

From the Principal High Talent

Class of 2010 University of Sydney Scholarship winners were: Jonathan Du, John Wormell, Mario Moreno, Benjamin Li, Brian Kelly, Andy Chiem, Vithusan Mohan and Nelson Wang. Elbert Ly (Year 10) has been accepted to participate on a 3-month student exchange program to Japan, departing in November. The recent Mufti Day and barbecue for Boggabilla raised \$2014. The total fund raising by the Community Services Committee this year to date is \$22,169. Congratulations to all concerned. It is heartening to witness the expression of social conscience among the relatively privileged boys (and their families) at High.

High Senior School Assembly – Prefects Investiture

The Internship system of School Prefect management worked well again this year, with all original Internees qualifying to receive their Prefects badges after serving the school as leaders since term 4, 2010. Far from being merely symbolic, the School Prefect badge at High is a statement of sustained service to our school. Respected sports journalist and prolific sports biographer, Ian Heads (SHS 1960), spoke to the boys about the great qualities of perseverance and self-discipline that he had identified in his research into the lives of famous sports people. He drew a parallel between character traits needed for success in sports or in life. He was an engaging speaker. Many boys who won awards previously published in High Notes were presented with medals, certificates or plaques. It was good to spend time in public acknowledgement of the achievements of our boys. Mr Devlin spoke to a detailed Moodle-based Athletics program allowing athletes to find information about athletics and access permission notes and entry forms online. Year 11 boys stayed on to be briefed in detail by Mr Kesting, Prefects Master, about the eligibility requirements for the role of School Prefect, the role of the School executive in the selection of Prefects and the election process.

High Junior School Assembly

Mr Viv Littlewood (SHS Captain 1952), himself a great example of loyalty to High, spoke to the Junior Assembly about loyalty in three directions: upwards, to your parents, teachers and leaders; sideways - to your team mates, friends and colleagues in work situations; and downwards, to those whom you lead, influence or have responsibility for. He emphasised what a lifelong impact being a High boy has had on him and exhorted the boys to appreciate the privilege of a High education and to show their loyalty to the school by engaging in its activities. Boys were honoured for their achievements and various medals and certificates presented. I spoke to the boys about the ubiquitous comments in their reports from teachers and offered them 5 tips on how to improve their academic standard in semester 2. **Get organised** – boys who do not use their diaries and write things down and plan their work fail to hand something in which hurts their award. **Focus in class** – so many boys miss opportunities to learn because they allow themselves to be distracted in class. Socialising is for outside of class time. Classes are for learning. **Complete all tasks** – Failing to complete assigned tasks, either in class or for homework, leaves gaps in knowledge that show up at assessment time. **Revise your work** – Notes from lessons, summaries, examples, essays re-written after feedback, practice problems, getting concepts in your own words – that's revision. It takes time and is an entirely individual process. Whatever works for you. **Study before exams** - to study is to refresh your understanding, to appreciate the concepts, to practise the skills and to memorise significant details. You need to study what you have previously revised.

School Reports and Parent Teacher Evenings

By now all boys should have their reports. Parents of boys in Years 7, 10, 11 and 12 have had an opportunity to talk to teachers. Please ask your son for his report if you have not seen it yet.

Tax Time – Donation reminder

If you have been thinking about making a tax deductible donation to one of the school's registered funds, now is the time to do so. The 120 *Monthly Giving Scheme* participants were sent their receipts this week for their contributions since July 1 last year. I thank them for their ongoing support for our project. We need your support to raise the capital to build a substantial addition to our school facilities in the form of a performing arts and multi-purpose space. Our first target is \$2m. Help us meet our goal!

