK." Thank you to Benson Ou (Year 9) for being such a great ambassador for the school! Our debating team defeated St George Girls to reach the Zone Final of the Premier's Debating Challenge for Year 11 (Karl Cramp). Well done to Anton Jurisevic, Chris Evans, Stephen Garofano and Julian Byrnes. Congratulations to Old Boy Oliver Konakoff (2007) who was selected in the Australian Volleyball team.

125th Anniversary Cabaret

The major social function to celebrate our 125th anniversary is the combined SBHS-SGHS Cabaret Night. It promises to be an entertaining occasion at a very good venue with an all inclusive price. I urge Year Groups to get behind this event as an end of year social occasion. Tickets can be purchased through the school office. Louise Gaul has further details about the night.

Canteen Volunteers Prize

The Canteen cashed in its loyalty points with suppliers recently and received a

Gasmate outdoor heater. This became the prize for volunteers serving in the Canteen. Names were added to the box for every day of service. I drew out the name of the winner at the canteen Committee Meeting recently. Su Hung Chan, mother of Max in Year 9 was the winner. Congratulations to Su Hung and thank you to all our volunteers who make the Canteen work so well as a resource for our community.

Phone Cards for sale through the High Store

Do you make overseas calls to relatives and friends? Do you shop around for phone card deals? If you do, why not buy your phone cards from us and help the school while you are making your calls? We have just introduced 'Click', 'Hello China' and 'Hello India' cards. Our cards have no connection fees and have 24/7 call access. There are special deals with extra call time if you make calls regularly to India or China. Students and parents can get \$10 or \$20 cards from Michelle at the High Store.

Student Teachers at High

We welcome student teachers from Sydney University this term. Nicholas Adams (languages) mentored by Isabell St. Leon, Stuart Madgwick (history) mentored by Con Barris and Shing Yan (Eugene) Ma (science) mentored by Brian Webb. I trust your time with us will be satisfying and professionally fulfilling.

Building Fund Update

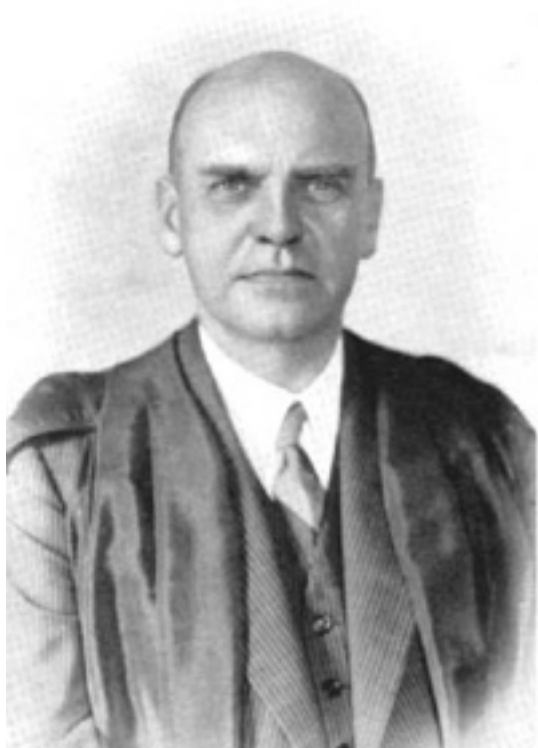

Thank you to all who have contributed to our fund raising efforts. We have recently reinvested a term deposit of \$370,000. Another deposit of \$270,000 matures next month. The SHS Foundation Inc holds \$145,000 in the Casey Bequest Fund to be directed towards construction of the new facilities. We are closing in on our target of \$800k. by the end of the year. I hope our community keeps on believing in the cause and supports our vision of a new library and performing arts space.

Did you know?

Did you know that the sundial in the main courtyard is a tribute to **Percy William Hallett** (1888-1973)?

Percy William "Pop" Hallett (also referred to by High boys as the "Dog" or "Bulldog") came to Sydney High in 1927 as Mathematics Master and succeeded Mr W A Moore as Deputy Headmaster in 1935. He served as Deputy under three Headmasters, Messrs McMullen, Killip and Barr and retired in December 1952.

