## From the Principal

## High Talent

Matthew Fetherston hit a spectacular but controlled 194 in the opening GPS game against Grammar. Solid support knocks by Dakshika and Reuben were a feature of the impressive 320+ score. Coach Howey declared on the fall of Matthew's wicket and sent Grammar in to bat. They lost 5 quick wickets, setting the scene for a great finish at St Paul's College oval next Saturday. It would be terrific if a few more spectators were on hand to see our boys take on Grammar. Congratulations to Paul Pang for his selection in Encore for HSC Music performances and also to Year 11 accelerants, James Mackay and Richard Xu - excellent work boys!

## SBHS Transport Policy

Transporting students to school sponsored activities is becoming increasingly important. At High, we are mindful of the duty of care issues of students travelling on their own or in public buses. Greater time on task at sports training is achieved if groups of students arrive more punctually. Where we can, we would like to facilitate transportation to venues. Three great benefits for school managed bus services are: safety, efficiency, punctuality.

I have asked the P \& C to fund a replacement for our aged 21 seater. A 29 seater would be ideal. Two years ago the school bought a very old 50 seat bus as an experiment. The demand for its services has increased rapidly. At the moment we have access to 4 licensed big bus drivers. I would like to trade in that bus for a more modern replacement. We are actively seeking tax deductible donations for replacement buses. See our website for donation details to Australian Sports Foundation-'facilities and equipment' -bus.

Mr Ayre, as Head of Sport, will be responsible for the coordination of sports travel. He has arranged for several sports to be bussed to
their venues. Until now, the cost of buses for sports transport was the responsibility of individual MICs. The school will now book and pay drivers, maintain buses and determine schedules for students. In return, beneficiaries of the service will be invoiced $\$ 40$ as a transport fee for the sports season. In a 16-18 week sports season, this represents very good value on a per trip basis and is heavily discounted on the government bus rate.

Sports to benefit from the summer season service are: Sailing ( 36 boys), rifle shooting (6), rowing (116) and 9-10 basketball (55). During the season, buses will be used as a service for difficult to get to venues, such as away fixtures to Kings, Riverview and Shore. Round trips will be organised where possible. These services will be on a 'first come first served' basis at $\$ 5$ per trip paid to the driver. If enough boys show interest, 50 tickets will be pre-sold. Where boys are taken on excursions or trips to special venues using the big bus in lieu of hiring a government bus, then commercial rates for trips will apply.

Use of Tennis Courts

Boys are reminded that the new tennis courts are not for social tennis. For term 4 | want all boys using the courts to be in tennis teams and to bring the right gear to change into to practise. The Tennis Pro is running a business on these courts and appropriate dress and decorum are expected. A girls school is likely to have a permanent booking on two courts in the mornings before school and afternoons after school when we are not scheduled to be using the courts. Keen tennis players should bring their gear and book to play at lunch time or at our arranged afternoon sessions 3:30-4:30.

## Speed and Endurance Training

Junior tennis players, basketballers, sailors and cricketers should be doing the sprint training sessions on Monday afternoons with Jason Tassell. The service is provided to
build a higher base of personal fitness. MICs and coaches are asked to urge their team members to attend these sessions on top of their skills work.

## Notice to All Year 11 Parents

In 2002 the current Year 12 parents hosted a Welcome Party for us and we are now returning the favour with a Farewell Party for them on Friday the $17^{\text {th }}$ of November from $6.30 \mathrm{pm}-8.30 \mathrm{pm}$.

All Year 11 parents are asked to make a contribution towards this event by either donating a plate of finger food (sandwiches/sushi/spring rolls/mini bagels/dips/fruits etc); a flower arrangement; or a small cash donation. Whichever option you choose, please contact us promptly so that the event can be organised.

- If you choose to send in food, there are platters available at school that your son can take home the day before the party, however you would need to deliver the food after school on the Friday. If you are able to help with food please contact Judy Fetherston on 9327-3757 or rifetherston@hotmail.com.
- If you choose to donate flowers, or are able to help with creating nice flower arrangements contact Gabriele on 9523-7898 or gklocker@optusnet.com.au.
- If you are unable to assist with food or flowers you may choose to make a donation. Donations can be paid into the 'Y12 Farewell account' at the school office.