PARENT TEACHER INTERVIEWS

Years 8 and 9 will take place on
Wednesday 29 June 2011
3.00pm – 6.30pm

Booking interviews with your son's teachers

This year we will again use a web based electronic scheduling system for arranging interviews. This produces better results for all participants, especially more compact time schedules for both parents and teachers. The system works as follows –

- On Tuesday 21 June all parents of boys in Years 8 and 9 were sent by email details of the scheduling system and a unique code to be entered at www.edval.com.au/book.
- This email will be sent to the address currently held by the school. If you have not received this email by the following day (22 June) or, if your email address has changed from what had been previously advised to the school, you should notify the school at ptnight@sydneyboys-h.schools.nsw.edu.au advising of this. Please indicate your son's name and roll class or date of birth so that the information can be forwarded to you.
- On the Edval website you will see your son's teachers listed and you will be able to select those with whom you require an interview. (If you hover over a teacher's name, the subject involved will be shown.) At the same time you can indicate your availability between 3:00 pm and 6:30 pm.
- Once the majority of parents have requested interviews, the overall schedule will be generated by the school and your individual schedule should be available for you to download and print from two days before the interviews.
- Boys from all Years will be dismissed from class at the conclusion of Period 5 on the day of the interviews. School Special buses will run to normal schedules and there will be supervision in the Junior Quad of boys waiting for these buses.
- *Interviews should not exceed five minutes' duration.* If there is insufficient time, a further appointment may be made for a later date, or contact by telephone arranged.

DRAMA: SHARP LOVE

Sharp Love was at its climax last Friday and Saturday. The boys' and girls' school collaborated on a glee-esque style production with plenty of dramatic flair and humour. By 6:30 the cast was excited and energetic. On both nights the Campbell Hall at SGHS was packed with an ecstatic audience, many of us enjoying the company of senior students and also some Year 9 students. We'd spent the entire day rehearsing and perfecting before our opening night.

The play consisted of scenes exploring themes from time periods in the 50s, 70s, 90s and the present day

with a framework of an intricate story of the internal struggles in a newspaper office. With an intense start of tableaux and a circuit, the production started to flow. The night ran well with audiences laughing at cheesy moments and in awe during the solemn romantic bits of each scene. The play culminated in a wonderful rendition of 'Seasons of Love'.

The whole play was a success after many long rehearsals, with audiences leaving both nights emotionally satisfied. The production was a great sign of the support and interest with the drama department and the beginning of many collaborations with the girls' school.

On behalf of the cast of the production I'd like to acknowledge the endless effort from both drama teachers; Ms Surbey and Ms Rohr, as their guidance was a large factor in our success.

Two weeks ago I asked: **wo ist der Dinosaurier?** No-one has spotted him yet. The next clue for him is: **er frisst grüne Blätter.**

Therefore there will be **two** chocolate bars to be won. Today's question is short and to the point: **Bertha?**

SBHSDEBATING

Next term the GPS season begins with our first debate against Kings on 22nd July. I have organised a bus to take students to Kings, but parents will need to collect their sons. Please ensure that your son has safe return travel arrangements made from Kings.

On that first Friday we will have our debating Assembly where we present the GPS Firsts and Seconds. Any parents who would like to attend must please contact me.

As you may know the annual dinner to celebrate debating at High concludes the debating season. It is held the week after the final debate of the GPS competition. We are also thanking our staff and coaches for their great work on all of the competitions that High enters in 2011.

This year's Debating Dinner is on
Saturday September 10 2011 in the Great Hall at 6.30 pm
The cost of the dinner is \$30 per adult/student.

A special price for children under 10 years has been negotiated at \$20. Parents BYO. Payment for the dinner can be made at the main office by 2 Sept 2011. NO bookings can be accepted after this date as numbers must be finalised for catering.

If you can help set up on the day, please email harry.chiam1@gmail.com

Please put this date in your diaries.

Year 11 PDC

The first round of the year 11 PDC was against Woollooware High School, where we found ourselves negating the topic "that we should have performance based pay for teachers." Our case revolved around the harms of having this kind of pay system, such as by stopping the sharing of new teaching ideas or teachers solely teaching to the test. In the end we won fairly convincing, partly due to our arguments and partly due to the fact that the other team many times only referred to pay increases in general, and not pay tied to performance. Thanks to Mr Webb for organising the Year 11 PDC team and debates.

Dear Parent/Caregiver,

At the start of Term 3 Sydney Boys High will be hosting the school's annual Drama Festival. The festival will include performances from students in Years 7 – 11 Drama classes. This is an exciting annual event on the school calendar and some participants will go on to represent the school at both the Sydney Region and State Drama Festivals.

