

## From the Principal High Talent

Congratulations on the performance of our swimmers. In the zone swimming carnival the 13 years 200m relay team of Dominic Mah, Yu Peng Man, Eugene Lee and Steve Comminos broke the record set in 1992 by 11 seconds to swim 200 metres in 2:09:37. They also finished second at the Regional Carnival and now go to the CHS State. Patrick Zhou (14 Years), Max Chien (15 Years) and Jack Musgrove (opens) were crowned zone champions. Jeffery Jiang (Opens), Max Chien and Ennes Mehmedbasic (15 Years), all breaststrokers, were selected in the GPS team to compete in the CIS carnival over the coming weeks. Well done boys!

In the holidays, Cadets Nicholas Ooi and Dominic Tran have been invited to attend the Junior Leaders Course (for promotion to corporal) held at Singleton. Corporal Michael Do is going to the Seniors Leaders Course Module 1 (for promotion to sergeant). Staff Sergeant Johan Santoso and Sergeant Aditya Hatle have qualified for the Senior Leaders Course Module 2 (for promotion to warrant officer/cadet under officer). These boys are developing their leadership skills well. In representative basketball, Spencer Llewellyn was chosen in combined GPS firsts; Jackson Meaney, Matthew Jones and Sam Higgins were selected in GPS seconds. A great result for High basketball! A terrific achievement by

Ivor Metcalf (Year 8) this week. He has been selected in the NSW Little Athletics State team. He will attend training camps in April before competing in Adelaide at the national championships on April, 26.

## Head of the River

At the Head of the River regatta High has set benchmarks for its rowers to aspire to attain. The first one is to row within 10% added to the winning crew's time. The second level is

7.5%. An excellent row for us is within 5% at the third level. Highly competitive rowing is inside 4%. Since 1999, only 5 crews have bettered this mark and of these, three were in the Year 10 eights in the same year, 2003. On Saturday, the big performance was from the second VIII rowing at 6.69% (1.6% below the long term average). Next best was the

1st IV finishing 7.8% behind the winner and 0.56% below the school average. The first VIII just made the benchmark at 9.8%. Congratulations to all the competitors, coaches, parents and to the six busloads of High supporters. It was gratifying to receive such a complimentary email from the management of Nepean Shores, praising the rowers for their 'fantastic behaviour'. They brought great credit to the school.

## Athletics Carnival

I was extremely impressed with the support of the school at this week's athletics carnival. An unprecedented 970 boys attended on Monday and 910 on Tuesday. There were up

to 15 heats in many races. The vast majority of boys supported each other and treated the carnival as a serious test of their athletic ability. Thank you to Mr Devlin and his team for the organisation of the event.

## The Centenary Building Fund

When paying their school contributions, families also pay \$125 to the *Centenary Building Fund*, managed by the Sydney High School Foundation. What happens to this money? There is an agreed formula for distributing the capital donated by parents.

Year 7 parents have all their donations saved for 'future' projects'. Year 12 parents have all their donations spent in the 'current' year on capital maintenance works. For Year 8 parents, 75% of donations are saved and 25% spent on current requirements. In the case of Years 9 and 10 the split is 50/50.

For Year 11 parents, 25% is retained for the future and 75% spent in the current year. Under the arrangements, the Foundation retains a little over half of the 'current' expenditure on capital maintenance which it uses to insure and maintain the Outterside Centre and Fairland Pavilion – its major assets held for use by our students. Since the agreement began, more than \$155,000 has been spent on capital maintenance items at the school from the *Centenary Building Fund*.

All the 'future' capital is donated to the *Sydney Boys High School Building Fund*. Since 2004, the bulk of this money is then invested in term deposits towards our Library / Multipurpose Centre project, currently standing at \$670,000. The Centenary Building Fund has been responsible for raising 54% of the capital currently in term deposits. The table below sets out the sources and application of funds donated to the Centenary Building Fund since 2002.

