## **Which subjects are prerequisites for HSC study?**

Study of Languages in the Senior School assumes that it has been studied to Year 10 level.

Music 2 (and Music Extension) require study at Year 10 level.

If a boy wishes to study a language or Music at HSC level, he should choose that subject to study in Year 9.

For other subjects it may be an advantage to study the subject in Stage 5, but it is not a requirement.

# Year 9 2019 Subject Choices

Tuesday 18 September 2018

## Course choice depends on:

- Interest
- Ability
- Past Performance

# Year 9 2019 Subject Choices

Tuesday 18 September 2018

**Subjects should not be chosen because a friend is doing it:**

They might not be in the same class anyway

**Subjects should not be chosen based on the teacher:**

The teacher might not teach the subject next year or may teach a class that you are not in

# Year 9 2019 Subject Choices

## **Satisfactory completion:**

A student will be considered to have satisfactorily completed a course if he has:

- followed the course developed or endorsed by the BOS;
- applied himself with diligence and sustained effort to the set tasks and experiences provided in the course by the school;
- achieved some or all of the course outcomes.

Satisfactory completion of the Year 9 component of a course is a pre-requisite for entry into the Year 10 component of the course.

Attendance may be used as an indicator of satisfactory completion of a course.

## Line groupings 2019

?

4 elective lines will be used as in 2003- 2018.

History and Geography classes will be incorporated into the 4 elective lines.

This will increase the chances of boys receiving their chosen electives.

# Year 9 2019 Subject Choices

Tuesday 18 September 2018

## Choosing Electives

Boys will make their choices online. They will nominate four choices – the first two choices will be the ones used unless some problem arises. If there is a problem, the third choice will replace the one with the problem.

# Year 9 2019 Subject Choices

Tuesday 18 September 2018

The subjects will be grouped into lines with the aim of maximising the number of boys who receive the subjects they have chosen.

It is not always possible to do this. Some subjects are available as one class only. **For example**, French, Music, German, Latin, Visual Arts have in the past only had one class. Some of these subjects will have to appear in the same line. It may not be possible to avoid “clashes”.

# Year 9 2019 Subject Choices

Tuesday 18 September 2018

Sometimes limits may be placed on the number of students who can study a subject.

For example 32 boys might choose a subject and the decision may be taken that only 30 boys may do the subject.

2 boys will have to be eliminated. Boys who have given the subject the lowest ranking will be identified and 2 boys will be removed.

## **Early entry into HSC courses**

Some opportunities may exist for Year 10 students in 2020 to commence study of HSC subjects. This may occur in subjects such as: Modern History, Geography, Business Studies, Music and Visual Arts.

To be eligible to participate in this program, students must demonstrate (between Term 4 2018 and Term 4 2019) that they are above average in each of their subjects.
