

## From the Principal

### High Talent

Our first grade debating team did a great job opposing Smiths Hill on the proposition 'that we should stop commemorating wars' in the final of the Hume Barbour PDC Debating Competition. Symeon

Ziegler, Alex De Araujo and Guy Suttner brought the trophy back to High for the 27<sup>th</sup> time. Great job, boys! Justin Lai, who would have been in the team, flew to Darwin to represent NSW in

the ESU Plain English Speaking Competition. The last time a High boy won the national competition was Mark Swivel in 1983. Justin was successful and now will fly to London next year to represent Australia. A wonderful result for Justin!

### Cyber Management

Around 30 parents attended the P & C meeting this week and were impressed by the presentation on how to manage the cyber and phone activities of teenage boys. The presentation can be viewed by parents through the P & C intranet portal under 'miscellaneous' or at <https://sbhs.co/screen18>. My thanks go to Rachel Powell, Joanna Chan, James Rudd, Natalie Luu, Daniel Comben and Estelle Harman for giving their time in the evening to demonstrate to parents the important work that the Cyber Management Committee continues to do in promoting the understanding and management of problematic internet usage

and BYOD misuse by our students. In the Junior Quad, 'Technology Free Monday' will be supplemented by 'Technology Free Friday' as a response to overwhelming parental support during our trial period.

### Prefect Interns Elections Process

The Executive has considered the list of potential candidates for the Prefect Internship. Students who have been nominated may be vetoed for a number of reasons. An important prerequisite for School Prefect is acceptable academic progress. That means estimated ATAR of 90 for students who started in Year 7 (calculated on 12 units) and 86 for those who joined the school later. Strong, ongoing participation in the Student Award Scheme is the next benchmark to be met. We expect School Prefects to be role models for participation. Each year they should earn at least 100 points (even if they are carrying over points). By the time the ballot nominations close all students nominated should have earned 70 points this year towards an award. Boys who already have Platinum Awards, have until the closing date of the Award Scheme for the year to complete their 100 points requirement. Nominees can be vetoed for recent acts of misbehaviour at the discretion of the executive or because of attendance and punctuality or school uniform

issues. Boys who have not maintained the academic standard, but have been close to it, (ie 5 ATAR points below 90 or 86, depending on year of

enrolment), have a right of appeal in writing to the Principal. They need to supply testimonials from at least three teachers, supporting their claims to have improved their academic standing since their first report, and assuring the Principal that the benchmark will be reached by April of their HSC year. Nominees successful in their appeals are automatically on probation until their Year 11 Preliminary reports. A further investigation of academic standings occurs at the beginning of term 4. Probationary Interns may lose their internship at this review. Prefect Interns who have slipped in their academic standings, will be placed on probation and given until their first Year 12 report to meet the standard required. Ms Rigby is the Manager in Charge of School Prefects and is in charge of the nomination and voting process. The ballot is currently proceeding and will close this Friday.

## Caught Doing the Right Thing

Well done to the boys who stood for adult passengers in

the aftermath of the train breakdown last Wednesday. The commuter who called Ms Powell were impressed by how quickly you all responded to the influx of new passengers. You all stood up without being asked. She was also impressed by your manner – courteous and polite at all times. By contrast, some boys on the 397 bus from Kensington, buried their noses in their phones and were not aware of their surroundings – perhaps deliberately. You boys need to lift your game! Lift your head up at every stop to see whether you need to vacate your seat in favour of a fare-paying adult.

## Meet The Prefect

“The Anthropocene”. It’s crazy to think that our impact on the Earth has been so significant that scientists are considering naming a geological epoch after us. It highlights how important it is for us to reflect on what impacts our personal actions can have.

Trying to do the little things. Making sure you do not litter. Paying attention to what you can recycle. It is this attentiveness that can change our ideas about what we can do to help create an Earth that can continue to be our home.

We hear news stories and read articles about the destruction of the environment, and it's very hard to care. These aren't issues which have a tangible impact on our already busy lives.

The High community is a brilliant place for students to become attentive, caring and considerate. Environmental issues were not exactly at the top of my priorities, and they are likely not yours, but High changed that for me. My friends in Year 11 and 12 introduced me to the Bottle Recycling initiative. High is where I learnt about the unwaveringly diligent EnviroTeam. Having a community of enthusiastic environmentalists is what makes High such an incredible, nurturing home to learn to care about something bigger.

We have senior students who can mentor. Senior students who can set an example. Show the community what it means to care. Set goals and initiatives to create a High community that looks carefully into the future before they act.

Future generations could learn about the Anthropocene as an era of mistakes. An era of, despite knowing what to do, not doing. Or they could learn about it as the home of courage. To look past ourselves. It is our responsibility to make change.

