

## From the Principal

### High Talent

Congratulations to our Chess team for their great victory in the National Schools Chess Competition. Ronald Yu, Ilia Zvedeniouk, Jason Cohn and Anthony Chau returned from Melbourne with a handsome perpetual trophy and a smaller one for the school. This is the first time that a High team has won this prestigious competition.

Congratulations, boys! Also, Hilbert Chiu (2000) has won the University of Sydney Medal for History.

Another name is to be added to our new honour board. Adam Pretty (1996) won his second Walkley Award for film photography.

### Visual Arts Exhibition & P & C / Principal 'Thank You' Reception

A good crowd of School Family members attended the opening night of the Visual Arts Exhibition and P&C / Principal 'Thank You' reception. Some very interesting art works were on display. Mr Morris opened the exhibition and was followed by Dr Shane Brown, our new P & C President, who spoke about goodwill and moving forward together. Outgoing President, Mr Paul Girdler, made presentations on behalf of the P & C to long-serving parent members who were active on School Council, P & C Sub-committees and selection panels for local recruitment. Mr and Mrs Glass, Mr and Mrs Hoare and Mr and Mrs Harkins accepted gifts from Mr Girdler. Mrs Mittelheuser paid tribute to the work of Mr Girdler in his many roles over the last six years.

His work in parking, rowing, rugby, the Outterside Centre working bees, the Canteen, the School Council, The Foundation and with Year Groups was highly valued by the parents, students and staff. Mrs Mittelheuser made a presentation to Mr Girdler on behalf of the P & C in appreciation for his fine efforts.

It was then time for the raffle draw. Mr John Goddard, GPS OBU representative, drew the winning tickets from the large compost bin kindly donated for the evening by Bunnings Warehouse. The first prize was won by a family in Yowie Bay. The rest of the prizes went to people from various suburbs in Sydney. The details of the raffle draw will be published in the newspaper and in High Notes.

### Twilight Regatta

Last Friday evening, the traditional heavy traffic and changeable weather accompanied the twilight regatta at the Outterside Centre. Parents braved the wind and light showers to try their hands at rowing. The food was up to its high standard. The Rowing Committee did its usual efficient job. It was an enjoyable evening.

### Academic Merit Lists

Students in Years 8 & 9 who have qualified for the Academic Merit List have their names published this week. My congratulations go to all the boys who have demonstrated their commitment to high order outcomes in their learning.

## Pedestrian Safety

Again, an avoidable near tragedy occurred involving our students crossing busy roads. This time the incident happened adjacent to the pedestrian crossing on Cleveland Street. A boy was hit by a vehicle travelling on the bus lane. Boys are reminded that buses and taxis can use the bus lane. Please be careful and do not cross against the lights. In periods of heavy traffic, do not thread your way through the cars. Be patient and wait until you can see what is happening and that you have a green light to cross. Please stay within the marked lines on the road, indicating the boundaries of the pedestrian crossing.

## School Certificate Test Results

The school performed up to its high standard overall in the School Certificate tests. The following table summarises the results. The important indicator is effect size- the performance difference between the school and the state in terms of their test score means (averages), calculated in standard deviation units. I have a benchmark in mind for our performance at 1.25 SD units. However, interpretation is problematic as the test results do not get adjusted to fit a normal curve distribution.

## The Communities Blog

<http://neilwhitfield.tripod.com/blog/> is the online version of this column, but much more. Recent entries include:

- 5 December: Australia's favourite book.
- 4 December: Science help – how to write up a Science experiment, leading to links on the language of Science and more.
- 3 December: “Twenty Muslim students from Sule College discussed a variety of religious issues with 20 Jewish students from Masada College and 20 Christian girls from the Catholic Kincoppal-Rose Bay.” Interesting news item.
- 1 December: Good News -- Hilbert Chiu (2000) wins University Medal for History at Sydney University

- 30 November: Requests from Latin on transitive verbs, and Year 8 English on comics and representation – help provided.

So it is worth checking, isn't it?

Incidentally, the Blog has no counter so I don't know who visits, but whenever someone goes to the rest of the site I do get some information on usage. In the past few weeks 30 to 40 a day have been visiting, about three times the average earlier in the year.

### **CONGRATULATIONS TO ALL OUR WINNERS**

THANK YOU to everyone who sold tickets, bought  
tickets, took tickets to the streets with the stalls at the  
Shopping Centres and especially the admin staff for  
help with processing. These efforts have made the  
exercise a success enabling the amount of **Ten  
Thousand Four Hundred Dollars** to be added to the  
Sydney Boys High School Building Fund to grow our  
target for building the New Library.

**Valda Roser**

## From The Library

- **The Library Fund.** Many thanks to the parents who chose to support the Library Fund this year.
- **Z'ours Committee.** Thanks to the Z'ours Committee for assisting Ms Cradock with the Trivia Quiz this Open Day. Thanks also for assisting with putting up new literature covers for Open Day. The Z'ours Committee has been a learning experience for me as well and it is to be hoped that we set clearer goals for next year and enthuse a lot of boys to enjoy reading or other activities in the Library.
- **The Premier's Reading Challenge.** Our Primary Librarians are having trouble encouraging Year 6s to complete the Premier's Reading Challenge because there is no commitment from High Schools to support this activity. This is a great pity as many children only become competent and independent readers as they reach Year 6 or even Year 7. A suggestion was made to me today by a student in this regard – that we offer the Premier's Reading Challenge or entering a Sydney Boys High based competition for Reading the Most Books in your Year and thereby reading any 20 books in one year from this Library as eligibility for the Award Scheme.
- **New carpet and new paint.** Some of you may remember that we got very excited about this last year. It may actually happen this time. Fingers crossed. The Education Department has been in measuring.
- **Raffle to raise funds for the new library.** Big thanks to everyone who supported this.
- **Library loans 2004** – I have just run off a report from the OASIS system which indicates how many loans were transacted by our staff up to yesterday. This was **24,143**. This includes loaning library computers as well as books.

