

## From the Principal

### Winter Sport

Football participation on Saturdays is excellent this year with 371 boys playing. Rugby has increased its participation again this year to 232. Let's hope a big revival in the sport is promoted over the next few years. Volleyball attracted 104 players this year. We are taking GPS cross country more seriously this year with 48 competitors. Rifle shooting has 14 members. More than two-thirds of our boys are engaged in Saturday sport this winter. I would really like the figure to be 80% at least! 51 boys had compulsory swimming for term 2 because they did not meet the swimming standard. 22 seniors are playing competition table tennis. 86 boys signed up for fencing but the number will be reduced. Around 150 boys are participating in cross country on Wednesdays or Thursdays.

### Honour Boards

This week the Great Hall was reorganised to accommodate a new Dux of the School Honour Board, a new Old Boys Prize board (donated by SHSOBU) and the new School Trophy Board (donated by Year 12, 2004). Four boards will be relocated to a suitable display area in the main building. It is a consequence of our long history that boards are filled up with names, new ones have to be mounted and that some prioritising in displays has to be done. Matriculation result boards and the Lodge Sydney High Board will be relocated.

### The Armidale Visit

The TAS gym was packed for the basketball contests. In the junior division our boys whacked the locals 56-17 in a game that was one-sided but willing. Meanwhile our junior tennis players played a night match in

tracksuit pants but lost 3-5 to some handy locals used to night training. In the senior contest, the rival crowds chanted at each other, with 200 High boys facing off against a similar number of TAS boarders. Our boys were whipped up by Mushfiq Rahman and cheered every basket. With three regular first graders watching from the sideline, our boys could not overcome a willing TAS outfit, losing 39-42 in a low scoring, physical but exciting game. The TAS boys went wild at the final whistle. Despite the forecasted threat of rain, the weather turned out to be fine and sunny as Saturday competition commenced. The 13As came out full of running to overwhelm the TAS 14Bs 48-5. The boys played some attractive football at times, tuning up their backline movements and rucking. By contrast, our 14Bs were no match for TAS 14As, losing 0-36. Meanwhile, without Dejan, the open tennis team demolished TAS 8-0. Several of the matches reached a reasonable standard, however Brian Ly was hardly forced to trot. On the Backfield our 15As took on a speedy TAS 16As and were shell shocked by rushing defence and outflanking backline movements. After 4 first half tries against them, Mr Hannon instructed the boys to keep their defensive line straight and kick in behind the defence towards the corners. The team responded very well, playing a solid second half with no advance to the score. Our first XV were pushed around the park by a big TAS scrum and clean ball was hard to deliver to the backs. A TAS mistake under pressure was pounced on by Cameron Conway who scored under the posts. TAS responded with first half points but High went to the break with a lead. In the second half High's lineout ball was spoilt and our scrum conceded ground, disjoining the attack. Despite the obstacles, the High boys persevered. Injuries hampered the

coordination of our efforts on occasions but several second half tries were scored from good moves. Suren Wickramasinghe chased a kick from inside High's 22, gathered and sprinted 60 metres. Troy Polis scored after a good rolling maul. High finished the last 10 minutes strongly, running out winners 36-17. Mark Carroll played a great game at fullback. Pat McDonnell was sharp and elusive at half back, scoring a smart try. I enjoyed the games and the atmosphere. The TAS weekend is a highlight on our calendar. I hope we can expand the range of competition in the future.

### High Talent

Anthony Morris came equal 3<sup>rd</sup> in NSW in the 14-15 years division of the National Geographic Channel Australian Geography Competition. Sydney Boys High was ranked 6<sup>th</sup>. in Australia in this age group. Steven Guo in the 16 years and over group came in the top 8 in Australia. He is in the squad from which the Australian team for the International Geography Olympiad will be selected. Congratulations boys! The students at High take national competitions seriously and do very well at them. Sen Mitsuji was selected for the combined CIS football team, our first such representative in well over a decade. Congratulations, Sen!

### Vending Machines

Two new vending machines will be installed by Coca-Cola soon. They will be selling approved drinks but no full strength Coke. Students are exhorted to treat these new machines with greater respect than the previous ones or they too will be removed.

