

Too many parents are ignoring or pleading ignorance about the school policy on **Student Leave of Absence – Extended Leave Travel** requests. This applies to leave that is five school days or more in duration. Parents are reminded that as a matter of policy leave will not be processed or approved unless **four weeks'** notice has been given. Also, cogent reasons for travelling during school term need to be supplied. The effect of this decision is that all leave requests that involve that last four weeks of term must be lodged with me for approval by the end of **week 6**, each term. If you are planning to travel during the school term you need to download, complete and submit the form for my approval by the closing date. As it is now **week 8**, I am going to apply the rule quite strictly.

## Meet the Prefect-Intern

I first arrived at Sydney Boys High School a wee-little lad, pants hemmed threefold. I looked up to the boys in the blue ties, the boys that represented 1st grade teams, and the boys who achieved the highest in academic merit, and although I have grown almost twice my height, I still look up to those boys. Therefore, as an eager beaver Year 7 student, I immersed myself with the torrent of opportunities with sports, music and debating that flooded my weekly schedule. In Year 8 I was elected SRC, and these collective extracurricular activities helped me develop my leadership and organisation skills with which I use to organise. If you asked how I balanced these activities, I really didn't, and thus, instead I decided to focus on those activities I enjoyed and could particularly contribute to.

between teammates on the court and pitch become ever stronger as we taste the sweats and tears of intense competition together. As one of the High Boys, this "High Spirit" and culture will always be a memento of my time at High, and remind me of the great school I am grateful to attend. Coming to Sydney Boys High School allowed me to grow not only visibly but also as a person who is committed, all-rounded, and open-minded; a true scholar sportsman.

## HIGH ACHIEVERS AND MENTORING

The Old Boys Union is holding the biennial High Achievers supported by one of its Mentoring sessions on 28 June, where we've invited high achieving Old Boys to

come back and offer some of their wisdom for current students at High! These events show us what life outside of High is like, smoothening the transition between high school, university and the work force, to help current students leave a mark upon society.

The event will feature guests of a variety of occupations such as Allen Liao of 2010 who founded Tzukuri and Thomas Kaldor of 2005 who is currently a lawyer. These individuals and 20 more like them, ranging from CEOs and entrepreneurs, to doctors and engineers, will show us how an education at Sydney High has contributed to their ongoing success in the world.

The High Achievers and Mentoring events are completely free for both parents and students however the Mentoring event will prioritise current Year 12s. Food and refreshments will be provided.

## Debating Report

Congratulations to the Year 11 team who won the Eastside Competition. It was lovely to see some other Year 11 debaters who came to support them on the night.

### Junior Debating Club

Junior debating club is a great way to improve your debating ability and do a little extra debating for people who want to do a bit more than just Friday. The time spent at JDC is invaluable to any student's debating ability. At the beginning of lunch on Tuesday students meet in 205 and the lesson normally begins with a short discussion about current affairs and the week's news. Then students are divided up into Affirmative and Negative, and are asked to prepare points for a topic, which they then present in the form of a modified debate. It is worth noting that this doesn't happen every week. Sometimes there is a different focus e.g. thematic rebuttals. Although attendance is not very high, the training is very useful for those who do attend, as everyone gets to have a turn at every activity. Hugh Bartley runs the club most weeks, and creates an enjoyable and educational experience.

## PARENT TEACHER INTERVIEWS

### **Booking interviews with your son's teachers**

This year we will again use a web based electronic scheduling system for arranging interviews. This produces better results for all participants, especially more compact time schedules for both parents and teachers. The system works as follows –