From the Basketball Master-GPS Code of
Behaviour and Supporting Your Peers.
It has $\longrightarrow$ been extremely pleasing to see
such large
 crowds of supporters at the first grade basketball this season. Every supporter who stays and watches the 1sts to the end of the game each week is greatly appreciated by all involved. In particular canteen sales at home games have gone up. This is very important to keep the standard of coaches who we want anchoring our top teams working with the students of our school. Every student who purchases a drink and hot dog for lunch from the canteen is directly supporting his future coaching. Last week vs Kings we won every ' $A$ ' grade game and the firsts. This is the first time I can remember this happening and it is fantastic! Our basketball program is on the rise in terms of results.

Last weekend it was disappointing to lose a close game in the first grade to Grammar. More disappointing than the result were the actions of our student supporters. We have no need to have a chip on our shoulder and feel like the officials or others are against us. We have the best coaches and staff members, the best uniforms, a two court indoor facility on site, excellent parental support and smart, athletic students. If we continue to act in a manner which makes us appear to be of lesser stature to everyone involved then we will be treated that way. Our students are smart enough to understand the consequences of their actions. To directly quote Dr Jaggar "They need to be more self-disciplined."

The GPS code of behaviour for spectators consistently talks about one word: "positive". We love to see the amazing skill of our players in the firsts and make a large noise which is positive when we score or play fantastic defence. The problem is that when things are
not going as planned we tend to look for excuses. It is not acceptable to make noise during an opponents free throw shot. It is not acceptable to start blaming the official. Come to the game to cheer for your friends and school when we need it. When we are down by a margin, instead of targeting the other school or officials, try to encourage and instil confidence in the players from our school. Be a part of the positive experience. I have printed the GPS code for spectators below:

## GPS Code of Behaviour For Spectators

- Parents are asked to make their presence and support as positive as possible
- If your school is host, parents are asked to assume some responsibility for making visiting parents feel at home
- When visiting another school, the host school's premises and rules should be respected.
- Parents should never seek, during or immediately after a match, to give advice to coaches, umpires/referees or to players
- Barracking may be enthusiastic, should be positive rather than negative, avoiding excessive attention to the individual. A good example should be set by applauding skilful performance and play regardless of school.

## Go High Basketball!!

## B. Hayman (MIC)

## YOUR CALL REF!

Old boys who wish to officiate at games can be paid by the basketball budget. We currently have a shortage of officials and wish to educate our current students to get involved in future years. I will try to include a referee segment into our High Notes from time to time.

MAUVE 51 is awarded a throw-in from the end-line. She passes the ball with such velocity that it misses all of the players and goes out of court at the other end of the court.

Where should the ball be put back into play?
a) Where the centre line meets the side-line, with the ability to pass the ball into both the front and forward court?
b) Where the ball went out of play?
c) Where the ball was thrown in from?
d) Qué?

Art. 17.3.1 says that: A player taking a throw-in shall not... cause the ball to touch out of bounds, after it has been released on the throw-in. And Art 17.4, Penalty says: The ball is awarded to the opponents for a throw-in at the place of the original throw-in. Therefore c) is the answer.

## SYDNEY BOYS HIGH CRICKET

Day 1 of the opening round of the AAGPS competitions produced a series of landmarks for High cricketers across the board as well as introducing our new development direction with team training on sport afternoons and coaching support on Saturdays. Highlights from last Saturday include Matthew Fetherston scoring 194 (1st. XI), Dakshika Gunaratne taking 5 wkts including a hat-trick ( $1^{\text {st }} \mathrm{XI}$ ), half centuries scored by Kishan Perera (15As) finishing with 70, Arun Krishnan (16Bs) a power innings for 57, William Shao (14Cs) retired at 51and Yasar Chowduhury (14Cs) with 44, who missed retiring at 50 through a mathematical error on the scorebook.

The 5th XI recorded our first win for the 2006 / 07 season Saturday morning just in front of the 14.Cs recording its victory.

## AROUND THE GROUNDS

## First XI (Day 1) HIGH 9 for 349 (declared) - V - GRAMMAR 5 for 35

High won the toss and batted and put together a massive first innings total. Matthew Fetherston with 194 gave a chanceless batting display and was ably supported before the declaration. With 14 overs to bat Grammar faced the High bowling attack and was in for another surprise with Dakshika Gunaratne taking 5 wkts for 20 including a hat-trick. Congratulations to all on a great opening to the season. A Match Report - cricket website.

