

From the Principal High Talent

Congratulations to our high achievers in the Australian Business competition: Daniel Tam (Year 11) national prize winner in the Junior Division and Aaron Wong (Year 10), NSW prize winner in the same division.

Year 12 Students

Year 12 boys are currently in the midst of their Trial HSC examinations. Early next week HSC practical exams for drama are scheduled. Year 12 parents should have received a letter from the Principal containing information about arrangements after the Trial HSC, the procedure for N awards, scholarship deadlines, reference process and final portfolios and warnings about the consequences of unacceptable behaviour in the last weeks of school. If you haven't received such a letter, please contact me and I will have one faxed or emailed to you.

Facilities Upgrade

A new fence and pathway have been constructed at the amphitheatre to provide access to the basketball courts and to try to improve the drainage in the area. We are about to sow some grass seed there in the hope of rebuilding the ground cover to stop erosion and silt getting onto the basketball courts. The walkway next to the COLA has had its seating and drainage completed with a decomposed granite and concrete surface to allow for water run-off and pedestrian traffic. I am asking the High community to respect the new areas to allow the grass to grow and the paths to bed in.

Australian Curriculum Implementation

Next month we expect to see the publication of the four new syllabuses in the Australian curriculum: English, mathematics, science and history. Support materials should be available by December. For 2013 there will be a phase of familiarisation and planning. The new syllabuses will be implemented from 2014 for Years 7 and 9 and in 2015 for Years 8 and 10. Boys in Year 7 this year will be affected in 2014.

Weights Room Arrangements 2013

In the last couple of years there have been many cancelled invoices and re-invoices and accompanying paperwork surrounding access to the weights room. Boys pay for a term and change their minds and want the whole year. Some pay the whole year then want to opt out later. These transactions are time consuming and costly. Students who wish to use the supervised weights room in 2013 for the whole year should indicate their interest by commencing attendance in February. All regular users of the weights room at the end of February will be invoiced \$185 for unlimited use of the facility for the rest of the year. There will be no further opportunity to access the yearly discount rate after that time. Existing users who have not paid \$185 within 14 days and any new users of the facility will be invoiced on a term basis of \$75.

Sports Policy Forum

Approximately 90 people attended our Sports Policy Forum in the Great Hall on Wednesday evening. There were many points of view shared in a 2.75 hour discussion. No decisions were taken at the forum and the consultation process is continuing. From my perspective there was consensus growing around the need to administer Saturday sport more effectively and efficiently. There was no disagreement on the idea that if a boy signed on for a GPS sport then he was committing to a program. Full participation in a sport was desired. The school was challenged to provide supervision for every GPS team and to then make students accountable for their attendance. There was support for a staged approach to the implementation of any policy that might be ratified by the School Council.

Tournament of Minds

The regional final is on 26th August at Sydney Girls. This year we will be entering teams in three disciplines.

Christopher Chiam is facilitating the Applied Technology team of Marc Betbeder-Matibet, James Goh, Dominic He, Daniel Hu, Peter Lin, Stratton Vakirtzis and Madison Wu.

Sooraj Prakash is facilitating the Social Science team: Hugh Bartley, Riley Irwin, Kierny Mascarenhas, Andrew Nguyen, Justis Nguyen, Thomas Nguyen and Lokesh Sharma.

Allan Feng is facilitator for team Language/Literature:

Ganeshmoor Chandrasekaran, Sunny Cheng, Advait Joshi, Azam Malik, Karstan Michael, Eddy Xiong and Jeffrey Yang.

These students are immersed in creating innovative solutions to the challenges which have been posed and they are learning what it means to work as a team, independent of outside assistance. Tournament of Minds is a wonderful opportunity for boys to work collaboratively with students from a range of year groups. (Each team must include 2 Year 7 students.) Wish them luck in their endeavour to complete their respective challenges within the 6 week time-frame which is rapidly expiring!

