

From the Principal

Welcome Back

Term 3 is always very busy and students need to be really well organised to accommodate the demands of study, examinations and sports season changes. Staff changes for this term are:

In Social Science, Ms Brewer has been replaced by Mr Moody for this term but she will continue to run GPS debating; in Science, Ms Damianos joins us, replacing Ian Cox and Ms Karagiannis moves to the part time position; in Sport, Ms Meaney has been appointed as Administrative MIC for Rifle Shooting, with responsibility for purchasing, licensing, student recruitment and promotion, liaison with SHSRC Inc and the P & C Rifle Committee.

High Talent

Our Junior A and B, Intermediate A and senior Chess teams have been successful and reached the Regional finals. Well done to Alexander Feldman and

his boys. Congratulations to Zid Mancenido and Edwin Montoya-Zorilla (Year 11) for their effort as runners-up in the UNYA-NSW competition. They have qualified for the national final in Adelaide held in December.

Sir Roden Cutler Charities – Wheelchair Roll

Our Year 11 boys were very effective fundraisers in support of Sir Roden Cutler Charities. They gave of their time in various ways but predominantly as collectors during two sessions – morning peak and lunch time. They collected some \$8.4k on the day and, combined with their mufti day proceeds, have made a sizeable contribution to the charity.

Chinese Consul Visit 28/6

The Chinese Cultural Consul, Mrs Zhao Li and the Education Consul visited our school at the end of last term accompanied by parents Simon Chan and

Lucy Chen. The Librarian, Ms Crothers, was presented with over 70 items as a gift from the Consulate – books, DVDs and CDs. The generous donation will hugely enrich our resources for the study of Chinese, and will provide new perspective for students of history, geography and visual arts.

CHS Volleyball Knockout – Three in a Row

The Open Volleyball team scored a straight sets win over last year's finalists Great Lakes College to increase High's CHS knockout record to three in a row. Coach Michael Kay had his team working out with Jason Tassell to give them the spring and the stamina to dominate the opposition. Good preparation was aligned with strong team discipline and adroit coaching to secure the victory. Congratulations to all the boys on a fine display of sustained team work.

Digital Projection and Sound Rollout

I have authorised another six rooms to be fitted with digital projectors in cages and sound systems at an approximate cost of \$3k per room. This semester we are targeting Departments with high levels of readiness to implement 'blended delivery'.

Wireless Connection Rollout

Two terminals have been installed in the library and one in 605. Our intention is to broaden outlets to

widely increase remote connectivity. In conjunction with our twenty laptop mobile trolley, we intend to connect rooms on the same level as the library – 402, 403, 404. Teachers can then borrow the trolley from the library for students to use the laptops in classrooms. We plan to supply a trolley for use in McDonald Wing as the next priority.

Panel Training Opportunities

We need as many parents as possible to be trained as panel members for the recruitment process of local selection. It is quite usual for us to need five or more panels per year for various employment selection purposes. If

you are interested in being included in our pool of trained parent panel members, there are two training opportunities coming up on August 21 and September 4. Please contact Mr John Beringer for details.

Monthly Giving Program – Update

There are now 40 of us making monthly contributions to the SBHS Building Fund. Donors are giving from \$10 to \$50 per month. This month's total was \$1200. Over time,

I am confident that the monthly giving program will make a significant contribution to the new library project. Thank you all sincerely. All donors should have received a statement of total donations and a receipt with the SBHS Building Fund ABN included for tax purposes. If anyone was a monthly donor in the period July 1, 2006 to June 30, 2007 and did not receive a letter, please contact Ms White in the school office.

United Nations Youth Association The Perez De Cuellar Shield-

We're off to the national finals in Adelaide!

On 27 June, four senior boys headed over to Parliament House to compete in the state round of the Perez De Cuellar competition.

This annual competition simulates the format of the real UN Security Council in New York, but puts it inside a mock environment. Fifteen pairs of students, each representing a country, were selected from preliminary rounds a month earlier to discuss global issues while competing for the Perez De Cuellar shield.

Ishan Nadkarni, Nicholas Lochner, Zid Mancenido and Edwin Montoya represented South Africa and Ghana respectively, having passed these preliminary rounds.

The day was lengthened by formal procedure, but the focus was primarily on intense diplomacy and discussion. As the evening progressed and debate drew to a close, a presentation ceremony was held and the two winnings teams were announced.

Among commendation and applause, Edwin and Zid were announced as the runners-up. This pair, alongside the winning team from Wollongong, will travel to Adelaide in December to compete for the national prize, the Evatt Trophy.

This competition is one of many offshoots of Sydney High's vivid and successful debating program run throughout the year, consisting of regular coaching and subsidies for individual events.

Edwin Montoya- Year 11

There are numerous model United Nations assembly opportunities that boys from the senior years can participate in each year- keep an eye out for these opportunities in High Notes and see Miss Brewer if you are interested.

Volleyball

High wins 2007 NSW CHS Volleyball Knockout

First Grade went through the first 7 rounds of the CHS knockout without dropping a set to meet Baulkam Highs HS in the semi-final. In the early stages, the match appeared an even contest but with 2 strong blocks in succession by Dinghua, the experienced Baulko team began to lose momentum. Weiping, Warren and Ping's quick hitting through the middle had Baulko's defence on the back foot. Strong serving by Victor, Terry and Oli gave us many easy points and the match went to High in 3 sets.

The final was against Great Lakes Secondary College and High started badly with very poor serving stats. Great Lakes moved out to a comfortable lead but the High boys dug in to pull their game back into shape. High knew the Great Lakes setter would attack on the second ball and had drilled defensive patterns to counter this strategy. The inability to score from this play frustrated GLSC and allowed High to increase the number of attacking opportunities.

The Great Lakes "game plan" was to limit the number of hits being made by Terry and Oli by using aggressive serving and quick middle attacks but the excellent ground cover by libero Stephen Dong and back court players Jamie and David foiled this strategy. High snatched the first set from an unlikely position.

In the second and third set High put together a barrage of hitting combinations that Great Lakes had no answer for. One of the highlights was a 3 hitter combo finished off by Victor that not even team doctor Yang Sim saw coming.

The first grade volleyball team consists of Alex Le, Victor Nguyen, Ping Du, Terry Ly, Warren Trac, Weiping Lu, David Dizon, Jamie Tao, Ding Xiao, Oliver Konakoff and Ritam Mitra.

The win gives High its 3rd consecutive NSW CHS KO title. The shield will live in the trophy cabinet outside Mr Beringer's office for another year.
