

From the Principal Term 2

Welcome back to Term 2. I hope that all staff and students had a relaxing break. There are some staff changes, particularly while the French Tour is still on. Mr Heath will cover the music classes until the 28th. Ms Chen is relieving for Ms Ward (who is on extended jury duty).

High Talent

The NSW CHS Swimming Championships were held in the last week of Term 1. High won a gold medal in the 4x50m 14 years relay. The team was Eugene Lee, Yu Peng Man, George Dzero, Dominic Mah. In the 6x50m all age relay, High won a silver medal. The team was Jack Musgrove, Ben Wilcox, Shaun Pak, Eugene Lee, Leonard Mah and Kazuo Nakamura. Darren Chien won an individual silver medal in the 100m breaststroke. These boys will go on to represent CHS at All Schools. A wonderful effort by all of our representative swimmers! Early next month 2009 Old Boys, Yiming Cao and Thomas Wilson will be receiving their University of Sydney Outstanding Achievement Awards and Harrison Lane a University of Sydney Entry Award.

A report from a Parisian resident, Old Boy Azri Deen (1995), that the marching band played under the Arc de Triomphe on 15/4 "to the highest standard and were an equal match to the professional French military band that they played alongside." Old Boy Spencer Llewellyn (2009) was awarded a full scholarship to Pacific College California, a division 1 basketball college. A wonderful organisational effort by Yale Wong and Andrew Gaffney resulted in 59 High boys donating blood to the Red Cross. This joint initiative with SGHS was very worthwhile and yet another example of the laudable values and leadership capacity of our students.

Thank you to Mr Walker for his assistance with the event.

Ground improvements

The COLA has had security fencing installed. Concrete slabs were laid to extend the cricket run ups and to provide a base for

another water tank and a storage shed for fencing. Drainage was added to the amphitheatre area, a pit dug and a pipe installed to divert water to the stormwater drain. Turf was laid in the area between the amphitheatre and the basketball courts to promote growth. A sandstone retaining wall to secure the Macdonald Wing side of the cricket nets for 25m was constructed using locally sourced sandstone. Students are asked to keep away from the areas being developed and to respect the taped off areas.

The MySchool Controversy

In the latest ACE publication, Emeritus Professor Alan Reid debunks six myths about the MySchool website.

1. MySchool captures the quality of a school. Even though MySchool admittedly takes a narrow snapshot of school achievement through NAPLAN results, parents really don't have time to pursue other sources of information and will continue to be influenced by MySchool content.
2. Publishing school results on MySchool will help to increase quality in education. Teachers are motivated to improve by other means than parental pressure. International experience shows that when testing becomes high stakes (particularly in Years 7 & 9) it has deleterious effects on the quality of education.

3. MySchool information will not be used to establish simplistic league tables. The side step attempt to compare each school to 60 like schools has been confounded by the difficulty of establishing 'like' schools and by the response of the media to publish league tables anyway.
4. That MySchool will help the government to target resources to schools. The NAPLAN data has been available to governments for years. School improvement is not just about money. Social and cultural factors are as important as facilities, resources and pedagogy.
5. MySchool will help parents to select schools. Promoting the notion of education as a commodity rather than a public good is unhelpful as it undermines the culture of school as a community. It also assumes that all people are able to choose. Zoning, Transport costs, fees and restricted enrolments, mitigate against a large percentage of the population really having choice.
6. If you oppose MySchool you are opposed to transparency and accountability. All responsible teachers know that good education requires plentiful relevant information.

It is hard to disagree with the clarity and cogency of Professor Reid's argument. However, if NAPLAN was acknowledged as a useful professional tool before MySchool is it not just as meaningful after MySchool? NAPLAN is clearly a pawn in the game. It seems to me that the state has the determination and capacity to have the tests administered and the teaching profession has the determination and capacity not to be involved in their administration. The struggle is costing both sides. I fear the MySchool distraction and the adversarial politics of NAPLAN will result in fewer dollars and fewer hours of effort being applied to the education of students in Australia this year.

