High Talent

At the recent Australian Junior Volleyball Championships, Amandeep Dhaliwal (Y11) was selected in the Australian All Stars 7 Volleyball team. This team represents the 7 best junior volleyballers in Australia. Well done, Amandeep. The results of the UNSW School Mathematics Competition have been announced recently. In the Senior Division, Declan Gorey (Y12) was equal first (\$250), Kenny Lau (Y11) and Gary Liang (Y11) received High Distinctions (\$100), Dawen Shi (Y12) received a Distinction (\$50) and Ennes Mehmedbasic, Ankur Paul, Stephen Trang, Peter Wu and Jack Zou (Y11) received Credit Certificates. In the Junior Division, James Chen (Y10) was second (\$200) and Eric Xu (Y10) received a High Distinction (\$100). Well done to all.

Prefect Interns 2012

Elections for Prefects for 2012 were finalised on Tuesday. 36 boys were elected to fill the roles of Prefects for 2012. The boys elected met on Thursday 25 August to determine the School's Captain and Vice-Captain for 2012. The Captain and Vice-Captain will appoint a Senior Prefect. Congratulations to all boys elected. The boys elected will serve an internship during Term 4 2011 and will be formally appointed (and sign the Prefects' Register) in Term 2 2012. When considering applicants for the role of Prefect, consideration is given to the boys' involvement in the school (as reflected in the Awards Scheme), academic progress and attendance. The boys elected will be expected to continue to set an appropriate standard in these areas.

Sports Council Meeting

Mr Pavone (HT Sport) arranged for Deborah Moffat (mother of Jesse (Y11)) from Loulaki Blue to make a presentation to the Sports Council to assist with Strategic Planning. The presentation covered techniques that can be used to identify issues and work through the

implementation of solutions. The presentation was well received by the meeting.

Winter Sport season

Saturday saw the end of the GPS Winter Sport season. Our Volleyball teams (1sts and 2nds) won their respective competitions. Congratulations to Mr Kay and the boys involved. Unfortunately, Saturday was again affected by adverse weather conditions earlier in the week. It was the fourth Saturday during the season on which it was necessary to cancel some fixtures. I would like to thank Mr Pavone for his early morning efforts on wet Saturdays to ensure that any cancellations are communicated via the school's website promptly so that boys do not travel unnecessarily to venues. It is our aim to update the website by 7:15am (if not earlier) if there are cancellations.

Athletics Season

The weeks between the end of the GPS Winter season and the GPS Summer season are devoted to a short, sharp season of Athletics. In these weeks, Athletics is the sport which receives priority. Mr Devlin (MIC Athletics) has organised a program, using quality coaches, designed to maximise the performance of the boys involved. Wednesday and Thursday sport afternoons at this time of the year have a number of options: GPS Athletics, some pre-season activities for summer sports, some post-season activities for Volleyball and Fencing and inter-house athletics. The priority sport at this time is GPS Athletics. If a boy should be a member of the GPS Athletics team, he should not attend pre-season activities for a summer sport on Wednesday and Thursday sport afternoons. If you are interested in Athletics and have not yet approached Mr Devlin about being involved, please do so as a matter of urgency. There are a significant number of Award Scheme points available to members of the Athletics Team.

Applications for Enrolment 2012

The process to handle applications for enrolment for 2012 is nearing completion.

Thanks are due to the teams of teachers who assessed the applications for different Year groups. Their assessments were used by Dr Jaggar (Years 9 and 12) and myself (Years 8, 10 and 11) to determine the list of applicants to be interviewed. Most interviews have now been held.

