

From the Principal High Talent

It was an awesome effort by the first and second grade basketball teams to win the Raschke Cup double on Saturday, a first for High! Well done to all players, coaches and managers. Congratulations, too, go to first grade tennis for their trial win over Grammar – the first taste of victory for a couple of seasons. Well done, boys! Thanks for dedication to High go to six volunteer parking attendants who gave up their time twice during the holidays to raise money for school activities – Katherine Deacon, George Comninos, Steve Comninos (8R), Roger Rong, Andrew Rong (8T) and Shumin Wang (9R). I wish more parents and students would follow their example!

House captains – 2010

Congratulations to our House captains for 2010. I hope all students and staff get behind attempts to raise the profile of the House concept. House identity clothing and support at carnivals, as well as increased frequency of and participation in inter-House contests would help achieve this.

School caps at PE

It is compulsory for Year 7 students to wear school caps while in practical PE lessons. Where the sports code requires it, it is also compulsory to wear hats. The school strongly encourages all students to wear school caps at PE or sport where practical.

Changing into sports attire

Staff members have brought to my attention their concerns about the practice of boys changing out of school uniform into sports attire in public. Students and staff are asked to change attire in change rooms or toilets

rather than in public. It is not expected that students have to change back into school uniform after their activity if this process cannot be undertaken in the privacy of a change room or toilet.

Early bird discount on school contributions

Take advantage of our early bird discount offer before the end of February. If you pay all levies and contributions in full by 28/2/10 you will receive a discount - for Years 7-9 (\$90), for Years 10-12 (\$100).

Big Night Out !

Following up on the success of the Chinese New Year celebrations of 2008-09, the Sydney High Development Committee is organising a Big Night Out event on March 20 at 6 pm in the Great Hall. Multicultural food and entertainment will be provided in an informal format to encourage family attendance. I urge parents to support this social event which brings us together to honour our diversity as well as our common interests.

Wearing of School Uniform

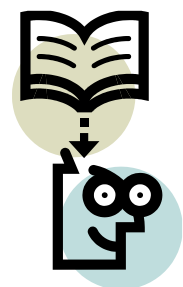

Despite hot weather, we expect that all students attend school with their ties knotted and pulled up to the throat and their shirts tucked in. Our standards for school dress, just like our standards for academics or sport are set deliberately high. Recidivist non compliers should be entered on SAD and suffer negative consequences.

FROM THE TWO LIBRARIES ANDREWS LIBRARY DONATIONS –

FABULOUS EARLY RESPONSE

Apologies! Apologies! Apologies! To Bruce Pyke, lovely thoughtful and generous Old Boy who has gone to the trouble twice to donate valuable classic resources to our Library. Bruce I forgot your name and have not acknowledged your gift. I came across a book with an

acknowledgement sticker we made in it and I think it was you whose name and details I forgot to take on your recent visit.

Many thanks also to Year 8 parent Carrie Waring, mother of Jens in Year 8, who has been really quick off the mark with an email offering us two newish books from her home collection. These will be warmly received.

Also quick off the mark was Fabienne Ovadia, mother of Eric in Year 11, who offered us some great books also.

Thanks to Ern Berg Phillips, now 80 odd years of age, who is going to the trouble to bring us his biography collection. Ms Trompetter, Head Teacher of English, will be pleased as this is a unit of work in English.

Thanks also to Ms Ayre (English Faculty) who brought in two boxes of books her son had finished with. These were really popular books.

LIBRARIAN'S REVIEW OF HISTORICAL FICTION BY MICHAEL DOBBS, *NEVER SURRENDER*

If you are feeling a little unappreciated I totally recommend Michael Dobbs fiction about Churchill's early days in office, the imminent invasion of England and the loss of Calais and the evacuation of Dunkirk. You will soon see why I am saying that.

Like many post war children I have been exposed to the historical documentaries about Churchill and as a school student I studied the history of World War 2 in a fairly rudimentary fashion. I therefore quite enjoyed revisiting the type of person Churchill was. I was, likewise, fascinated by the peaceniks – Halifax, Chamberlain etc and by the role of Joe Kennedy as the American Ambassador. It was such a close call defeating the Third Reich. The role of the determined mad chancer in History is not fully appreciated, I think! It was also fun reading historical fiction after a surfeit of Crime Fiction and children's literature which had been my diet over the holidays.

Swine Flu Vaccination

An update on vaccination against Pandemic (H1N1) 2009 influenza (swine flu).