#### The Centenary Building Fund

Year	Total donated	Future Projects	Current Projects
2002	88,868	45,394	43,474
2003	88,266	43,998	44,268
2004	87,600	45,806	41,794
2005	109,153	61,614	47,539
2006	89,022	46,142	42,880
2007	105,105	58,951	46,154
2008	110,460	60,073	50,387
<b>Totals</b>	<b>678,474</b>	<b>361,978</b>	<b>316,496</b>

The figures above show that our parents support the *Centenary Building Fund* consistently from Year 7 right through to Year 12, hence the similarity of the figures for current and future projects. The Sydney High Foundation has retained just \$23,000 per annum to maintain well over \$5,000,000 in assets, representing less than 0.5% of their value. The donations also show that if, say, 1100 families can afford to pay then in 2008 the take up rate was 80%. If all 1100 families paid the total would be \$137,500. If just 5% more families paid in 2009 it would make quite a difference. I urge you to support the school and join with the great majority of parents who believe in the future of public education and are prepared to make a difference.

## From the Canteen Team

The winner of the March volunteer Thank You Voucher is Adele Horin. Like so many others, Adele has been helping us once a month from the time her son started in Year 7. We really appreciate your generosity in giving us your time, Adele. We are sure her son Jeremy (Year 12) will make good use of the voucher.

As Term 1 draws to a close we trust you will understand if we run out of some lines in the last week of term. Because Karen and Tracey very expertly manage the canteen supplies to ensure everything we sell is fresh, some supplies may not be replenished until next term.

## North East Zone SRC Meeting

The first North East Zone meeting for the SRC of 2009 was held on Tuesday 24th of March at the Matraville Sports High School. Dale Chen, president of the SRC, Nelson Wang, vice president of the SRC, and Anirban Ghose, secretary of the SRC, attended with Ms Collignon. The meeting is organised to facilitate the sharing of ideas and projects between the SRCs of neighbouring High Schools. It is a good social platform allowing members from all the schools to report what they have accomplished, what they are working on and what they wish to achieve in the future. The meeting was structured in a similar manner to our lunchtime meetings, with a brief agenda and school reports. It was evident from the beginning that local schools, such as Randwick High School, have highly active SRC bodies which are taken very seriously. The meeting began with a group of "get to know each other" exercises. This led into the actual meeting where numerous topics were discussed. Schools reported on their schemes, such as Enviro Enspiro. This scheme allows schools to compete in an Environment awareness campaign where the winning team wins a \$3000 grant. Another common event among the schools was the bushfire appeal. The other SRCs from the schools also form the core leadership body; many SRC Presidents are also the school captains. This is in contrast to our school where there are numerous leadership bodies. The day allowed our SRC to understand their role in the school community better and realise our potential. At our internal meeting this Friday, we will be looking at putting the new ideas into some solid proposals and ideas.

## The Inaugural 'Jaggar Gift'

### The Race for Champions

Sydney High Athletics, Cross Country and the PD/Health/PE Department are holding the inaugural "Jaggar Gift" on Moore Park West. The race will be run as a handicap to give all competitors an equal chance of success. The top fifteen 1.6km athletes from each Year in the junior school (Years 7, 8 and 9) and the senior school (Years 10, 11 and 12) will be given the opportunity to participate in this race. The top 15 athletes from the 1500m race at the school carnival in both Year 11 and in Year 12 will be asked to participate in the Jaggar Gift. Dr Jaggar and Mr Devlin may nominate *wildcard* entries. The junior race will run first, following a 3 minute interval the senior race will commence. This new event will be incorporated into the school calendar from 2010 onwards. The inaugural 'Jaggar Gift' will take place on Monday 6th April 2009 on a modified 1.6k course on Moore Park West.

## Brief history of 'Gift Races'

The earliest record of athletics competition in Australia was from 1810 in Hyde Park, Sydney where Dicky Dowling won a sprint race over 50 yards. Professional athletics grew considerably around this time. Stories of huge crowds placing enormous wagers on the success of incredible feats of athletes paint a colourful picture of the sport in these early days. Professional foot racing boomed during the mid 1800s particularly in the gold rush towns of New South Wales and Victoria. Miners raced against each other in handicapped races for the gift of a gold nugget offered by the mine owner. 'Gift' races were born.