The sundial, which was given by the Old Boys' Union, was designed by architect **William McMurray** (1939). It was unveiled as a tribute to Mr Hallett on 9 December 1965. Originally located between the Killip Wing and the driveway that goes up to the Sir Roden Cutler VC gates, it was relocated to the main courtyard in 1977.

\$10 Thank You Voucher

Our July **\$10 Thank You Voucher** has been won by Kate Price.

Thanks so much to Kate for being one of our happy band of volunteers.

We know her son Caspar (Yr 9) will make good use of his voucher.

Watch this space for our next winner!

Thank you Prefects!

We know we won't see much more of the current Year 12 at school, so we want to take this opportunity to thank all those Prefects who have admirably fulfilled their Canteen duties By turning up regularly on their rostered day.

YOU KNOW WHO YOU ARE!

Special thanks are due to David Vien and Tim Joo For **always** being available to help out, regardless of the roster, and **always** giving **more** than expected of them.

It was a pleasure to work with you.

P&C General Meeting

Wed 20 August, 2008

at 7.30pm

in the Staff Common Room

Guest Speaker for our next P&C General Meeting 2008 will be Mr. Con Barris who will be providing some interesting insight into Sydney Boys High's cultural exchange with Bogabilla Central School.

All parents are encouraged to attend to find out more about this very worthwhile program.

SYDNEY HIGH SCHOOL CADET UNIT

The Cadet Unit at High, the oldest co-curricular activity at the School, continues to provide training in leadership as it has done for 125 years. The Cadet Unit provides a challenging dimension for the boys at High. Membership is voluntary and open to boys older than 12 years and 6 months of age.

The military nature of cadet training is a well proven method of developing leadership, self-reliance, resourcefulness, loyalty, perseverance and a sense of duty and service. Cadet training is not aimed at military recruitment, and joining cadets does not require one to join in the military at a later date. However, by developing self-confidence, leadership skills, self-organisation and increased fitness, it is ideal preparation for those looking towards a future military career.

The shared experience of cadet training develops teamwork skills and promotes all-round development, making for a more interesting, confident young person.

ACTIVITIES

The unit holds its home training parades after school on Tuesdays, from 3.30 to 5.30pm. This weekly uniformed activity provides continuity to cadet training. Each term a three to four day bivouac is held where the cadets live in the field developing their bush-skills. Annually the unit participates in the NSW Cadet Brigade Camp of 7 days – held in a selected Army Training Area, often at Singleton in the Hunter Valley.

Residential promotion courses are held during school holidays, giving selected boys the opportunity to train for

promotion and start their climb up the leadership ladder. These are excellent experiences for young people to network with other aspiring leaders from schools and community groups across the state.

Other activities are held throughout the year: rifle shooting practices, specialist training, visits to defence force units and establishments and support to community ceremonial occasions such as ANZAC Day.

The unit also provides ceremonial and other support to the school on important occasions, on instruction from the Headmaster.

High cadets have the opportunity to participate in the Army Cadet Exchange programme during the school holidays, including exchanges to Austria, Canada, the Cayman Islands, Germany, the Netherlands, Trinidad & Tobago, the United Kingdom and the United States. High cadets have always been strongly represented in Australian Defence Force Cadets Rifle Team tours to international shooting competitions at Bisley in the United Kingdom.

COST

The cost of joining cadets is minimal. No membership or joining fees, as such, are payable. Uniforms and equipment are supplied free of charge by the Commonwealth, accommodation and meals are also provided free at most residential courses. Cadets contribute for meals and other consumables at certain unit activities throughout the year.

ENROLMENT

Boys seeking enrolment in the Unit should contact a senior cadet at the Cadet Orderly Room during lunchtime any school day.

Parents seeking further information may make contact with the unit's Officer Commanding, Major Richard Knowles, telephone 0409 304 611 - Richard.Knowles2@cadetnet.gov.au

Company Sergeant Major (CSM)
SSGT Johan Santoso

Company Quartermaster Sergeant (CQMS)
SGT Aditya Hatle

PI Sgt 1 PI	SGT Sam Binns
PI Sgt 2 PI	SGT Geoffrey Zhang

Good luck in your new postings.

The unit postings are an important part of the unit organisation and each position has definite tasks in the day to day operation of the cadet unit.