Swine flu activity has dropped significantly in NSW over recent months, but continues to have a heavy impact in many Northern Hemisphere countries. It remains to be seen what the impact in Australia will be as we move into next winter, although a resurgence of pandemic influenza activity is possible.

A vaccine is now available to protect adults and children over the age of six months from swine flu. The vaccine, called Panvax®, has been approved by Therapeutic Goods Administration.

NSW Health is encouraging everyone to obtain a **free vaccination** against this potentially life threatening illness. The **Panvax® vaccine is available free** from most general practitioners and Aboriginal Medical Services. Some community health centres and council immunisation clinics are also offering the vaccine free of charge. Call ahead to confirm the health service is vaccinating on the day you wish to visit.

The NSW Department of Education and Training is committed to ensuring a safe and healthy working and learning environment for staff, students and visitors to schools. Immunising a high percentage of the school not only protects those individuals who receive the vaccine, but also reduces the chance that any students or staff with a weakened immune system (for whom the vaccine may not work as effectively) will be exposed to the infection.

NSW Health: information about the vaccine:

From PDHPE:

In response to the recent spate of drowning tragedies in New South Wales, there is a surf safety video available to all students on the w: drive. The video which runs 4mins 30 secs is titled "Don't get sucked in by the rip" and has been developed by Dr Rob Branden from the University of New South Wales School of Biological Earth and Environmental Sciences.

To access the program students and parents should go to the w:/videos/public/PDHPE/Rips/Don't get sucked in by the rip.

Hopefully this will help increase our awareness, knowledge and respect for the ocean and the inherent risks.

Edition 95

What Have You Missed?

Over the holidays, there were scrimmages in the gym, involving plenty of our First and Second Grade players and juniors, who are seen as the future of Sydney High Basketball success. Mr B Hayman invited some of the best players in NSW and some international professional players to attend. He and Alex Hayman also played, as the main idea and focus of the games, were to have fun, stay fit and raise the standard of play over the holiday period.

That plan seemed to have worked, with both Firsts and Seconds being very competitive and successful in the tournaments they entered. In a tournament against all the private teams of NSW and some international sides, Sydney High's 1st Grade side came 2nd, narrowly losing to Newington in the final. At the time, coach Alex Hayman said that High's performance "was good over the holidays, and he expected an even better performance from the side in the Raschke Cup and in Term 1 2010."

The 2nds had a similar outcome finishing 2nd overall in their tournament, which was an outstanding effort. The team was missing key players Yixin Liu (Point Guard) and Jasper Garay. Yixin is unfortunately injured and unavailable for the rest of this term. Despite this, he is determined to support the side for the remainder of the season through an assistant coaching role. From these results, Mr B Hayman was confident that 2nd Grade had another opportunity to win the GPS premiership this season, an achievement which has only been achieved once back in 1983.

The History-making Raschke Cup Victories

Mr B Hayman asked Old Boy David Goldman to address the opens squad, prior to the Raschke Cup last Friday (29/1/10). David spoke about how the Old Boys see the current Basketball results as "The pride of Sydney High Sport". He said that he knew a huge number of Old Boys who religiously checked the newspaper on Sundays and looked for the scores. He also mentioned how he had seen a massive improvement in recent times, and brought his blazer in to show his achievements. He told of how he would never forget significant games when he was at school and told the boys that if they would win the next day they would not forget it for the rest of their lives. Most importantly, he spoke of how lessons are learnt in basketball, the teamwork and its relevance to life after school.

On Saturday the 30th of January, the Raschke Cup took place, with 1st Grade teams competing at Newington's grounds and 2nd Grade traveling to King's. Without a doubt, the competition would prove to be a great one for both Sydney High teams, needing to play several games in one day. It was a 9:00 am start for both High teams.

1sts defeated Kings 37 - 29, defeated Shore 41 - 23 and finally St Ignatius 43 - 26, in Pool B. Just like most people expected, Newington topped Pool A and would face High in the finals. 2nds defeated St Ignatius 27 - 21, defeated Scots 55 - 11 and eventually King's 36 - 20 in Pool B. With St Josephs undefeated in Pool A, they would be the opponents of our formidable 2nd Grade team.

The 1st Grade match showcased magnificent basketball from High, easily matching Newington's skill. The game went into overtime, with High finally prevailing and taking out the game 40 - 35. 2nd Grade was very dominant in the match up against Joeys, displaying their skill and proving why they were genuine premiership contenders. They took out the game 38 - 26.