The Parent Portal

Have you registered for the Parent Portal? The Parent Portal allows you to view almost all of the information that your son is able to view on the Student Portal. You are able to check your son's attendance record, including late arrivals and whole day absences. You are able to check that the contact information (address, phone numbers, emergency contacts etc) is accurate. You are able to access PDF copies of your son's reports (if he has picked up the original copy from Dr Jaggar), your son's timetable, examination timetables etc. To register, you will need the email address on the school's records and your son's School ID number. This can be found on his timetable or on his ID card. If you are unsure of the required email address or ID number, call the School's Office. When they have established your identity, they will advise you of the required information. Click on the Intranet Login link at the bottom of the Home screen on the school's website. If you have not yet received your username or password, click on the Parent Registration link. Supply your email address and your son's ID number and enter a password of your choice. Make a note of the user name assigned as you will need it and your password for future access to the site.

DIE DEUTSCHE FRAGE

Ein deutscher Staatsmann und ein Gericht mit seinem Namen – a German statesman and a dish that has his name – was the challenge last week.

On Monday Vyaas **Rajan** (Yr 7), Wilber **Koslowski** (Yr 10) and James **Goh** (Yr7) had figured out that the Statesman had to be **Otto von Bismarck** and the dish "**Bismarckheringe**" – marinated herrings and definitely an acquired taste (you can get them in major supermarkets in the Eastern suburbs).

Die neue Frage: Uhren, Uhren, Uhren – aber was ist bei einigen Uhren nicht richtig? (cryptic? Aber ja!)

NEW BOOKS IN THE SENIOR LIBRARY

The Senior Library has new books displayed on the school website via the Student Portal/My Library/New Resources. Have a look and come and borrow great new fiction and non-fiction titles.

From the Canteen.

Did you know that

- all profits from the canteen are used to purchase resources plus improve playground, classroom and IT facilities at High.
- a parent committee meets once a month on the 2nd Friday 2.45-4pm to oversee the running of the canteen.

Both our President and secretary are finishing at the school this year, so it is important we have new people come onto the committee so the canteen operation continues to run smoothly.

We are very fortunate to have excellent canteen managers and the committee essentially are there to help keep the canteen running in the best and most efficient way possible for the benefit of the boys and the school.

The general committee help with stocktakes, assisting with volunteers, Open days etc. The positions of President and secretary are quite straight forward and involve doing High Notes, minutes of meetings etc. These are positions that do not take a lot of time as everything is in place to keep things rolling along so to speak.

Being on the canteen committee is an indirect and easy way of helping make a significant contribution to your son's education at high school.

Please phone Canteen on 9360 4027 if you are able to help.

Our next meeting is Friday 9th Sept in the Boardroom (Admin building) so please come along - we would love to see you.

Many thanks to the following people for their help last week...

MONDAY: Anita Bezjak, Yalin Hua, Lynn Chen, Maria Nguyen

TUESDAY: Cia Koukouras, Jenny Dong, Angela Pak, Sharon Hughes,

WEDNESDAY: Mary Chan, Hiroko Kitajima, Doris Fong, Mei Gibbs,

THURSDAY: Stam Farrugia, Ming Lee, Vanisri RaviRay, Nina Ilin Liu - thankyou Nina for coming the extra day this month, the managers really appreciated it.

FRIDAY: Linda Perris, Susan ZHANG, Trang Nguyen.

Thank you The Canteen Team

The Governors' Centre for Excellence in Education

An SBHS and SGHS Joint Project

The Governors' Centre for Excellence in Education is a once in a generation opportunity to build a landmark facility to enhance the educational opportunities for current and future generations of students of SBHS and SGHS.

- ✓ Estimated project cost \$8 million
- ✓ Target funding by the two schools \$4 million
- ✓ Target for SBHS Building Fund \$2 million
- ✓ Current balance is \$1.1 million
- ✓ Major capital works voluntary contribution - \$500 per year or join monthly giving program at \$50 per month
- ✓ All contributions fully tax deductible
- ✓ An information package for the project and an invoice for the voluntary contribution will be distributed shortly
- ✓ With widespread High family support we can achieve our fundraising target

Dear Parents, Staff and Students

At last week's School Council meeting followed by the P&C general meeting, parents and other members of the school community were presented with details of *The Governors' Centre for Excellence in Education*, a joint project with Sydney Girls High School. The project is a major undertaking with an estimated cost of \$8 million.