FROM THE TWO LIBRARIES

(See Mothers' Day Book offer)

FIRST EVER SYDNEY BOYS HIGH "READ AND DONATE" BOOK FAIR

The opportunity is there for boys to directly influence and update our 2 library Fiction Collection. We hope every boy will choose and then read one book. Work proceeds apace from both librarians and student volunteers in support of this big 2 Libraries event. The May 28 Book Fair is a great chance to support your son as lifelong a reader and for a modest sum to support your school library Fiction Collection. When your son picks a great book to donate to the 2 Libraries he will be the first one to borrow and read the book. Both Libraries aspire to have a really exciting and up to date fiction collection as a result of the hard work they are putting into this Book Fair, to encourage High's wonderful students to continue to love their reading.

BOOK FAIR WEBSITE UP - see link from sydneyboyshigh.com

Resources which will be displayed at the May (read and donate the book) Book Fair are going up on a website as we write and will continue to do so until we have enough resources for every boy to purchase a book.

You can look these up on the linked website and click around and find book reviews and popularity ratings.

Mrs Crothers spent the 2nd week of the holidays and after school this week, selecting books from Borders at Bondi Junction and putting them on her "Library Thing" website. Mrs Gordon is selecting books and has put in a day's research at the Children's Bookshop in-service to select resources for the new Senior Book Collection. At present there are approx 400 books up on the Website and more to go. Students can investigate the books and pick the best one to read themselves and later donate.

MOTHERS' DAY OFFER – EARLY BIRD BOOK FAIR

– *Starts this coming week in time for Mothers' Day*

As a special offer to Sydney Boys High mothers Mrs Crothers has selected 200 of Border's latest women's books for boys to give Mum for Mothers' Day. These are now on the Book Fair website – follow the link from sydneyboyshigh.com. **This is a 20% off purchase and is NOT a donation.** Boys can attach their own "read and donate" book choice to the Mothers' Day offer if they wish – by selecting from the Website right now and filling in the downloadable form and taking it to the Library staff. Library staff will order the books for free and they will be delivered to the school for boys to pick up. For notification of arrival see the Library's noticeboards.

UNSW Network Schools Programme UNSW Year 10 Subject Selection and Information Evenings

This year UNSW is offering six Year 10 Subject Selection and Information Evenings - three of these dates are exclusively for Network Schools' students. The evenings exclusively for Network Schools' students have been designed to be smaller so that students and parents will have more of an opportunity to interact one-on-one with current UNSW students and Faculty Representatives. We encourage Year 10 students and their parents to attend these information packed evenings – even if they are unsure of what uni they want to attend. We pride ourselves on ensuring that the information provided is broad enough to not be solely applicable to UNSW but best practice for subject selection.

Presentations from UNSW's UAC Admissions, the Board of Studies, UNSW Co-op and Scholarships and a UNSW Student Ambassador are followed by the opportunity for students and parents to meet directly with current UNSW students and Faculty Representatives to ask any questions they may have on UNSW's programs, the study experience, etc. etc.

The dates for all six events, along with the specific registration details for each, are listed below. These evenings often fill to capacity – please encourage students or parents to register as soon as possible to avoid disappointment.

Following the formal presentation, a panel of five (including two current UNSW Medicine students) will answer questions from the audience. SCHOOL ATHLETICS CARNIVAL 2010

Over two great days late last term the School Athletics Carnival was held at nearby ES Marks field. The Carnival is designed to cater for all standards and boys are encouraged to participate in at least three events on the day. The Carnival went very smoothly thanks to the efforts of staff, student volunteers and willing competitors. Particular thanks once again to our Data Team consisting of James Rudd, David Chan, Nicholas Costa, Brendan Leo and Wen Jia Liu who donated their skill and computer expertise over two days. Our Carnival is now one of only a few large school Carnivals held

at the track and it continues to be a great spectacle when it is in full swing. Senior boys in particular seem to appreciate what, for most of them, will be the last such event they participate in. Our new Deputy Principal, Mr Barris, started a new initiative this year with the first Tug O War contest. This helped to create a fun atmosphere at the carnival and we will develop the concept further next year.

Congratulations also to the Age Champions – James Tinker (12 Years), Joshua Lee (13 Years), Anton Brokman (14 Years), Patrick Krakovsky (15 Years) and Scott Renzenbrink (16 Years)

Special Awards from the Carnival include

The AM Eedy Cup for 100m Champion : Brian Kelly

The McArthur Memorial Cup for 1500m : Francis Torok

The Frank Albert Cup for Senior Athletics Champion : Maximillian Kite

Full results of the Carnival are published herein. Ruby was the winning House this year
