

## From the Principal

### Valé Ms O'Brien

It is my melancholy duty to inform the school community of the passing of one of our English teachers, Ms Patricia O'Brien. She succumbed to cancer during the holidays after a protracted illness which forced her to take leave in term 2. Ms O'Brien transferred to High from Dulwich Hill at the beginning of 2005 and quickly established a reputation as a most professional, competent and dedicated practitioner. She related well to staff and students and rapidly adjusted to the culture of the school. Her stoicism was admirable as she continued to fulfil her professional obligations despite being severely ill. She felt that teaching here was the high point of her career and did not want to let anyone down. She will be missed by her students and colleagues. Patricia displayed great strength of character and courage but she was also a person who kept a low profile and valued her privacy. Our sympathies are extended to her family. Patricia will be remembered as a skilled and committed teacher and as a caring person.

### Welcome to Term 3

Students will be as busy as usual from the start of the term with competitions, sport and debating. The Trial HSC starts on Wednesday, August 16. We have important information for parents of Year 10, 2007 on September 5 at 6 pm in the Great Hall concerning subject choices; and on September 11 in the Great Hall for Year 9, 2007 and Year 11, 2007. Year 11 examinations commence on September, 21. We are holding an important School Convocation / Retreat on September 23 at the Outterside Centre to discuss school values and future directions. We would like a wide school family representation at that event.

### Staff Selection Panel Training

The school will need to form representative panels for at least half a dozen positions at some time in the second half of the year. We need a bigger pool of trained parent

representatives. DET is offering a training course for panel members in the second week of August. We particularly need parents from language backgrounds other than English to be trained. If you would like to be involved in choosing people to teach at this school or be members of the support staff, please email Mr J. Beringer, Deputy Principal and he will supply you with the details.

### High Talent

Congratulations to Sriram Srikumar who was a member of the team that won the recent world schools debating competition! Vinh Pham earned a great result at the Mathematics Olympiad and was awarded a bronze medal

– well done indeed! Congratulations also to Faraz Amin, Michael Coutts and Sriram who were all selected in the CHS debating team! In the preliminary round of the Classical Association of New South Wales Latin and Greek Reading Competition, SBHS made it to the choral teams final and three High boys were chosen for the final in Year 10 Latin: Edwin Montoya-Zorilla, Richard Hua and Alvin Leung. William Chan was highly commended. In Greek, Eugene Stadnik is a finalist. There were 17 schools represented by 135 contestants. This is a high end competition that takes a lot of preparation. Congratulations, boys and thank you to Ms Werner for her coaching and mentoring efforts. A belated congratulations to our Open Volleyball team who played tight, disciplined volleyball to retain the CHS knockout trophy. Well done to Jun Yang Sim and MIC Mr Kay for their expert and inspirational guidance of the boys.

### Internet and Email

The school has been granted a postponement of transition to secure internet browsing and email controlled by DET until further notice.

## Video Festival

Rose Bay Secondary College is hosting their 8th Annual "V-Fest" Student Video Festival at the Chauvel Cinema Paddington on Tuesday 18 September 2006. The festival has been designed to promote and embrace the wealth

of media talent being created in both public and private high schools in Sydney.

There are two categories for entries: The Junior Section (Years 7-10) and the Senior section (Years 11-12). There are no limitations on content as the entries are judged only under these two categories. The only **MUST** is the inclusion of the **V-FEST** letter "V" somewhere in the action. This letter could be found somewhere in the environment or could be an actual letter "V".

All students need is a camera and a passion for film! If you are submitting a video project in any subject for the HSC, this could be entered for competition (just don't forget to edit a "V" somewhere in the action on a copy tape).

Entry forms are available from the Art Department or from Ms Brewer.

Entries close at 5.00 pm on Thursday, 7 September 2006.

## Back to Back NSW Volleyball Champions

High won the 2006 NSW CHS Volleyball Knockout and defended the title won in 2005 to become state champions for the second consecutive year.