## How does the race work on the day?

We will compute your handicap according to the 1.6k runs you have completed over the last year to determine your starting time. A list of runners will be posted around the school. The runner with the largest predicted handicap starts first. For the start, the clock is set at this number of seconds and begins counting down. Other runners start when their handicap time (written on their race number - bib) comes up on the clock. When the clock reaches zero, all runners have started.

**When: Lunch Time - Monday, 6th April, 2009**

**Where: Moore Park West**

Senior Prizes	Junior Prizes
1st \$40	1st \$40
2nd \$20	2nd \$20
3rd \$15	3rd \$15

## Instructions to competitors

- Juniors and seniors will pick up their race number (with handicap time), safety pins and be marked off the race list from the History Staff room after the school carnival.
- You must wear the proper PE/Athletics gear. Runners who turn up in the wrong gear will NOT race.

## Race Rules

1. Race numbers must be affixed on the front with a safety pin on each corner. Do this well beforehand.
2. BE ON TIME and REMEMBER YOUR HANDICAP. The first race will Start at 1:05pm SHARP with or without you, outside the Main Building on Moore Park West.
3. No pushing or shoving particularly as the faster runners make their way through the field

past younger runners. Any interference with another runner will result in disqualification.

4. Runners on the tougher handicaps must take particular caution when passing runners in front of them. There are some points on the course that are not ideal for overtaking. A runner in front of another runner must not hinder a runner coming from behind who is trying to overtake.
5. At the completion of both races you will have approx 15 minutes to recover and change to be ready for period 5. Do not be late to class.
6. Race times and places will be published in High Notes.

## **Sydney Boys High School Building Fund – 2009 Fundraising campaign.**

### **Multi-Purpose Centre**

We are looking again this year for volunteers to assist with the Sydney Boys High School Building Fund fundraising efforts. The funds we raise through this campaign go directly to supporting the project to build a new Multi-Purpose Centre. The Centre will serve musicians, public speakers, debaters, drama students or any boy sitting for examinations. Help us to raise the facilities and profile of the Arts at High.

All materials and instruction supplied, easy work in your own time, for one or two weeks in May!

If you haven't found a way to volunteer in the school yet, this is a great opportunity to assist in a very tangible way toward the building of High's new performance facilities.

- Patrick Zhou is the 14 years zone champion
- Max Chien is the 15 years zone champion

### The Basketball Dinner

The annual basketball dinner was on last Friday and was an entertaining night due to the attendance of special guest Jason Smith (Australian Basketball Legend), the video footage, the humorous speeches made by coaches and the presentations. Jason Smith spoke of how he got into basketball after being an AFL fanatic. He also told of how NBA star Andrew Bogut got up, after being elbowed down to the ground by Chris Anstey (also in the Australian team) and got his revenge, never giving up, and that attitude led to his later success in basketball. If you missed out this year, make sure you don't next year!

CONGRATULATIONS TO JACKSON MEANEY, SAM HIGGINS, MATTHEW JONES AND SPENCER LLEWELLYN ON THEIR SELECTION IN GPS REPRESENTATIVE TEAMS! THEY'LL BE PLAYING CAS @ GRAMMAR APRIL 8!

## SYDNEY BOYS HIGH SCHOOL ROWING COMMITTEE

What a busy and exciting week to finish off the High Rowing Season! With the Head of the River behind us, we are now looking forward to the NSW CHS Rowing Regatta in Grafton this weekend, 4th and 5th April. (Cancelled due to flooding – Ed)

### Rowing Assembly

The school rowing assembly last Friday was a memorable occasion with all crews representing High at the GPS Head of the River formally introduced to the strong gathering of boys, teachers and parents. The assembly was highlighted by the occasional address by **Dominic Grimm**, 2005 VIII, current member of the winning NSW VIII at the National Titles, and targeted rower for the Olympic VIII. He spoke about his time rowing for High and how the HOR is up there as a unique experience with the King's Cup. He told the rowers to savour the moment, take it all in, and enjoy the experience as it was not likely to be repeated.