Platoon Commanders (PI Comd) lead a platoon of up to 30 cadets. The PI Comd is responsible to the Senior Under Officer for the welfare and training of the cadets in his platoon.

Platoon Sergeants (PI SGT) assist the PI Comd in the running of the platoon. The PI SGT performs the administrative tasks for the platoon and is responsible to the PI Comd for the discipline of the platoon.

Section Commanders (Sect Comd) lead a section of up to 10 cadets. They are responsible to their PI Comd for the welfare and training of their section. Sect Comd are normally of the rank of Corporal.

Section Second in Command (Sect 2IC) assist the Sect Comd in their tasks. Sect 2IC are normally lance corporals.

Company Sergeant Major (CSM) is a very important posting in the unit. He reports directly to the Senior Under Officer and is responsible for the administration and discipline of the unit. He provides advice and guidance to the non commissioned officers (NCO) – sergeants, corporals and lance corporals, of the unit. The CSM oversees the unit duty roster and allocated duty tasks on a day to day basis. The CSM's rank is normally Warrant Officer Class Two (WO2)

Company Quarter Master Sergeant (CQMS) is responsible to the Senior Under Officer for the day to day management of the unit's stores and equipment, including uniform clothing. In the field on bivouacs and camps he is responsible for issue and accounting of rations and the supply and resupply of water and other consumables. The CQMS is normally a staff sergeant.

Year 10 PDHPE Crossroads Seminars 2008

On Tuesday 26th August 2008 a series of presentations will be held for Year 10 as part of the mandatory PDHPE program.

The community organisations involved are WAYS (Waverley Action for Youth Services), Positive Life NSW and the Motor Accident Authority. These organisations create an awareness of issues relevant to young people today and the community support available.

The presentations will be held during periods 1 – 4 in the Senior Study, gymnasium and rooms 102, 103 and 202. The organisation of the day will be provided to each student prior to August 26th.

The cost of the presentations is \$16, payable at the office on or before the day.

FROM THE LIBRARY

Big Thanks – to Julie-Anne and Matt King for thinking of the library when tossing Matt's HSC Study Guides. These types of books are greatly used by our students for exam preparation. Good luck to Matt who is off on a Tennis Scholarship to the University of North Carolina in a couple of days.

Big Thanks also - to Simon Zhang who also gave us many of his very valuable HSC Study Guides.

Study Guides – the library staff went through the books to be processed to prioritize all useful books for HSC preparation and are currently covering all of these. We will be displaying them very soon on the newspaper table as a reminder to our boys to use them.

Mobile numbers for library over dues reminders . Thanks to a very determined effort by the school executive and teachers time spent at roll call can now be put into teaching. As a result for some time library staff and our intrepid office boys have been struggling to get overdue resource reminders to each boy individually. With the advent of SMS messaging and the current DET email to boys individually this problem may be resolved with student and parent co-operation. A short SMS - "you have overdue books" will be a reminder to boys who have mobiles or the parents of those who do not to check their DET email or the High portal to either renew online or to return over dues. Unfortunately the usual detentions will apply

to students who keep books and prevent others from accessing valuable resources.

Apologies to David Mc Donald – father of Ryan in Year 9 for calling him John in an earlier thanks for a donation. Also another thank you for *Australian Historical Studies Journal*, *Visitor Destination* and *E Tourism*.

Pamphlet files can assist HSC candidates– While to some extent the internet has replaced the need for these this library has kept and maintained the very good collection built up years ago and many really good students do borrow them and find them helpful. We are considering making them a non renewable overnight loan so they are not hogged. *English and Ancient History students in particular should use the Library Catalogue as well as the Internet to access these.*

1. CHECK YOUR EMAIL– GET IN THE LOOP!

How many times can I say this??!! Please read the details in the emails carefully and let me know if there are any problems, you can not debate, want to chair a debate, etc... You will miss opportunities to debate, attend events and receive up to date information if you are not on the list and actually reading the information!

2. GPS RESULTS and WEBSITE

The GPS Debating Association has its own website- www.gpsdebating.com – all results (from First Grade, all B teams, right down to year 7) are listed here. NB- 7B's are not listed because the GPS does not provide an adjudicator for that division.

We had a mixed week at Shore, with the Year 10 A's, Year 9B's and Year 7A's remaining undefeated.