The final 16 playoffs were held during the last week of last term at Olympic Park. The lead up was not without drama with 4 of the starting 6 not fully fit leading into the finals. Alex Le, Terry Ly, Oliver Konakoff and Warren Trac were all battling a combination of injury and sickness.

The value of the large 11 player team was realised as players such as Jamie Tao, David Dizon, Sam Lee, Ping Du and Danny Ng maintained the team momentum without any change to the system of play. The depth of the team was one of its strengths. High only conceded

one set (to West Wyalong) during the entire knockout which commenced in February.

Sydney Boys High and Great Lakes Secondary College have been two of the dominant volleyball schools this year so it was fitting when they were drawn to meet in the final. Our players arrived at the court in full uniform and blazers. This plus the choir of Old Boys that turned up to sing the school song had the north coast opposition wondering what was going on. "High Spirit" was alive and well.

Great Lakes started confidently in the first set and moved out to an 18-12 lead. High called a time out and changed the attack strategy to hit deep cross court spikes. This won several quick points but Great Lake's tall blockers were able to respond and double block this tactic. The score was now 21-17 to Great Lakes (sets are played to 25). High countered by changing to an attack system that was developed specifically for this situation and would be orchestrated skilfully by setters Nguyen and Le. High's centre hitters would run quick balls across the middle of the net forcing the opposing blockers to hold their position, then push sets all the way to the antennae for High's outside hitters to hit down the line. This, combined with the decision that it was time to increase the pace of play saw High's athletic spikers, Ly and Konakoff too powerful for Great Lakes to handle. High regained control and took the set 25-23, going on to win the match in straight sets.

High's champion volleyball team consists of Sam Lee(captain), Victor Nguyen, Alex Le, Jamie Tao, Weiping Lu, David Dizon, Terry Ly, Oliver Konakoff, Warren Trac, Ping Du, Danny Ng.

### Sydney High's Junior Volleyball Tournament

High will be hosting its annual invitational tournament at the end of week 5 this term. Teams competing will be Nowra, Bomaderry, Great Lakes, Baulkam Hills and High

Date: Saturday 19<sup>th</sup> August

Divisions: Year 7, Year 8, Year 9

desperate.

Thanks again.

### Rugby Committee Meeting Summary

The fourth meeting of the SBHS Rugby Committee for 2006 season was held on 28/6/06.

The following is a summary of the meeting:

**Attended:** Rob Fetherston, Judy Fetherston, Kel O'Keefe, Katharine Deacon, Adrian Vertoudakis, Christina Chow, Geoff Stein.

**Apologies:** Serdar Bolen, Andrea Freiman.

**BBQ Voucher/Encouragement Awards** –Vouchers distributed to coaches.

**Cake and Coffee Fliers** – Went out to the 13's and was well supported. Will go out to the 14 years teams for the Shore game and the 15's for the Grammar game.

**Correspondence** – Email received from a King's School parent congratulating our

1<sup>st</sup> XV on their spirit and commitment in the recent rugby match.

**Treasurer's Mid-Season Report** was tabled showing the income and expenses for the month of June. Current account prior to meeting was \$7642.33 An invoice of \$45 for the recent junior goal kicking clinic was submitted at the meeting.

**Fairland Pavilion Supplies** – Laurie Heil said that he will purchase more cups and saucers for the kitchen.

**Rugby Canteen and BBQ** went well. Made approximately \$5K which is a reasonable amount for a King's game.

**1<sup>st</sup> XV Afternoon Tea** –Parents will be offered refreshments before the players arrive. Students attending the afternoon tea will be asked to refrain from eating until the 1<sup>st</sup> XV players from both sides have arrived.

**Holiday Matches** –High is hosting an English school (Old Swinford Hospital) during the holidays. Tuesday 11<sup>th</sup> July, 2<sup>nd</sup> XV at 12.00 pm and 1<sup>st</sup> XV at 1.30 pm on McKay 1.