## Second XI (Day 1) HIGH 10 for 115 \& 0 for 33 -V - GRAMMAR 3 for 187 (declared)

With all of Day 2 to put together a total, a declaration and to put the pressure on Grammar to go for an outright will take some application and grunt!! No Match Report received

## Third XI (Day 1) GRAMMAR 9 for 166 (declared) - V - HIGH 2 for 26

In an up and down day dominated per session by each team with the bat or ball, Grammar finished with 9 for 166 with Mihir Desai taking 3 wkts for High. With 11 overs to stumps High got off to an untidy start with two soft dismissals to be 2 for 26 at stumps. This match is winnable if the remaining batsmen show some grunt and knuckle down to use the whole of Day 2 to score 2.3 runs per over for the remaining 141 runs for victory. Match Report - cricket website.

## Fourth XI GRAMMAR 0 for 75 -defeated - HIGH 10 for 74

A better prepared Grammar XI outplayed an undisciplined High batting performance that had 7 batsmen out to catches.
Alistair Taylor scored a chanceless 31 and Daniel Campton 13 to be the only scores of note. In reply Grammar was assisted by High through 5 dropped catches off the tidy bowling of Tom Lindeback $0 / 15$ and Lachlan Deacon 0/25. Match Report cricket website.

## Fifth XI + VII HIGH 5 for 94 - defeated - GRAMMAR 10 for 93

The "rusty gates" proved they still have "it" in being the first team to record a High victory on the opening of the GPS Season as described by their Captain in the match report. Grammar batted first and was soon in disarray as High bowlers, struggling to find the pitch helped Grammar to 20 odd runs in their score before cleaning them up. Subeeh Hussain 3 for 8 was the main wkt taker, with Rommo Pandit Adnan Husaini and Radeshan Baskaran taking 2 wkts each. Dexter Isaacs (26n.o.) and Raymond Jang (19) were the main run scorers in High's innings. Match Report - cricket website.

## 16 As (Day 1)

No Match Report received

## 16 Bs GRAMMAR 8 for 116 -defeated - HIGH 10 for 99

Grammar batted first and finished at 8 for 116 in their allotted overs. High then in chasing Grammar's score were 9 / 30 until Arun Krishnan (57) and Nick Lindeback (14) took High to 25 balls to go and 25 runs needed when the brilliant stand ended. High's bowling saw Nick Lindeback with 3 wkts, Stanley Chin 2 wkts and 1 wkt each from Matthew Wong and Tasneem Chowdhury, Match Report - cricket website.

No match Report received.

## 15 Bs GRAMMAR 9 for 120 - defeated - HIGH 10 for 9

No Match Report received.
14 Bs GRAMMAR 9 for 120 - defeated - HIGH 10 for 99
Grammar batted first and finished at 9 for 120 in their allotted overs. Best bowling Nathan Kok 4 wkts, Shanaz Razeen 2 wkts, Samir Kinger, Leo Lu and Rahib Azwad one wkt each. High went into collapse mode and were 5 / 21 and not looking good until Nathan Kok (32), David Chan (14), Shanaz Razeen (8) and Rahib Azwad (6) rescued their team to get within 21 runs from Grammar's total. Great effort boys considering some very ordinary umpiring decisions

## JUNIOR TEAM OF THE WEEK

14 Cs comprising Botong Cheng (A/Capt), Samir Kinger (A-V/Capt)Vino Anandaselvakumar, Yasar Chowdhury, Isaac Everleigh, Ryan Gu, Dominic Cheung, Henry Sit, William Shao, Matthew So, Vincent Wang and Eric Zhu put together an amazing performance to win the match with 4 overs to spare. Grammar won the toss, batted first and was all out for 135. Wicket takers were Dominic Cheung 3 wkts, Samir Singer, Vino Anandaselvakumar each with 2 wkts and Nathan Kok 1 wkt. High the went to the crease and William Shao 51(retired), Yasar Chowdhury 44 (retired) and Leo Lu 31 n.o. were the main run scorers. Well done to all boys on their first win. (Editor's note - strange that certain names appear in both the 14Bs and 14Cs- coincidence??)

