

## From the Principal High Talent

Menuja Goonaratne (9S) and Vivek Mahajan (9R) were selected in the U15s Combined GPS cricket team – a very good achievement. Menuja was further selected into the CIS U15 team to play CHS and CCC. Well done, boys!

## Student Awards Scheme

The Student Award Scheme for points to be earned for this calendar year will close on Friday 24 November. All students will have their points calculated as of this date. Year 11 Prefect Interns will have their final points calculated and must have qualified to continue as Interns by earning an award this year. Even if they have carry over points, they must earn 100 this year to stay as a Prefect. The 2017 Scheme commences on 1 December 2016. Boys who are close to getting an award should fire up now. Look for service areas in parking, school working bees or volunteering to reach the threshold required.

## Scholarships Offered at High

SBHS offers only two scholarships/bursaries – the Phillip Day Memorial Scholarship and the Sir Roden and Lady Cutler Foundation Scholarship. All enrolled or enrolling students are eligible to apply for the **Phillip Day Memorial Scholarship**. It is a *one-year credit* on the school account for \$1,500. The Selection Criteria covers talented boys in an academic area or a co-curricular endeavour. Good all-rounders qualify as do students with special needs – financial or otherwise. There are many boys in the school who would make good candidates for this award. I urge them to

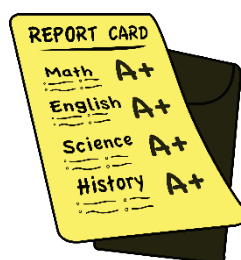

take the trouble to download and complete the application form. The **Sir Roden and Lady Cutler Foundation Inc Scholarship** is a *two-year* award with a *credit at the school account* for \$1,500 for each Year – 11 and 12. Only boys enrolled or enrolling in Year 11 are eligible to apply. The criteria for this scholarship are different. It has an emphasis on a prior record of service to others, to the school and / or the community. Boys with initiative, compassion and leadership skills are invited to apply.

Look for the details on the website [www.sydneyboyshigh.com/scholarships](http://www.sydneyboyshigh.com/scholarships). Do not assume that you are not worthy or eligible. Applications close 25 November.

## Year 11 Reports

Too many students have not yet discussed their progress with me. *Clearance Forms* have been issued to all boys and they should be meeting their commitments. The boys are deciding on their courses for the HSC and it is imperative that I speak to them all before Thursday 23 November. Please ask your son for his report and his plans for courses for 2017.

Boys need to start focussing on the important months of HSC learning ahead! As from 24 November, strong negative consequences will have to be applied to force boys to comply with school policy. They will be considered not to have commenced Year 12 if they have not met their commitments for Year 11.

## Interpreting Year 11 Reports

Individual marks for courses supplied by teachers are recorded and run against an ATAR predictor program. All the raw marks are converted into scaled marks per unit. In the iterative scaling process, students' marks in one course are compared against all the other students who completed the same course and against their performances in their other courses. The data we use is last year's HSC results for High. The essential comparative assumption is that boys will perform at the same standard this year as they did last year.

A scaled score out of 50 is calculated for each course on a one-unit basis. We use all 12 Preliminary Units to calculate our ATAR estimate for two reasons. First, we would like students to receive a realistic appraisal of their progress in state terms as well as relative to their peers at High. Second, we want them to know their relative performance in each of their courses. Students can use this data to make decisions about which courses to continue or terminate. Their choices are restricted, given that 12 Preliminary units can only be reduced to ten for the HSC or eight if an accelerant performed well.

Some students are faced with choices because they qualify for extension 2 mathematics and may drop two units. Those not guaranteed a place have to maintain their suite of courses until after their first HSC assessment examinations at the end of November. For some that means continuing extension English until they are sure of a place in mathematics extension 2. Students doing extension 2 English have similar decisions to make as to their courses. Others want to be rid of a weak course and explore choosing others – e.g. picking up one or two-unit studies of religion, or taking an extension unit in history, music or LOTE. Acceleration students have a choice to reduce their load to 8 units if they believe their HSC marks for their chosen course are high enough. At this important time, future tertiary intentions are important considerations. Choices are made to maximise enjoyment, ATAR ranks or both.