PLEASE ENSURE YOU REPORT YOUR RESULTS TO MISS BREWER!

Our results so far are as follows:

MUSIC NOTES

Showcase Concerts

The first ever combined selective schools music concert was held at Sydney Girls High School on Sunday the 29th of June in their Multipurpose Hall. Thank you to all the students who participated and parents and family who attended this fabulous evening of music. The concert included students from seven selective high schools, with the Orchestra conducted by Christopher Bowen and Stage Band by the legendary Judy Bailey. All the boys involved had a wonderful day and left the hall inspired. This eventuated to SGHS playing in our combined orchestral item at the Winter Music Festival held last Thursday directed by renowned guest conductor Stephen Hillinger. The evening showcased a diverse range of music from Folk arrangements to *Avant-garde* 21st century works. The Winter Music Festival continued through Friday night with our Senior elective students giving a recital of their HSC works. The students played with great musical flair in preparation of their HSC practical performance exam later in the term. Congratulations to all our musicians and we especially wish our HSC elective students the best of luck in their upcoming music examinations.

Piano Competition

The Sydney Boys High School Piano Competition concluded this week with very high standard of performances heard in both the Junior and Senior sections. The competition gave many piano players the opportunity to display their musical talents. Well done to all the boys who participated this year and thank you for all your efforts. We look forward to next year's round of budding pianists.

Congratulations to the following winning participants in each of the divisions!

Senior division

1st place: Zhi Zu

2nd place: Jeremy Ireland

3rd place: Dominic Wong and Muhamed Mehmedbasic

Junior Division

1st place: William Baxter

2nd place: Charles Wu

3rd place: Cosmo Liu

Kuringai Concerto Competition

Congratulations to Muhamed Mehmedbasic (Yr 12) who played in the finals with the Kuringai Philharmonic Orchestra at PLC end of term 2. Over 115 competitors entered in the Secondary Schools Kuringai Concerto Competition this year and only 7 were selected to perform in the finals. Muhamed gave a stunning performance of Dragonetti's Double Bass Concerto with a brilliant original cadenza he composed. Well done!

Composition Workshop

The year 11 elective music students participated in an Australian Day compositional workshop last Tuesday held at MLC Burwood. The boys worked with renowned Australian composers; Paul Stanhope and Damien Barbalar who gave them great insight into compositional techniques used in contemporary Australian works.

2008 HREOC Photo Competition

'Dignity and justice for all of us'

To celebrate the 60th Anniversary of the Universal Declaration of Human Rights, the Human Rights and Equal Opportunity Commission (HREOC) is holding a photo competition based on the theme - *'Dignity and justice for all of us'*.

The theme reinforces the vision of the Declaration as a commitment to universal dignity and justice, and reinforces how human rights are an inextricable part of our lives – for everyone, everywhere, everyday.

We're searching for images that reflect the theme of the competition and provide a unique approach to a human rights subject. For some, the photograph will record a moment that celebrates dignity and justice; for others, it will capture fundamental rights and freedoms being recognised; or it may be an observance of what human rights means to you.

Send in your entries and our judging panel will choose a Winner and Highly Commended in each of the three categories: **Under 18 (male)**, **Under 18 (female)** and **18 and above** (age at 30 June 2008).

Winners, Highly Commended and Shortlisted entries in each category will be placed on our website and displayed at HREOC's annual Human Rights Medals and Awards ceremony on 10 December.

PRIZES

The Winner in each category will receive a voucher to the value of \$500 at Digital Camera Warehouse. Highly Commended entries will each receive a certificate and a year's subscription to Australian Photography Magazine (valued at \$77). Winners will be advised by phone and mail on 10 December.

Entries close on Friday, 31 October 2008.

THE ONION BAG

Attendance at matches on Saturday

At the start of the season I submitted 28 Sydney High football teams for inclusion in the GPS competition. Based on this number, coaches were organised, grounds booked and fixtures organised. On top of this, match day organisation requires fields to be set up and referees to be organised. It is a major commitment and responsibility that extends to **all** boys who chose to participate in the GPS football program during the winter sport season,

Below is part of an email I received from the coach of the 16Es.

