

## From the Principal High Talent

Congratulations to Mark Lucchitti (Year 12) who came first in Italian Preliminary (2008) at the Open High School. At the Australian Chess Championships (Open), Ben Encel (Year 11) ranked equal 22nd in the Open section. Dawen Shi ranked 3rd in the Under 16 section – two very good results against all comers in adult competition.

## Chinese New Year

All boys should have brought home the flyer advertising Chinese New Year celebrations at High. When? Saturday, February 21. Time? 6:30 pm. Last year's inaugural event was very popular but people delayed booking and paying and in the end some people had to be turned away because the Hall was fully booked. Great food and entertainment are assured. Prices are good value at \$35 for adults and high school students and \$20 for primary kids.

## Senior Library Opening

Even though the new senior library space will not be completed, we will be opening the area for the use of High Senior School boys as from Monday, February 9. All those using the Library will be under the supervision of the Librarian, Mrs Morscheck, or the teachers assigned to cover her lunch breaks (Mr Carson and Mr Hannon), and will need to comply with the acceptable usage requirements that she has drafted. We want you reading, writing and researching in this space. Troikas and study teams have produced great results in geography and legal studies particularly in recent HSC results, demonstrating the value of cooperative learning for seniors. Time on academic tasks translates into higher UAI's.

## Uncollected Reports

Regrettably, I am still holding a large number of uncollected reports. It is your responsibility to complete your Clearance Form, come and see me and discuss your progress. Negative consequences will follow in week three if you haven't shown your care

enough about your learning to collect your report from last year to take home to your parents.

## School Contributions – Early Bird Discount

A reminder to parents that if you pay the total invoice for 2009 by February 27, you get an automatic 10% discount off the school contribution component, saving \$74. We encourage you to pay early so we can spend the money on goods and services to benefit your son for as much of the year as possible.

## School Uniform

Our expectation is that boys in Years 7 and 8 should be wearing blue school shirts with the High logo on them.

For the senior School, boys in Years 10 and 11 should be wearing school shirts with logos. I urge you to buy approved uniform from the High Store for two reasons. First, it has the only patented logo shirts. Second, your money helps the school. Please do not try to copy the logo onto shirts purchased elsewhere. Unfortunately I had to write to a couple of parents last year warning them that to copy a logo which was patented was an illegal act.

## Literacy Standards Decline Among the Gifted

Students seem rarely interested in the subtleties and nuances of our language, due in part it seems to government policy that stresses literacy as effective communication for vocational purposes. Many high achieving students have underdeveloped literacy skills. In the highest band of the PISA student percentages in Australia at the highest level have slipped from 17.6% (2000) to 8.6% (2006). In highly successful PISA countries like Finland, teacher training, pedagogical freedom and explicit teaching of literacy skills work well in combination. I urge all teachers and students to evaluate their personal attitudes towards literacy and focus on raising their expectations as 'literate' persons. The higher band achievers in the HSC have worked hard to develop and refine their literacy skills.

## Weights Training and Monday Sprints

All boys desirous of competing in A teams in winter sports should be signed up for weights training. For 2009, the charges remain unchanged at \$50 per term or \$150 for the year. For boys who are serious and train hard this cost per session is minimal over a year. For the third training session each week to be recorded in logbooks, many boys need to participate in Monday afternoon sprint training. These sessions are free and valuable for technique work and sharpening speed. All athletics boys should be doing this training as well as cricketers, sailors, water polo players, tennis players, basketballers (3 to 8) and rowers. Get involved and get fit to play!

## January Parking

Thank you so much to all staff, parents and students who gave up time during the long vacation to help raise money for school activities. The weather was hot but the number of sporting events was high. Serdar organised the big test match days really well. Volunteers used ice from our machine to keep cool. More than \$22k has been credited to co-curricular accounts so far. Well done to all concerned. If you are in a co-curricular activity have you done a parking day?

Dr KA Jaggar

## Year 12 Parents

### Surviving the HSC seminar

The P&C is organising a seminar for Year 12 parents on stress and the HSC. The guest speaker, Jane Sleeman is an experienced psychologist and school counsellor.