To celebrate the achievements of our students we have organised two School Matinees for students in Years 7 – 10. Students in Years 7 and 8 will attend on Wednesday 20 July periods 3 and 4. Years 9 and 10 students will attend on Thursday 21 July periods 3 and 4. The cost of the incursion is a gold coin donation payable to your son's period 3 Teacher upon entry to the Great Hall.

There will also be an evening performance at 7pm on Wednesday 20 July. Tickets will be available at the door at a cost of \$5 for students, \$10 for adults and \$15 for families. This promises to be a fun, lively and highly entertaining event. Your support and attendance is greatly appreciated.

Reading Torque

Limitless (aka *The Dark Fields*), by Alan Glynn (2001), provided one of my favourite reading experiences to date.

Not only is the plot enthralling, but the themes of this techno-thriller novel are not pitched far beyond an adolescent mind. The story is about a writer in his mid-twenties, Eddie Spinola, who is living a dead-end life, failing to reach deadlines for projects, and binging on alcohol and junk food. He is so depressed that even wasting time is an effort.

Through an encounter with an ex-brother-in-law (a bad omen for starters), Spinola comes across an experimental drug, ‘MDT-48’, which enhances the function of the brain four-fold. It grants him heightened creative, intellectual, and learning powers, and the ability to see meaningful patterns in large amounts of disparate information. Through usage he completes all of his writing projects in one sitting, learns new languages in a few days, wins back his ex-girlfriend, and then abandons writing for a new career in high-finance. The catch to this drug is the horrendous withdrawals. In fact, unbeknownst

to Spinola, all previous users are either dead or terminally ill.

As the story progresses, and his dosage of the MDT-48s increases, Spinola clean sweeps the Stock Exchange and gets involved in a merger deal which sends forty-eight million dollars his way. His ever-increasing usage worsens the drug's side-effects however, causing untimely black-outs and lack of sleep. His limited supply also begins to run out, and Spinola falls under life-threatening pressure from Russian loan sharks who are demanding MDT-48s from him.

This novel is intriguing because of the mature atmosphere of the book and the clear manner in which it is written. Also, because *Limitless* has a first person narration, the reader has full access to Spinola's thoughts. I felt a connection to him as if I'd known him for years, and if I were to stop reading, I'd offend him.

Overall, it is a great read, and I recommend it to anyone looking for a novel with lots of twists in the plot and conflict within the main characters.

WHAT'S UP IN THE MCDONALD SENIOR LIBRARY?

The anime film festival held in the library in weeks 7 and 8 was a great success with many senior students enjoying the three excellent films shown. These were *The Lost Thing* by Shaun Tan and *Porco Rosso* and *Howl's Moving Castle* by Hayao Miyazaki. So much so that we have had requests to repeat this another time. This will probably happen next year now.

Thank you to Tim Chan for his help with his webpage promotional poster and assistance with the crowds attending! Thanks also go to Joseph Lui for his brilliantly designed and drawn anime poster for the event and also to Hubert Suen for his clever and effective poster!

We would also like to express our appreciation to Mr Hannon, a fervent Miyazaki buff for his support during showings, his spot-on suggestions and for providing preview copies of all the films.

The McDonald Senior library has been operating as such for over two years now and has developed into a fully functioning library with our collection growing each term to provide both online, book, magazine and DVD resources available for students to use and borrow.

The Teacher Librarian is available to assist students in their studies to find and utilize effectively the information they need and to give readers advice about good fiction and literature in general to suit their learning requirements and to encourage reading for enjoyment.

To ensure that we are on the right track we are asking students to provide feedback in the form of a **survey** which they can complete. There will be a link from their **student portal** to the Library Surveys in Moodle titled **MCDONALD SENIOR LIBRARY USE SURVEY**.

Finally, many new books and other resources are currently being added to the Senior Library collection, information about which will be appearing on a new webpage called LibraryThing. So students and teachers should look in their portals for the link to this useful information about exciting new resources in the libraries!