It has been an honour to be afforded this opportunity to learn, and to try and make change in what is the most important issue of our time.

Dimas Sanjoyo  
Environment Prefect

## Sports Physio

Sydney Boys High would like to remind all students participating in GPS sports that we have an onsite physiotherapist every Monday morning from 7am – 9am. The School has covered this cost so it is free for your child.

Our physiotherapist Mr Mark Beaven has quite extensive experience in physiotherapy and we are very lucky to have him here at Sydney Boys High School. Mark is from South Sydney Sports Medicine and is a physiotherapist with expertise in hand therapy, musculoskeletal physiotherapy, occupational health, orthopaedics and sports physiotherapy. Mark's experience includes being a club physiotherapist for South Sydney Rabbitohs Rugby League club for 15 years as well as spending 5 years as the physiotherapist for the Australian Kangaroos Rugby League team. He was also the touring physio with the Australian Fijian and Maori Rugby League teams, and has been three times to Europe with the A.I.S. U/18 Rugby League team.

If you would like an appointment to see the physio please see Mr Marcos.

## DEBATING

### Debating Report

The big news of course is that the Year 12 team: Symeon, Alex and Guy won the Year 12 Premiers Debating Competition which means we will once again have the amazing Hume Barbour trophy at school. Very well done to the boys and their coach, Ali.

The fourth team member: Justin did not debate with the boys because he was at the National Plain English Speaking Competition which he also won. Congratulations Justin.

Last week's GPS results against St Joseph's College are as follows:

7A and 7B SJC won, 7C SBHS won  
8A and B SBHS won  
9A, 9B, 9C SBHS won  
10 and 10B SBHS won  
Firsts SBHS won  
Seconds SJC won  
Thirds SBHS won

I'd like to encourage all debaters to come to the debating dinner as it is a really great night and a fitting end to our season.

### From the Canteen

Tried the pulled pork and coleslaw burger, hommus and falafel wrap or vegetarian bean nachos yet? Made fresh on the premises, it is among the many specials that are being added to our already extensive menu. Just another reason why you should check out the canteen! The list includes freshly cut sandwiches, wraps, rolls, foccacias and burgers, homemade sushi, soup and pasta as well as pides, pizza slabs, pies, dons and noodles.

Why not pre-order before bell time, so you don't miss out? It cuts down on waste and reduces waiting times too.

Open daily from 8.30 am, High Canteen serves reasonably priced, wholesome foods for our hungry scholar-sportsman. Managed by P&C's canteen sub-committee, all operating profits go back to school community. This would not be possible without the generous support of our parent helpers, who join the daily roster to help prepare these food items and also serve at canteen windows. Don't forget to say thank you to Karen & Tracey or one of our lovely volunteers, next time you are lining up for favourites.

**Urgent reminder:** It is **MANDATORY** for all school volunteers to complete the 100 point check. This is a legal requirement for anyone in a child-related work environment. This has to be done in person at the school office. Documentation that needs to be sighted could include birth certificate, passport, driver's licence, Medicare card, bank statement etc. It is easy, quick and completely confidential. Personal details are securely managed by designated school staff and cannot be accessed otherwise. All new volunteers and those who have not previously registered with the front office are requested to do so immediately. Volunteers could apply for a **FREE** Working With Children's Check through [www.kidsguardian.nsw.gov.au](http://www.kidsguardian.nsw.gov.au).

## DEBATING

### You Are ...Debating

You are cordially invited to the Sydney Boys High School Annual Debating Dinner.

The evening acknowledges all students, staff, coaches and supporters' hard work and commitment throughout the year.

It's an evening with friends, good food – full of laughter and liveliness.

In addition, our coaches go head to head in the traditional "Great Debate" which always proves to be quite entertaining for all present on the night.

### Cadet Bivouac 2018

Sydney High School Cadet Unit held their first unit bivouac on the 4<sup>th</sup> and 5<sup>th</sup> of August. Recently promoted corporals and sergeants took on leadership roles and responsibilities. A special thanks to the cadet staff and Year 13 cadets with their help organising this camp. Below are reports written by recruits.

CDTSGT Tran, Kevin (10T)

the unit as well as some new ones we picked up at camp to do all sorts of fun activities including painting our faces with camouflage paint, doing navigation activities, sneaking up on the corporals during lantern stalk and learning about how to set up shelters. Even though the ration packs were not exactly five-star meals, that was all part of the experience! After this super fun-filled and

On the 4<sup>th</sup> and 5<sup>th</sup> of August, all the new recruits and cadets of the Sydney High School Cadet Unit headed out to the Holsworthy Army Barracks in Moorebank. Even though this camp was only two days long, we learnt so many new skills and had loads of fun along the way. Our favourite part of the camp was learning to set up our hootchies to sleep in and playing lantern stalk at night. We got to use all the skills we had been taught back at

exciting camp we are all eagerly awaiting our next camp at the end of the year.

