### Enrolment Application Process Completed.

After processing and assessing >200 applications and arranging and conducting >65 interviews, the enrolment process for Years 8, 9 and 11 has been completed. Thank you to Maria Glenn for her efficiency and dedication to making the process run smoothly. Thank you to Brooke Ashton for arranging the interviews and staying back to meet the prospective applicants. The job done by our 17 School Assessors to produce three scores for so many applications in one week, was impressive. Thank you to Glynis Bartley for perusing the spreadsheets as our community representative. I believe we were able to treat each application on its merits and to apply a fair ranking methodology to produce our lists of offers and reserves. Everybody's help was much appreciated.

### Tell Them From Me Survey

The School and *The Learning Bar* support team are now ready to work with our school community, to maximise the opportunity to collect feedback from our stakeholders using the TTFM surveys. The survey window is **open now and will remain accessible until 13 October**. You can complete a survey at any time during this window. Over recent years we have built up a data base of staff and parent opinions about various aspects of school life. We appreciate the feedback – both positive and negative – as it helps us with our forward planning in our search for continual improvement. Information given is confidential and will not be used in any way that identifies a person or the school. Additional information

for parents, including parent FAQs, can also be found on the CESE website at:  
<http://surveys.cese.nsw.gov.au/information-for-parents>.  
I urge as many parents to participate as possible. Parent voice is very important to us at High.

To have your say about our school go to <https://sbhs.co/pil17>

### Trial HSC Examinations

The Trial HSC examination period concluded on Friday, 28<sup>th</sup> August. I want to thank Mr Prorellis for his organisation of the schedules, our invigilators for their effective supervision of examinations and management of the scripts, and the students for their cooperation. In this last month of preparation for the HSC, our culture becomes collaborative. Year 12 students need to focus on the end game. The ranks have been finalised with the last assessment task – now it's about maximising the number of examination marks that the school gets. It is in everyone's interest if students help each other. The more examination marks earned, the more assessment marks there are to be allocated. Seek out your teachers for advice and feedback. Don't slacken off. Support each other in study routines. Share notes, model answers, essays and solutions with each other. Help build mastery and with it, collective self-confidence. Use this time also to sort out your post-school destination possibilities. Get your scholarship application paperwork completed. Gather your reference and valeté material together. Be aware of the timelines in the letter emailed to you. Gear yourselves up for a few months of really committed effort.

### Meet the Prefect-Intern

Year 7 felt like a short while ago when a small boy walked through the gates for the first time. The years have passed so quickly that they at times seem a blur. From representing the swim team in Year 7, to getting stepped on the eye at rugby training (cheers Tushaya), and making my debut for 1st football in Year 10 (and tearing my Achilles tendon five minutes into the game), High has created unforgettable experiences and memories that will be treasured for a lifetime. Time flies when you're having fun.

The High culture encourages everyone to give everything a go, trying your best to reach both personal and team achievements in sport and academics. That's what makes High so unique. High provides so many opportunities unavailable in other schools, and it has been a privilege representing the school in one of the highest levels of school sport, the GPS. Training and playing for both 1st and 2nds football and water polo has been an incredible

honour, and it gives me great pride to compete against the best while representing High.

As the Football and Water Polo Prefect, I aspire to develop the High culture within each of these sports that both Ms Millar and Mr Tesoriero have nurtured us as MICs. I also plan to increase both parental and student support to games to develop High pride. Along with the prefect body of 2017, I hope we can be proud in what we achieve throughout the year as we continually push our limits to make things happen and change our school for the better.

Sydney High is a pretty good school.

**Corey Won, Football Prefect & Water Polo Prefect**

## 1<sup>st</sup> Invitational Athletics Carnival 2017

### Athletics Results

Last week was the 1<sup>st</sup> official week of Athletics. This year Athletics is a 5 week season in the GPS calendar. Being such a short season, Athletes and coaches need to work very hard and remain focused to give the school athletics program the best chance of high performance come 16<sup>th</sup> September.

The 1<sup>st</sup> Invitational was held at ES Marks Athletics Track on 19 August, hosted by Shore, Grammar and High. All GPS schools attended this meet with the exception of Armidale. An invitational meet is an opportunity for coaches, athletes and MIC's to practice in competition. It

is common for boys to enter events for specific training purposes or refrain from events to manage load throughout the program. The High Athletics Program uses a combination of results, training attendance and attitude to select the team for the final GPS athletics carnival.

The boys attended athletics training well in the 1st week and there were plenty of pleasing results as well as indicators for development. The U14s will need to work extremely hard, this age group has been negatively affected by athletes who have chosen not to do GPS athletics in 2017 despite representing the school in Regionals, State this season and previous GPS seasons.

Below is the summary of the Top 3 placings from the meet.

## BOGGABILLA CULTURAL EXCHANGE

Dear Parent/Guardian,

A group of 20 students will be selected to go to Boggabilla Central School from Sunday 15 until Wednesday 18 October 2017. This trip builds on the long-standing, incredible relationship Sydney Boys High School has with the Boggabilla community.

The excursion is planned to support Aboriginal Culture and Understanding within the NSW Syllabus and is tied in with the community service activities of the school. In mid-June this year, the students from Boggabilla Central School came to Sydney Boys High so students involved in their billeting will be given preference to be included in this excursion.

The idea of the trip is as an exchange so anybody travelling to Boggabilla who has not billeted before will be expected to return the hospitality on the return visit next year unless there are extenuating circumstances.

The group will depart from school at 8am on Sunday 15 October and will return to the school on Wednesday 18 October at the Cleveland St Entrance at approximately 8pm. N.B. This time may vary and should be confirmed with the boys on the return leg.

All travel will be by the school mini-bus. The following is the general plan of events for the trip:

<b>Sunday 15</b>	Travel to Boggabilla Welcome meal at Boggabilla Central School Sleep in Boggabilla Central School gymnasium
<b>Monday 16</b>	Official Welcome to Country Explore local area, cuisine lesson and local lifestyle Camping
<b>Tuesday 17</b>	Explore the school and surrounding areas Boys prepare meal for locals Sleep at Boggabilla Motel
<b>Wednesday 18</b>	Depart for Sydney at approximately 7:30am Arrival time TBC on the return trip

The staff members attending for the duration are Mr Matt Cotton, Mr Con Barris, Emily Stephens all of whom have Emergency Care training.

There are only 20 spots available so if you are interested get in quick by collecting a form from outside the science staff room or emailing [cottonm@sbhs.nsw.edu.au](mailto:cottonm@sbhs.nsw.edu.au)
