

## From the Principal

### High Talent

Well done to Alvin Leung and the SRC bus committee for securing the agreement of Sydney Buses to run a 0730, 610 service from Central on school day mornings. I trust this bus will be packed with High boys each day. Congratulations to Zid Mancenido who was runner up in the Trinity Oratory Competition. Congratulations to Leo Lou (Year 9) for his second place in the What Matters? writing competition. Muhamed Mehmedbasic (Year 12) performed 'stunningly' in the finals of the Kuringai Philharmonic Orchestra Competition last Saturday.

### End of Term

I would like to thank all staff, parents, students and friends of High for their support during the busiest term of the year. There were many notable accomplishments during the term and a very long list of school sponsored or organised activities. None of these worthwhile events could happen without a lot of hard work. It is always inspiring to me as your Principal to experience the enthusiasm and commitment demonstrated by those people who so untiringly support our boys in their endeavours.

### The Phillip Day Memorial Scholarship 2009

Applications are invited from students in all Years 7-11 for the inaugural Phillip Day Memorial Scholarship. The Scholarship has published criteria and an application form. Prospective applicants should read the criteria and decide if they wish to download the application form and apply. Applications must close on **July 31**. The value of the Scholarship for 2009 will be \$1200. The panel making the decision is expected to need a considerable lead time. The Scholarship winner may not be announced until February 2009 when all prospective enrolments have been finalised and students have officially enrolled in the school. All current students who feel they meet the criteria are invited

to apply. Visit the school website [www.sydneyboyshigh.com/scholarship](http://www.sydneyboyshigh.com/scholarship).

### 125<sup>th</sup> Anniversary Cabaret

This is the major celebration event of 2008. Working with a Joint Committee, SBHS and SGHS have organised an Anniversary Cabaret for November, 21, 2008. We invite you to come along to share in the festivities at Randwick Racecourse, the Shannon Room of the AJC Function Centre. As advertised in High Notes and the High Flyer, we see this event as a great opportunity for the two schools to recognise the wonderful heritage of public education established by SBHS and SGHS. Be wined, dined and entertained, 7-12 pm. High supporters from all walks of life will be there. Why not make up a table with your P & C Committee or Year Group? Let us celebrate a very significant milestone in public secondary education in style. Our in school contact is Ms Louise Gaul, 93616910.

### Assembly Policy

The Executive has endorsed a change of policy in respect to assemblies. The default position will be that the MICs of sports and co-curricular activities will introduce teams at school assemblies. If the captains of teams have submitted their speeches 48 hours before the assembly; and had them read and approved by the Principal; and have filled in the assembly speakers liability form; and have guaranteed to read only the speech as edited and approved by the Principal, then the MIC of the activity may relinquish their place at assembly in favour of the qualifying captain.

### School Prefect Internships

The Executive has decided to amend the policy in respect of the Prefect System at High. The Electoral College will be retained but the Year 10 component will have a calculated vote with a weighting of less than one per student. At the conclusion of

the nominating and voting process, students elected as School Prefects will serve an internship. The internship will commence officially when the Prefects Elect are issued with their temporary badges in October. In June of 2009, there will be a confirmation assembly to reward those internees who have served the school according to the precepts of the Prefects Oath. The successful Prefects will sign the Prefects Register, have their picture taken and be issued with a commemorative Prefects badge which is theirs to keep. Henceforth, the office of School Prefect at High will not be considered as a sinecure for those with previous service to the School but as an accountable office with roles and responsibilities and benchmarks to be met. Prefects Elect who do not measure up to the standards set will simply not be formally inducted in June at the assembly.

### **Workplace Giving**

In response to a request by a parent, I have set up a 'workplace giving' facility on the school's website. The path is [www.sydneyboyshigh.com](http://www.sydneyboyshigh.com) / donations / workplace giving. In essence, the concept is that by mutual agreement in the workplace, workers may make specific, periodic donations by the salary sacrifice method, to a designated gift recipient. They use pre-tax dollars to make the gift and do not require a receipt, nor do they make a claim for a tax deduction. Sydney Boys High has four funds with that status as well as the Australian Sports Foundation donation scheme. Employers have responsibilities under the scheme to deduct fortnightly or monthly amounts from employees' salaries and to adjust Group certificates accordingly at the end of the financial year to reflect the quantum of the annual gift.

## English

Congratulations to the 40 Year 12 students who participated in the excursion to Harlos Productions 'King Lear' at the New Theatre on Saturday. These students proved

that it is possible to be sufficiently organised during assessment weeks to be able to include time for an afternoon's close study of a core text which will enhance their understanding of course requirements and improve their results in this part of the Advanced course. It was an engaging and entertaining performance. After the play, the director, David Ritchie made himself available for an extended question time. Ms Ayre, Ms Barry and Ms Eggleton were gratified by the enthusiasm of our students and by the quality of questions which reflected insight and understanding. They certainly provoked the director into detailed analysis of his production which is exactly what we wanted. Great work, boys! It was a worthwhile experience for all of us.

## TO ALL MY FRIENDS AT HIGH

My sincere thanks to all who attended my farewell gathering held in the beautiful courtyard at High. It was one of the most memorable days I have experienced and one I will always treasure.

As the afternoon unfolded I could see just how much time and effort had gone into its planning. The flowers and gifts so carefully chosen, students with music for my pleasure (a treat I will always remember) and a circle of beautiful people with whom I shared my afternoon. It was special just as you too, dear friends, will always be – a beautiful memory.