***The Governors' Centre for Excellence in Education* is a once in a generation opportunity to build a landmark facility to enhance the educational opportunities for current and future generations of students of both schools.**

To strengthen the joint application for government funding, both school communities need to demonstrate substantial financial commitment to the project. Each school has set a target of accumulating \$2 million in its building fund. The Girls School is ahead of us in saving to reach their \$2 million target. We need to catch up. The SBHS Building Fund currently has \$1.1 million.

The School Council and P&C considered many options to accelerate the accumulation of capital for this joint project. They have agreed that the school should introduce a voluntary contribution of \$500 per annum for major capital works to be invoiced now for this year and at the start of Term III in each of the next two years, with the option for each family to pay \$500 each year in a lump sum or join the monthly giving program at \$50 per month. All contributions will be fully tax deductible.

You will shortly receive an information package for the project and an invoice for the voluntary contribution. The High family and I seek your support. Together we can achieve our target and build this landmark education facility.

SBHSDEBATING

This week debating at St Ignatius was disappointing for many of our debaters. In particular it is a shame that Firsts and Thirds lost. However seconds continue with their unbroken record of success in GPS – which combined with their very successful run in both the FED, Eastside and PDC competitions means they are definitely going to be a force to be reckoned with next year. In addition there were wins from 7A, 8A, 9A, 9B and 10B – so well done boys.

We only have two more weeks of debating left. Both of these are home debates: firstly against Grammar this Friday and Newington next Friday. Both events are keenly anticipated and I urge all Junior debaters (especially those with ambitions to be in the key teams in the future) to make a special effort to come as spectators for the Senior debates. One of the Year 10 parents was telling me that after his son had watched his first Senior debate his debating skills really improved and he says this is definitely due to seeing and listening to the older boys.

I am in the process of allocating award points for debating. Students need to check on the Debating notice board to see that they have the correct number of points and see me if there are any mistakes. Twenty points are available for attending coaching regularly all year and then there are additional points for taking part in FED, Eastside, PDC, Les Gordon, UNYA and GPS comps and chairing debates – one per debate (either as a debaters or as chair). Those students who have helped me organise the home debates nights get 5-6 award points per night for community service. In total 30 points can be awarded for debating.

This is the last week of coaching for non GPS debaters and I will be using it as an opportunity to check roles for award points. I must say that some Junior debaters have not even taken part in one debate (outside of coaching) this year. There is absolutely no excuse for this as, in addition to the huge number of competitive opportunities we provide, I have provided 3 opportunities for social debating against Reddam House, Rose Bay and SGHS. This suggests that some students are attending coaching just for the award points and I have a strong suspicion that these are the boys that don't take the coaching sessions as seriously as they should. Next year I will be looking carefully at Year 8s and Year 9s to see which boys are not taking debating seriously and will ask them to leave the program (whether they have made or co –payment or not).

Many of our coaches: Kevin Yu, Michael Coutts, Lucian Tan, Ellie Bath, Shaun Crowe, Nina Ubaldi, Blaise Prentice – Davis and Alice Dixon will be leaving this year. This is very sad for me and for the students as they are an extremely experienced and talented group of debaters and coaches. They promise me it was nothing I said! It is important that your son thanks his coach and says goodbye properly (whether they are leaving or not) and a good opportunity to do this is at the Debating Dinner.

Finally it is the school Open Day next Thursday and I would like some help for our promotional stand from some debaters. Also if there is anyone with good computing/creative skills could they please help me improve on the leaflet that we have. Thanks.