Saturday saw a valiant effort from the 16Es achieving a respectable 2-1 loss against Grammar F under difficult circumstances. Simon, Tristan and I were quite disappointed that only 4 boys had arrived 10 minutes prior to kick-off. We were contemplating a forfeit but 6 had turned up by game time with another pinched from a different team making up the compulsory 7. The 16Es played the first half with 7 versus 11 on the field, with Grammar having plenty of subs. Jia arrived at half time after call outs were made to see where the rest of the team was. Apparently somebody (in the team) had been spreading mis-information that the game had been cancelled

Unfortunately this type of thing has been an all too regular occurrence in recent years, particularly boys arriving with just minutes to spare before kickoff. It is time that all players took into account the affect that their actions have on others. It is unfair on the coaches of which a large proportion provide their services at both training and match days on a volunteer basis. It is unfair on the opposing team who arrive at the game expecting an even and competitive contest. Finally it is unfair on the boys who do actually honour their commitment to the team and turn up at least 30 minutes prior to kick off.

Players are obligated to attend **all** scheduled matches on Saturdays. This applies in particular to year 12 students during the trial HSC period. Boys failing to do so may be excluded from the football program and not be recognised as having participated in GPS sport on reports, references and award schemes. Absences will need to be explained as per normal school absence policy. (i.e parental note and/or doctors certificate)

Wet Weather procedures

Each week relevant wet weather numbers will be published for grounds we are playing at. As most of these are recorded messages, take careful note of the day/date that the message applies to, as they are subject to change. Better still ring on the morning of the game (i.e Saturday not Thursday!) for the most up to date message.

Match Reports from matches v Shore

1st Grade v Shore Won 1-0

High dominated the majority of the match and created several excellent chances in the first half. The midfield, led by Pat Locke, continually caused the Shore defence headaches, with strong challenges and quick, clever distribution. High's defence was strong and committed and were rarely threatened. Even the loss of keeper and captain Lachlan Street late in the match was not enough to stop a determined High from securing a deserved victory thanks to a last minute Anton Paul header, after having one controversially cleared of the line moments earlier.

2nd Grade v Shore Lost 0-1

16D v Shore Won 1-0

This week's game against Shore started very positively with High camped in Shore's half for the first ten minutes. High peppered the goal throughout the first half with Harry Vi hitting the post and High squandering three open goal situations. However, High had to be wary of the counter attack as one Shore striker had a lot of pace. Thankfully, one of the defenders was always on hand to destroy any chance of a goal scoring opportunity. The second half started off in much the same way, with High peppering the goalmouth with crosses and shots. If anything, High dominated the match further in the second half, as Shore struggled to get the ball past our midfield and into our half. The inevitable goal eventually came with Ian Lu being put through into a one on one situation that was finally put away. High continued their dominance for the rest of the match without getting anything to show for it. A truly dominant display in which Shore did not have one shot on goal throughout the match, Harry Vi being a star performer in the midfield. Ian Lu was the goal scorer.

15C v Shore Draw 1-1

This week, we played again away from home against a strong Shore outfit. With a tightly contested first ten minutes, we held our defence inside the goal box, and repelled attack after attack. Finally, Shore scored through sheer luck when a foot was thrown at the ball and it rolled through the goal. From that point onwards, both teams lifted their efforts to gain control and momentum in the match. With at least ten shots at goal in the first half, we deserved a goal and came off the field feeling a little cheated. With the words of Coach S. Sheldon still ringing in our ears, we started the first half with ferocity to match our opponents. Special mention must go to M. Rozsa and V. Sethi for continuing their golden run in resolute defending. From a powerful kick coming from the boot of Rozca, V. Wang ran onto the great through ball and scored from an extremely tight angle, befuddling both Shore goalkeeper and defence. With a chance for victory even closer, we gained more momentum through good crosses from M. Reid and unyielding defence from Leo. Leo matured this match with a much improved throwing technique and standing up against tripping tactics from Shore's forwards. Unluckily the match ended again in a draw, with the score at 1-1. Several great saves from keeper L. Sheldon helped us stay in the match. Special thanks must go Cameron Morrison for playing another game with us after finishing the 15 D's game. With a newfound hunger for victory, next week we look forward to another strong encounter and a great time.