**K Jaggar**

## Entertainment Books

**Available from Mr Barris in the History Staff Room for \$60**

These books contain vouchers which entitle the bearer to discounts at many eating venues in Sydney. The books are great value and will save you hundreds of dollars if you regularly eat out.

Also, part of the purchase price is a commission to Sydney Boys High rowing, which will provide financial help for the rowing program.

**C Barris**

The first meeting of the Year 7 Parent Group meeting will be held on Wednesday June 1st at 6.30 pm in the Staff Common Room (near the School Office).

We encourage you to come along. Parent Group meetings are an ideal opportunity to meet other parents in your Year, to raise questions, make suggestions and air any concerns you may have.

Parent groups run under the auspice of the P&C. Toni Lindeback (on behalf of Year 8 Parent Group)

Thank you very much

**Barbara Taylor (for Toni)**

Results of Science Quiz no. 3

Question about "The genetics of the Don Sphynx" was the topic for this quiz. Congratulations to Aditya Hatle (8s), Patrick Lai (7F), Nikita Slinko (7R) and Moustafa Taleb (7R) for their correct answers. - The questions were:

The Russian hairless cat, or don sphynx, is an example of human intervention in animal breeding.

- (a) Gather information from secondary sources (eg the internet) to outline the history and origin of this breed. (one paragraph)
- (b) Are these cats actually hairless?
- (c) Are there any other breeds of
  - (i) hairless cats
  - (ii) hairless dogs?
- (d) What possible advantage would there be for breeding a hairless cat?

Answers are posted on the window of lab 302.

Special preview of quiz number 4

Next fortnight's quiz is open to parents as well! If you wish to enter and be in the running to receive a magnificent science quiz limited edition certificate, then write down the answers to the following questions. Send them with your son before Monday, week 5, together with a note signed by him to confirm that it is your own work! (No e-mails thanks, as the compiler is rapidly becoming a grumpy old man and is still grappling with I.T. [internet technology]) - The question is about mobile phones.

In last weekend's edition of the Sydney Morning Herald (May 7 - 8) there was an article about the environmental impact of those pesky mobile phones entitled "Recall waiting", which discusses the disposal of unwanted mobiles. The fourth paragraph states that mobile handsets contain "hazardous materials and toxic chemicals", yet does not mention, apart from the plastic, what they are.

- Use secondary sources to identify some examples of these materials and chemicals.
- Assess the impact they might have on the environment. (one paragraph)
- Describe one of the many other offensive aspects of the use of mobile phones!

I will look forward to receiving your submissions!

**I Cox**

## Public Speaking

The Lawrence Campbell Oratory Competition was held on Friday night. Well done to Dawei Qi, who did an excellent job on short notice. His speech was entertaining and insightful. Congratulations also go to Tom Kaldor who has made it through to the Regional Finals in the Plain English Speaking Awards.

**R. Howland**

**Public Speaking Co-ordinator**

## Careers

**Careers Intranet Site**

This is where you can read your "Careers Views" news-sheet plus 25 information sites.

## Journeys and Change: Ouyang Yu's visit

Monday's visit by Chinese Australian poet Ouyang Yu brought part of the Sydney Writers' Festival to our Year 11 students. Here is the rather beautiful short poem Ouyang read near the end of his talk:

"Far and Near"

in australia  
i am as far from any australians  
as china is from australia

and i am as near to them  
as a cloud  
is near the sky

It is hard not to see this as being somehow related both to "Change" (Year 11) and "Journeys" (Year 12). For much more about Ouyang Yu, go to

[http://neilwhitfield.tripod.com/blog/index.blog?entry\\_id=1101589](http://neilwhitfield.tripod.com/blog/index.blog?entry_id=1101589)

## German Excursion to Hitler's "Downfall"

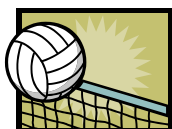

"On Tuesday after period one Yr 11 German, the five of us (Kaivan, William, Daniel, Mathew, and me) and Mr Scheibel set off to Fox Studies to see the latest German blockbuster 'Der Untergang' or 'The Downfall' as you guys might know it. The movie, an 'Academy Award' nominee for best foreign language film, portrayed the last days leading up to the downfall of Hitler from a German's perspective. It lived up to its reputation and was very enjoyable to watch, even providing a few lines of very dark German Humour! The movie provided us with the rare

experience of listening to native German non stop for two and a half hours (even though Hitler was played by Bruno Granz with a light Swiss German accent). The movie opened our eyes and ears and gave us an insight into another's perspective, allowing us to see through another's eyes. I highly recommend the movie to other German and History students perhaps as well!

