

From the Principal High Talent

Congratulations to Ennes Mehmedbasic (Year 10) who received 2nd place in the under 18s category performing on the oboe in the prestigious *Australasian Double Reed Competition* held in Melbourne last week. Well done to Shuming Wang (Year 9) who was a finalist in the Future Leaders Cultural Award for 2010. The Year 10 debating team team (Alex Hughes, Robert Sternhell, Chris Chiam and Adam Ceh) are in the PDC state final against Orange State High School. It will be held at the Domain Theatre, Art Gallery of NSW on Friday 19 November. Well done so far and good luck in the final, boys!

Student Insurance

The school carries 24/7 accident insurance for every student. If your son is injured in any context, let us know. Aon Insurance has a schedule of claimable events with a maximum payout for each event. The payments are not a substitute for health insurance but do contribute to the recovery from injury in various ways and for emergency transport in certain circumstances. If your son is injured please go to www.sydneyboyshigh.com / welfare/insurance policy. All the necessary details are displayed on the page and PDF downloads of claim forms and procedures are also located there.

Year 11 Reports

Clearance Forms for Year 11 students are ready for completion. Students need to fulfil their obligations to the school before being signed out of the Preliminary Course officially and commencing their HSC year. This process begins with the issuing of Year 11 reports commencing next week.

Year 12 Portfolios

The Year 12 Clearance Forms are also being prepared. Many students will have completed their HSC examinations by the end of next week. I will be distributing references and portfolios to students who have completed forms as from Monday, November 8.

Parent and Student Mentors.

We are still looking for Student Mentors to assist with our incoming students. The role is neither onerous nor lengthy, consisting of a few phone calls and perhaps an exchange of emails. The Mentor role attracts two-points on the Student Award Scheme. Please consider helping out to make a new student feel more at home. Contact our New Students Mentor, Ms Reemst, to express your interest. Parents, we also need you to help out in making new parents to the school feel welcome. Email or call the school if you would like to help.

Staff Development Survey 2010

A comprehensive survey of staff development and professional learning was undertaken during term 3. The results were compiled by Ms Williams and have been published and discussed with the School Executive. Seventy staff members completed the survey of a FTE staff of 75, a 93% response rate. Some staff were on leave, so the result is a very strong one. The survey confirms that the integration of ICT into teaching and learning has gathered great momentum at High. It also affirms the efforts made by teachers to keep up to date with the latest pedagogical approaches. Some useful suggestions and more detailed data items came out of the survey. I hope to implement several of these for next year. I want to thank all staff for their great interest and cooperation in completing the survey with so much honesty and detail.

MORE RESOURCES MOVING OVER TO THE MCDONALD LIBRARY– THIS WEEK IT IS ECONOMICS, BUSINESS STUDIES AND COMMERCE AND (NEW IN 2008) SENIOR FICTION

Newer resources in the Senior only subject areas have now moved over to the McDonald Library. When Senior Fiction was purchased in 2008 the Librarian marked it for the Senior Library collection. It has finally got to the students it was intended for.

Eg MCD

means your book is in the McDonald Library and is fiction with an author's surname beginning with FER.

QUICK READS – LOTS MORE THERE

As the Librarian has been sifting through the fiction for old books to cull she has also moved lots of shorter books over to the Quick Read Spinner. So if you want a short read look on this spinner. Some classic authors are now featuring on this stand.

SIGNING OFF BEGINS NOW WITH YEAR 12 AND GOES THROUGH ALL YEARS BEFORE REPORTS ARE HANDED OUT.

For every boy in the school all Library books need to be returned (or if lost paid for) so that clearance sheets can be signed by library staff of either Library. Any boy with an overdue book will have had notices posted to his home and needs to respond to this communication from the library.

The Other Olympics

Towards the end of Term 3 the French, German and Latin students in Years 7, 8 and 9 participated in the LanguagePerfect Olympics. LanguagePerfect is a website which offers students the possibility to improve their vocabulary, grammar and sentence structure knowledge in the language of their choice (preferably the language they are also studying at school!). As an introduction to the site the organisers offered again the participation in the Olympics for free and the students got involved with great enthusiasm as they could see their score and that of their classmates on screen and if nothing else they are very competitive. The fact that they had to get a word right three times (randomly) ensured that they knew it by the time it came around the third time – and only then did they score a point.