**Grading of High Teams** – A question was raised about the grading procedures for our trial and GPS games. In the past there have been two Unmatched fixtures meetings where the MIC's of rugby from the various school associations (GPS, CAS, ISA as well as other rugby playing schools) meet to declare the number of teams they have at each age level for the season and the relative strengths of those teams, to negotiate competitive matches. It is a process that lasts several hours. The first meeting was held in May and organised the Term 2 matches. A second meeting was held in the last week of Term 2 to organise the Term 3 matches. The second meeting allowed for a regrading of teams which proved stronger or weaker than the initial grading. In some instances schools withdrew teams at the lower levels due injuries. In some instances schools added teams due to players joining age groups as the season progressed. I always felt the second meeting was vital in avoiding too many one-sided matches.

In 2006 the CAS schools pushed for only one Unmatched fixtures meeting. This meant the entire season was organised after one trial match. I submitted the 11 High teams based on our Winter sign up numbers. I graded our A teams at the A level, our B teams at the D level with the inclusion of St Greg's at the B level and Hurlstone Agricultural College for their first year at the C level. The success of our rugby program has seen some age groups increase their numbers to the extent of being able to field an extra team. Some teams have improved so much that they would benefit from being regraded at a higher level. Unfortunately with no second meeting this season it is not possible to change our situation to any great degree. I have been in touch with the MIC's of Shore, Grammar and St Ignatius to try and resolve the grading issue but we will not be able to field any more teams than I originally submitted.

If any parents have further questions regarding this issue please don't hesitate to contact me on 93610027 during school hours or on Saturdays at the rugby.

**Next meeting** Wed. 26 July 2006, 6.00 pm in Room 901. All welcome.

# SBHS Debating 2006

## BUMPER EDITION- READ ME CAREFULLY!

---

Coaching for ALL years will be held on Friday afternoons in term 3.  
Year 7 and 8 will be in the 500 rooms, the rest in the 400's.

---

### SRIRAM WINS "WORLDS" IN WALES!

---

Forget the Socceroos! Australia has won a WORLD CUP- the World Schools Debating Tournament, which was held in the holidays. Sriram Srikumar was a member of the 5 person team which beat Ireland in the final to take out the Premiership for the *4<sup>th</sup> year in a row*. He was ranked 7<sup>th</sup> best High School Debater in the World, and incredible achievement- Well Done!

### GPS TEAM ANNOUNCEMENTS

---

Congratulations to all of the boys who tried out, especially those who made it into teams. There are a large number of debaters in year 7 and 8 and the task of selections was very difficult. GPS Team Selections have been completed and teams have been emailed to year 7 and 8 and are posted on the noticeboard outside 603. With year 7 and 8, there will be a set A Team which will debate each week and then a number of B Teams (B1, B2, B3) which will rotate from week to week and debate each other at home debates.

### DEBATING CODE OF CONDUCT- *Please complete and return ASAP*

---

ALL BOYS IN YEAR 7 and 8 WHO ARE ATTENDING COACHING IN TERM 3 MUST HAVE RETURNED THEIR CODE OF CONDUCT TO ATTEND TRAINING. The newly devised *Debating Code of Conduct* was issued to boys in Year 7 and 8 last term, in order to clearly outline the standards of behaviour in coaching and at debates that is expected at SBHS. Parents and students are asked to read, sign and return the slip to me ASAP, and keep this in mind when representing High as a debater. A copy can also be found on the website.

### DEBATING ASSEMBLY- Friday July 21st

---

All parents of Debaters are invited to attend the Annual Debating Assembly which will be held in the Great Hall at approximately midday on Friday July 21<sup>st</sup>. We will launch the official GPS Debating Season for 2006 and announce First and Second Grade teams, who will debate their first GPS debate against Shore that night. Ex-Student Alex Bodman will be the Guest Speaker.

### "DEBATING RECORDERS" FOR THE RECORD 2006

---

I am still seeking boys in each year (except year 8) to act as Recorders for the record. Please let me know this week if you are interested otherwise I will be nominating people for the job! It is pretty simple -recording and documenting the main features and highlights each debate and team and reporting the season in an interesting way.

## GPS EVENTS CALENDAR

---

Please diarise all the GPS Debate dates and venues.

All information can be found on the website- <http://www.sydneyhigh.org.au/debating>.