14As v Shore Loss 1-3

The game was off to a poor start when, our keeper, was elbowed in the face, releasing the ball that was in his hands, straight to the foot of a Shore boy, who went on to put the ball in the back of the net. This all in full sight of the ref, who went on to award the goal. With blood gushing from Anton's mouth he was subbed off, and I made the change to go in the goals. John stepped up and slotted an equalizer minutes later. In the second half, our keeper made a triumphant return, but it wasn't to be. High going down 3-1. **Man of the match:** John Kim

SYDNEY BOYS HIGH CRICKET

www.sydneyboyscricket.info

Cricket is a team sport which has a variety of rules and formats that games are played in, to accommodate boys of all ages. When boys select their sports for Term 4 it is expected that they will play the full season which is Term 4 and Term 1 the following year exposed to coaching and working in a team to enable them to learn and truly assess their progress and enthusiasm for that sport. Should cricket be your choice for this season, we require all cricketers to complete the full season and be available for our school teams on Saturdays. For those at High contemplating a move to cricket from another summer sport, mid way through a season, they must first of all inform their current MIC or Sport Coordinator of their chosen sport of their desire and receive approval from the Head Teacher of sport to make the change. *Now for some updates for this season.*

AUSTRALIAN FIVE HIGHS CARNIVAL

This year the Carnival will be conducted one later than usual, that is instead of the following week of our last AAGPS fixture, there will be one week break before the team will depart for Adelaide, this year's location for the carnival. As a result boys selected in the 1st XI will need to address their planning for commitments to school and external engagements to facilitate being available to travel as a member of the team. The Five Highs XI will be selected on form shown in the AAGPS Competition and will be announced no less than one month prior to the Carnival. Players will be required to pay for travel fares, a Carnival subsidy (which provides meals, drinks socials included in such) and will be billeted by the Adelaide High School

YEAR 7 and 8 CRICKETERS - TO ENJOY YOUR CRICKET MORE

In Term 1 many young students from Year 7 this year selected cricket for their summer sport who had not been exposed to cricket at primary school, or in junior competitions outside of school. Whilst some struggled with the game at first as the Term 1 continued so did they with the help of coaches. To enable cricketers in this Year to enjoy their cricket more and become more skilful at the game so that they can achieve not only personal pride in their improvement but also become more competitive, we will be conducting skills clinics for this group at the first summer sport days. In addition specialty coaching will occur on an age basis at the nets and in on-field scenarios. In addition some Q&A sessions for the boys to understand better some of those "strange rules" that they confront in match situations will be an element of our preparation. As a result of this approach, boys will be able to gain the best from their chosen sport, achieve self satisfaction and enjoy the company of their friends in a team environment of a Saturday

BRISBANE TOUR

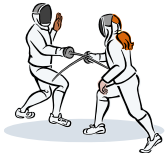

In December we have a tour to Brisbane for an Under 15 Team and we are also negotiating to take an Under 14 representative team as well to compete over 3-4 days against Brisbane High School and other schools. All boys will be eligible to try out for the final teams selected to participate in the tour. It is not a "closed shop" as we want boys to aspire to achieving the standard perceived for each age group and then testing it against their peers interstate. Players have to be Under 15 and Under 14 as at the 1st SEPTEMBER 31st 2008 to qualify for each of these teams. If you turn 15 or 14 on the 31st. August you are eligible to play. Squads of 20 players will be formed in late September and selections will occur late October and will also have training sessions in the second week of the school vacation period (6th – 10th October).

MANAGERS WANTED

Our Year 7 and 8 teams require managers on each AAGPS Competition Saturday to assist with the off-field organization, scoring (where necessary) and assisting the boys in their preparation to bat, The commitment would be for 7 weeks in Term 4 (incl a trial match) and 8 weeks in Term 1 2009 Remuneration is available for regular managers and applications can be made by emailing me at lheil39@bigpond.net.au

FENCING NEWS

The New South Wales Fencing Schools League competition began this Saturday. We were able to put in 6 senior teams and 7 junior teams, quite possibly the highest number of teams we've ever put in. As a result, our MIC Ms May was running around desperately trying to get everyone organised. I was persuaded to referee, which was only fair, given the amount of teams we have put in this year. Special thanks go to Maxwell Phillis, who did an outstanding job of getting the mini teams organised, and Boris Zolotarev, who stayed after his match to coach a mini team.