### Head of the River

The boys were well prepared, feeling a little nervous, but in good spirits for the big event.

Unfortunately, all crews had to battle hard in races against class fields of oarsmen. We boated two Year 10 VIIIs, two School VIIIs, and for the first time in a number of years, 4 School IVs.

Our Year 10 VIIIs for 2009 are –

**1st Year 10 VIII – Jonah Petrie, Allen Liao, Eric Ovadia, Ryan Caetano, Leo Lu, William Stefanidis, Koren Fang, Tim Gollan, Anthony Chung (c).**

**2nd Year 10 VIII – Duy Nguyen, Dennis Kim, Iyla Bonch-Osmolovskiy, Declan Gorey, Andrew Gaffney, Isaac Eveleigh, Sean Martin, Raymond Zhai, Francis Lin (c).**

These boys have talent and will benefit from the experience as they move into the senior crews.

All senior Fours rowed well and it was unusual for us to be disappointed with the 1st Four's close up 8th. They have been the form crew all season beating three of the other schools in lead up regattas. Similarly the 2nd IV and 3rd IV showed potential during the season but were unable to pull it together at the big event.

The School IVs are –

**1st IV – James Eriksson, Max Kite, Tom Peters, Alex Lazarou, Hayden Schilling (c).**

**2nd IV – Walter Santucci, Alan Low, James Lee, Ben Li, Peter Tran (c).**

**3rd IV – Alexander Saunders, Andrew Banh, Nam Nguyen, Puneet Baweja, Erick Wong (c).**

**4th IV – Pravin Radhakrishnan, Tian Li, Sean Kim, Hong Lu, Brian Jian (c).**

The exciting race of the day was the 2nd VIII who battled with Grammar all the way down the course to finish ahead, and then also pass the Scots crew, to finish in 6<sup>th</sup> place. This was our best result of the day.

The 2nd VIII are – **Dale Chen, Michael Ambrose, Neil Street, Sam Binns, Jack Musgrove, Jason Nguyen, Alex Belokoptov, Andrew Blomberg, Gareth Deacon (c).**

The school supporters responded with a display of emotion, feting the boys as if they had been the race winners. They rushed to meet them, swamping them and lifting them shoulder high. This display left other school supporters amazed. That High spirit, which shone through all morning, reached fever pitch as the 2nd VIII joined the throng to watch the 1st VIII.

Unfortunately, the 1st VIII were disappointed with their performance after such an extensive preparation, but a further display of empathy and emotion by school supporters lifted all spirits as the crew were clapped and cheered off the river with the singing of the school song. **David Daish**, caretaker of our boats since 1993, was moved to say he had never seen such an emotional exhibition.

**School 1st VIII are – Vlad Boulavine, Clive Chen, Dom Edgtton, Jack Wachsmann, Shahar Merom, Matt Ling, James Whiting, Nelson Ridges, Pat Desmond (c).**

The crews moved onto a season end at the sheds when the coaches, mostly old boys, were presented with gifts of thanks. **David Daish** was presented with a special gift of thanks as he leaves us after 17 years of keeping our fleet afloat with almost unbelievable dedication. **Matt Ling**, Capt of Boats, and the crews presented gifts of appreciation to the rowing committee members and special mention was made of **Bernie Desmond** who, as a Year 12 parent, is leaving us this year after an outstanding contribution to SHS Rowing. All rowers and parents will miss Bernie's catering and cooking skills.

#### Con's 25 Years Party

Following on from the day's activity, an event was held to mark 25 years of **Mr Barris'** reign as MIC Rowing. This was attended by close to 200 people who have been involved in the journey and came to pay tribute to an outstanding achievement. Speeches were at a minimum as attendees mingled and shared memories of those 25 years. It became apparent that the strength of the character of Mr Barris had made a significant impact on those present and judged by messages received many more that couldn't attend. It is a contribution that may never be matched and hopefully High Rowing will survive and grow from the legacy he has left.