- **Frederick Lee" Year 11 German; (Class of Mr Scheibel)**

## **From Sport**

### **Volleyball Report #1**

Last week saw the **CHS Inter-Regional Volleyball Carnival**. This was held out at West Wyalong.

Yaegan Doran, Karl Kruszelnicki, Robert Lu, Fahmy Balgahom, Bill Zhang were selected to represent Sydney East at the Inter-Regional Championships last week. Sydney East defeated Riverina, North Coast, Hunter and North West. Unfortunately they lost to Western, Met South West, Met West, Met North and South Coast.

Sydney East's final placing was 6th in a very close competition. Karl was selected as a reserve for the CHS State Team to play the Trans Tasman at the Gold Coast next month.

On the **CHS Knockout** front: High plays Belmore next Thursday to determine which team proceeds to the State Finals. 1st Grade are preparing for a big match after Belmore defeated High last year in the top 8 playoffs. The match starts at 1:30 pm.

The next **Metro School's Tournament** is Sunday 12 June at Olympic Park. The divisions will be under 16 and Open. As usual, High will also front their Under 15s to give them some very hard match practice! Team members should be putting this date into their diaries!

## **GPS News**

Saturday 14<sup>th</sup> May saw High compete in the first round (of a double round robin) against Scots College. Fortunately the week before saw High with a bye. Three years on into the GPS Volleyball Competition and Scots College can only field a 1<sup>st</sup> Grade team. Not to be deterred, the GPS Volleyball

Convenor allowed High's 2<sup>nd</sup> Grade team to play against the Scots team in the second set. Each match being the best of 5 sets.

First Grade 2005 consists of Yaegan Doran (c), Fahmy Balgahom, Robert Lu, Bill Zhang, Dominic Grimm, Karl Kruszelnicki, Terry Ly, Jamie Tao, Victor Nguyen and Mike Zhang.

Second Grade 2005 consists of Sam Chhor (c), Ed Luong, Stephen Dong, Gary Chan, Ping Lu, David Dizon, David Dou, Jordan Luong, Henry Dang, Balraj Hansra.

### **1<sup>st</sup> Grade Volleyball**

They are still on West Wyalong time. So hopefully this will be in next week!

### **2<sup>nd</sup> Grade Volleyball**

Since Scots had only a 1<sup>st</sup> grade team and thus expected only one match, our 2<sup>nd</sup> grade team was allocated the second set of the match while our 1<sup>st</sup> grade team played the first and third sets.

In the first set, 1<sup>st</sup> grade eliminated their opponents with an impressive performance. It will suffice to say that Scots did not look in fantastic shape during the first set.

As second grade *strolled* onto the court for the second set, we expected a defeated Scots side which could hardly spike much less receive. Scots however had wisened up a bit after their demure performance in the first set, and scored the first 3 points with a surprisingly hard serve.

For the 2<sup>nd</sup> grade players, this was the first game of the season, and for many the first official game that they have ever played. The early underestimation of our opponents combined with a reasonable nervousness caused many careless errors early in the set, with our players haphazardly trying to serve big, spike hard and receive.

Only Balraj (Hansra) seemed to be content doing soft serves which, seemingly paradoxically, gave us easy points. Scots played defensively and consistently in the second set, letting us make the errors. This however was not enough to push us off course, as we played the last half of the set with steady serving and finished them off 25-19.

2<sup>nd</sup> grade will be aiming to improve their performance for further matches this season.