- On Wednesday 14 June all parents of boys in Year 7 and 11 were sent by email details of the scheduling system and a unique code to be entered at [www.edval.com.au/book](http://www.edval.com.au/book).
- On Tuesday 20 June all parents of boys in Years 8 and 10 will be sent by email details of the scheduling system and a unique code to be entered at [www.edval.com.au/book](http://www.edval.com.au/book).
- This email was/will be sent to the address currently held by the school. If you have not received this email by the following day or, if your email address has changed from what had been previously advised to the school, you should notify the school at [ptnight@sbhs.nsw.edu.au](mailto:ptnight@sbhs.nsw.edu.au) advising of this. Please indicate your son's name and roll class or date of birth so that the information can be forwarded to you.
- On the Edval website you will see your son's teachers listed and you will be able to select those with whom you require an interview. (If you hover over a teacher's name, the subject involved will be shown.) At the same time you can indicate your availability between 3:00 pm and 7:00 pm.
- Once the majority of parents have requested interviews, the overall schedule will be generated by the school and your individual schedule should be available for you to download and print from two days before the interviews.
- Periods will be shortened on the days of the interviews. Boys from all Years will be dismissed from class at 2:35pm each day. School Special buses will run to normal schedules and there will be supervision available in the Junior Quad of boys waiting for these buses.
- *Interviews should not exceed five minutes' duration.* If there is insufficient time, a further appointment may be made for a later date, or contact by telephone arranged.

There is increasing evidence on the benefits of eating a wide variety of nutrient-rich foods from various food groups, with a big emphasis on whole grains, fresh fruit and vegetables.

We seek your continued support as we knock back and phase out sugary treats and drinks. Remember all profits from canteen sales are returned to the school community for meaningful projects that will directly benefit our boys.

# RIFLE SHOOTING

On 9 June 2017, 8 shooters consisting of Dallas Yan (12E), Jason Feng (12S), Nathan Wong (12F), Ricky Li (11F), Royce Xiao (11F), Andrew Lui (10R), Alex Tan (10F), and Dinan Pingamage (10T) went to Wingham Rifle Club to compete in the 66<sup>th</sup> Wingham Open Prize Meet. Upon an earlier than usual arrival time of 4pm the team pitched their tents, when it started to rain midway. After moving all the luggage from the trailer to the tents, the team went out to buy dinner.

With 2 days of shooting ahead, Saturday's wake up was an early 6am, with the sun barely up. The forecast for the day was up to 120mm of rain, which no-one was looking forward to shoot in. With an 8:00am start to the match, the team quickly had breakfast and handed in the competition paperwork. There was a quick setup for the first range, thanks to preparations made the night before. A distinct lack of shooting scopes quickly became apparent, so old boys had to help some shooters spot their shots. In the first range at 600y, Ricky Li came 2<sup>nd</sup> in C grade with an impressive score of 48.1, followed by Dallas Yan in 3<sup>rd</sup> with a 47.4. Nathan Wong shot well with

a 49.2 in B grade. The second range was a 500yd range, with Nathan Wong taking out 1<sup>st</sup> in B grade with an excellent 50.6. Dinan Pingamage came 2<sup>nd</sup> in C grade with a score of 48.5, followed by Ricky Li in 3<sup>rd</sup>, 2 centres behind with 48.3. The final range of the day was 400m, with Ricky Li taking out 2<sup>nd</sup> place in C grade with a 48.3. Alex Tan shot a commendable 46.4 in C grade at this range. By the end of the day, Ricky Li was coming 2<sup>nd</sup> in C grade, only 3 centres behind first. Thankfully the forecast amount of rain did not arrive, just showers every now and then during the day. Following the shoot, the team cleaned their rifles before making it to the awards presentation. 1<sup>st</sup> to 3<sup>rd</sup> for each range and the daily aggregate received patches, while first also received a prize. Nathan Wong won a heavy duty torch, which was actually surprisingly helpful at night. Dinner was a roast chicken dinner, followed with dessert. The traditional trivia night followed, with Sydney High actually doing relatively

well compared to previous years, scoring double digit scores in one section.