#### Outterside Centre Clean-up

The following day it was the annual end-of-season sheds clean up, and it was terrific to see so many parents and boys attending and cleaning the sheds to 'pristine' condition for the offseason hirings. Thank you to all those parents and boys.

#### **Sydney High 2nd VIII Report**

Quite calm as we race for the final time. Smooth surge rowing up to the line. Prepared to hit that target time. All in to get across the line. Sydney Grammar School...Sydney Boys High...Attention...Row. Legs locked on, boat not quite set. Two, three, four. We're flying. Out of the blocks at 45. Gareth 'Gazu' Deacon calls '6 seat! I've got the Grammar 6 seat!'. There's no way they're passing. We are terrified. We won't let them through. "5/2/5 in 2. That's 1. That's 2. 5/2/5!"

We surge ahead. We're on the Grammar 2 man. We knew they couldn't come through. Hit the final 300 we wind to 39. The crowd goes wild. Helping us push through the pain. Grammar right there, in our peripherals. We got there. It meant so much. Gaz says, 'I think we got it!' Arms fly into the air unsure but victorious. Scots hadn't drifted as far as we, did we beat them? We raced like nothing else. We cut 20 seconds off our pb. And the crowd matched our efforts. We got our boat off. Coach Gerofi, "You rowed a 6:24 and beat Scots and Grammar." We were elated, as was the crowd. We ran over to the cheers of "2nd VIII!"

We jumped up, celebrated and were lifted on shoulders. It all came together, the day it needed to. We led the chants for the Eight. And led the cheers when they came off the pontoon. A huge thank you to the crowd, you were amazing. We really appreciate all you did for us. A huge thank you to Gerofi and Robbie Girdler for their coaching, support and hard words after the Gold Cup. One massive thank you to Mr Barris, without him it all just wouldn't be possible.

#### **Neil Street**

I've witnessed some great things over the past few days, and I'm writing this letter as a means of saying thank you to all those who involved themselves in High this week. The 2009 Head of the River was held last Saturday, and as a member of the Rowing community, it was great to see such a large and loud crowd this year. Just over 300 students from High - along with parents, friends and teachers - made the trek out to Penrith to watch the day's events, and to all these people, I speak a sentiment shared by all rowers when I say, thank you.

I've been to many Head of the Rivers over the years, however the unity, spirit and intensity that was evident in this year's crowd was outstanding. There was vigorous support offered to all High crews on the day, with High boys getting there as early as 8.30 to show their dedication. However it is the response to the 2nd VIII race that stands out in my mind as one of the truest displays of High Spirit. This was followed by yet another

exemplary display of High Spirit, when the whole crowd moved off to the boat loading pontoons and cheered the 1st VIII off the water. As a member of that crew, it was an absolute highlight of my rowing career to see such a display of emotion and spirit, and it stands to point that I am greatly inspired by the crowd that was present on the day.

For those of you who were not there, it is a shame that you missed such a great event. The rowers and supporters alike shared a day of immense emotion and I am heartened greatly by the evident High Spirit that still runs strongly through a large portion of the school. The Head of the River is a unique event in the school calendar, and every High boy should experience at least one HOTR during their time at High. Past this however, the recent Athletics Carnival has turned out to be yet another great display of High Spirit.

This year's carnival saw more High boys competing than ever before and the large number of Year 12 competitors was especially notable. It was also good to see so many boys cheering strongly during some of the events with high jump receiving noticeable attention during the first day of events. Such actions create a sense of pride within the school, and it is these elements that establish the foundation for High Spirit. I close by once again saying a huge thank you to all of those at Head of the River on Saturday, your presence was inspirational. And to all the boys who involved themselves with this year's Athletics Carnivals, I commend your participation and hope that such school-wide High Spirit will remain ongoing during your time at High.

