The Weekly Newsletter of Sydney Boys High School

Vol 8 No 9 March 30 2007

## From the Principal High Talent

Well done to first grade tennis captain Matthew King who got up from his sick bed to play doubles and singles last Saturday. He really suffered in the heat but got through both matches successfully. I really appreciated his efforts for his team. He was selected as No 1 player for Combined GPS seconds.

## Reading High Notes

I have been informed that some parents are finding accessing *High Notes* on line somewhat time consuming. I suggest that if you want the pdf version of *High Notes* that it is best to go to our website [sydneyboyshigh.com](http://sydneyboyshigh.com) main menu / High Notes. If you right click on the pdf icon then pick 'save target as' you can bring the whole document onto your PC with just one download. With html you get the text very quickly but without the *High Notes* formatting and graphics. Your choice of access mode depends on what you are looking for in this weekly publication. Please let me know if you are having any difficulties with the electronic distribution policy.

## HSC Results

At the P & C meeting last week I gave a presentation on the HSC 2006. I recommend that if you are interested in finding out more about particular courses that you visit our website [sydneyboyshigh.com](http://sydneyboyshigh.com) at the main menu/about /HSC results. After investigating the site you might have questions to address to the careers Adviser, Mr Ayre or to Mr Dowdell, DP for High Senior School, or to me.

## High and SHSOBU

I recently wrote to Joseph Waugh, President of the Sydney High School Old Boys Union, informing him that the school would no longer accept payments in trust from families of advanced 'life membership' contributions. The lines of communication concerning who has paid and how many times are very difficult to

sustain between the school and the OBU. The system appears to absolve the OBU from accountability to its prospective members by having the school collect its student money for it. The school will give wholehearted support to any system the OBU might devise for collecting contributions directly. I have offered publicity opportunities, a presence at school events, clerical support and promotion by the school. Mr Waugh has established a committee of Old Boys very familiar with the student life membership scheme to sort out the contentious issue of qualification for life membership for students leaving the school in the last few years and to propose a model for the future that clearly establishes what it is that people are paying for. In the meantime, Mr Waugh and his Executive are busily trying to reconnect with the OBU membership via e-bulletins, the distribution of High Flyer and the reinstatement of *High Bulletin* as a periodical.

In the second half of the year the OBU will be in a position to accept payments from new and existing members of the scheme and will make contact with all known stakeholders with current contact details.

## GPS Heads Meeting

High hosted the GPS Heads for the first meeting of 2007. The Heads held firm in their decision to move the athletics season for 2008 back to where it used to be – in between summer and winter sports. I remain ambivalent about this because of the problem of the Trial HSC occurring while GPS competition is still ongoing. On the other hand, properly preparing teams for the rigours of GPS competition is facilitated by having the extra time that the athletics season provides for coaches and players. Consequently, I no longer object to the switch back. The Heads acknowledged this was a "significant decision" to go it alone.

Several models were tabled about how the seasons of athletics and rugby would run. There is no immediate likelihood that CAS schools will change back so the issue of traditional fixtures and trial games is a concern. Dialogue with ISA and CAS Heads was recommended. It was also recommended

that May 17 should be booked for the Athletics carnival in 2008.

It was agreed that the Head of the River regatta will be held on Wednesday, 19<sup>th</sup> March, 2008. The Heads are seeking advice from the AAGPS on the timing of the races on that day. The rugby arrangement with St Gregory's College is to extend to the 2007 season.

### End of Term

Given the disruptions that have occurred at the beginning and during term, our curriculum and programs were still delivered effectively. I thank all staff members, students, coaches and parents for their commitment to achievement at Sydney High. I wish everyone a well deserved break.

**Dr K Jaggar**

## Artefacts

Term 1 has been a very busy creative term. First off the Art staff extend a warm welcome to Mrs Jocelyne Isaacs who has recently joined the Visual Arts staff.

The Year 8 excursion to the Art Gallery of NSW and the Gardens was a great success and will become a permanent fixture on the art calendar. A big thanks to the students who behaved in an exemplary fashion and all of the teachers who assisted. Students saw the Archibald, Sulman and Wynne Prizes, the Manga exhibition displaying the master Tezuka's work [of Kimba and Astro Boy fame] and Art Express. With an hour in each show it was a pretty long time without a break and the boys handled this with admirable control, remaining on task.