- **Huge thanks to our Student Librarians.** Our Library has continued to look really neat thanks to your tidy shelving. We are also very grateful for your cleaning of our books.. You are all big whizzes on the Circulation Desk as well.

**Mrs Crothers**

### **SENIORS WANTING SYDNEY UNI LIBRARY CARDS – EXTENSION STUDENTS**

I have just emailed Sydney Uni Library for more forms. They rang me right back and are faxing me extra forms now. If any of our student experience any difficulties at Fisher Library please ask to speak to Gail Prior. She said she will be delighted to help you. Full marks to them for a quick response.

## From Rowing

The Head of the Parramatta River is one of the 'bookends' of the school rowing season. It is an endurance event and a time trial over 5 + kms 'gently down the stream'. It is always a tough way to start the season and this year the blustery conditions made it even harder. All competing High crews finished in good form with the 2nd VIII probably our best performed crew, finishing in a time of 14 m 47s - only 17 seconds behind our 1st VIII.

Plenty of training camps and a host regatta in term 4 have kept everyone (rowers and parents) very busy. Thanks to all the parents, teachers, coaches, prefects and rowers who made the High Regatta such a success. In my absence, John Kaldor has written a report below.

The Twilight Regatta, held last Friday evening, was another successful social/sporting event with many parents taking to the oars for the first time. Thanks to all who donated their time and energy to this regular event on the rowing calendar – particularly committee members Selim Stamati, Catherine Erskine and Elizabeth Hurrell. Thanks also to Chris Watson and Everett Coan, who patrolled the river to make sure that parents had a chance to row without mishap.

**Steve Tiedgen – for the Rowing Committee.**

### High Regatta: 27 November 2004

Perfect, glassy water conditions greeted the small army of High rowing staff and parents who descended on Bayview Park at Hen and Chicken Bay last Saturday morning, to prepare to host the first GPS rowing regatta of the season. These events normally begin at the start of Term I, but with Easter falling early next year, an extra day of competition was scheduled before the long summer break. Soon after 7am, all was in readiness on the water and at the barbecue stand, and our crews were taking to the river for the short trip around from the sheds at Abbotsford Point to the starting line at the mouth of the bay.

The first races were for Year 8 quads, each made up of five current Year 7 boys who had been rowing for just a few short weeks. An anxious moment for new rowing parents, many of whom are wondering not so much what placing their boys will achieve in their inaugural race, as whether they will actually make it all the way to the finish line in front of the jetty. So as the first of the five novice crews started to come in, there was great pride all around as they demonstrated their newly acquired rowing skills, pushing themselves all the way to the line no matter where they were lying in the race order. Pride turned to jubilation as the Second Year 8 quad held out St Ignatius in a tight finish to take out third place, and then exploded into wild cheering when the First Year 8 Quad (Dimitropoulos, Belokopytov, Ridges, Ling; cox Desmond; coaches Prater and Coan) crossed in second place. A great start for our new rowers!

The senior crews then began their heats, competing for places in the finals to be held later in the morning. Although none of our three Fours made their finals, all rowed strongly, and showed great promise at this early stage of the season. Both the senior Eights made their finals, cruising comfortably into third place in their respective heats. The Year 9 Quads were next, followed by the Year 10 Eights, with a number of boys who were new converts to rowing this season making their racing debut. The First Year 9 Quad placed third in its race, and recorded the fourth fastest time across the eight schools contesting the event.

In the finals, the First Eight (Steen, James, Szabo, A Tiedgen, Grimm, Kruszelnicki, Mitsuji, Scharfegger, cox Zak; coaches Prater and Luscombe; substitute Delaruelle) looked extremely competitive at their first GPS outing, and finished strongly in fourth place, well within 5% of the winner's time, despite stroke Josh Scharfegger being injured.

With the High Rowing Committee President interstate for the weekend, I had the privilege of wading out into the muddy shallows of the bay to present medallions to the winning senior crews. It was nice to see three different schools take the honours across the six races, suggesting that this season may not be as much of a Shoregone conclusion as most of last year's events seemed to become.

Hosting a GPS regatta is a highlight of our rowing calendar, but it was good to have been able to fulfil this responsibility right at the start of the season. The event went off without a hitch, thanks to meticulous planning guided by long experience, and hard work on the day. Our rowing staff, led by Chris Watson, ran the race schedule with military precision, sending crews down the bay exactly on time. The food stalls, well complemented as usual by Rob Forsyth's excellent coffee, were a great success, with over thirty parents from all year groups taking turns on the barbecue and selling cold drinks, burgers and some excellent home made cakes. By 2 pm many hands had made light work of the clean up, and we were heading home after a successful first day of GPS racing.

The Australian Sports Foundation Ltd. (ASF) was established by the Australian Government to assist organisations to raise funds through public & corporate donations for the development of sport in Australia. Pursuant to the ASF's listing in the Income Tax Assessment Act (1997) (div 30, S 30-90), donations of \$2 or more to the ASF are tax deductible.

Donors must contribute unconditionally to the ASF to claim a tax deduction, however the ASF's structure makes it possible for you to indicate registered project as the preferred beneficiary of your gift. Sydney Boys High School - Sports Equipment Project (982132) and Sports Facility Development (982131) are registered projects.

All claims are subject to being accepted by the Taxation Commissioner. If either an individual or business is uncertain of their position they should seek their own professional advice.