### GPS Athletics Season

The GPS Athletics season starts this Saturday with the Newington/Scots Invitational at Homebush. Events start at 9.00am. Training commenced at the start of the

term one with sprints and endurance training on Moore Park West but it is not too late for boys to register for the season ahead. Please note that there is a Twilight Carnival scheduled for the last Friday of the holidays. Important dates in GPS Athletics include:

**May 2nd** High is hosting a Carnival at Homebush. We will need to supply at least 30 adult officials at this Carnival. You do not need to be experienced to volunteer your services! Parents can volunteer via e-mail to [devlinr@sydneyboys-h.schools.nsw.edu.au](mailto:devlinr@sydneyboys-h.schools.nsw.edu.au)

**May 16th** The GPS Championships at Homebush. One of the truly great events on the GPS calendar.

The Athletics Captains for 2009 have been chosen. As MIC I couldn't be happier with the boys who will occupy these roles – all are disciplined athletes and great team players.

They are ...

Jeremy Ireland (Captain) Harrison Lane (Vice Captain)  
Chris Morrow (Junior Captain) Sam Lane (Junior Vice Captain)

### SCHOOL ATHLETICS CARNIVAL - 2009

Over one glorious day and rainy morning this week the School Athletics Carnival was held at nearby E.S. Marks field. The Carnival is designed to cater for all standards and boys are encouraged to participate in at least three events on the day. The Carnival went very smoothly thanks largely to the efforts of staff, student volunteers and willing competitors. Particular thanks once again to our Data Team consisting of James Rudd and helpers who donated their skill and computer expertise over two days. Our Carnival is now one of only a few large school Carnivals held at the track and it continues to be a great spectacle when it is in full swing. Senior boys in particular seem to appreciate what, for most of them, will be the last such event they participate in.

Congratulations to the Age Champions –  
**Joshua Lee** (12 Years)  
**Anton Brokman** (13 Years)  
**Lloyd Perris** (14 Years)  
**Michael Phung** (15 Years)

**Chris Morrow** (16 Years).

Special Awards from the Carnival include ....

The A.M. Eedy Cup for 100m Champion:

**Joshua Tassell**

The McArthur Memorial Cup for 1500m:

**Jeremy Ireland**

The Frank Albert Cup for Senior Athletics Champion:

**Joshua Tassell**

The **Zone Carnival** is scheduled for Thursday 21st May at Centennial Park. Cross Country Champions will be determined from the Zone Cross Country results.  
Information and permission forms will be issued early next term.

## Head of the River

**What a spectacle.** Any parent privileged enough to attend the Head of the River last Saturday, witnessed *High Spirit* at its purest and finest. Congratulations to all our rowers who performed with great dedication and pride, capping off a season of determined training and racing.

The Head of the River is the culminating event in the GPS rowing calendar and is attended by bus loads of students from all GPS schools, lining the banks of the International Regatta Centre at Penrith, in full uniform and full voice. Marquees are set up by each School and become the focal point for the day's festivities. The High Marquee was a stand out with the joyous sounds of our GPS Band lending support to the rowers.

Our 2nd Eight rowed to a recent historic victory over Sydney Grammar and Scots. The crew no doubt drew upon the cheers and urging of over 300 High boys pacing the shores alongside the boat, willing them over the finish line. It was a sight to behold as the School as one, rose in collective brown and blue spirit, to cheer our rowers home and welcome them ashore with High pride songs and rower-style crowd surfing. It was a goose-bump moment that every High boy should remember with pride.

## **But the best was yet to come.**

Our 1<sup>st</sup> Eight did not perform to their own high expectations. The High Boys - still as one - thronged to greet the crew dockside. In full collective spirit and voice the High boys paid tribute to the determination and dedication of the 1<sup>st</sup> Eight. With a background rumble of supportive and respectful High slow claps, the 1st Eight crew lifted their boat from the water for the last time and walked through the impromptu High Guard of Honour. The School as one demonstrated such an intensity of pride and empathy in what it takes and means to be a High competitor – the purest and finest demonstration of *High Spirit*.

Parents and students alike, walked away from this year's Head of the River emotionally spent but rejoicing in the talent, resilience and depth of pride in Sydney Boys High School.