The Study day and exhibition viewing at the AGNSW for Years 9 to 12 Visual Arts students was excellent. The lecturer articulately explained the cultural background to Tezuka's "Astro Boy" and "Kimba" providing excellent comparisons to the American Superhero of the same era and enlightening students about the impact devastation and loss had on the psyche of the Japanese after the atom bomb.

Year 10 Art students have been producing small scale sculptures in a range of materials exploring the different starting points and catalysts for artists. They are now working on an individual work in their choice of materials that expresses movement and rhythm. The work being produced is varied from a chandelier made

from agapanthus flowers to constructions out of found objects to carved hebel or modelled clay

Years 10 and 12 have been to College of Fine Arts to view Art Express works at that venue and look through the VAPDs of strong Art students. Year 12 returned feeling confident and re-inspired. The excursion to the AGNSW on the 27<sup>th</sup> further reinforced the necessity to JUST get started and allow their body of work to take shape and to take risks with techniques. I have every confidence that this year's art HSC students will produce some amazing work.

Two Year 10 students, Shane Ponraj and Neil Street, attended a Gifted and Talented art workshop "Rocks On" and met Ben Quilty, artist recently featured in Spectrum, who judged the works and selected works to be exhibited. Congratulations to Shane for his Highly Commended award and first artist group show which opens on the 28<sup>th</sup> March in the city.

Year 11 Digital Imaging students have mastered PhotoShop and the digital camera and have produced their first portfolio of 10 photographs. These will be exhibited in the last few weeks of term in the main foyer.

Year 9 art students have launched into a study of The Body in Art. They have begun to investigate how the human figure is represented in traditional and contemporary art practices. In historical studies students are learning about style characteristics and ideas about beauty, death, changing values, identity, transformation and their world. In artmaking students are developing their skills in drawing using a range of materials including ink, progresso, charcoal, pastels and oil paint sticks. The focus for their drawing task is to experiment with materials and develop techniques whilst exploring ideas of scale and proportion in the ideal human figure.

The theme for Year 7 Art students is Fears and Fantasies. Students have recently been given their first art assignment. Their progress/interim reports will be completed by teachers as they mark these assignments.

## Tennis Match Report

### SBHS v SGS

Third Grade:	High 4½ b Grammar 1½
Fourth Grade:	High 3, Grammar 3
Fifth Grade:	High 4 b Grammar 2
Sixth Grade:	High 6 b Grammar 0

 What a perfect finish to the 2007 competition with High winning seventeen matches against Grammar! All players are to be commended for their sportsmanship and their impeccable court manners during this season.

## Third Grade

High won both doubles matches, with Danny Fu / Daniel Chim winning theirs 6:4 and James Pham / Amadeus Klocker easily defeating their opponents 6:2. James Pham's strong performance this season continued and he won his singles match 6:3. Amadeus Klocker despite the heat played well, taking his singles 6:4. Danny Fu played some beautiful tennis and was unlucky indeed to lose his singles in a tie breaker (5:7). Daniel Chim had to settle for a draw after time out.

## Fourth Grade

The doubles matches brought mixed results for this team with Albert Kim / Nicholas Hayes winning their match 6:4 and Alex Shapilsky / Simon Ting losing theirs 2:6. A strong performance by Nicholas Hayes in the singles resulted in a 6:1 win and Alex Shapilsky won his singles 6:4. Both Albert Kim and Simon Ting played well, but were outperformed on the day by their opponents.

## Fifth Grade

The two doubles matches were comfortably taken by High with Matthew Rusli / Anthony Huynh winning the first doubles 6:3 and Tam Mai / Edwin Montoya taking the second 6:4. Very strong performances in the singles by Edwin Montoya and Anthony Huynh resulted in impressive wins, 6:1 and 6:2 respectively; however, Matthew Rusli and Tam Mai were outclassed on the day.

## Sixth Grade

The first doubles match was a quick and very comfortable 6:1 win for Tony Cai / Garry Lau and Jordon Phung / William Chan won the second doubles 6:4. High very convincingly took all singles matches with both Jordan Phung and William Chan recording impressive 6:0 wins, Tony Cai not far behind winning 6:1; and Garry Lau taking home a respectable 6:3 win.

# NEW TRAINING VENUES!

## ATHLETICS AND CROSS COUNTRY 2007!

All you medium and long distance runners who want to run GPS Athletics, or train for Cross Country, we have a couple of training options available for you this year. NOTE THE NEW VENUES! It's highly recommended that you do some training now. You'll be fitter and more competitive come GPS, and you'll be more likely to make the GPS team.

