

From the Principal End of Term 3

Thank you teachers, SAS staff, cleaning staff and grounds staff for their assistance in making the learning environment so conducive to student growth and safe for them –physically and emotionally. Thank you to all the parents and old boys who have helped the school deliver its large scale and diverse programs. It has been another very productive term. I want to thank Year 12 for their gift of a fountain to the school.

High Talent

Successful athletes at the GPS Athletics carnival were: David Chen 110m hurdles 1st, open long jump 2nd. Total points earned 54; Kane Shields 400m U13 2nd, 800m U1 2nd, 1500m U13 1st. Total points earned 52. Rowan Tan U14 400m 2nd. Total points earned 38. Justin Nonis U13 100m 2nd, U13 2000m 3rd. Total points earned 36. Eric Holmstrom open 3000m 2nd, U17 1500m 2nd. Total points earned 32. Other notable achievements: Pico Dos Santos-Lee U16 110m hurdles 1st, Julian Markworth-Scott U16 long jump 1st and U13 4 x 100m relay 2nd.

With a 4th in the Junior Division and 7th in each of the Intermediate and Senior Divisions, our results were quite good but not up to our expectations of 6th or higher in every division.

Support Sir Roden and Lady Cutler Foundation

The Foundations needs your help to buy another vehicle in order to continue to grow and expand and more importantly meet the overwhelming demand we are now experiencing for our unique "Pick Me Up"

service. We are hoping to raise \$25,000 through a unique raffle opportunity that has been given to us by Sofitel Sydney and Developer Jerry Swartz. They have given five rooms for us to raffle and stay at the grand opening night of this brand new 5 Star Hotel on the 3rd October 2017. Included also in the prize is an Invite to the exclusive VIP Ballroom event on the evening. We have limited the number of Tickets to Raffle to only 250 at \$100.00 each so your chances to win are high. Tell Them From Me Survey

The School and *The Learning Bar* support team are looking forward to working with our school community this semester, to maximise the opportunity to collect feedback from our stakeholders using the TTFM surveys. Important information and updates for preparation and implementation of the surveys will be communicated during the next two weeks. The survey window is **now open and will remain accessible until 13 October**. You can complete a survey at any time during this window. We appreciate the feedback – both positive and negative – as it helps us with our forward planning in our search for continual improvement. Information given is confidential and will not be used in any way that identifies a person or the school. Additional information for parents, including parent FAQs, can also be found on the CESE website at: <http://surveys.cese.nsw.gov.au/information-for-parents>.

I urge as many parents to participate as possible. Parent voice is very important to us at High.

Boys observed doing the right thing

I recently received the following email. "This morning on the 394 two of your young boys did your school proud. When the bus started to fill the two stood up for a young lady no less able than themselves without a second thought. It is moments like these that reinstall my faith in humanity. A very happy member of the public". Boys on the 394 route please keep up the good work. You are setting a fine example to others and it is not going unnoticed.

Farewell Class of 2017

Year 12 Farewell Assembly

My speech to the Year 12 cohort at their final assembly is reprinted below.

Good afternoon Year 12, parents, students and staff. Welcome to our Farewell Assembly for the Class of 2017. It is with a mixture of pride and sadness that the High staff and I can host your visit to the school today to participate in our annual celebration. We are proud of our graduates for what they accomplished and sad that this is the last time we will see them all together as a cohort of students. The Class of 2017 will be remembered for the video that sparked so much interest in a male-as-female perspective on women's issues. It has been a cohort that should be proud of its undoubted achievements in a range of co-curricular activities. I have listed the most significant of these in my 'Principal's Message' contained in your program. Missing in your program is the historical 'threepeat' by our undefeated first grade GPS debaters as Champions, retaining the Routledge Louat Shield for the third time. Such an achievement is unprecedented in High debating.

Whether in sports, community service, music, chess, social justice, debating or public speaking, participation is our key cultural message. The Class of 2017 certainly did participate. I thank each one of you for that.

We have had promoted our distinctive ethos through the slogan – 'You can't buy spirit'. The implied strength of our sporting culture is in its belief in mutual support and group perseverance in adversity. We know what you can buy – facilities, equipment, technology, coaches, tours, talented players. These are advantages and head starts but they do not make teams. Team work, shared goals and camaraderie make teams. The joy is in the mutual struggle. Our students participate because they want to. They know it is good for their

character and for their personal balance in life; helpful to their team mates; and important for the strength of the reputation of the school.

I would like to take this opportunity to thank the senior leadership group for their support: Hugh Bartley, Lucas Wong and Dharmesh Sharma were very committed to their roles. Together they moved the school along a continuum towards greater awareness, understanding and tolerance of diversity in our micro community and the wider world. Our community service efforts remained impressive. Our Prefects this year supported High's involvement over recent years in social justice issues. Our Equality Committee is an important structural statement about what we want to stand for as a school. Thank you for being our student leaders.