Jane gives lots of good advice and practical tips such as how to:

- handle stress (both you and your son's stress!)
- understand the HSC & other issues facing Year 12 students
- support and encourage your son
- how to avoid nagging!

Jane allows lots of time for answering questions and talking to people afterwards.

Many of last year's Year 12 parents found this seminar very helpful.

The Seminar is on Wednesday 25 February in the Great Hall. It starts with drinks and plenty of finger food

(including Halal & vegetarian) at 6:15pm, with the presentation beginning at 7pm sharp.

The seminar costs \$10.00 payable at the door.

Please RSVP: [sbhs2009@gmail.com](mailto:sbhs2009@gmail.com) or Toni Lindeback 0403 923 359

## FROM THE LIBRARY

### Do we have any current parents who work at Telstra?

Not last year but for the three previous year Sydney Boys High Library has successfully applied for Telstra Grants of approx \$1200 to finance small programs like our newspaper table or our Literacy Circles Books.

This does relieve stress on my budget and allows in depth library purchases in other areas.

If you are a Telstra Parent and could vouch for our grant application please contact Veronica Crothers at the Library. 9361 6970 or

## Chinese New Year Interview

**High Notes:** The Chinese New Year function last year was a fantastic sold out event. What are you planning this year?

**Charles Ovadia:** It is actually fortunate that Chinese New Year coincides with the start of the school year. It helps start the year on a positive, colourful and prosperous note. This year there will be competition pole lion dancing which is bigger than last year, music, recitations, games, raffles, auctions (bring your money!) and wonderful food better organised than last year.

It is a great show that is heavily dependent on the generosity of all the performers and providers. If we had to pay the full price for all of it the tickets would be \$70.

**High Notes :** If the tickets barely cover the costs, then how do you cope?

**C.O:** Our raffle and auction prizes are fantastic and as evidence of the support we have our major item is a chance to sail with the Principal, Dr Jaggar, one afternoon for 4-6 people. Some people may not know that he sailed around Australia, and he said he will make it as exciting or as sedate as the winners would like.

Also, we have hotel accommodation, dinners, food vouchers, movie tickets, bags, white water rafting and jewellery, many donated by parents at the school.

**High Notes :** How much are the tickets?

**C.O:** The tickets are in fact \$35/\$20 with all food and soft drinks provided but BYO alcohol. All the boys will have been given a red flyer with the information to take home.

**High Notes:** How has all this been organized?

**C.O:** The evening and its organization are great examples of the cooperation and goodwill that exists at the school from the top down: the Principal, as I said, the parents committee and P&C, the Music Department, the Chinese Language Department, The Visual Arts Department, the Prefects and students who help and the parents who donate generously.

**High Notes:** A final message?

**C.O:** Please come. Book early.

## ***Instrumental Recruitment Night***

The instrumental recruitment night was held last Monday evening with a great turnout. All Year 7 students are encouraged to learn an instrument which enables them to join the various music ensembles available at High. If you were unable to attend, please speak to the Music Staff for more information about choice of instruments available and the performance program.

## ***Music Tour 2010 to France***

The Music Performance Department and Music Supporters Group is planning a Music Tour to France in 2010. The tour will be held in the holidays between terms 1 and 2 next year to coincide with ANZAC Day. The Marching Band will be performing at ceremonies in the Somme and we are looking to take an orchestra and stage band. There are also performances scheduled in some of the most beautiful venues in the heart of Paris. We envisage that all marching band members and string players will participate in this wonderful tour.

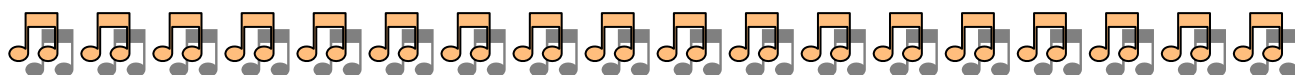

The information evening was held last Monday in the Hall but if you were unable to make it to the meeting, please speak to the Music Staff for further information. **Expressions of Interest Forms are available outside the Music Staffroom and need to be completed and returned to the Music Staff by Wednesday 11 February** as final numbers need to be given to the organisers.