Training will be with accomplished coach Sean Williams ([www.sweatsydney.com.au](http://www.sweatsydney.com.au)) who takes a squad of competitive athletes at either McKay or Queens Park. He will give you a program and guide you with your training. I myself have trained with Sean while at school and since and can vouch for his effectiveness.

**Option 1:** For those who are willing to commit to four or five sessions a week, and can run any **one** of these times, come down to squad trainings. The price is \$20 a month. Times are:

Distance	400m	800m	1500m
Boys u18	1:10	2:35	5:10
Boys u14	1:18	2:55	5:50

Monday - Session, meet at 4:30pm at Queens Park (near exercise equipment and toilet block).

Tuesday and Thursday - Session, meet at 6:00pm at Kensington Oval (Cottenham Avenue).

Saturday - Session, meet at 7:00am at Queens Park.

Sunday - Long run, meet at 8:00am near McKay.

**Option 2:** For those who don't want to commit to extended training, but want to do a bit to get some base fitness for the GPS season, come and join the morning sessions at McKay. \$10 a session (discounts apply for multiple sessions), beginning at 6:15am Tuesdays and Thursdays. Along with this you get the Saturday and Sunday sessions above for free.

For either option, just come down to a session and join in, or call Sean or myself for more information. The sooner the better!

**Option 3:** For those who want to do their own thing, there will be programs and guidelines available from Mr Devlin soon. You should try to make one of the above options but if you can't, please pick up a program to guide your training.

## LEVEL ONE STATISTICS COURSE

We are looking for a statistician to join 1st and 2nd grade stats team. See Mr Hayman if keen. The level one statistics course will be held on Saturday 7th April at 1pm. If you are interested in the world of statistics in basketball, then this is the course for you!

Costs are:

- \$20 per person for the time and course notes
- \$5 to join Australian Basketball Statistics Committee (compulsory for ABA >statisticians)
- \$25 for statistics shirt

If you are interested in attending the course, contact Rebecca Reid at [rebecca.reid@nsba.com.au](mailto:rebecca.reid@nsba.com.au)

## YOUR CALL REF!

I have been asked, several times, last week: **When does the clock start after free-throws?** (That is, of course, only in games where the clock stops for every whistle)

- a) When the ball leaves the hand of the shooter on the last free throw?
- b) When the ball touches the ring on the last free-throw?
- c) When the ball touches a player after it touches the ring on the last free-throw?

Art.49.2 says.....When the ball touches or is touched by a player on the court. Therefore those of you who answered c) well done.

During the game the RED team is awarded, correctly because of the alternating arrow, the ball out of bounds. In attempting to pass the ball into play RED 7 steps over the line and a violation is called. **What should be done with the arrow?**

- a) Turn it to the other direction because the RED team have had their turn?
  - b) Leave it in the same direction because the RED team did not have the opportunity to pass the ball in?
  - c) Spin it around and see if you can win on the chocolate wheel?
  - d) Arrow schmarrow, what ever happened to a good old fashioned jump ball?
- One a game is just not enough!

See next week's for answers!

## COACHES WANTED AT NORTHS BBALL

## SYDNEY BOYS HIGH CRICKET

[www.sydneyboyscricket.info](http://www.sydneyboyscricket.info)

The news from the World Cup looks promising for Australia and it really does illustrate the level at which these players have to reach to be a part of that team. From a whitewash by the Kiwis in the One Dayers to the regroup and concentration on doing the basic things right illustrates the commitment needed to be the best. High over the years has produced some talented cricketers and this season we have again recognized this in our ranks, but have we achieved reaching the best we could be, or have we accepted second place?

From the same World Cup Tournament came the sad news of the death of a well respected coach which in sport must remind us that whether we play any game, avidly support our sons in sport, or are avid supporters of our national teams that in the end it is only a game!!