I want to recognise and acknowledge all the Year 12 parents who are coming to the school for an event for the last time. Thank you for any help you have given to our programs over the years. We value your contributions highly. Without you, we would not be able to deliver such a wonderfully diverse range of activities.

We are proud to honour our scholar-sportsmen. We really appreciate those who care enough to plan their busy lives around academics and sport. Such a disposition to find successful balance is the hallmark of the High boy. We always need more boys prepared to compete in two sports in their final two years at High. I want to thank Ray Gu, Jonathan Zheng, Jake Rowlands and Nicholas Katsilis who competed in three

GPS sports each year they were at school (2016 – 8). Fifty boys participated in two GPS sports each year (2016-49) and seventy-five played one GPS sport each year of school (2016-61). I want to thank the 97 Year 12 boys who showed such great pride in their school and represented High in at least two sports in their final year at school (2016- 92). Another 80 played one GPS sport (57-2016). More than 81% of the cohort showed their commitment to our ethos right to the end (2016- 71%). That is a statistic to be proud of in a school where participation is voluntary. Thank you to all our scholar-sportsmen for maintaining and strengthening our ethos.

There were 17 boys from Year 12 (2016-19, 2015-14) who competed in GPS first or second grade in two seasons of sport this year.

Congratulations to those highly committed boys who represented the school at the highest levels in multiple sports in 2017. Our 'Triple Firsts' this year were: Jake Rowlands and Nicholas Katsilis. Our 'Double Firsts' were: Sabesh Murugananthan, Louis Saunders, Alvis Leung, Corey Won, Kevin Guo, Isaac Haddo, Andrew Li, Dominic Leal-Smith, Wanyu Tang, Ray Gu, Daniel Hamilton, Connor Fisher, Jasper McCahon-Boersma, Kevin Chung and Dallas Yan. In the 'One-Two- Club' were: Matthew Whittaker, Ben Coan, Adam Yang, George Ge, Kurt Wang and Conor McGrath. Our only 'Double-Two' sportsman was Joshua Ng. Thank you all for your fine efforts!

In my Principal's message in your program, I referenced the timeless *Meditations* by Emperor Marcus Aurelius. Rather than repeat what is written in the program, I offer you another wise thought from Book V. "Luck is the good fortune you determine for yourself: and good fortune consists in good inclinations of the soul, good impulses, good actions". A modern equivalent of what Marcus Aurelius was saying is – 'You make your own luck'. His exhortation is for you to make your own lucky life by living life well. If you present a general feeling of goodwill towards others; if you take heed of the better side of your nature which wishes good things for others; and if you follow up your right thinking feelings with moral actions, you will in all probability live a lucky life. Believe in the power of optimism. Employers like to converse with people who want to contribute to organisations as their first priority, who want to make a difference in some field of endeavour, rather than with those who can only talk about themselves and what they want to get out of life. As you leave High, as a cohort I urge you all to be outward thinking, positive in attitude and ready to embrace the challenges to come. Listen to your 'directing minds' and become upright men. It has been my great privilege to serve you as your Principal.

Dr K A Jaggard
Principal

Dear Year 12 Parents:

It's a moving moment to attend year 12 farewell assembly, we witnessed our boys growing into young men, most of them are towering us.

Now as advised by Peta, we have raised \$115 as at 19th September, so we reached \$175 or 17.5% of our goal of \$1000. Yesterday might be the last day for Year 12 school attendance but certainly not the last date they can contribute towards 2017 class brick appeal. Please kindly remind your boys to bring \$10 to Peta's office (close to Junior library).

As mentioned previously, your family can also have a family brick by donating \$1000 or more. Please contact Peta for further assistance if you are considering it.

Thanks for the following boys who contributed towards the appeal:

Rickey Wu (12F), Ki Lok Arthur Wong (12S), Adam Yang (12S), Daniel Cai (12M) Jack Zhou (12T), Hamzah Mulla (12M), Kevin Guo (12E), Eric L Shen (12T).

Subcommittee Information Night

Thank You

Twenty parents & MICs who are office-bearers in P&C subcommittees attended a meeting last Monday September 11 2017, to discuss subcommittee governance, financial management, and communications with the P&C and parents in their co-curricular program. Subsequently, significant progress has been made in the organisation and financial management of co-curricular programs with P&C subcommittees working increasingly effectively with their MICs for improved outcomes. A Special Thank You to Angus Robertson for sharing his insights in running the Rugby and Basketball subcommittee, the challenges and ideas in getting more

parent volunteers. Team App, WeChat, High Notes as well as timely BCC emails to all parents in their co-curricular were suggested if we are to maximise volunteer numbers.