**Edward Leong**

### **Absence from schools**

A reminder that whole day and part day absences from school must be explained. A copy of each boy's attendance information is placed in his home directory on the computer network on a daily basis. If boys wish to avoid detentions, they should check this file (*absences.txt*), note unexplained absences and explain them. If there are any problems, see Mr Dowdell.

**Sydney Boys High School &**

**Sydney Girls High School**

## **UNIVERSITIES EVENING**

**For Parents and Students  
in Years 10, 11 and 12**

## **GREAT HALL**

**Sydney Boys High School**

**7pm – 9 pm  
Wednesday 8 June**

**University and Faculty Representatives from the  
following tertiary institutions will be present:**

**Australian National University  
Macquarie University  
University of New South Wales  
University of Sydney  
University of Technology, Sydney**

### **School Uniform**

The school uniform expectations are listed in the School Diaries issued to boys. On some occasions it may be necessary for a boy to wear non-uniform clothing. On these occasions, a parental note is required to explain the circumstances. The note should indicate when the boy will be back in correct uniform.

Some boys come to school without a tie because they were not able to find it in the morning. This problem would be solved by boys preparing their uniform the night before. Then, if the tie is lost, a parental note can be obtained and arrangements made to purchase a tie from the High Store.

A reminder that Rugby/Rowing etc jumpers are not part of the school uniform.

HIGH V St.Andrews

Issue three 2005

High Results

This Year

Last Year

## HIGH 3XI 6-1 St.Andrews

After last weeks high scoring win 3rds and 2nds both played this week with a shortage of strikers due to injury. A very weak St Andrews side, who were initially to play our 5<sup>th</sup> grade, were brushed aside demonstrating the depth in all opens squads. With a rotation policy still in place the boys played well stuck to the game plan and never gave St Andrews a look in.

## HIGH 2XI 3-1 St. Andrews

Second Grade began well playing their usual enterprising attacking football. Aaron Shuttleworth opened the scoring when put through with a calm finish and Gehan Kunaratne, playing as a makeshift striker unleashed an unstoppable drive from the edge of the box. Later on, St. Andrews capitalised on a defensive error to make the half time score line 2-1. HIGH pressured from the outset of the first half and never looked troubled and a fine performance and win was settled by a Daniel Song free kick.

## HIGH 1XI 2-1 St. Andrews

First Grade looked fired up for this fixture and began the better, working the ball around and pushing St. Andrews back. A few chances were created but by the half way mark St. Andrews were exploiting a lack of pace and using the width better to win a number of corners and throw ins deep in HIGH territory. A lack of decisiveness in the HIGH defence led to the goal that came from poor marking at one of these set pieces. After halftime HIGH pushed forwards looking for the equaliser which duly came shortly after Francis Wong hit the post. Burak created himself space on the edge of the box and superbly placed his drive across the keeper and in of the far post. HIGH looked to have found more width for a while and after Sen Mitsuji had a drive parried by the keeper Mischa Steen was on hand to win the game from one yard. HIGH had chances to go further in front but woeful finishing again prevented the game being made safe and they had to endure an onslaught for the last ten minutes before claiming victory. A much more promising performance with a greater degree of passion and thought in the build up play should bode well with the opportunity to seek revenge on SCEGS this week.

## Football Committee

The Football Committee will be meeting in the week prior to the Grammar game. A date will be fixed shortly and I urge all Soccer parents to get involved. We have executive positions available and a healthy, vibrant well supported committee is needed to allow High Football to take the next step in its development. Please email me your interest so I can email further details and a copy of the agenda.

## SATURDAY ASSISTANCE

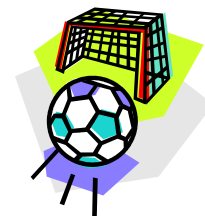

A number of teams are still without coaches or staff members, particularly in the 13s and 14s. While a supervisor is always present it would be great to have Parent Coaches on these teams to help with the organisation. If interested please email me.

Also a request from Coaches for all players and their families to remember if you are the first game on any field when we play at home the Nets need putting up before any game can be played. Assistance is required as any delay will shorten the game as there is no room in the schedule for late Kick Offs.