It was not only the occasional lesson in the computer lab which improved the tally – they could – and did – access the site from home, too, and outdo their nearest rival. The result was quite amazing – the founders of the site – three New Zealand whizz kids – came to our school and presented the participants with five Silver (Sai Vimalanathan, Darryl Chan, Tom Du, Jesse Cooper and Allan Shi) and six Bronze Medallist Certificates (Edric Wang, Sheng An Zhang, Benjamin Nguyen, Samuel Pham, Steve Tran and William Wu) plus a large number of Credit certificates. Overall our school's ranking was 30 out of 400.

It is now planned to subscribe to LanguagePerfect for one year to build on the enthusiasm and – as we can submit our own material – encourage the boys to practise their vocabulary skills.

New Program in 2011

429027 – Bachelor of Psychological Science, School of Psychology, UNSW

The new Bachelor of Psychological Science is a 3 or 4 year program leading to an accredited degree in Psychology, as well as providing the option of taking a complementary major in a number of related areas. Psychology may be combined with a major in marketing, management or human resource management from the Australian School of Business, providing an excellent background for careers in the business world.

Alternatively, this degree also allows the study of majors in philosophy, criminology, linguistics, or history and philosophy of science from the Faculty of Arts and Social Sciences in preparation for a variety of social science careers. Students with a specific interest in physiological and neuroscientific aspects of psychology can combine Psychology with the study of vision science, neuroscience, anatomy or physiology from the Faculty of Science to prepare them for a career in a healthcare or biomedical research setting.

Students may also choose to focus on Psychology alone, and at the end of their second year, students in this degree have the option to choose courses that will provide them with the pre-requisites to gain entry to the Honours (fourth) year in Psychology.

Three or four year programs in Psychology can also still be studied through the existing B Psychology, B Science (Advanced) and B Science degrees.

Performance Against Joeys

The hard work of High players and our great basketball program, have allowed High to be successful in 16 of their matches! Congratulations to those teams! Most of the losses were narrow losses and hopefully can be turned into victories next year. First Grade had a magnificent match against Joeys, winning 96-43 with Emmett scoring 27 points and Craig with 20. In Second Grade, High was once again dominant, with Scott Renzenbrink netting 21 points and Blake McGlenchy producing 10 of his 'McGlenchy Magic' points.

Back to the Sheds Regatta 2010

It was a very successful Back to the Sheds Day last Saturday 23rd October with Old Boys, rowers, parents, supporters and friends attending. The day is gaining more interest each year and it was great to see so many enjoying the morning with a row in the regatta and/or socialising over a coffee and barbecue breakfast.

A highlight of the day was the Regatta. This year we had 8 crews competing - 5 crews of Old Boys, parents, friends and supporters which had participated in the 6 week High Rowing Challenge program, the 1977/78 GPS Gold Challenge Old Boy crew, and a hotshot recent Old Boy crew taking on the School VIII.

The races proved very entertaining for all spectators. In the shining sun, and with barely a wave on the water, the five mixed teams of friends, parents and Old Boys raced over the short course for a chance to take on the finest athletes in the High Rowing program, and it was the 'Dee-V-8' and '77/78 Gold Challenge' crews who won their place in the final. Then it got serious with the Old Boy crew taking on the School VIII. The Old Boys lack of training time together was overcome through sheer bicep size, and a shared desire to show the School VIII how things were done. This feature race was a tensely contested challenge between the Old Boys and the School VIII, won by only 0.5 secs by the Old Boy crew - Pat Desmond (c), Mitchell Kelly (stroke), David Vien, Andrew Pham, Shahar Merom, Jack Wachsmann, Matt Ling, Clive Chen and Adam Farrow-Palmer.

On the shore, competitors and spectators enjoyed the mingling. Our Captain of Boats, Jonah Petrie, welcomed everyone to the sheds and thanked the 1977/78 Gold Challenge crew and the High Rowing Challenge crews for their very generous donations. Amongst the crowd, and great to see back at the sheds, were the 77/78 old boy crew members, Raoul Lake, Iain Rennie, Adrian Cohen, Ian Crawford, Paul Say, Dave Nehl, Dave Morrow, Jim Dounis, Andrew Bowey and old boys Doug Donoghue (53), Viv Littlewood (52), Bob Holmes (45), Bryce Ross Jones (45), David Bell (46), Robbie Girdler (04) and Keith Jameson (61).