## NEW CRICKET NETS - RUN UP EXTENSION:

Our new cricket nets are virtually ready but due to the location restriction when it was finally put in place saw the run-ups shortened thus restricting their effectiveness. However, all was not lost and we now have the chance to complete an extension of the run-ups through a re-evaluation of the site area and approval. As a result that will add $\$ 2,800$ to the cost which we in the cricket section will have to raise. As we have a facility in the Australian Sports Foundation, which allows us to raise money for projects and donors can claim TAX DEDUCTIONS we are embarking on this project over the next 2 weeks. Donations of $\$ 50, \$ 100, \$ 200, \$ 250$ or even a sponsor for $\$ 2,800$ allows us to cement this opportunity. With the current commitment from our cricketers I look to our School Cricket community to have the same belief in our boy's cricket facilities to give them the best available, to achieve the best results. Join me as we aim for that target.

SCORERS SESSION- will be held to assist new and prospective Cricket Scorers on Thursday 9th NOV at 5-Opm in Room 901 (Gymnasium). The session will take approx one hour depending on numbers. Please advise Laurie Heil by email of your intention to attend.

## A FINAL NOTE and THIS IS COMMITMENT !!

We have two Year 7 boys, Sivan Sivayogarayan and Hashan Subasinghe (both in plaster with broken arms) who came to me worried about their chances of playing in a team when their plasters were off. Of course there's no problem with that request but both of these boys then volunteered to score each week for the 14 As which they have now done for 2 Saturdays. This is commitment! Well done to both boys from the Cricket Committee, parents and players in the 14As.

Good luck to all Group 1 teams for Day 2 of their matches this week.

## 14Bs Match Report

During the game, we started off with a 7-0 lead then the opposition came back but we were always in the lead. By the second half of the game, the score was 18-9 and I had 4 fouls on me. Kevin Liu scored the majority of points (8) with Andy Shen scoring 7 points. The game finished as a victory of 24-17.

David Nguyen (14B's Captain)

## 14Cs Match Report

Score: 14-6 (Win). Top Scorer: A.Mockdad 6
The first half against Grammar was a close one. Two High baskets brought us to a 4-0 lead. Michael Liu Li scored brilliant free throws but Grammar managed to penetrate our defence and end the first half 6-4 High's way.In the second half, High's defence rose and Grammar only managed to score one basket. High broke through Grammar's defence with another three baskets, two easy ones from Cornelius Do's fast breaks. High claimed the match 14-6.

Denny Chandra (14C's Captain)

## 14Ds Match Report

Score: 12-24 (Loss). Top Scorer: D.Chen 6
On Saturday, 28th October, the 14d's had a match against Sydney Grammar. The game started with Grammar scoring a few shots. Soon, Daniel Chen scored the free shot and made some lay-ups. As the game went on, Andy scored three free shots and made two lay ups. Unfortunately, Grammar also managed to score. Brendan Leo scoreda shot at the end, bringing the score to 24-14. Best shooter was Andy Ho.

Kenneth Nguyen (14D's Captain)

## 14Es Match Report

Score: 4-57 (Loss). Top Scorer: V.Zheng 2 M.Wei 2
It was such a tough game against Sydney Grammar. The first half resulted in 2 to 32 that we were losing by a lot but I scored the basket. In the second half, the game ended in 4 to 57 . The last basket was scored by Vinson (no. 54). From this game, we could see there is plenty of improvement needing to be made. We sure need more practice.

## An important change to the billing in the MUSIC PERFORMANCE PROGRAM

Please be advised of a change to the billing system for instrumental lessons.
The school will invoice the students from the start of term 4. Payments need to be made directly to the school for your son's lessons.
It has come to our notice that there are many outstanding fees and all outstanding fees need to be paid by the end of week 3, term 4. Non-payment puts the program's continuation in jeopardy.

If you have any financial difficulties, please discuss this in confidence with the music staff as soon as possible.
Thank you.

## China Music Tour 2007

The Music Department in collaboration with the Australian Chinese Culture \& Arts Group are organising a 16 -day music tour to China in the 2007 July holidays. This is a wonderful opportunity for the students to perform in the Beijing International Youth Carnival 2007 with other youth bands from 21 countries worldwide.

The anticipated cost of this tour will be approximately $\$ 2850$ which includes airfare, all meals, accommodation, and entries.

The information evening for the Music tour to China was held on the last Monday of Term 3. If you were unable to attend but are still interested in joining the tour, please contact one of the music staff at school for information (9361-6910 Ext. no. 109) or collect a copy of the Itinerary and permission note from the Music staffroom.
