

From the Principal Boggabilla Cultural Exchange

It was a privilege to be able to visit Boggabilla Central School and to share some of the experiences of the boys from High who made the trip. Aunty Dawn, a Kamillaroi tribal elder, made an eloquent welcome to country speech, thanking us for our interest in their community and hoping that multiculturalism would be promoted by the visit. I was gratified to witness the progress that has been made on the fitting out of the original school building as a community centre for aboriginal elders and leaders to gather to promote their traditional language and culture. I was very pleased to be able to offer Ms Denise Burke, Principal of Boggabilla central School, a cheque for \$2700, being the proceeds of this year's fund raising. Year 9 has the refurbishment of the 'Pink Room' as they call it as the primary goal of its charitable fund raising. The project is moving ahead well and I urge Year 8 boys going into Year 9 in 2008 to recognise how much good their future fundraising can do.

We shared an art lesson where our boys tried their hands as artists in the traditional style, representing people, animals and country with symbols. Several members of the local community cooked us 'johnny cakes' on an open fire. They were a hit with butter and Bundaberg Golden Syrup. The countryside was too wet to travel over so the camping site for Tuesday night had to be changed to a local spot on a bend in the Macintyre River known as 'Bondi' because of its 50 metres of sandy beach. The visit was most enjoyable and High is helping to make a difference in a community with every possible disadvantage to educational and personal growth.

LEARN TO ROW

A successful Learn to Row program has been running out of "The Sheds" on Sunday mornings since the beginning of 2007. Now

supported by several community colleges, participant numbers have jumped. Volunteer coaches are desperately needed to accommodate this rise in participants. The coaching session goes from 7:00 till 9:00 Sunday mornings for a period of six weeks with the most recent course having started on Sunday, August 12. Volunteer coaches will row/cox as part of the crew they are coaching. So if you think you could get back into a boat and row three to four slow kilometres as well as putting something back into the school please contact Ross Bowey on 0428 519 705 or rossbowey@optusnet.com.au as soon as possible.

Field Work in the Hunter Valley

Part of the work of HSC Geography is the need to carry out a range of fieldwork activities to reinforce and extend the work in the classroom. Last week students had the opportunity of examining the work of the Hunter Resort in Pokolbin as part of the "People and Economic Activity" unit. The aim is to study a local enterprise with global connections

and the wine industry is an obvious choice. We've established a good rapport with Hunter Resort and as a result get to go behind the scenes. Starting with a study of the vineyard, we went through the wine making process and finished with a lecture on the global wine industry. This last part was filmed and it will form part of the developing online education resources for the course. Overall, a great day with excellent weather and valuable learning material.

DID YOU KNOW?

Did you know that four old boys of Sydney High have been parliamentary leaders of political parties? **Earle Page** (1895) was leader of the Australian Country Party (now the National Party) in the Commonwealth Parliament, 1920-1939; **John Willcock** (1890) was leader of the Australian Labor Party in Western Australia, 1936-1945; **Jonathan Issacs** (1967) was leader of the Australian Labor Party in the Northern Territory, 1977-1981; and **John Mason** (1945) was leader of the Liberal Party in NSW, 1978-1981. Only two of them became heads of government. **Earle Page** became Prime Minister of Australia for 19 days in April 1939; and **John Willcock** was Premier of Western Australia for the whole period of his leadership.

Volleyball – Another Winning Season!

we have had (they didn't drop a set all season) but the

Volleyball at High has reached another record with both Firsts and Seconds recorded as having won their GPS divisions – Firsts and Champions and Seconds as Premiers. The Firsts are

considered one of the best teams

seconds have often lived in their shadow. This win for the Seconds is especially pleasing as it gives confidence to the players many of whom are showing great promise for the future. They succeeded against some very good competition (only losing one match). As each year passes the competition is that little bit better which means we will need to continue to develop our squads. The full results are (for both rounds):

First V:

Scots	25-11	25-10	25-18
Newington	25-17	25-12	25-13

Volleyball also aims to develop the junior squads. To this end we hosted a Junior Tournament last Saturday in which teams from Baulkham Hills High School, Great Lakes and Nowra came to join us. In a packed often noisy gym we ran two divisions – Year 9 and Years 7/8. Competition was strong in many areas and it wasn't until the final result of the final game that it was possible to declare a winner. In the Year 9 division the results were:

1. Baulkham Hills High School
2. High A
3. High B

The Year 7/8 division was very close – teams were tied until the very last game. After an exciting day's play the final winners were:

1. Great Lakes
2. Baulkham Hills
3. Nowra

Well done to all our players who were excellent sports as well as great ambassadors for the school.

Athletics Report 18 August 07

The first carnival of the season proved to be quite a good sign for the future of High athletics. With many athletes out due to the senior rugby brunch or HSC trials, the responsibility of representing the school was left to the juniors. Excellent depth was shown in the

13s and 14s age groups. In the 100m, the 13s ran an extra race composed of purely High runners (the first time I've ever seen us outnumber St Ignatius), and the 14s matched Iggies in numbers. The 15s age group let us down in regards to numbers, with only four 100m runners and a sole 200m runner. The 16s also struggled with numbers, however, I am sure this will improve in weeks to come. Good results in the 100m came from Tian Ling (12.89), Slava Reiyder (12.80), Michael Phung (12.32, 3rd in Championship, 25.97 in 200m), Leon Li (12.82), Michael Wong (12.76), Shadman Ali (12.06 3rd in Championship but still got smoked), Josh Tassell (11.53, 2nd in Championship, 23.73 in 200m, 3rd in Championship) and Joel Livingston (12.03). Harrison Lane also performed well in 1500m and 3000m, running 4:40 and winning the 15s 1500m, while coming second in the Opens 3km in a

time of 10:03. All athletes are reminded that they need to go to Mr. Devlin after their events so they can get their times/distances (and if possible, positions) marked down so we know you've attended. Also Mr Devlin needs parents to help out at the Convenors Carnival on 1 September. Please ring him on 0403829344 if you can help. Thanks to staff, parents and Year 11s for their help with the running of the SBHS/Grammar carnival. Keep training boys, and anything is possible.

SYDNEY BOYS HIGH CRICKET

www.sydneyboyscricket.info

Last season our 14C and 14D teams achieved a "winning attitude and culture" and the teams became the ones that everyone wanted to be part of for obvious reasons. It was great to see the team spirit and the pride openly displayed by the High cricketers. At the same time we had our new Year 7 teams (13A, 13B and 13C) who did not win a match but what impressed me was the commitment and the great effort all of the boys put in and achieving huge improvements by the end of the season. These boys are the future of High Cricket and need the support and encouragement that they have earned and I am hopeful that we achieve this not only through coaching, but having parents see just how much their sons have improved. As testament to this group on each Saturday where some were not allocated teams and were in a "rotation group" the boys were turning up at venues "in case" someone did not attend. Now that's commitment!!! Well done to all of these lads and we look forward to helping them go further this season.

Now some dates for your diaries.