### Yearly Reports - Clearance Forms – Years 8 & 12

Clearance forms for report collection will be issued during the coming weeks. Please ensure outstanding payments and due book returns are received **before** the clearance form is printed.

### Opal Card – Address Change Reminder

Please remember to inform the school of your new address when you have moved. A new Opal card to your new address will not be issued if the address on our records differ from that used on your Opal Card application. Address must be changed on a *Change of Address Form* obtained online or from the school office.

## Parent Volunteers Needed

### Sydney Boys High School Orientation Day

Thursday 21 November 2017

12:30 to 3:30 pm

Please come and help **the P & C** to welcome prospective parents to the School.

We need volunteer parents to help serve afternoon tea and welcoming our new parents and students.

It will be an enjoyable afternoon and all you need to bring is your friendly smile.

**Sydney Boys High School P&C Annual General Meeting**  
**Monday 13 November 6:30-8pm (Staff Common Room)**

President and Treasurer will present the 2017 P&C Annual Report.  
Nominations and Elections for all 2018 P&C Positions will then take place.  
Following this, Joanna Chan (Head Teacher – Wellbeing) will speak on Wellbeing at Sydney Boys High. She will address:

- The Wellbeing team at Sydney Boys High School and their roles.
- The Wellbeing referral flowchart
- The Wellbeing programs at High
- Common Wellbeing issues at High

Hopefully, through this session, parents will have a better understanding of student Wellbeing at High and, how the school and parents can work in partnership for the quality of students' life at school.

All are welcome to attend this meeting.

The P&C urgently need a couple of Parent Volunteers for 2018.

- 1) A P&C Parking coordinator. You only need to coordinate 1 parking event a year, not much more work than as a volunteer to a parking event. Full How To task card will be provided.
- 2) A P&C Representative on the School Sports Council. You only need to meet once a term to discuss all things sports with all our MICs. Meeting usually is on a Thursday from 7:30-8:45am in the SBHS Board Room. This role would suit a passionate sports person with a keen interest on how all our sports are doing.

If you can help, please email [sbhs.pandc@gmail.com](mailto:sbhs.pandc@gmail.com) with your contact details.

Thanks & Regards

### From the Canteen

Sausage pides are back on the menu, along with a number of other new items. Visit the canteen for a selection of healthy and tasty menu options. Remember, all revenue from daily sales is returned to the school community for common benefit of all. We always welcome suggestions and feedback.

High Canteen is privileged to have committed volunteers who not only ensure smooth daily operations but also readily fill in gaps as required. Our particular thanks to parents of 2017 Year 12 cohort, who continue to help although their boys have completed HSC. We appreciate the ongoing commitment over the last six years.

We would like to acknowledge the following helpers for the last two weeks:

**MON:** Grace Cochrane, Rowena Dixon, Susan Mitchell,  
**TUE:** Thajeewa Pingamage, Ariel Kim, Yan Ge (Tara), Mei Jian (Kathy)  
**WED:** Stephanie Fung, Fan Chen, Mark Zhu,  
**THUR:** Amy Ma, Vivian Xu,  
**FRI:** Sherry Zheng, Kathryn Cook

**MON:** George Haddo, Emma Fang, Emi Matsuoka, Winnie Chan  
**TUE:** Letty Chan, Anne Chen, Mook Kooi Loo,  
**WED:** Quing Chen, Yasmin Khan, Ria Lam,  
**THUR:** Kim Ngan Do, Su L. Lee, June Wang,  
**FRI:** Min Wei, Ru Zeng Rong, Baofeng Liu,

*The Canteen Committee will be holding its AGM in the board room at 2.30pm on Friday 10 November.*

*All are welcome. Please consider joining the committee. This year we farewell Christina Chow, former High parent (2009) & canteen president, who has served as book keeper for several years. Her enterprise, expertise and experience will be sorely missed.*

### Cricket Supporters

We would like to invite cricket families to volunteer to help prepare daily lunches during Barberis Cup (Nov 20-22) & Five Highs Cricket Carnival (Dec 4-8). SBHS will play host to visiting teams from Perth, Adelaide, Melbourne & Brisbane. If you have a few hours to spare from 8.30 – 11.30am, please speak to Karen or Tracey on 9662 9350. We need a minimum of 3 volunteers each day.