Upcoming Rowing Events -

- **Loreto Normanhurst Regatta - Saturday 6 November.** It is exciting to have 3 crews prepared and ready to race in this regatta at SIRC. The Year 9 1st Quad, the Year 10 1st Eight and the School Eight will compete.
 - **Senior Head of the Parramatta - Saturday 13 November.** The School 1st and 2nd Eight will compete in this 4,000m race finishing at the Sydney Rowers Club.
 - **Melbourne High Year 10 Visit - Wednesday 17 to Saturday 20 November.** Our 2011 Year 10 Eights will host the boys from Melbourne High and introduce them to rowing on the Parramatta River, finishing off with some serious racing.
 - **Junior Head of the Parramatta - Saturday 20 November.** This will be the first opportunity for all our Junior Quads to race. We will enter four 2011 Year 8 Quads, eight Year 9 Quads, and our two Year 10 Eights. A good vantage point to watch this race is from the Sydney Rowers Club.
 - **Family Regatta Day - Saturday 20 November.** After the Juniors and Year 10s race, all families are invited back to the sheds to have a try at rowing and enjoy an early lunch.

Sydney Boys High Cricket vs St Joseph's College

1st XI- St Joseph's 8 declared 280 (69 overs) (S Dias 1-34, J Moffat 2-24, T Connolly 4-34, N Bhagwat 1-69,)versus **SBHS 2-26** (20 overs) (O Meroni 3 no, M Phung 9, J Moffat 0 no, N Bhagwat 10) M phung ©

In a game punctuated by lost time due to the lightning rule being invoked – followed by torrential rain – we managed to get 90 overs completed on day one of our game versus last year's premiers – Joeys. They batted brilliantly to score 8 declared for 280 in 69 overs. Tom Connolly, on debut took 4-34 whilst Jesse Moffat bowled aggressively to snare two wickets for 24 runs. However, the pick of the bowlers was Sudam Dias, who bowled with great pace and control whilst taking 1-34 off 15 very impressive overs. Sam Lane, Siva Sooriakumar, Nakul Bhagwat, Michael Phung and Lahiru Katupitiya were busy in the field – Sam took two excellent catches. Sangeeth Subramaniam kept well. We lost two wickets before stumps when Michael Phung and Nakul Bhagwat narrowly missed out on negotiating the last twenty overs. We resume on 2-26.

2nd XI- St Joseph's 4/116(36.4 overs) (C Price 1/14(7), K Gunaratne 1/28(8), S.Thushyanathan 1/0(0.4 overs)) K Sivayogarayan (C)

A game which didn't progress past the 36 over mark due to lightning and heavy rain. The Sydney High 2nd XI left Joeys in a strong position going into next Saturday. Being sent in to bowl by Joeys, Caspar Price snared the first victim of the game early on with Dan Smith taking a full body diving catch down the leg side. A strong bowling performance by the Sivayogarayan brothers, bowling in tandem saw Joeys struggle to score at more than two an over and eventually saw Joeys crack under the pressure, with Al Hughes throwing a ball from square leg to have the batsmen run out. Going into a lunch at a strong position Kumi and Shivangar both made important breakthroughs early into the 3rd session thanks to catches by Al Hughes. Going into next week, the boys have put themselves in a strong position and if they are able to take quick wickets and then bat sensibly, a win is definitely on the cards.

4th XI- Sydney High 7/163(17 overs)- (S Danziger- 56 retired, H Sit 26, D Kim 24, L Ming 20) v **SJC 0/0- match abandoned due to wet weather**

16C XI- St Joseph's 2-109 Vs High (Match Abanoned)
Rain forced an end to a promising start, with Jason Hu and Sumen Kumareswaran (1 wkt each) demonstrating the benefits of bowling on the stumps. Congratulations to all 11 boys for attending, with special mention to Kevin Giang, who received praise from the MIC of St Joseph's Cricket for his aggressive bowling.

15A XI- St Josephs 4/279 dec(G Farrugia - 2/22 (6 overs), N Anson - 1/26 (4 overs), S Nagaraj 1/74 (9 overs)) vs **High 3/51**(N Anson 22 no, P Lam 8, L Defonseka 5no)

14A XI- High 7/54(V Murugananthan- 19, Jonathan- 7no, Rick-8no) vs **St Joseph's College**

We won the toss and elected to bat. Early on we lost too many wickets, all top 3 batsmen not performing. Their spearhead bowler, Chan, picked up 5 wickets and our team struggled to pick up his left arm angle. At 7 for 33 things looked dire, however a wonderful partnership fight back between Jonathan Chew and Rick Saha, took us to 7 for 54 at the end of the day. (The rest of the day was cancelled due to rain). At the end of the day Jonathan stands on 7 not out and Rick stands on 8. Our top scorer was Varunan Murugananthan with 19 runs off 19 balls.