Seniors

The Firsts went down to St Patrick's in their first match in a tightly fought match, ending it 4-5. Everyone fenced very well, often scoring points to draw ahead in bouts, only to have St Patrick's learn our strategy and win it, and vice versa. It kept everyone guessing until the end. The match against Barker A was less close, with us winning 6-3.

The Seconds defeated the Cs 5-4, and barely lost to Sydney Grammar C 4-5.

The Cs went down to the Seconds and were soundly beaten by Sydney Grammar C 0-9. They were also missing a member of their team, as he had an HSC exam (French speaking) that day.

The Es and Fs had a bye this week.

Juniors

Sydney Boys High Minis A Team Report

Last Saturday our U13 A's fencing team did extremely well winning both of their bouts against SBHS G's and St Ignatius. It has been a great way to start off our schools league, and the fencers had a lot of fun. *Mathew Chan 8T*

The Mini Ds went 0-9 against Aloysius A and 1-8 against Sydney Grammar B.

The Mini Es went 1-8 against Aloysius B and 1-8 against Newington A. I was judging the first match and could see that the Aloysius fencers were finding it harder and harder to score points against Sydney High, and the Es were well rewarded for their efforts by a win in one of the final bouts.

The Mini Fs went down 0-9 against Aloysius C and Newington B.

The Mini Gs went down to our Mini As and then went down to Aloysius D 2-7. They were fairly optimistic, however, with one of them being heard to comment "Fencing is fun even when you lose."

It has been a fairly good start to the season. Could those teams which are fencing this Saturday please get your reports to me or Ms May after the match?

Congratulations to everyone for a good start to the season,

**The Fencing Captain,
Julian Byrnes**

Shore "Shell-Shocked" by High

Maybe not every team managed to "shock" the boys from the North, but some teams really stepped up a level this week putting the pressure on Shore. Notably the 16Bs recorded their first win of the GPS season along with the 13Ds with their first win of the year. The big highlight however was the 16As who followed through with the performance of the year so far, going down 12-0 to a Shore 16As side which last year piled on over 60 points against them. Aside from games against traditional rivals Grammar, I cannot recall an As team coming this

Memories: Vs. Shore 2003

close against a GPS As team since moving to correct age groups last year, Well done!. The 13As started of strong with great continuity to open the scoring account unfortunately lost their composure and let in a few tries. The 14As got off to a shaky start and couldn't repeat last week's big win (65-0) and went down to a sleek Shore team. The opens played bravely to go down narrowly to Shore 4ths.

Team of the Week: 16As- What a performance against Shore, a GPS win is looking very promising this week.

Player of the Week: Leon Li 15As- Hits hard. Hits fast. Hits often. May have taken some hits to the head as well.

David Tran 16Bs- Stellar performance, two tries to seal the win for his team.

Coach of the Week: David Vien 16Bs- First win for his 16Bs, good work... mostly by the 16Bs players though.

Supporter of the Week: Robert Chen- took a hard setback on the chin, and came out to support the senior boys.

Senior XV Report: The Sydney High Opens XV came up against a Shore 4th XV side. The game started out with good intensity, with high making an early break through some clever backline work. Unfortunately Shore were the first team to score points through two tries, the second being a skilful solo kick and chase. High hit back in the second half through some strong running from Nelson Ridges who muscled his way over the try line. The game was locked this way for the remainder of the match, Shore escaping with a 12-5 win.

Rugby News

Experience the Passion of GPS Rugby: All players and parents are asked to support the other teams in your age group and then stay to cheer on our senior team in the games against Newington at Newington College this Saturday. This is the 5th round of the GPS season. Game times & fields are in Upcoming Events on the School website [Hwww.sydneyboyshigh.com](http://www.sydneyboyshigh.com)H

Editor's Matches of the round: Some advice on highlights for this weekend. The 14As are a fickle team who really turn it on at times. The 16Bs have been hitting good form, and should have a good game. The 13s are all great to watch. The two big ones are the opens match and the 16As. The opens need your support and are building momentum to Grammar, whilst the exciting 16As have a great chance for their first GPS win.