Weekend Results

Round 7 of the GPS competition saw High play Riverview last Saturday. The weather forecast wasn't looking kind for our last games of the season. Luckily, most of the heavy overnight rain missed Centennial Park leaving McKay 2 open for matches to be played. 15As kicked off at 9am against a Riverview side that has remained undefeated since U12s. Whilst playing far from their best, the match demonstrated how much the team has developed this year. Following the Gold Coast trip, different combinations were found and in this match, key players looked very comfortable in their roles ensuring periods of brilliance were shown. It shows once again, playing with the right attitude, we can match up against any team at any grade. This was the story for much of the day, and it should act as extra motivation next year to train better and play smarter. Finally, a big shout out to all the boys who watched 1st grade. The Year 12 players greatly appreciate the support in their last games for High. Congratulations to all players on a fantastic season!

End of Season Reports

All captains must submit their end of season reports for The Record in digital form to Ms May by the 16th of September. Report guidelines are available for download on Moodle and a further template is available from Mr Stein if required. Results of the season can be found in this edition of High Notes as well. Without a report in the record of your team, it will be like the team never existed! So make sure one is submitted as soon as possible.

SBHS Rugby Dinner

The Rugby dinner will be held in the Great Hall on Saturday the 27th of August 2011. As this is the same day as the Bledisloe, the dinner will now **start at 5pm to conclude at approximately 8pm**. That way, we can **facilitate the live broadcast of the match on the big screen in the Great Hall!** We encourage all players and parents to stay back to watch this year's Tri-Nations decider.

Moment of the week: 15As – Despite a score line not so favourable, the team played with spirit, skill and discipline. Riverview supporters were so impressed, one parent has written to Dr Jaggar about the performance.

VOLLEYBALL – ROUND 10

This was the final round for the GPS Competition 2011. It's become a tradition that our final match is played against Grammar, at home. It's an old rivalry that brings out some excellent matches and great atmosphere. Saturday's games were no different, with the added benefit of the junior competitions adding to the excitement. Grammar always puts its very best players against us and the match is far from a foregone conclusion.

Grammar brought a very large Seconds squad to meet us. From the whistle it was clear that this team had some excellent players and were out to upset our winning streak. Points were hard fought for and it was only slowly that our Seconds managed to pull ahead, finally sealing the first set 25-15. A second, even closer set followed. It was clear that with their rotations they had a set of fresh players to call upon but we just managed to hold on to the set. A final set went our way relatively easily to see the Seconds again at the top of the ladder with 24 points whilst an increasingly strong Riverview claimed second place with 20.

If the Seconds game was going to be tough it was very clear from the outset that our Firsts had one of the biggest challenges they'd faced this year. Grammar stormed out to take the early points. High gradually pulled level and then ahead. This was soon reversed and from there on, the lead changed several times. Only a massive spike finished the first set in our favour when it could have easily gone the other way. The second set started as a repeat of the first with a strong Grammar lead slowly eroded to allow us to run out a more comfortable result. Set three, again a tough one was closed out quite effectively. For those who just look at the numbers it can seem like another easy High win but when you are playing on the court it is entirely different. Grammar, given a few errors on our part would have easily taken it out in 5 sets. The GPS competition is getting stronger and there are now few teams against whom we can feel relaxed. Talk of improving the coaching standards amongst other squads means only more pressure next year, not less.

Amongst the excitement we mustn't forget the juniors. They bring a huge amount of noise and excitement to a gym that can be eerily silent for some matches. It gives the teams great match practice as well as getting the sport into the junior levels – it's an unmatched development opportunity for all schools joining in. This time, Grammar brought 2 squads with their 'A' team taking their match 3-2 whilst our 'B' team won 3-1.

The statistical analysis of matches also finishes this round. It's been a trial this year but a very successful one. It has identified key areas of strength and, more importantly, weakness so we can put our limited practice time to maximum use. Students can see how they are progressing and what they need to focus on. Off-season refinements will continue but this has proven to be of great benefit to us. Our final statistics are:

Player	Passing Accuracy % (number of contacts)	Serving Efficiency % (number of contacts)	Spiking and Blocking Efficiency (number of contacts)	Kills (Spike or Block)	Massive Ups	Total %