Philosophy Group

The Philosophy core group consists of 3 students (Khushaal Vyas Yr 11, Riley Irwin Yr 10 and Thomas Nassif Yr 9), who are being supported by the group in their preparation for the Philosophon being hosted by Ascham on the 8th September. The regular participants in our circles of inquiry on Tuesdays are: Michael Alexandratos, Marc Betbeder-Matibet, Christopher Chen, Christopher Ketkeo, Philip Mai and Nelson Tamg. (Other students have dropped in casually for a session.) This year we have been very grateful for Dr Jaggar's support in allowing us to engage a PhD student from UNSW as tutor. Mr Hamish Dunlop was recommended by Dr Karyn Lai (mum of Toby Funston in Yr 12) who very generously gave her time to prepare students for this event last year. The topics this year are not for the faint hearted! 1. How can I be happy? 2. Do Animals have minds? 3. Is it morally worse to kill someone than to let someone die? EDUCATIONAL ACCESS SCHEME (2013)

Most institutions that participate in the University Admissions Centre (UAC) have an Educational Access Scheme (EAS) for applicants who have experienced long term educational disadvantage. To qualify applicants must demonstrate that their educational performance during Years 11 and 12 or equivalent has been seriously affected by circumstances beyond their choice or control.

Students applying for Educational Access Scheme (EAS) for Universities in 2013 will need to download their booklets and application forms from the website: www.uac.edu.au

If you require a Statement of Support from the school counsellors, your EAS form will need to be in to them with all required documentation by beginning of week 8, term 3 (or before if possible). The responsibility for sending the finalised application to UAC by closing date at end of September 2012 rests with the individual student.
E Harman and J Noakes (School Counsellors)

PAWS Update

The new People and Animal Welfare Society have got off to a flying start this term! They have made posters to educate the school community about some of the issues they have been learning about, had a guest speaker attend one of their meetings and are now organising a raffle to raise money for Peanuts Funny Farm, an animal sanctuary that also helps children from dysfunctional backgrounds. Look out for raffle tickets on sale next week – there are some great prizes to be won!

SCHOOL STUDENT TRANSPORT SCHEME (SSTS)

School Student Code of Conduct – Students travelling on buses must:-

- Dip school bus pass or pay the fare when joining the bus. This is particularly important as the data collected from the on bus fare collection system may be used for service planning purposes
- Use school specials when provided
- Vacate seats for adults when requested
- Follow the driver's instructions about safety on the bus
- Respect the needs and comfort of other passengers
- Behave appropriately at all times (e.g. no offensive language, no throwing things)
- Protect bus property (e.g. no vandalism)

Students are reminded to:-

- Only use the school bus pass for its intended purpose i.e. for travel between home and school (does not include travel to and from sporting activities)
- Maintain possession of the school bus pass at all times.

During 2012, authorised officers will be deployed to inspect **Code of Conduct** compliance on school bus services in the Eastern Region. Students who are found to have breached their obligations may lose their travel entitlement and possibly incur an infringement.

SBHSDEBATING

This week I am very excited to have received the completed First Grade ties. Unfortunately it was a little late for the Debating Assembly and the Hume Barbour final, but in time for the final four GPS debates. The boys will look very smart in matching ties and it makes me pleased that for the first time debaters will receive something to show they represent our school at a co-curricular activity. It's something for you younger boys to aspire to as these will only be awarded to First Grade debaters.

Well done to the Year 11 PDC team who made it through to the regional Final on Friday, but were very closely beaten by SGHS. Agnish, Connor, Wilber and Khushaal have done well debating this term and I have enjoyed watching them in their PDC debates. They have won (as members of the Seconds or Thirds) all of their GPS debates so far and I hope they enjoy continued success. As well Khushaal, Connor, Wilber will be at the MUNA national final this weekend. We wish them all the best with their representation of Iran at the conference.

Meanwhile Year 8 lost against Randwick Girls and so are out of the PDC comp, but Year 10 are through to the regional quarter finals.

On Friday we had a 75% winning score against Shore. Well done to you all boys. It was an awful night and I was very pleased to see so many parents turn up. I was EXTREMELY impressed with the quality of the debate by our Year 7 debaters. You boys are going to be a force to be reckoned with in later years. Keep up the excellent work.

Tonight we have a home debate against Kings and so I hope to see many of you here. Please remember all the new rules regarding GPS and the Code of Conduct.

Antony Paul is leaving us this week to go on a foreign exchange. Don't worry Antony will be back next year and Felix is taking over from him to see out the GPS season. Thanks and Good luck to both of them.