Rugby End-of-Season Dinner: Tickets for the 2008 Rugby Dinner for all rugby players and parents, at 6pm on Saturday 6 September in the Great Hall, are on sale now. Cost is \$30 per person. Get your team tables together for this very important night and book early as there are only 220 places.

Rugby Email News List: Parents, if you did not receive an email last week with all the details for last Saturday's games and team lists, please email or call your parent Age Group Coordinator

Age Group Reports

16s: Persistence has finally paid off for the 16 B's. The team ground out a 12-7 victory over Shore, in which all the points were put on in the first half. Man of the Match easily goes to David Tran, who scored both of the team's tries before coming off the field with a shoulder injury, the result of his fearless attitude. Great scrambling defence in the 2nd half sealed the win, which was surely aided by some tough fitness sessions during the previous week.

VOLLEYBALL REPORT

High's 2nds turned up at the High Gym for the match against expecting a repeat from the hiding we gave them two weeks earlier. After a brief warm-up, High cruised past the first set 25-4 on the back of some 20 consecutive serves from Chris Morrow ensuring that the most we had to do was to walk about 3 metres to high-five him every now and then. In the second set, few missed serves and basic passing errors had Newington level with us - for about 5 minutes, before some consistent hitting from Ivan Li and Hugh Huang got us over Newington 25-11. The third set became a more of a training exercise as High breezed past Newington 25-7 with consistent setting from Sam Wan and Merlin Li patrolling the net. All in all it was just another day at the office for High Volleyball as we look to go undefeated throughout the season. Our thanks to Mr. Kay and Dr. Ganderton for waking up early on a cold Saturday morning to watch us play.

Tony Wang

First grade started the second round of GPS volleyball with a well played 3-0 win over Newington College. The match began with strong jump serves from Nishan which left the opponent speechless and Daniel Shan's surprising second hit attacks added to the barrage. Consistent setting from Shorson Zhang set Ritam Mitra and Merlin Li up for deadly attacks, which led to our domination over Newington. Solid blocking from the middles Warren Trac and Chris Morrow widened the gap even further and brought an easy win for High:25-12, 25-14, 25-18.

Sunday, 10 August – 21 September 2008

7.00am – 9.00am

6 Sessions of 2 hours

Cost \$275.00 incl. GST

The Outterside Centre
5 Teviot Avenue, Abbotsford

Come down to Abbotsford this Sunday and bring your friends with you. Fantastic opportunity to learn Rowing in Sydney in a friendly, relaxed atmosphere. Whether you are a complete novice or have some previous experience, everyone is welcome. Rowing is the ideal aerobic sport for the entire body as it is low impact and low injury. You'll enjoy the ultimate team activity as well as the magic moments of early mornings on the water. All our coaches are 'old boys' who volunteer their time to make a contribution and they even organise a BBQ breakfast afterwards for everyone to enjoy in this stunning location!

Learning Outcomes

At the completion of the course participants will possess the following skills and knowledge:

- Basic knowledge of rowing style and boat rigging
- Basic navigation rules and river etiquette
- Ability to row with a crew in a racing shell

Safety Note: Participants must be able to swim 50 metres and tread water as a safety requirement. All participants must sign The Sydney High Foundation's Indemnity Form, stating swimming ability, before they are allowed on the water.

Under 18's must be accompanied by a participating adult.

SCHOOL STUDENT TRANSPORT SCHEME (SSTS)

School Student Code of Conduct – Students travelling on buses must:-

- Dip school bus pass or pay the fare when joining the bus. This is particularly important as the data collected from the on bus fare collection system may be used for service planning purposes
- Use school specials when provided
- Vacate seats for adults when requested
- Follow the driver's instructions about safety on the bus
- Respect the needs and comfort of other passengers
- Behave appropriately at all times (e.g. no offensive language, no throwing things)
- Protect bus property (e.g. no vandalism)

Students are reminded to:-

- Only use the school bus pass for its intended purpose i.e. for travel between home and school (does not include travel to and from sporting activities)
- Maintain possession of the school bus pass at all times.

During 2008, authorised officers will be deployed to inspect **Code of Conduct** compliance on school bus services in the Eastern Region. Students who are found to have breached their obligations may lose their travel entitlement and possibly incur an infringement.