# THE ONION BAG

## Match Reports 2005

### 15C's 3-0 St Andrews

It was a cold and windy day as the 15C's took on the St Andrews B's team. The vital toss went our way and we had the wind on our side for the first half. However, a series of great opportunities weren't able to be taken advantage of due to our lack of composure in front of goals. After a 15 minute period without scoring, Charles weaved through their defence leaving them all wrong-footed (including their goalie), and calmly squared the ball to George who slotted it into the open goals. Our next goal followed shortly after a mistake by the opposition goalie, who failed to secure the ball, leaving it in the path of Josh who slammed it in for our second. Moments later, what was meant to be a clearance from halfway by Caly, turned into a rather hilarious goal. The goalie had attempted to catch the ball which was swirling in the wind, only to fumble it into the goal. This gave us a lead of 3-0 going into halftime.

In the second half, we were against the wind, but we still had the momentum. An early long range strike from Ben sailed over the bar, and other attempts by George and Ashwin were also unsuccessful. Sadly these were the only chances we got, as we were forced to defend for almost the entire half, as the opposition picked up their game.

However, once again, our defenders and Nathan was calm under pressure and got us out of trouble several times. An inspiring performance by captain, Adrian Ng has earned him man of the match, with Cary, Tam and Clay not far behind. Overall, a great victory for us.

Scorers: George, Josh, Caly.

### 15E 2-0 St Andrews

The 15E's played their first game of the season against St Andrews 15C's and was determined to start their season with a win. The game began at a hectic pace with both teams attacking each other's goal at every opportunity. The attackers dominated the first ten minutes with the midfielders William, Nathan and Ian creating numerous opportunities for our forwards Hari, Paul and George. However, stubborn defence from St Andrews denied High numerous scoring opportunities. The constant pressure put on the St Andrews' defence by some great midfield running by Nathan and Ian soon paid dividends with the St Andrews boys fouling George just outside the penalty box. He took the penalty and calmly slotted the ball past their goalkeeper for High to take a 1 nil lead after 15mins. From the kick off, High quickly regained possession and with some brilliant foot work and skill, Hari sliced through the St Andrews midfield to set up Paul who finished of the movement with a magnificent goal to take High to a 2 nil lead at half time.

The second half began with St Andrews determined to claw back the 2-goal deficit.

Pressure was now on the defenders to hold their line and prevent St Andrews from scoring. Winson and Garland, both playing their first soccer game in GPS, performed extremely well while Xiaoyi and Matthew were reliable as usual. Harry was at his usual best denying the St Andrews strikers any opportunities to score a goal. At one stage Harry showed his improved goal keeping skills when he dived for the ball even though it was nowhere near him. Overall, the 15E's played a solid game of football, dominating the game from start to finish winning 2 nil.

### WET WEATHER

In case of wet weather the school has a phone number that players should ring if no notification of fixtures being cancelled has been circulated on the Friday. As a general rule the Parklands Trust will close grounds by 12.30pm on the Friday and if they have not then all fixtures are on.

This week a number of boys failed to show up, letting both their school and fellow players down.

This is a sad situation especially as one team turned up to play with only four players. Therefore in order to get your awards scheme signed for winter sport you will need to attend all fixtures unless granted leave prior to the fixture by your coach.

### Wet Weather No. 9361 0027

Just a note no fixture has been cancelled since 2001! And then First Grade still played beating Riverview 1-0 in a Gale.

### School Web Site – Football (Soccer) Page

The school web site and Football (Soccer) page is now updated every Friday morning. It contains up to date fixtures, times and listing of referees. It also so has an archive of results, training programme, and the Onion Bag which contains match reports.

<http://www.sbhs.nsw.edu.au>

Follow the links through sport, winter sport, Football.

# THE ONION BAG

HIGH V SCECGS

Issue Four 2005

## HIGH 3XI 6-0 SCECGS

Third Grade again slotted six past weaker opposition even with a number of injuries and changes to personnel. Dominant from the off HIGH cruised to victory with goals from Masaldhani 3, Wang, Sun and Frazi.