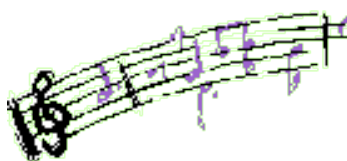

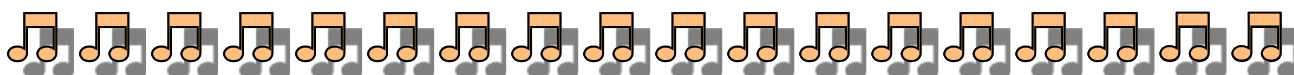

I am selling tickets for the Debating Dinner or you can pay at the office. I am amazed at how many seats have already gone. If you want to attend you need to get your tickets in good time. This year we have the coaches' debate and each coach will be awarding a prize – so it's EVEN more of an incentive to come along. In addition it's a lovely evening to celebrate your successes which will be fresh in our mind, as it is the day after our last debates against Grammar.

Rachel Powell
MIC Debating

This week against Kings (at home, don't forget a plate of supper!) marks the midpoint of the GPS season, and so far our 1st and 2nd grade teams couldn't have asked for a better start, winning all three of their debates so far. Particularly impressive are some of the results in the junior years, so it looks like High debating is in good hands for the future. Also very encouraging was the number of debaters coming to watch the 1st grade last week at Shore, hopefully we can better that for the last 2 home debates of the season!

NSW School's Cup Tournament Results

2nd Grade

On Friday the 3rd of August Sydney High competed at the NSW School's Cup tournament. Unfortunately, due to the imminent Trials the Year twelve players were unable to attend; which had a filter through effect on all the senior teams. Thus, our second grade team was short on a few players, with many players being called up to play in first grade. Regardless, players from the combined third and 17B side were able to work together towards a very pleasing result for a cobbled second grade team, especially considering a number of players were not playing their regular positions, often swapping between two or three different roles. In addition to that, the timing of the games was not to our advantage, with only 40 minutes being allocated per game; allowing us to play only one-and-a-bit sets against each team. The first set against Carlingford was lost incredibly closely, but due to time restraints we were unable to get a sufficient enough lead in the second set for it to count as a draw. Those results were duplicated for our second match against Cabramatta, and again for our match against Great Lakes, where we were finally becoming accustomed to our new positions. By the time our fourth match rolled around against Rooty Hill we were now comfortable in our spots, winning both the first set and leading well into the second set when the buzzer went, ending the match. While on paper the scores might not appear too favourable, in practice the 2nd grade team played very strongly throughout the day and against a number of disadvantages.

Calum York

1st Grade

Friday the third saw a crisp August morning dawn on Olympic Park. Many schools had assembled from far and wide to be victorious in the School's Cup competition, Sydney Boys High included. Unfortunately, due to the mental preparation and strain caused by the then imminent HSC Trials, the veterans of our team were absent from duty. As such, the weight of responsibility was laid squarely on the untried but determined shoulders of the younger teammates and newcomers from the valiant second grade team. This somewhat tribal rite of passage came off with a scintillatingly surprisingly superb start, sealing success against the under 16 NSW volleyball team. This excellent form continued throughout the rest of the pool draw, winning every confrontation. Into the quarter-finals, the High team was able to go over the top and advance as a strong unit into the semi-finals. Unfortunately we lost to Westfields Sports High.

This week, High played Newington in a very close match. The new look High team exceeded expectations in keeping their nerve under extended pressure. Closely losing the first set, the team rallied in the second to make the set score 1-1. High closely lost the third set, however the exuberance and energy provided by the new younger members of the team allowed for a close win in the fourth set. Going into the decider, we knew the Newington side would give us a dogfight. However, the spirit of the team was able to triumph, getting off to a fiery start, gaining a solid lead of seven points which saw us to the win. Notable mentions go to Shawn Noronha who had a blinder in the fifth and to Jason Lee for backing up after playing a previous five setter for second grade. Thank you also to those who stayed behind to act as linesmen and scorers.