With both teams winning the Raschke Cup, they had achieved a feat never achieved before by our school in its entire history. An achievement that rarely occurred, even with other schools. The two teams have now cemented their place in the history of Sydney Boys High and will inspire others in the future. Mr B Hayman said "I am excited that years of hard work has given the school an achievement to be proud of. These boys will never forget the day they made history at Sydney High. It has taken a lot of team sacrifice and I am proud of all involved. I know captain Leo Gordon has laid the challenge down to his team to be undefeated in 2010. This is a very real possibility if we stick together and continue to work within our squad rules and culture."

Without a doubt, there is no one happier than Mr B Hayman, with his efforts and contribution playing a major role in taking Sydney High Basketball to where it is today. His sacrifices and hard work have certainly paid off, and we must certainly thank him.

What Lies Ahead and How You Can Help

With 1st Grade (2nd on the GPS table) playing Newington again this week, a victory against the table leaders, means an unbeaten 2010 season may lead to a premiership. 2nd Grade is equal second with Shore and St Ignatius, and only 1 victory behind Newington. They are certainly genuine premiership contenders and with your support in the stands this week and future weeks, they might get there! Good luck to both teams!

SYDNEY BOYS HIGH SCHOOL ROWING COMMITTEE

GPS Regatta Season

The High rowers spend the first half of the summer sport season training and learning rowing/ racing skills in preparation for the regatta season in Term One. The January holidays are also a busy time for most rowers with camps and very intense crew selections. During Term One the boys compete in GPS regattas each Saturday, outlined in the table below.

6th February	Scots	Hen & Chicken Bay	SIRC

Grammar Regatta Results

It was good first regatta racing practise for all crews. With a great buzz at the rowing sheds, every crew seemed organised, enthusiastic and ready to start the racing season.

With only one small pontoon available for boating all 17 racing crews there was some congestion getting crews to the starting line and unfortunately one crew missed the start.

We were able to start six Year 8 Coxed Quad Scull crews thanks to Head Year 8 coach, Shahar Merom, three Year 9 Coxed Quad Sculls, two Year 10 Eights, two senior School Fours and a School 1st and 2nd Eight.

Highlights –

- **Year 8 2nd Coxed Quad Scull** – Wang, Deng, Li, Tran, (c) Tam, finished 2nd in their race behind Shore, with Joeys and Kings coming in behind.
- **Year 8 1st Coxed Quad Scull** – Rong, Salch, Hughes, Comninos, (c) Lane, finishing strongly, equal with King's on the line, behind Shore and Joeys.
- **School 1st Eight** – Ambrose, Edgton, Musgrove, Boulavine, Chen, Blomberg, Whiting, Lazarou, (c) Deacon, were in front of Scots most of the race with Scots only just pulling away in the last 250m.
- **Year 9 2nd Coxed Quad Scull** – Yu, Cho, Tran, Luu, (c) Collier, finished 3rd in front of King's, behind Shore and Joeys.

1st Grade Report

This week was High's last trial and the team was really looking forward to getting a win against Grammar to get a confidence boost ahead of the season opener at Newington next week. The day started off positively with the No 1 and 2 doubles getting convincing wins over Grammar. The team was really confident about its chances and the team was playing with great professionalism and application. No 3 Frank Zhang as well as No 6 Lachlan Day both had wins in singles as High looked to extend its lead against Grammar. No 4 George Panas played a closely fought match, being defeated in 3 tight sets 6-7 7-5 7-6. The round ended with High defeating Grammar 8 rubbbers to 4. This marks the first time in more than 3 years that High 1sts has defeated another team at a meet, and we look forward to more positive results to come.

2nd Grade Report

In the last trial before the commencement of the GPS season, High 2nds were eager to perform well against a Grammar side that had shown weakness in the previous trial match. High were off to a flying start, with the doubles pairings of Anton Brokman and David Ghezelbash winning their doubles match in a hard fought three setter and the pairing of myself and Thomas Nguyen winning our doubles match in straight sets. During the singles, High were in a great position to take out the meet, up 3-1 after I had won my singles game in straight sets. However, after some disappointing singles results, High ended up agonisingly close, going down 5.5 matches to 3.5. During the course of this meet, many mistakes were addressed and we look forward to polishing them during training until we are all but ready for the upcoming GPS season.

Tennis at High

As some of you may or may not know, tennis at High has undergone a regime change. Under the new head coach David Deep and sportsmaster Mark Pavone, impressive turnout and commitment to training has been translated into results as evidenced by 1sts' brilliant win over a strong Grammar side. A record 36 students tried out for 13s tennis, that may not sound like much but tennis is a 4 man per team sport, and with only A,B,C,D grades on offer, the cut was unfortunately made at 22, a record high squad! Keep your eyes peeled for more impressive results. Some of you may not find tennis as much of a spectator sport (with 5 hour days, we can't blame you) however a quick message of support as you pass the tennis courts really means a lot for the boys. Thank you for everyone's support in advance!