**The result in the 6th XI game brings us back to reality as my nomination as the Team of the Week.** Congratulations to a scratch team that undertook a 2 day fixture at season's end and for the calibre of lads who represented High. They unashamedly admit they're not the top cricketers in the school but enjoy their cricket and to Eugene Stadnik, Farhan Uddin, Ricky Ratnayake, Dominic Bowes, Daniel Campion, Patrick Locke, Hari Bhrugubanda, Lachlan Brown and Matthew Wong (on day 1) take a bow, you have done us proud. **The report herein makes interesting reading**

**Finally another group who deserve our recognition is four Under 14 teams.** On Saturday last they completed a clean sweep of the GPS Under 14 competition. The 14As with a first inngs win, the 14Cs with a 10 wkt win, the 14Ds with a 4 wkt win and the 14Bs in a draw when rain stopped play and the team Captain Krishan Sivayogaryan, claiming a "win" in an urgent email Saturday night under the Duckworth Lewis System. Now there's commitment !!

### AROUND THE GROUNDS

**1stXI(day2) SCOTS 10/226 -defeated- HIGH 10/194**

High at 9/183 on day1, added 11 runs on day 2 before the innings finally closed. Scots then commenced the chase and at 5/180 with 2 new batsmen at the crease, High were still optimistic if it could take another quick wicket that they could pull off a win. At 8/192 we were still in it but some dogged batting saw Scots pass High's score to finish at 226 losing their last 5 wkts for 36 runs.

Tom Castleton 4/20 and Dakshika Gunaratne 3/33 toiled all innings to share the bowling honours.

**2ndXI(day2) SCOTS 10/136 -defeated- HIGH 10/125 & 1/54**

In a tense and tough battle spectators, umpires and players were totally involved in this match as late as the last hour when SCOTS scratched their way past High's total, let off the hook through dropped catches at crucial times. Wicket takers Matthew Coutts 3/42, Varan Perananthan 3/28 and Daniel Simpson 2/25.

**3rdXI(day2) HIGH 8/143 (rain stopped play) -drew with - SCOTS 10/203**

Wicket takers Roshan Karunaratne 3/14, Shiva Seth 3/47, Kieran Taylor 2/35, Sascha Karunaratne and Andy Liu one wicket each. Run scorers Roshan Karaunaratne 65(retd.hurt), Andy Liu (12), Shreyas Iyer (11), Damien Tse (9) and Ryan Sutton (9n.o)

**16A(day2) HIGH 7/119 drew with SCOTS 10/122**

The boys blew it with 3 wkts in hand 5 runs and 5 overs to go and rain on the horizon. Inexplicably fiddling around, the two batsmen at the wicket forgot basic running the between the wickets drills and got drenched through poor decision making at this stage in the game. It detracted from a great fight back the previous batsmen had provided. Run scorers were Avindu Vithanage (52), Hugo Richards (28) and William Lin (8).

**15A(day2) HIGH 8 decl 220 -defeated- SCOTS 10/66 & 10/91 OUTRIGHT**

An amazing day of cricket and not without controversy on the last ball of the day from our roving reporter. High defending their overnight score set about routing Scots in both innings and pulled off a remarkable Outright victory. The destroyer flotilla was led by Brian Kelly 7 wkts, Andy Liu 6 wkts, Kieran Taylor 4 wkts, Sheijl Kumar and Daniel Morgan 1 wkt each

**14A(day2) HIGH 10/205 -defeated- SCOTS 10/200**

An exciting match which demonstrated how a team reacted under pressure when having to bowl extra overs due to meeting their quota with time left to play. The lads dug deep and spent 20 minutes denying Scots the final 5 runs they needed for a win. The wicket takers were Nakul Bhagwat 3/37 (14 overs), Amman Saksema 4/57(26 overs), Saif Haque 2/25(9overs) supported by Henry Sit described as the "flying magician" in taking 2 screamers ( catches). A well deserved win.

## GROUP 2

### 4thXI

**GRAMMAR 7/108-defeated-**

**HIGH 10/107**

Described as an absorbing but ultimately disappointing result for High's surprise packet 4<sup>th</sup> XI. Batting first saw the main run scorers as Lachlan Street (24), Alistair Taylor (18) and Lachlan Deacon (19) reported as the best innings of the day, farming the tail to get the team past 100 and to give himself something to bowl at in his farewell game. The wicket takers on the day were Alistair Taylor 3/25 and Tom Lindeback and Lachlan Deacon.