THE ONION BAG

Week 3 against Shore saw High open its win column for 2012, recording a gutsy 2-1 victory. Back at home on the smaller, faster Dave Phillips synthetic, it was going to be tricky overturning the 2-1 defeat suffered in pre-season against a Shore outfit with a lot of skill. Compounding this was the news that starting striker Oliver Meroni had damaged his ACL in the game against St Ignatius and was out for the rest of the season. We wish Oli all the best and hope for a speedy recovery. On the back of that re-shuffle, Mark Iskandar got promoted from 2nds and Andreas Purcal was left to fill Oli's boots up front.

The message prior to the game was that it will not be the most skilful team who wins today, but the team that is willing to work harder, push for every ball and play the full 80 minutes at the highest intensity. High was first to open the scoring and it came from an unlikely source. With a strong wind at High's backs for the 1st half, some good build up play saw High receive a free kick in an attacking position. Up stepped Daniel Jones and, whilst the strike was not the cleanest, it was perfectly placed into the far corner and out of reach of the Shore 'keeper – 1-0. Shore had a free kick in a similar position and if not for the strong hands of Anton Brokman in goal, it could have been all square.

Half time came and went with the knowledge that the wind was now in our faces, making our task all the more difficult. However, it was to be High that would be next to score. On the back of a perfectly weighted cross, Arjun Puneekar rose above the pack like a salmon leaping upstream to head the ball home.

Unfortunately, as is often the case in football, High relaxed and a well-weighted through ball left the Shore striker one on one with Brokman and he made no mistake, halving the deficit. Some stoic defending from High saw them hold this lead all the way to the final whistle, taking the 3 points. Another superb team performance and one that leaves the 1st XI in an excellent position on the table as the only undefeated team remaining.

High face another strong test against King's on the weekend and with the majority of football fixtures taking place at King's, we strongly urge all boys to come and support the 1st and 2nd XIs after their games.

High vs Shore

The third GPS game was very competitive for most teams, with 7 out of 15 teams winning and the 15s getting a clean sweep. After a narrow loss in round 2 the 1st XV showed fighting spirit to hold off a rampaging Shore 3rd XV. With only 13 men left in the last ten minutes to defend the line the boys held on to come up with a 19-17 victory.

Team reports – Each week one team/age group report will feature in the High Notes with the rest going on <http://www.sydneyhigh.org.au/rugby/>.

"Today, we have to win this..." I told the team. We were supposedly facing a team much faster and stronger than us. We had a strategy to play smart and to work with our advantages; lineouts, running and our rucking. High lost the flip, and the other team kicked to us with the wind at our backs. We were all uneasy but when the whistle sounded, we were off and running. Our forward pack was rucking extremely well, and our backs were not dropping the ball despite the high wind. Shore scored the first try with an overlap on the wing. We then scored two successive tries by Elliot and Chris and ran off with high spirits. The score was firmly at 14-5 our way. We ran on and held our game until Shore did a quick pick and drive and scored a try. The score was 14-12 and we were feeling a little bit shaky. Shore drove us back and got a penalty at 5 metres away from the try line. The ref called last play, and we did a successful tackle and we were holding them back. We then got too many in the ruck and they pick and drove down the blind side to score a try and a conversion to leave the score at 19-14 Shore's way. We played an excellent game and we were pleased with our effort.

Parent Seminar - The Cyber Playground

Sydney Boys High School – Great Hall

Thursday night - August 30th 2012

Tea / coffee @ 6.30pm

Start 6.45pm – Finish 8.15pm

Presenter: Robyn Rishani - Your Kids Online

What is it you're thinking when your children's noses are in their iPhones, iPad's, Facebook, chat rooms, forums, online games and Xbox? Do you know what they're up to and who with? Do you get frustrated at the amount of time they spend on their computers? What are the dangers they face and how can you protect them?

Come along to this free 90 minute presentation where Robyn Rishani - Cyber expert will guide you through the online world that your children play in. We'll touch on issues such as alternate online identities and how criminals and paedophiles use them, cyber bullying, gaming addiction and how to prevent it, Facebook, online security and parental monitoring. By the end of the evening you'll walk away with fresh ideas and an insight into your child's Cyber Playground!

"Thank you for a well worth while opportunity to attend the "Your Kids Online" Information Evening. I found the evening very informative and I was certainly able to take away some useful reminders about Internet safety. Personally, I found the presentation well delivered, hovering over many chapters of potential dangers outlining what to look out for. I would like to congratulate Robyn on a fantastic presentation!"