## ***Music Supporters Group (MSG) Meeting***

Our first MSG meeting for 2009 will be held on **Monday 2 March at 6:30pm in the Staff Common room**. We would like to especially invite all new Year 7 parents to attend the meeting.

The SBHS Music Supporters Group assists the Music Department with financial and practical support to help enable them to offer this program. The group also assists in organising the showcase concerts throughout the year, including the Cabaret Night – an evening of Jazz and dancing and the Annual Music Camp. We also provide barbeques for the boys at some music events through the year.

Being a SBHS Music Supporter does not require a huge commitment of your time. The group meets prior to musical events, usually on a Monday evening in the Staff Common Room. Discussion is usually focused on instrumental requirements, fundraising and planning for upcoming performance events. You may have experience or contacts to help our fundraising for the music program or you may just like to attend to learn more about your son's performance music experience at SBHS. As a supporter you may volunteer your time once or twice during the year to assist with our fundraising parking, help on a barbeques or assist at a performance event.

## BASKETBALL'S BACK: TIME TO GET RID OF THE RUST!

The first half of the season was remarkable; ending last year with an awesome Coaches vs Students basketball game. The 16s game, which the As and Bs played the first half and I along with some other Cs, Ds and Es players, allowed us to watch the great coaches, who we are fortunate to have at High, showcase their skills, winning 53-39. The 16s had incredible 3 pointer shooting accuracy in the game, as 5 out of 7 3s found their way in. But after a 6 week break, it's evident for some teams that we can clearly do better. Hopefully the 2009 half of the season will be even better than the first half. The 15s (apart from Bs due to absentees) and Opens are already on a roll. **Regardless, start practising now when there is no exam pressure and clear off that rust!** We can dominate for the rest of this season! Especially with some squad modifications:

Congratulations to **Emmett Naar** and **Daniel Jones** on their selections in the first grade side!  
 Congratulations to **Craig Moller** and **Chris Morrow (now dunking a lot!!!)** for their selection in the second grade side!

1sts were unlucky and did not make the finals as they were placed in the same pool as Newington's 1sts, who are at the top of the table in this season's regular competition. But High's 2nds were way too good in their pool and made it into the final against Iggy's (also top in the regular 2nds competition). Unfortunately 2<sup>nd</sup> Grade narrowly missed out on taking the top honours, losing 21 to 29 in the final. Nevertheless they must be congratulated for their outstanding performance throughout the tournament and for winning the Newington Classic!

## **SYDNEY BOYS HIGH CRICKET**

**www.sydneyboyscricket.info**

Welcome to our Year 7 cricketers and to all new players joining the various Years at High. I trust that you will enjoy your sojourn at High both academically and in your cricket. Your information centre for playing rules, GPS ground locations, awards conditions, fixtures, team selections, results and news is the Cricket Website which you will find at [www.sydneyboyscricket.info](http://www.sydneyboyscricket.info).

The AAGPS Competitions Group 1 (two day) fixtures commenced last Saturday and our results were encouraging in our first hit-out. High is in a position with sensible cricket and application to achieve wins in the 1<sup>st</sup> XI, 3<sup>rd</sup> XI, 16A and 15A matches. The 2<sup>nd</sup> XI and 14A teams are up against the odds but could minimize the result with the same application.

The Group 2 (One Day 30/30) teams produced our first two wins in the 16 B and the 14 D teams with latter supported by 4 new Year 7 players. Well done to all concerned.

### **AROUND THE GROUNDS**

Unfortunately we had too many nominated players who failed their commitment to several of the teams last Saturday. As a result these boys will be placed in rotation groups as it is important for teams to have reliable selections to allow them to compete at the most competitive level as a group.

I would like to place on record the sportsmanship displayed by members of several King's teams who substituted and enabled those players present to play. Our thanks to King's Coaches and players.

All players are advised that cricket shirts, floppy cricket hats (Greg Chappell style), school caps are available at the High Clothing store. It is a requirement that when you go on the field and represent High you do so in the correct attire. I would expect to see an improvement this week.