### 6thXI (day2)

**HIGH 10/78 & 10/133**

**Tied with**

**GRAMMAR 10/141 & 8/70**

Sportsmanship came to the fore in this fixture played in the "spirit of cricket" with the scores tied with 3 balls left in the match and the opposing captain declaring the tie was the best result for the match. Grammar's 5/123 overnight were to be all out for 141 through Patrick Locke's bowling effort. Some enterprising batting from Daniel Campion and Ricky Rathanake in High's 2nd Innings saw a reversal of results from day 1 and a remarkable bowling effort from Dominic Bowes, Eugene Stadnik, Farhan Uddin and Hari Bhrugubanda created the atmosphere that provided a fitting finish.

### 15B

**GRAMMAR 8/252 -defeated-**

**HIGH 8/151**

Grammar won the toss and batted first and reached its total with sustained aggressive batting. However, High's bowlers stuck to the task of dismissing batsmen regularly with Angud Chawla, Jimari Bastable and Rayan each taking 2 wkts and Ben Encel and Tim Molloy taking 1 wkt each. In reply High run scorers were Ben Encel (51), Rafat Kamal (14), David Ma (13), Angud Chawla (10) and Liam Aylmer (10)

### 14B

**HIGH 9/101**

**-drew with-**

**GRAMMAR 4/33 (rain stopped play)**

On a field where 100 would have been a winning score due to the length of the grass High lost an early wkt before steadying through Samir Kinger (37) and David Chan (9) to be 1/35 at drinks. With a target of 100 in their minds the team lost wkts on a regular basis in chasing the target but achieved their goal. Other contributions were made by Abdullah Sarker, Hashan Subasinghe, Nathan Kok and Krishan Sivayogarayan a shaky start with the loss of quick wkts. The wicket takers for High were Hashan Subasinghe 3/8 (4 overs) and Shanaz Razeen 1/4 (4overs) before rain stopped play.

### 14C

**HIGH 0/43**

**-defeated-**

**GRAMMAR 10/40**

Grammar won the toss and batted and were soon in trouble and at drinks at 5/23 team members who were not regular bowlers, were offered overs which continued the loss of wkts to have Grammar all out for 40. Iftiar Khan 2/4 (4 overs) Leo Lu 1/1(4), Dominic Cheung 1/4(3) and Isaac Everleigh, Vincent Wang, Richard Li, William Shao and Vito Anandaselvakumar all taking one wkt each did the damage. Richard Li and Dominic Cheung created a 30 run opening partnership retiring so Iftiar and Vito could score the winning runs.

### 14D

**HIGH 6/96**

**-defeated-**

**SHORE 8/75**

Run scorers were Kevin Krahe (26 ret'd), Saqib Bhuiyan (8), Tristan Xu (8), Jonson Wang (6), Vivian Lee (4), Rahib Azwad (4) and S. Undries (34). Wicket takers were Tristan Xu 3/3 (3overs), Dhruv Gupta (from 13s) 2/9 (3overs) and one wkt each to Rahib Azwad and Yasar Chowdhury. For the record, High scored 62 and Shore 60 off the bat.

### 13A

**GRAMMAR**

**-defeated-**

**HIGH**

Scorebook not available for run scorers and wicket takers

### 13B

**GRAMMAR 5/231 -defeated-**

**HIGH 10/70**

Run scorers Wilson Lin (12n.o), Dhruv Sabharwal (10), Minwoo Yim (9), Emitiazul Hoque (8) and Zafar Chowdhury (6). Wicket takers were Michael Pham 2/20 and one wkt each to Emitiazul Hoque, Dhruv Sabharwal and Benjamin Lee

### 13C

**GRAMMAR 4/86**

**-defeated-**

**HIGH 10/83**

Run scorers were Brian Lam (13), Kevin Krahe (11 ret'd), Wade Yang (10n.o), Vincent Chen (5n.o) and Harry Heo (3). Wicket takers Jeremy Yao, Vincent Chen and Peter Wu took one wkt each.

## APPRECIATION OF SUPPORT

As the season has now concluded I would like to acknowledge the small band of coaches, managers and parents who have supported our teams this season. To the parents of 1st and 2nd XI players our sincere thanks for your lunches and afternoon teas, to the scorers for those teams our thanks also. To the parents who scored for our 14, 15 and 16 year age group teams your efforts have added valuable statistics for future appraisal. I would also like to thank the 3 Masters who have taken teams and the ex – student coaches for their commitment. Also to our young captains, vice captains, scorers and players who contributed to the running of their teams, well done to all. Finally to the Head Teacher Sport, Richard Ayre for his input, time and support throughout the season and for sharing the load on Saturdays, my sincere thanks