14B XI- High 3/36(15) (S. Arudselvan-17no, T George-6 no, J Lin 2) vs **St Joseph's College- Match abandoned due to rain**

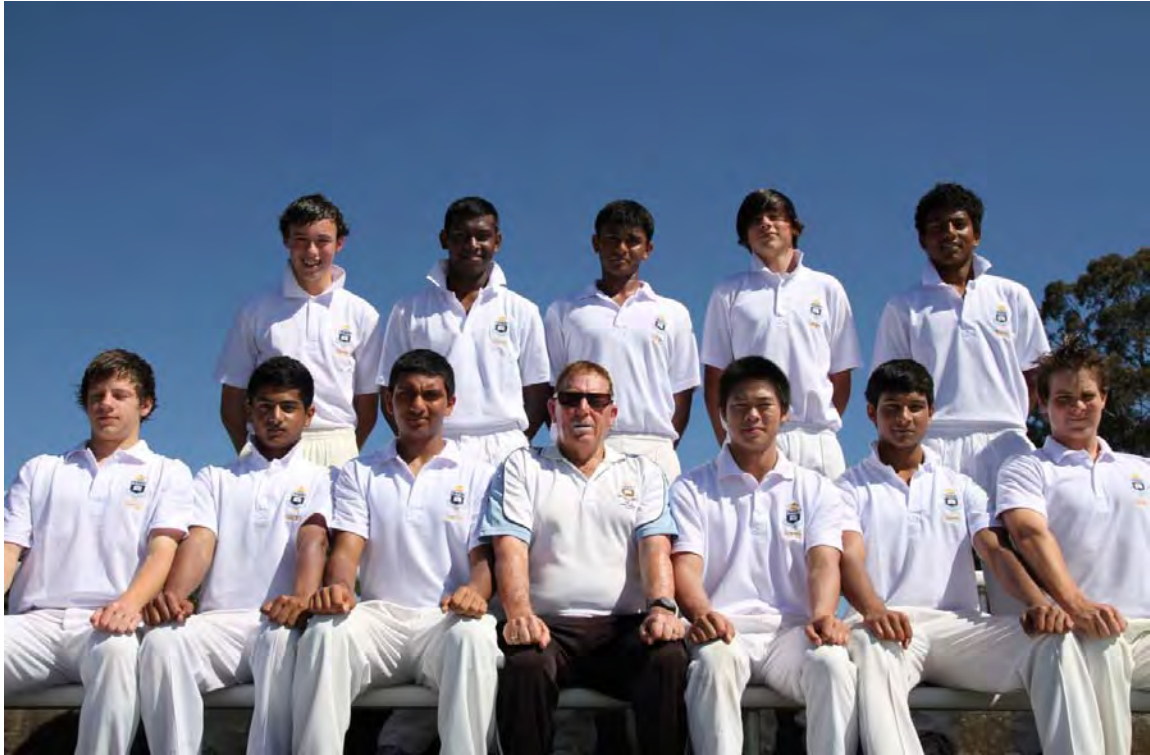

This was the first non-trial game for some new players in the team. We won the toss and chose to bat. Our openers played well for the first 3 overs. At break time 3 wickets had fallen and we had scored 36 runs. Due to the rain the match was called off. Continue the effort and encouragement, boys!

Quote of the week: cricket is mad soooo fun"debutant of 4th grade"- Dennis Kim

Joke of the week: What do you get if you cross a tin opener, a vampire and a cricket team? - Answer: An opening bat!

Don't forget group 1 teams are still playing against Joeys and group 2 teams are playing against Shore, check the cricket website for up to date details.

 DEVELOPMENT
 PROGRAM

FCB Escola - Talent Recruitment Program's main objective is to train and identify talented football players that may ultimately join the Futbol Base (at an elementary level) of FC Barcelona.

Once a year, the **FCB Escola – Talent Recruitment Program** will arrange for an FCB Escola coach to travel to Australia to spend time reviewing and recruiting from a pool of football players.

One nominated player, with a companion (parent), will then be awarded, at no cost, airfares to Barcelona, Spain, plus accommodation for 5 days (7 nights), so the player may carry out the necessary tests and training at FCB Escola, Barcelona. If the player passes the tests they may, at the player's option, train with the FCB Team according to age.