## HIGH 2XI 1-0 SCECGS

Second Grade maintained their good start to the season with another clean sheet and controlled performance that left SCECGS never really able to get into the game. The first half started evenly but 2XI soon took the initiative and from that point SCECGS were holding on. Luscombe poached a first half goal after SCECGS buckled under pressure at the back and the second half was all HIGH. Chances were wasted as HIGH camped in the opposition half, striking the woodwork three times and missing a penalty. Good performance to build on and to keep pressure on first team places.

## HIGH 1XI 2-6 SCECGS

Having lost the previous game when they should have really won it HIGH must have felt this was the game where they could really start building up some momentum. A SCECGS side humbled by Shore 7-0 previously were on notice and had plenty to prove. The game started evenly but HIGH began to control and when Steen beat the keeper to a ball held up in the wind and nodded home HIGH were on their way.

Unfortunately a lack of composure meant first SCEGS snatched back an own goal and then a harsh penalty was awarded for handball and SCECGS were in front. HIGH worked hard before the break and when Akinci calmly made space and slotted home the scores were level and the game was there for the taking.

The second half with HIGH running with the wind saw them initially pressure SCEGS but then disaster as HIGH consistently gave easy possession away in the middle of the field only to be stretched on the counter attack. Two quick goals resulted and 1XI failed to learn the lessons of possession and SCECGS romped home with two more to totally humiliate a HIGH side which had totally lost its shape and organisation. As a side to this poor performance the temperament of key HIGH players was again called into question and three yellow cards highlighted the lack of discipline of the players which will lead to more performances like this if they do not learn to stay focussed.

## CIS Representative

Congratulations to Sen Mitsuji on his selection to the Combined Independent Schools representative side. It has been a long time, possibly ten years, since HIGH has had a player represented at this level and Sen is one of only three GPS representatives. Congratulations also to Burak Akinci who while not selected in the final side was selected in the shadow side and made the final 32 in what is traditionally a very competitive process and team.

## Quote of the Week

We will drink some champagne and sing a few songs - maybe even that Champions League one!  
**Everton boss David Moyes announces plans to celebrate their Champions League place.**

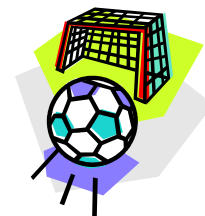

# THE ONION BAG

## Match Reports 2005

### AROUND THE GROUNDS

A truly outstanding afternoon for the 14s and in particular one Kent Nguyen who scored an amazing 5 goals in the 14As 6-0 win and also a further 2 in the 14Bs 3-3 draw. His tally for the day a modest 7! Possibly a HIGH record. Michael Masaldani also notched a hat trick for the 3<sup>rd</sup> Grade side taking his tally to 4 in two games and putting the second grade strikers on notice of his intentions. An under strength 15 has fought hard against a strong SCECGS outfit to earn an honourable 1-1 draw keeping their unbeaten record intact. Six players were missing due to the Schools trip to Armidale.

The score of the day would have to be the 15Cs who destroyed Newington Cs 10-1 while the 15Bs kept up the high scoring with a comfortable 5-0 victory over SCECGS. A special note for the 15s, in all trial games they have played 16 games in the age group and are yet to lose one! The 13As also maintained an unbeaten run with yet another four goal haul, their third of the season and their third clean sheet of the season as well. In fact the 13s had a very successful day with all five teams triumphing scoring 15 goals and only conceding 3. Unbeaten sides going into the last trial are 2XI, 4XI, 7XI, 15A,B,C,D, 14E, 13A and 13E.

### Football Committee

The Football Committee will be meeting on **Wednesday 25<sup>th</sup> May in the Staff common room at 5.30pm.**

Please email me your interest so I can email further details and a copy of the agenda.

The meeting of the Football Committee will be discussing a number of very important proposals which will affect the sport in the years to come. Apart from the election of the final few Office Bearers the Committee will be attempting to address the limited support of the Football Parents at both meetings and fixtures. Except for the familiar few who brave the elements week in and week out, unfortunately the support is not at a level that represents the 400+ players at HIGH.

In recent years the organisation of the sport has attempted to lift the standards of both coaching and equipment, for all players, at great cost to the school. Parking is never going to be enough to balance the books and to allow the sport the funds it needs to continue to compete successfully against the Private Schools. Therefore alternatives need to be found.