### **PARKING DUTY REMINDER - 20 /20 MATCH -V- New Zealand – SUNDAY 15<sup>th</sup> FEBRUARY 09**

I have spoken with Serdar Bolen, Parking Supervisor re this fixture and he has advised that we require a total of 16 operatives to successfully handle an expected bumper crowd to attend. He has indicated 6 ADULTS and a further 10 Parents/senior players and Volunteers to be on-site at 4-30PM. This is a vital source of income for the cricket budget and please advise your availability to David McDonald, the Cricket Committee President / Parking Co-ordinator; his details are on the cricket website.

### **MATCH RESULTS and REPORTS,**

Due to the space allocations for all sporting groups in publications the full match reports will be posted on the cricket website with team scores and the main batting and bowling figures being published in High notes. I encourage all to view the match reports that give you a feel for how games went and any special occurrences

### **PLAYERS' EQUIPMENT**

All players, seniors and juniors are required to provide their own batting gloves and protectors. Protectors are a health and Hygiene consideration and individual batting gloves provide correct fittings in lieu of players having to substitute available sizes which on many occasions don't fit. We provide a variety of sizes which are dwindling through lack of care when used by cricketers which has brought about this situation. A reminder that all clothing and equipment should be identifiable with your name on each item. If lost it is easier to trace.

## SYDNEY BOYS HIGH SCHOOL ROWING COMMITTEE

Happy New Year to all High Rowing Families

- **Regattas**

January holidays are always a busy time for the rowing boys as they prepare for the Term One GPS regattas. 2009 is no different, and the boys will compete at a series of regattas on each Saturday with the first one hosted by Grammar this Saturday, 7 February. Juniors are at Hen and Chicken Bay and the seniors at SIRC Penrith. I have attached the Term One calendar for your information.

The junior crews finish the season with the Riverview Gold Cup on 21 March and the senior rowers compete in the Head of the River on Saturday 28 March. Some crews will also compete in the NSW CHS Championships at Grafton on Saturday 4 and Sunday 5 April.

This year the Sydney High Regatta will be held on Saturday 28 February. We will need to provide barbequed bacon and egg rolls and refreshments to rowers and spectators from all GPS schools, and will soon be asking for volunteers to help on the day.

- **Senior Rowing Formal**

The senior boys (Years 11 and 12) celebrated the beginning of the competitive season with a 'Rowing Formal'. It was a sit down dinner/dance held last Friday night, 23 January, at the sheds. The boys looked fantastic in their formal attire and the girls sparkled in their summer dresses. The night was enjoyed by all thanks to the organisation by **Jason Nguyen** (Year 12), guided by **Mr Barris** (MIC), and caterer, **Steve Denny**, who prepared a delicious 3 course meal! Year 10 rowers, **Jonah Petrie**, **Allen Liao** and **Tim Gollan** were the very professional waiters of the night.

- **Year 10 Melbourne Trip**

The Year 10 Vllls are going to Melbourne in Week 3 with **Mr Barris** for the annual racing against Melbourne High on the Yarra. This will be quite a different experience to the busy Parramatta River and competition will be tough. The boys are billeted and looked after by Melbourne High.

- **Parking**

Thank you to all the parents and boys who helped with the parking for the cricket test early January. Parking cars on our school grounds for events is an important fundraiser and all rowing families should make an effort to help at least once during the year please.

Our next parking days are Sunday, 8 February and Friday 6 March. If you are able to help park cars at the school on those days can you please contact **Katharine Deacon** on 0435 207094.

- **Donations**

Each season all senior rowing families are asked to contribute to their rowing camp costs using an ASF tax deductible donation form. Some of this money also goes to maintenance costs at the sheds, for example, 2 tonnes of sand has just been needed to fill in the dropped ground level next to the seawall. This season we have also had some urgent pontoon maintenance required. All junior rowing families received a letter asking for a voluntary donation to contribute to these costs.

On behalf of the committee I would like to thank all the junior and senior families who have made a donation, however, it would be great to see some more come in.

I hope you enjoy the upcoming GPS regattas. It is exciting and enjoyable watching the boys race after their hard training and preparation.