## CARPOOLING and TRANSPORT TO AWAY DEBATES

---

In terms of car pooling and transport to the events, we have decided that the easiest and most effective way of solving this perennial issue is to **publish each team members home suburb** behind their name and any boy who needs a lift to or from debates should approach that student themselves in terms of arranging lifts. The onus is on boys who need lifts to organise this for themselves. **I have arranged for Serdar Bolen to drive the large school bus out to KINGS for our debate there in week 7.**

## DON'T FORGET TO CHECK YOUR EMAIL!

---

Email is the main form of communication for debating. Only basic notices are printed in High Notes, important team information is emailed to the relevant students or parents each week. If you are NOT getting the team information - send an email to [sbhsdebating@gmail.com](mailto:sbhsdebating@gmail.com).

## THE DEBATING DINNER 2006.

---

This years Debating Dinner is being held on **Saturday September 2<sup>nd</sup> in the Great Hall**. Last year the dinner was a sold out event in the Outterside Centre, so we have moved to the Great Hall in order to ensure everyone is able to attend.

The cost of the dinner will be **\$30 per adult and student**. A special price for siblings under 10 years of age has been negotiated at \$20. Payment for the dinner can be made at the main office from Monday July 26<sup>th</sup> until Friday August 25<sup>th</sup>.

## DEBATING SUPPORTERS GROUP

---

The DSG has their own email address- [sbhsdsg@gmail.com](mailto:sbhsdsg@gmail.com).

**The next meeting is Tuesday August 8th at 6.30pm  
in the Teachers Common Room.**

We will be discussing and planning this year Debating Dinner so please come along and share your ideas with us! We encourage all debating parents (especially those with sons in year 7, 8 and 9) to attend and to become involved in supporting your sons debating "career"!

**CAR PARKING- THIS SATURDAY July 22 from 5PM**

**Contact Craig Phillis if you can assist in the afternoon on 0418 119 443**

For more information email [sbhsdebating@gmail.com](mailto:sbhsdebating@gmail.com).

# THE ONION BAG

Welcome back after the holidays. I hope you have all enjoyed and have taken inspiration, from the World Cup experience. It was a tournament that highlighted everything that is great about football. The exquisite skills of the world's best players, the physical endurance required to play for 2 hours, the mental toughness of the penalty shoot out.

Unfortunately we also witnessed some of the lowlights off the game. The most notable was Zinedine Zidane's shameful reaction to comments made by an opponent. I'll remind boys to read the AAGPS Code of Practice in regards to player behaviour. Whilst the GPS competition is not quite the World Cup, there are occasions when tempers fray and words are spoken. No matter how you may have been provoked, physical violence on the football field can never be condoned. If you feel that you have been vilified in some way, the correct course of action is to report the matter to your coach immediately.

The second half of the GPS season gets underway this weekend with most games against Shore. Please ensure that you get to your venue at least 30 minutes prior to kick off to allow enough time to fully prepare for your game.

The **Dolan Cup** is still wide open with four rounds to play. Mr Pearson's 3<sup>rd</sup> grade leads on 15 points, closely followed by the 16B, 15A, 14A and 14B all on 13 points.

I again encourage all teams to submit a short match summary each week, to be included in The Onion Bag. It is a great way to recognise the efforts of teams and individuals alike. Reports need to be submitted by Monday afternoon. They can be forwarded on to me at the following address.

# **Year 7 Parents – Plea to Inform Your Old Primary School About SBHS**

Could any Year 7 parent particularly one who still has children at your son's old Primary School please assist us to contact Year 5 parents there.

Many parents have no idea they have to apply for their children to sit the Selective School's Test. Many also have no idea of the benefits Selective School education can offer to their children. In particular they have no idea of the very special benefits our school offers to boys.

If you do not mind assisting your sons to give a prepared talk at your primary school please contact Mrs Crothers - our school librarian - on [crothersv@sydneyboys-h.schools.nsw.edu.au](mailto:crothersv@sydneyboys-h.schools.nsw.edu.au) .

(I will train your son and organise for handouts and contact your primary principal for you)

Many thanks