The level of Referees has also been improved and the hire of grounds continues to drain funds from the coaching areas which mean the top coaches are largely out of the School funding ability.

Date: 21/05/05		
Team	Cranbrook (A)	REFS
Opens 1	Danger 3 10am	
OPENS 2	Danger 3 9am	
Opens 3	Danger 3 12.30	
Opens 4	Danger 3 11.30	
Opens 5	Danger 3 2.30	
Opens 6	Danger 3 1.30	
Opens 7	Danger 1 11am	
16 A	Danger 1 9am	
16B	Dangar 1 10am	
16C	Christianson 1pm	
16d	Christianson 12pm	
15A	BS 1 9am	Phu Shen
15B	Bs 1 10am	Phu Shen
15C	BS1 11am	Alistair Taylor
15D	BS 1 12pm	Alistair Taylor
15E	Knox E BS 1 1pm	Pat Locke
14A	BS2 1pm	Daniel Champion
14B	BS2 12pm	Daniel Champion
14C	BS2 11am	Erickson
14d	BS2 10am	Erickson
14e	St.Pius F BS2 9am	Erickson
13A	Dangar 4 2pm	
13B	Dangar 4 1pm	
13C	Dangar 4 12pm	
13D	Dangar 4 11am	
13e	Dangar 4 10am	

A proposal will be put to the Committee that in line with many Football Clubs a Players Registration Fee is introduced in 2006 to help with the hiring of top class coaches and to provide top quality training equipment. The idea will be discussed as a way of involving all Football Parents, many who would like to assist but have other commitments that prevent them, in the fund raising and support process.

### School Web Site – Football (Soccer) Page

The school web site and Football (Soccer) page is now updated every Friday morning. It contains up to date fixtures, times and listing of referees. It also so has an archive of results, training programme, and the Onion Bag which contains match reports.

## Coaches Dribble

### Ball Watching

Staring at the ball as your player drops the ball or as the ball is being played on the other side of the field, forgetting to *instantly* back off your player when the ball is away.

present:**

**Australian National University  
Macquarie University  
University of New South Wales  
University of Sydney  
University of Technology, Sydney**

<b>Boggabilla Central School/ Sydney Boys High School</b>
---

***SRC Cultural Exchange******14.06.05 to 17.06.05***

In week 8 of this term our school will be hosting Boggabilla Central School in a cultural and social exchange. This follows the very successful visits in past years where BCS students visited and attended the State of Origin Rugby League and on our visit we experienced life in a remote community.

- 1 Our school is continuing to fund the newly created Creche at Boggabilla which has been formed so that former and current female students may return to school and TAFE once they have had children. Our role would be to fund certain utilities at the Creche.
- 2 Billets required for nights on Wednesday 15 June and Thursday 16 June. If interested please contact Mr Barris. The billets, however, need to be in pairs and some are girls. Some people have volunteered already.

Below is an anticipated itinerary for their visit that is very much subject to change.

**Tuesday June 14**

Travel to Sydney departing Boggabilla at 7.00am Accommodation at the Outterside Centre.

**Wednesday June 15**

- 10.00 am Arrive at Sydney Boys High School. Meet with students and orientation. Sausage sizzle by SRC SBHS and then meet billets. Tour of the school. Game of touch with billets. **City v Country**
- 1.30pm Make way home with billets. Return to school by 5.00pm for meal in Hall and travel to State of Origin at 6.00pm

**Thursday June 16**

- 9.00am – Meet at school for City Tour and then return to school to meet billets for coastal walk. either— Bronte to Bondi or Bronte to Coogee or Coogee to Bronte BBQ on Beach (weather permitting) bring swimmers, billets to accompany the students from Boggabilla.
- 5.00 pm – Boggabilla students go to their host families

**Friday June 17**

- 9.00 am Sydney Boys High – Farewell formalities  
Return to Boggabilla

**This years trip is a rushed one due to the long weekend and everyone's keenness to travel to the State of Origin. We anticipate a return visit this year and priority will be given to billeting students.**