*Many hands make light work!!*

### Letters Re Student Absence/Late Arrival/Early Leave

When your son returns to school from being absent he is required to provide a letter of explanation signed by a parent or guardian.

If your son is going to be late for school a note is also required. Alternatively, you may contact the school by phone on 9662 9300 and dial "1" for the absentee line.

If your son has an early leave note he is required to have his note signed by either Mr Dowdell, Ms Powell or Mr Prorellis **before 9:00 am** and handed in to the Main Office immediately after. Each letter should be signed by a parent or guardian with the **name, date and roll class** of your son **printed clearly**. Your son needs to pick up a leave pass from the Main Office before he leaves the school.

### Absences

Absences – Sport : [absences.sport@sbhs.nsw.edu.au](mailto:absences.sport@sbhs.nsw.edu.au)

### Leave

If you require **extended leave** for your son **exceeding four days** please, apply in writing, on the departmental application leave form which is available on the parent portal or front office. Your son must then present this application to Dr Jaggar for permission for extended leave. Please note that leave applications need to be submitted **four weeks prior** to your son's leave of absence.

## Trip to Boggabilla 2017

Dawn was breaking upon us, bringing with it a cold sprinkle of rain chilled by a cool breeze as ten students and three teachers were shivering; not only because of the weather, but with the excitement of expectation. We were about to embark on an eleven-hour journey, to the small, Indigenous town of Boggabilla.

Two hours into our journey north, with the sun beginning to filter through the thick cloud cover, we made a quick stop for breakfast. Our still exhausted legs soon found their way into McDonald's. Another four hours of travelling occurred before a lunch stop, once again at a McDonald's. As soon as we were back on the bus however, the unthinkable happened; It rained, hard.

We continued driving for another two hours, before a snack stop, where against all odds, we left the rain behind, the windscreen wipers screeching for the last time. Two more hours past, before at long last we arrived at Boggabilla Central School.

Upon arrival, we played a friendly game of basketball and met some of the students we were to spend the next two days with.

We enjoyed a BBQ and a slightly later night than our teachers had encouraged but we all had a good time.

The next day we had breakfast and an art lesson before we went on an Aboriginal land walk courtesy of Buddi Hippi. He taught us about indigenous culture and the importance of their land. They taught us local Lore & Healing, and led us to the smoking ceremony where we had our official welcome to country by elders.

The weather held off and we were then able to go camping where we learnt more about their culture, the importance of boobera lagoon, waterways, food, medicines, collect bin.guwi (Coolamon) and dance.

Once it was dark we lit a fire and Buddi told us some stories linking constellations into the importance of song lines followed by night time dance. (Dhinawan in the sky).

The next day was our turn to impress and we played some Oz tag. We lost badly at this but recovered well with making them a BBQ in return for what they did for us.

We all had an amazing time and would recommend this trip to all.

# SHOOTIN' 220 HOOPS

Hello all! The GPS season has currently been running smoothly, last week we were up against Joeys. An awesome week for the Opens, with 8 teams out of 10 winning, and both 1sts and 2nds dominating the opposition. Congrats to Seb Diaz and Noah Casaclang in the firsts for leading the scoring with 24 and 13 in a 74-67 win, as well as Julian Markworth-Scott with a 12.5 efficiency and Kore Wilson in seconds with 17 points, leading them to a 70-40 win. Well done to the 14, 15 and

***Adam Gordon, 2nds, driving in***

16s teams winning majority of the games, showcasing the rapid improvement that each of our groups have gained. The 15s CHS team will be competing for the NSW title. Up against competition such as Hunter Sports, Westfield, and more, the team will play at least 5 games over 2 days. We wish them all the best.