Sydney Boys High P & C truly appreciate the superb effort

you've put in organising the extensive co-curricular program available to High students. Many of these co-curricular activities are not available at other public schools. Thank you to the parent subcommittees and their teams of parent volunteers for their exceptional efforts throughout 2017

BOGGABILLA CULTURAL EXCHANGE

Dear Parent/Guardian,

A group of 20 students will be selected to go to Boggabilla Central School from Sunday 15 until Wednesday 18 October 2017. This trip builds on the long-standing, incredible relationship Sydney Boys High School has with the Boggabilla community.

The excursion is planned to support Aboriginal Culture and Understanding within the NSW Syllabus and is tied in with the community service activities of the school. In mid-June this year, the students from Boggabilla Central School came to Sydney Boys High so students involved in their billeting will be given preference to be included in this excursion.

The idea of the trip is as an exchange so anybody travelling to Boggabilla who has not billeted before will be expected to return the hospitality on the return visit next year unless there are extenuating circumstances.

The group will depart from school at 8am on Sunday 15 October and will return to the school on Wednesday 18 October at the Cleveland St Entrance at approximately 8pm. N.B. This time may vary and should be confirmed with the boys on the return leg.

All travel will be by the school mini-bus. The following is the general plan of events for the trip:

Sunday 15	Travel to Boggabilla Welcome meal at Boggabilla Central School Sleep in Boggabilla Central School gymnasium
Monday 16	Official Welcome to Country Explore local area, cuisine lesson and local lifestyle Camping
Tuesday 17	Explore the school and surrounding areas Boys prepare meal for locals Sleep at Boggabilla Motel
Wednesday 18	Depart for Sydney at approximately 7:30am Arrival time TBC on the return trip

The staff members attending for the duration are Mr Matt Cotton, Mr Con Barris, Emily Stephens all of whom have Emergency Care training.

There are only 20 spots available so if you are interested get in quick by collecting a form from outside the science staff room or emailing cottonm@sbhs.nsw.edu.au

Annual GPS Athletics Carnival 2017

A big congratulations to all those involved in the GPS Athletics Carnival and 2017 season. It was a fantastic day and a great season. The boys and coaches worked hard to get the results seen on Saturday. Congratulations to our juniors who placed 4th despite the Year 8's being on camp and not sleeping for the three days leading into Saturday Intermediate and seniors both placed 7th.

Given the talent and enthusiasm of our U13s (which includes the always excited U12s) and the determination to step up in the U14s there is a real opportunity for great results in the future if boys stick with the program.

The intermediate and senior groups worked hard all season and showed great school spirit throughout the program. Managing exams (Year 12 trials and Year 11 Yearlies) to stay in the High Athletics Program.

I hope all the athletes enjoyed the program and got something out of it. I encouraged all to participate in the GPS athletics program, even if you were not selected this season you are still a very big part of the success.

Below is the summary of the Top 3 placings in Championship (not division) events from the Carnival. For full results – <http://aaqps.nsw.edu.au/wp-content/uploads/2017/09/overall-results-with-points.pdf>

Photo below – Coaches and Year 12 Dinner.

A tradition started by Jayden Forday in 2016, a night during the week leading into the GPS Athletics Carnival the coaches and Year 12's sit down to a dinner organised by the Athletics Captain – Jason Huo. Less than a week away from graduating, myself and the coaches value the

effort and commitment the Year 12's put into the athletics program. The High athletics program relies heavily on the impact of the 'Old Boy' coaches and this is the beginning of that relationship for the next generation. The boys enjoyed some Bondi Pizza (Bondi Junction) followed by some hot chocolate from Max Brenner.

I have a very strong passion for High Athletics and personally, do not take the opportunity to be MIC of High Athletics at the GPS athletics carnival for granted. Thank

you to all of the athletes, coaches and parents involved this season.

P&C Meeting – Presentation to Parents

6:30pm, Monday 9 October 2017 – Staff Common Room

eBirds and iBees; 'The Talk' in the 21st Century

Talking about sex has never been easy, but in an age where young people are getting 'the birds and the bees' from pornography, it has also never been so important. This talk for parents will discuss from a young person's perspective what the real issues with pornography consumption are, introduce a framework for tackling it, and provide some immediately implementable ideas for how to engage your children in such a taboo area. It is being run in conjunction with a workshop for Year 8 students, but is open to all parents.

Taking Porn out from Beneath the Covers

Online pornography is now mainstream - not only is the average age of first exposure thought to be around 11 years old, but 'pornification' has spread to Hollywood, music videos, and even the adverts at our local bus stops. The workshop being delivered to Year 8 students breaks the taboo around pornography and equips participants with the skills to identify the most damaging aspects of the normalisation of pornography - body image issues, problematic gender roles, 'sexexpectations', and addiction - and how we can move forward to building positive relationships and identities.

2 Birds 1 Bee

2 Birds 1 Bee is a youth-run relationships and sex education organisation founded by Matthew Friedman. It uses workshops to provide educational content and break down conversation taboos.