SYDNEY BOYS HIGH CRICKET

www.sydneyboyscricket.info

Welcome to the second half of the Cricket Season and a very special welcome to our new Year 7 students who have elected to play cricket. Welcome back also to intermediate and senior players and to the new boys joining these Year groups.

Last Saturday 30th January we conducted trials and assessments at the school cricket nets from 9.00am – 12noon for our Year 7 students and the nets were abuzz with activity, atmosphere, laughter and in fact I believe the spectators even enjoyed some of the performances and antics of the boys. What struck me most, was the tremendous enthusiasm shown by the boys and their willingness to listen and try what the coaches suggested.

Some 35 boys attended, but so did 25 parents and families, the latter who were addressed by the HT of Sport Mark Pavone, encouraging support for the cricket committee. Well done to all, and by the way, the coaches present and assisting told me they had a ball with the group!!

The SOUTHPORT SCHOOL TOUR December 2009 is part of a junior Development exchange programme for Under 15 and Under 14 representative teams from High against not only the Southport school but also Brisbane State High at alternate venues each year. Here are some of the results which indicate High more than holds it's own against other schools.

SYDNEY BOYS HIGH 5/119 (20) defeated SOUTHPORT SCHOOL 5/114 (20)

Run scorers Brian Kelly (73), Nakul Bhagwat (13) and Avindu Vithanage (13). Wicket Takers were Siva Sooriakumar 1/12, Sudam Dias 1/5 (4) and Veeral Patel 2/29.

SOUTHPORT SCHOOL 10/140 (50) defeated SYDNEY BOYS HIGH 10/88 (38)

Run scores Andy Liu (17), Avindu Vithanage (16) and Brian Kelly (13). Wicket takers Siva Sooriaskumar 3/25 (8), Ashwin Ramesh 2/17 (10), Sudam Dias 2/29 (10), Oliver Meroni 1/25 (10) and Avindu Vithanage 1/17 (6).

A special thanks to Mrs Louise Meroni who arranged lunch and afternoon tea for the boys in a great solo effort.

My thanks also to the parents and coaches who supported the teams with transport, drinks and offers of assistance

AROUND THE GROUNDS

1st X1 (Day 1) HIGH 5/85 - V - NEWINGTON COLLEGE 10/111

Our run scorers were Avindu Vithanage (35n.o), Brian Kelly (22) Oliver Meroni (13). A five wkt haul for Avindu Vithanage who took 5/29 from 16 overs also Brian Kelly 1/22(14), Oliver Meroni 1/13(7) and Sudan Dias 1/25(14) chipped in with wkts. The match is poised for some tense moments with the start of play on Day 2 as High chase 26 runs to take at least first innings points

2nd XI (Day 1) **HIGH 4/59** - V - **NEWINGTON COLLEGE 10/155**

Three dropped catches and a missed stumping cost High valuable runs but a gritty bowling performance taking 8/59 provided some good figures from Jesse Moffat 3/16(7), Kumudika Gunaratne 2/22(9), and Dileepann Pious 2/7(6). Some poor shot selection cost us valuable wickets in the run chase with Dileepann Pious (16n.o) still at the crease, Sangeeth Subramanian (13) and Tom Connolly (12) contributing

16A (Day 1) **HIGH 10/122 (39)** - V - **NEWINGTON COLLEGE 1/93 (23)**

No match report submitted

15A (Day 1) **HIGH 10/72** - V - **NEWINGTON COLLEGE 4/113**

Run scorers were Krushal Vyas (28), and Thilan Subasinghe (8) with the wicket takers being Tushar Joshi 2/27 (3), Anup Kaluve 1/14 (4) and Michael Liu 1/18 (4) a tough one to gain points in but an extra good opening bowling session on Day 2 limiting the oppositions team score could make for an interesting result.

14A (Day 1) **HIGH 10/105** - V - **NEWINGTON COLLEGE 1/87**

High batted first and put together a creditable team score assisted by Run Ned Anson (42n.o). Lasith De Fonseka (22) and Jesse Cooper (8) as the main scorers. Newington had some fortune through High's rustiness in the field and finished at 1/87 with Phillip Lam 1/10 as the sole wicket taker. Still anyone's game to win