The second day of the shoot started out much like the first, but with a small amount of rain falling. Ricky Li came 2<sup>nd</sup> in C grade in the first 500y range with an impressive score of 49.5, on count back. Alex Tan shot well with a 48.3, followed by Andrew Lui and Dinan Pingamage with

48.2. In the second range of the day, at 600y, Ricky Li again came 2<sup>nd</sup> in C grade with a 48.2, with Andrew Lui at 3<sup>rd</sup> with a 47.4, and Alex Tan at 4<sup>th</sup> with 47.3. The final shoot of the competition was again at 600y, but out of 75 instead of 50. Nathan Wong shot an incredible 74.9 in B grade, coming 3<sup>rd</sup> in the range. Dallas Yan came 1<sup>st</sup> in C grade with a 73.7, followed by Jason Feng in 2<sup>nd</sup> trailing by 4 centres, shooting 73.3. Ricky Li came first in the second day aggregate, by 1 point, shooting 166.9/175. Dinan Pingamage was 3 points (163.10) behind Ricky, and Alex Tan was 1 point (162.9) behind Dinan. Ricky went on to win C grade overall, scoring 310.16/325. Other noteworthy scores include 314.25 from Nathan Wong, 300.18 from Dinan Pingamage, and 300.15 from Jason Feng.

The second night's presentation included the overall competition aggregate. Ricky Li won a George Foreman grill for winning the second day aggregate, and Dallas Yan won a keyboard and mouse for winning the last 600yd range. Ricky Li also won a multi-purpose tool for winning C grade overall. Afterwards, the night was ours to enjoy and relax, and with no need for an early wakeup, the team stayed up much later than usual. There was the

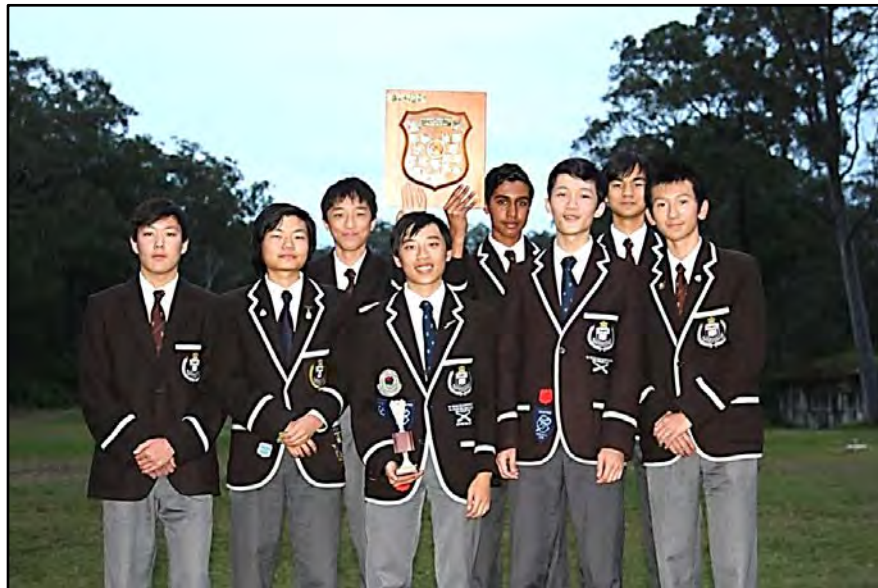

traditional campfire, which preceded dinner. Dinner was followed up with card games, an almost mah-jong, and karaoke in the clubhouse.

The Wingham shoot this year was a testament to the effort put into training by the shooters, with all shooter's improving on their previous year's score. The largest score increase came from Alex Tan, who improved on last

year by 28 points, and more than doubled his centre count. A special mention also to Dinan Pingamage, who also made a large improvement of 22 points, and 10 extra centres. As vice-captain, it was great to see such close friendships get closer over the 4 days, and will surely bode well as we near the GPS competition in July. Special thanks must go to the Team of Old Boys who made this trip possible.

We have now completed our 3<sup>rd</sup> round match of the Alan Davidson Shield and we had a very convincing win against Heathcote. Not having picked up a bat or ball since March the new generation of boys looked far superior to their opposition. The boys bowled very well and their fielding was exceptional.

When chasing the runs we managed to chase it in just 10 deliveries thanks to Aditya Shiva Rudraiah smashing two sixes in a row to win the match.

We invited a very young squad that included nine Year 9's, and one Year 8 student. The boys did exceptionally well and we were very proud of their efforts considering they were up against the best Football school in the GPS.