CDTREC Portia Palmerlee (7) and Jiya Daga (7)

Recently, the recruits of the Sydney HS Cadet Unit ventured to the Holsworthy Army Barracks for a weekend of very cold, but exciting, lessons, games and experiences. Despite waking up at 6:30 in the morning

and having about 5 minutes to get our names marked off in 4-degree weather, the camp was surprisingly super fun. We got to try out genuine night vision goggles, sleep under the many stars, feel very cool walking around in our camo uniforms, and play what was essentially capture the flag on steroids (crawling through a massive field in complete darkness beneath the grass to steal glow-sticks, all whilst trying not to be spotted). Besides that, we practiced marching and drill, tried food from actual ration packs, were taught navigational skills, how to use army radios, and observational and camouflage techniques. Overall, the recruit camp was a lot of fun, with both days being full of new experiences and opportunities, a lot of laughs and great friends.

CDTREC Ava Broinowski (9)

The recruit bivouac this August was held at a site named Camp Steele. Heading in to it, I expected it to be exactly what we did every Tuesday afternoon. It was quite different, however. Although there were theory lessons, we got to experience outdoor activities and learn interesting survival concepts, such as cooking our own ration packs (surprisingly tasty!) and learning to set up our own shelter for the night. We even got to wear night vision goggles! I relished the practical element of this bivouac, and even managed to make a few new friends along the way. I'd definitely do it again, given the chance.

### **1<sup>st</sup> XV Report**

The First XV held their own for most of the match against Shore on the weekend, but ended up succumbing 26 – 7 after failing to score for several phases right on the goal line. At half-time, the score was nil all, a very even contest continuing into the second half, where we were up 7 – 5 for some time. Shore was quick to retaliate, however, scoring another try with a quarter of the match to go. This put pressure on us to perform, and when we were unable to, our heads dropped, which lead to Shore's two runaway tries to end the game. Man of the match went to Sam Merrick. By improving every week, we have shown that we are ready for our final blockbuster match against Grammar at midday on Saturday, and will be going out onto the field with everything we've got for the last game of the season.

Archie Fox (12T)

### **2<sup>nd</sup> Grade Match Report**

Continuing on from last week's great performance, the 2nd XV brought their game to SHORE. Every one of the boys' played their hearts out on the field with strong defence and good movement through the middle of the field. We need to step up another level in our play to minimise mistakes and keep control of the ball more for this week's match against Grammar. Well done to the boys and let's HAMMER GRAMMAR!

Edison Dorahy (11S)

### **3<sup>rd</sup> Grade Match Report**

Off the kick off, Shore managed to score straight off the bat, as they capitalised on our dropped catch and used their size and speed to 'pick'n'drive' their way to the try line throughout most of the game, as they exploited our poor ruck defense. We managed to hold them off for ten minutes after their try, but they scored another near the sideline, before we rebounded with a kick which was chased down by Noah and supported by Jacky to score our first try. It was an even tussle for the rest of the half, with Kevin managing to score an unconverted try on the sidelines. At the beginning of the second half, a line break and try from Noah gave us another try, and a line break from Rakin gave us another opportunity to score, but we were unable to capitalise. Using unusual tactics, such as a 12 man lineout and a sideline cheer ritual, they managed to tire us out both mentally and physically, and they scored three tries in the last minute of the game. Man of the match goes to Noah for his line breaks and his try saving tackles at full back, and special mention to Richard for a great game. Hopefully we can work on our improving our game in this last week and face a more even team. In what will be the last game of rugby for many of the year 12s, let's play our best for each other and for HIGH!!

Akif Kazi (11M)

Mitch Sawyer goes for the conversion

### **16As Match Report**

This week the 16s carried on the momentum we built up from last weeks victory to secure a 15-7 win against Shore Bs. We turned up to Northbridge full of energy and yet again had another dominant start. This is a quality that is quickly becoming one of our defining characteristics as

a team, alongside our dominant scrums and, within the last two weeks, level headedness and composure, particularly under pressure. As the season draws to an end it's incredible to see the level of the commitment and quality the boys are showing every weekend. It's evident that the whole squad has faith in each other and the team as a whole, producing some great energy and footy. All in all this week was definitely another highlight for the team and it's now time to put in for the biggest and final week of the season, Grammar.