Many thanks to everyone involved in organising my wonderful afternoon.

Love always  
Robyn Meakin

### Did you know?

Did you know that **Nye Perram** (1986), whose appointment to the Federal Court of Australia was announced last week, is the youngest person to be appointed to the Federal Court?

122 judges have been appointed to the Federal Court in the 30 years since its foundation in 1977. Seven percent of them attended Sydney High. The first old boy to be appointed was **John Gallop** (1947) who served 1978-2000.

## Hard Hit outs at the Hill

Travelling up to the hill to play St Joseph's College is a great experience for any Rugby player. The privileged High teams were greeted with the best opposition a school can offer, and faced some challenging games, yet being gallant in defeat or victory. Solid games were played by the 2<sup>nd</sup> XV and the 16Bs, with the juniors showing great improvement all the time. Parents of both schools were impressed with the conduct on the day.

The 2<sup>nd</sup> XV matched it with the Joeys 6<sup>th</sup> grade in all aspects of the game, and often bettered them in the backs. The 16s and 15s showed great determination against brutal Joeys outfits. The 1sts were simply out matched in every facet, but held their heads high, despite a tough game. The 13As played a respectable loss against a more experienced Joey's team.

Firsts Fullback, Michael Denny Smith muscles up

**Team of the Week:** 16As- Did the school proud playing against a freakishly talented Joeys side

**Player of the Week:** Calum Martin 2<sup>nd</sup>/1<sup>st</sup> XV - ran riot in the 2<sup>nd</sup> XV, and made crucial tackles in the 1sts

**Coach of the Week:** Serdar Bolen 15s- Challenging the 15As by playing them against Joeys As for the first time.

**Supporter of the Week:** Jonah Petrie

**1st XV (Opens) Report:** The boys ran into the match undeterred, eager to chance themselves against the best opposition. The boys played with courage and heart and to the final whistle but the Joeys boys out muscled us, outpaced us, out skilled us and were a great side to play, gracious and modest in victory. Our best players were Michael Denny-Smith, Ben Palau in his fearless runs and Matt Ling, a true brother who came just because he could not let his team-mates down despite being faced with the death of a family member only hours prior.

**Rugby Reunion Dinner:** The 2008 Rugby Reunion (the High Rugby Big Night Out) is on Saturday 2 August in the Great Hall, after our home game against Kings. For tickets and more information go

to [www.highrugbyfriends.com](http://www.highrugbyfriends.com) or email [secretary@highrugbyfriends.com](mailto:secretary@highrugbyfriends.com)

**Robert Chen:** Robert Chen has recently resumed work in the Gym despite a shoulder injury sustained against Grammar and a corked thigh against Joeys. Robert is looking forward to increasing his bench press, Squat and deadlift in order to improve his game. He is also sprinting under twelve seconds. Robert trains hard and plays hard. More juniors should aim to be like Robert.

#### Age Group Reports

**2<sup>nd</sup> XV (Opens):** The 2nd XV started positively against Joeys and it wasn't long till barnstorming front rower Timothy Li barged over to level the score at 5-5 early in the first half. High looked destined to open the floodgates but things didn't click, as Joeys scored a couple of lucky tries to secure a hard earned 22-5 win.

**16s:** The 16Bs played a well structured game placing the Joeys team under constant pressure. Big tackles and innovative play led to a very tight and exciting game. The mighty Bs went down fighting 10-7. Outstanding performances by Daniel Morgan and Justin Hajj were noted.

**15As:** Within the first five minutes Joeys had scored three tries. We all realised that the match would be a lot harder than we had anticipated. At the half it was 38-0. Through the second half Joeys continued to dominate in all aspects of play. Potential tries were stopped due to fantastic hits by Leon Li, as well as strong runs by Frank Li and a solid first game for our new halfback Shimon Danziger, who was quick to every ruck. With five minutes to go it was 76-0, however, the boys kept their heads up and fought hard right till the final whistle. We will continue to train throughout the next few weeks and hope that the result of our next game is much more promising.

High wins a lineout.

**14s:** No match reports submitted. Reports to be submitted to [sbhsrugby@hotmail.com](mailto:sbhsrugby@hotmail.com) after each game.

**13s:** The 13As had a decent game, but were beaten by a much better drilled St Josephs team. Julian was a tackling powerhouse and Max was also great defensively. The highlight of the game was probably Edward scoring an almost full field try.

Earn \$1000\* during the school holidays!

The Sydney Theatre Company and Sydney Morning Herald are offering you the chance to win big bucks and kudos for your literary genius. All you need to do is write a one act play and submit it in this year's STC/SMH Young Playwright's Award competition.

Two winning scripts – one from the Senior (11 & 12) and Junior (7-10) divisions – will be read in a staged reading following an intensive two day workshop. The workshop will be conducted by a team of Australia's leading theatre directors, dramaturges and writers.

Turn your writing talents to the theatre and get yourself in the running for this unique competition. If you have ever even *considered* writing a script for the stage, this is your chance to give it a go and have your work read by professionals – and hopefully rewarded! Don't miss this amazing once-in-a-youth time opportunity.

Deadline for applications in Friday August 8<sup>th</sup>. For entry form and writing advice, see Ms Jassy in the English staffroom.

\*Financial reward subject to your ability to win the young Playwright's Award.