Meanwhile, Sydney Kings (Mr Hayman's squad) are currently 2-4 in the NBL, and Old Boy Craig Moller's Melbourne United are 2-3. Make sure to keep up to date with the league and support your team. Also, the NBA has really been shaken up. The Detroit Pistons have bounced back and found a spot at the top of the East, among Washington, Boston, Orlando and Milwaukee. The Cavs, however, are struggling to find form early, and are coming 10th. The West is being led by Memphis, LA Clippers, Houston and Portland. The Warriors are currently 6th; can they also pull things together?

That's all for this week. Next game is against The Scots College, so keep working and High is sure to succeed. Play Smart, Play Hard, Play Together.

## SYDNEY HIGH TENNIS

### Tennis Report

#### 1<sup>st</sup> Grade Report

On Saturday 28 October, the High team played at home for the second week in a row. Coming off a 9-0 win against SHORE last week, we were aiming to receive a similar result against St Joseph's. The team remained the same as last week, with Antonio recovering from injury. All three doubles were won quite comfortably, however, they were tougher than we had faced the previous week. Samuel, Andre, Hikaru, Cyrus and Khobi all won their singles in convincing fashion. I, however, was unable to do the same. Saving three match points in the second set, I eventually won in three sets to make the fixture 9-0. Next week, we hope to continue and improve our form at the top 6 tournament, in preparation for our match against Newington at the end of this term.

Matthew + Samuel	6-2 6-2
Andre + Hikaru	6-3 6-2
Cyrus + Khobi	6-2 6-0
Matthew O'Sullivan	4-6 7-5 7-6
Samuel Yu	6-1 6-0
Andre Putilin	6-1 6-0
Hikaru Ikegami	6-1 6-0
Cyrus Dadgostar	6-4 6-0
Khobi Deep	6-0 6-4

#### 2<sup>nd</sup> Grade Report

Saturday, 28th October, Sydney Boys 2nd grade tennis was matched up against Shore high school. Peaking to 35 degrees by 2pm, it was a day that challenged players both mentally and physically. The first doubles pair, Henry and Patrick, finished their match quick and concisely with a score of 6-0, 6-1. This was followed by an exceptional performance by our youngest team member Blair, winning his singles match 6-4, 6-2. However, our 2nd pair doubles encountered a hard defeat of 4-6, 3-6, and are now pumped to play once again this weekend. With a final score of 7-2 win to High. It was a good days play by both teams and best of luck boys for the rest of the season.

Since the start of the season in mid-August, the junior rowing crews have been working tirelessly to prepare for the upcoming initial regattas. Training for the juniors is now in full swing, with weights sessions, running sessions and water sessions taking place multiple times a week. This mix of different types of training has allowed us to focus on different aspects of what is expected of a rower. For example, the sessions in the school weights room have helped to not only build strength, but also to build an understanding of the technical side of weightlifting and rowing, with the assistance of Kurt Rich, the Strength and Conditioning Coach.

Additionally, the running sessions held on Moore Park West have been utilised to target our physical fitness, since it is a convenient activity, requiring minimal equipment. Due to the long 40-minute runs they have been enduring, the year 10 VIII's have seen considerable improvements in their fitness over the last couple of weeks. This has been in preparation for the annual exchange with Melbourne High School, which culminates in the Head of the Yarra, an 8.6km race regarded as "Australia's rowing classic". These improvements in fitness have carried over to our rowing, with many of us being surprised at how easy we've found some of the race pieces that we had previously dreaded.

In week 3 of term 4, every single junior crew was entered into the GPS Junior Head of the Parramatta, a time trial which sees crews starting at different times and aiming to overtake each other. The Year 10 VIII's approached this race with an abundance of confidence, having already practiced it twice. On the day, we managed to hold off the opposing crews, whilst also rowing at a capped rate of 26 strokes per minute. This showed us that we have great potential for improvements in boat speed, once we begin to master the sweep oar technique and race at higher rates. I have no doubt that we will be able to achieve this within the near future, with the amount of focus we have in our training sessions and with the amount of assistance and knowledge we have been receiving from Terry Fong and Ashley Chan, the coaches of the Year 10 VIII's.