Noah Robertson (10S)

### 15As Match Report

This week's matchup was guaranteed to be a tough one. They had better results than us in all of the other games. But our team decided to put all this to the side and put up a valiant effort especially in the second half. The first half didn't go to plan as we did not have much communication. But this all changed in the second half when the communication picked up across all areas especially in defence, only letting them score one try. This week at training we will need to focus on our line speed and structure to help us in our next and last game against grammar.

Vincent Dorahy (10S)

1<sup>st</sup> XV warm up

### 14As Match Report

Shore has always been a powerful force in GPS rugby and this week was no different. As a team we lacked both defence and offence to match up against their team. Most of our players stood up in defence and put it all in even if we were down by 30. Our ball handling let down our attack and gave us minimal opportunities to break their defence. What we take away from this game is the need to work on our ball handling and to keep the high spirit and always give it 110%.

Andy Xu (9E)

### 13A's Match Report

Some individual tries and some team tries helped to make a convincing win 38 - 31. A huge effort from the forwards allowed the backs to do their work and score 6 tries. The boys put in a huge effort and we are at the stage we want to be at at this time in the season. Man of the match, Don Tran, rolled his sleeves up and never hesitated to do the hard yards. A good effort was rewarded with a great win.

#### GPS Athletics Standards

High Athletes must attend 3 sessions per week including their sport time session. Any training exemptions must be approved by MIC of Athletics - Kurt Rich.

High Athletes must compete in 3 events at each invitational meet. Exemptions to this, need to be made by Sydney Boys High Athletics coach/MIC.

High Athletes must strive to represent their school with their utmost effort, respect and pride at every session and meet. Failure to do this can result in ban from High Athletics.

Attendance at the AAGPS Carnival and the ceremony after is compulsory for athletes regardless if in the competition squad or not.

All registered athletes will be given the same level of respect and attention by the Coaches & MIC regardless of talent. High has boasted the largest number of athletes in the GPS for several years and we intend to keep it that way.

If all of these standards are kept, all athletes can expect to improve their fitness throughout the program. A final competitive team will be selected for the final competition, however, everyone is a valued member of the squad.

#### Selection Policy

Consistent training attendance and effort

Performances in CHS & GPS competition(s)

### Regional Athletics Carnival 2018

The 2018 Regional Athletics Carnival was held over 2 days, Wednesday 8 and Thursday 9 August. Our school was represented by 80 boys who competed well with 12 boys and 3 relay teams making it through to the State Titles held on 5-7 September. To make it to state the boys had to place 2<sup>nd</sup> or better, 3<sup>rd</sup> place getters could go through if they made a qualifying time/distance set by the CHS state.

A huge congratulations to Joshua Suto 13s and Rowan Tan 14s for winning their respective age championships both boys competed fantastically well over the 2 days showing plenty of High Spirit and Grit. Joshua Came 3<sup>rd</sup> in his 200m (made State qualifying time), 1<sup>st</sup> place in the High Jump & Long Jump. Rowan Tan Won the 400m, Long Jump, Triple Jump & was the final leg of the u14's winning relay team.

Another big congratulations for Anthony Vlatko for breaking the Regional 800m record, running 1:55 which is not his PB time but don't let the other schools know that yet, we will wait till the GPS carnival for his true speed to be revealed. He also won his 400m showing his speed potential around the track.

#### Congratulations to:

Justin Lee Nonis 14s for winning the 100m & 4x100m, 2<sup>nd</sup> in the 200m & 100m hurdles & long jump.

Kazi Hasan 15s for coming 2<sup>nd</sup> in the 200m. Welcome back to the school Kazi.

Sudaraka Pieris 16s for coming 2<sup>nd</sup> in the 100m by 1 millisecond.

Kane Shields 14s for winning the 1500m and 800m.

Rhys Shariff 15s for winning the 1500m & 3000m

Eric Holmstrom 17+ for coming second in the 1500m & 3000m.

Raghav Ramanathan 16s for winning the High Jump

Julian Markworth-Scott 17+ for winning and being the final leg of the winning 4x100m relay team.

Pico Dos Santos Lee 16s for 3<sup>rd</sup> place making it through with a qualifying time in the 110m Hurdles.

14s relay 1<sup>st</sup> place Justin Lee Nonis, Dylan Huynh, Nathan Wang & Rowan Tan

16s relay 1<sup>st</sup> place Tajas Chaudhry, Haruk Yin, Vikas Bolisetty & Sudaraka Pieris

17+ relay 1<sup>st</sup> Brandon Nguyen, Pico Dos-Santos Lee, Archie Fox & Julian Markworth-Scott