At the sheds, there have also been several changes to our habits both on and off the water in that we now have much stricter rules on punctuality and have cut down the amount of time wasted on getting boats on and off the water. These changes have been set by Mr Barris, the new MIC of rowing, who has been working rigorously to ensure that the season runs smoothly and efficiently, alongside a large team of dedicated coaches, who have set up a good start for us to build upon over the course of the season.

## *HIGH SAILING*

### **Sailing Regatta**

On the 27th October, the Sydney High First Grade Sailing Team consisting of Alex De Araujo, Ben Kernohan, Kai Huang, Brian Nguyen, Jarrod Khaw, Jack Vorgias, Nick Palmer and Edward Heaney, entered our first race for the season as a team. The Scots College were hosting a regatta at the Woollahra Sailing Club as the Royal Hospital School had come down all the way from England to race against us. The boys arrived hyped and ready at 11:30 am for the first race which was at 12:30. Racing officially started at the delayed time of 2:10 pm with heavy winds on the day, about 15 plus knots allowing for some fast fun racing. Up against the top teams in the nation, the races for the day were by no means going to be easy. With our first race against Cranbrook, then against Scots first grade team, who are the national champions, and then against The Royal Hospital School. We started with

a strong mindset and an aim to polish up our skills after becoming rusty over the holidays. Kai Huang had an excellent day sailing very competitive and tactical races as did Brian Nguyen who stepped up to the job after being unable to compete in the previous season. As the day progressed so did we, becoming more and more competitive with each race. Although we did not win any races on the day due to a bad stroke of luck we did come close on many occasions with a few 2-4-5 finishes, losing us the race by a point. Overall the team had a very eventful day, breaking a rudder mid race but more importantly giving us aspects of improvement to focus on and a starting point for what should be a great season ahead.

### Cricket Report

The first round of GPS commenced against St Josephs College this week. We also had our CHS team knockout Menai High to advance to the next round of the comp. Congrats boys!

#### 1<sup>st</sup> XI Report:

We won the toss and elected to bowl. We got off to a very strong start thanks to the strike opening partnership of Nick Leong and Hunar Verma who reduced Joeys to 3 for 8. Joeys however dug in and put on a strong fourth wicket partnership to stabilise. The boys came back determined and once again Hunar Verma snagged vital wickets to roll up the innings for a chaseable 197. Credit to the opening duo for taking a combined 7 wickets! Our batting innings began confidently, as both openers looked to make use of the quick outfield. Unfortunately, wickets fell and we found ourselves in a similar situation to Joeys at the same stage.

Aditya looked to resist the bowling attack with smart decisive shot selection, and cruised to a 51 off 49 balls. On the other end, wickets fell and our innings ended prematurely due to unclear batting plans. Our next match against rivals Grammar has everyone geed up and we should be learning and improving.

## 2<sup>nd</sup> XI Report:

We came out to a tricky McKay pitch and knew the game was going to be a hard fight for the batsmen. Our batting innings had some composure but wickets falling in clumps meant we were all out for 101. Despite this, we saw the deteriorating pitch and knew we had a chance in defending the total. Our opening spells of Anish and Saarangan held Joeys to 20 runs from the first 17 overs. Wickets fell through pressure and hunger. However, a few dropped catches and inconsistent bowling meant Joeys just took the game away.

**Vivek Mahajan – Captain**

Unlucky for the boys but training will be intense leading up to our match against Grammar.

## Team of the Week: 15Bs

Congratulations to the 15Bs on winning their second game for the season. This team has won two out of the three games beating Kings in their first game. They posted a large total of 200 thanks to some strong batting from Kushal and Shivraj. Some clinical bowling from Saksham meant the team ended the day on top. Well done boys!

## Shoutout of the Week: Menuja Goonaratne, Vivek Mahajan

Congratulations to Menuja for making the U/15 CIS team out of 82 players who trialled. A great effort! Shoutout also to Vivek for making the U/15 GPS team who trialled for CIS. Keep it up lads!

This week, we will be playing against rivals Grammar. Be sure to support the opens teams. Good luck to all and remember to play hard!

To all parents and players, don't forget to go through the points below:

- Please make sure that all the boys wear SBHS logo hats and tops.
- Make sure they drink plenty of water and carry a drink bottle with them to training and fixtures.
