

From the Principal High Talent

Congratulations to Mendel Liang (Year 11) who was

selected for the Kizuna Exchange Program. He was successful among 600 applicants vying for a two-week exchange in Japan in December. Year 11 boys collected \$6644.10 for the Sir Roden and Lady Cutler Foundation last Friday. In the circumstances, given the rescheduling and lack of publicity, the day was successful. The Community Services Committee reports that the total funds raised by our students so far this year is \$118,811. With a couple of events to go, this could be the record year for raising money for good causes. I am very proud of the character of the students of this school as evidenced by their expanded willingness to give of their time to help others. Well done to the boys who were engaged in the *Language Perfect* competition. They answered over 1.2 million questions and spent nearly 5,000 hours in the contest. Over 75% of language students answered 500 questions or more. Well done, boys! A great recovery by the first XI cricket team last Wednesday led to a nail biting victory over Heathcote High in the Davidson Shield Knockout. The boys showed character to hold on and chase down 192 runs for a well-earned victory. Good job, boys!

Big Brother Visits

Year 9 boys are currently in a program of visits to their former primary schools. Sixty students are scheduled to visit 18 schools. William Chow, Eric Le, Andrew Lu, Thomas Nassif, Anthony Taing, Bosco Tran, Madison Wu and Bill Zhuang visited Georges Hall PS to bring back their experiences of High to the next generation of potential High boys. Timothy Tran and Chen Yu Weng went back to Belmore South for their visit. Boris Amromin, Bennette Jiang and Shayan Vatandoust headed off to Neutral bay PS and Stephen Ngo and Stanley Si to Bankstown PS. These visits are good for the community profile of our school. Thank you to the boys involved in the program for giving up their time. Feedback in the past demonstrates that the primary schools really

enjoy the visits and both the primary school students and our ambassadors learn something in the process.

Year 11 Reports

Negative consequences are now being applied to all boys who have not discussed their reports with the Principal. Parents are again requested to insist that their sons comply with school policy and make appointments to discuss their progress with the Principal.

Year 12 Portfolios

Year 12 students have completed their HSC examinations and are now presenting their Clearance Forms for signing so that they can pick up their Student Portfolios. Some students have supplementary documentation for submission to universities. It would be helpful to them to collect their portfolios before heading off on holiday celebrations.

Behaviour on buses and trains

Parents are requested to remind their sons that their dress, demeanour and language are all monitored by members of the public travelling on buses and trains. They find it very easy to use their phones to let me know if boys are not behaving as well as they consider High boys should. I receive a handful of emails from commuters each year, not many of them complimentary. Boys need to maintain standards of behaviour while travelling on public transport at the taxpayers' expense. Seats must be given up for adults and stairs must be kept free of boys blocking entrance and exit by paying commuters. Let's not forget that there are high expectations associated with attendance at High.

This week against Grammar was one of the biggest wins for High this season. Although a few games had been rained out, out of all the games played- **High won 16 out of 20**. High 1st and 2nd Grade teams protected our home court advantage, and with a great turnout from High boys and their parents our 1st Grade demolished Grammar 95 – 38, a nearly 60 point advantage. Since the jump ball 1st Grade came out strong and never looked back, with the power forwards Kenny Kuang and Michael Chang dominating the rebounds, while centre Jack Hutchinson hustled inside to convert many scoring opportunities. MVP of the game Mitchell managed to knock down 24 points of 3's and drives through skilful uses of screens, open spaces and great ball rotation by the team. Guards James and Nate also contributed greatly to the scoring tally. This win against Grammar is a huge win for 1st Grade and as a result raised the team to 4th position on the AAGPS 1st Grade table, the position that our school wish to maintain, if not get even higher, during the season. Our 2nd Grade side still remain undefeated, and is once again led in scoring by Bailey Musulin as per previous weeks at 20 points. Although the 2nd Grade team had not so good a start as they would have liked, High still managed to maintain the lead since the beginning of the game and managed to hold on in the dying seconds of the 4th. The rest of the Opens team also managed to pull off with a win, and it was also especially encouraging to see the lower age groups winning most of the games that they have been given the opportunity to play.

A new addition to Shootin' Hoops suggested by Mr B Hayman starting next week is to potentially include a player profile of one 1st Grade members each week. Starting next week we will be interviewing Nathan Sutton, the starting ball-handler of the team, so stay tuned!

This Saturday will be an AWAY game at Riverview. As we do not have a home-court advantage anymore, we need more than ever the support of the players and parents this week to pull 1st Grade over the line. St. Ignatius School defeated Joeys and we lost to Joeys- should be a good game. Good luck to all players playing this weekend, and do not forget to support our 1st and 2nd Grade team this week at Riverview!

1st Grade

The boys were well prepared for our match against grammar, although we would certainly miss our captain Frank, and one of our strongest team members Brian. The new pairing of Eddy and Pat combined well to overcome the number 1 grammar team in a close 2 sets 6-4 7-6. Adam and Josh kept up their solid form to win in straight sets 6-4 6-1. Richard and Carl, filling in from second grade, fought hard but were unable to come up with the win losing in straight sets 1-6 2-6. With a 2-1 lead from the doubles the day was looking promising. Patrick played an outstanding match, making few errors, giving his opponent only 2 games 6-2 6-0. Josh fought hard in a tough first set, losing in a tiebreak, and was unable to regain form for the second set 6-7 1-6. Adam played a solid, consistent match, showing his great foot speed and agility 6-4 6-3. Eddy was too powerful for his opponent in the end prevailing in straight sets 6-4 6-3. Richard had a tough battle, keeping close with his opponent in both sets, but was unable to get on top 3-6 4-6. Carl played a strong, aggressive match, breaking his opponent down, and finishing the match in style 6-1 6-2. The boys were thrilled to have beaten their long-time rivals, and are eager for their next trial game against St Ignatius. Good luck boys.

Patrick Rynsaardt

2nd Grade

This week, High played at home against a strong Grammar team. The number one doubles of Ian and Calvin had a disappointing start, playing inconsistently and unable to put pressure on their opponents, losing 1-6 3-6. The number two doubles of Ryo and James Lian won a tough first set but let go of the second. In the tie-breaker they were narrowly edged out 7-10. The third doubles pairing of Bohan and James Chee were unable to gain momentum and lost 1-6 1-6. In the singles, Ian lost a tough first set but had an error-prone second, going down 3-6 1-6. Calvin put pressure on his opponent in the first but unforced errors handed the opponent the second, 3-6 1-6. After a tight first set, Ryo became more inconsistent in the second and let the match slip 5-7 2-6. Bohan had a tough match against his opponent who proved too good, going down 1-6 0-6. James Chee came out strong against his opponent who in return stepped up his game, the match going 4-6 0-6. James Lian debuted for 2nds and performed very well, his 5-7 3-6 loss providing valuable experience. On the whole, the day was disappointing as we were unable to be consistent throughout our matches. The team will be training very hard for our next rubber against Ignatius.

3rd-6th Grade Tennis Match Report

Last Saturday, our team faced Sydney Grammar. We managed to win in all four grades for a second time. 3rd Grade started off strong with wins in both doubles matches very quickly with the opposition fielding only a single doubles pair. Singles was very close with the exception of a stunning victory by Edward Zhang winning 6-0. 4th Grade's doubles performance was mixed with a win for only the 1st doubles pair in spectacular fashion by 6-1. Singles however were all wins with only one narrow loss. 5th grade was a mixed bag with a very close score but it was Grammar, who only fielded one doubles pair again, that lost. 6th grade put on a spectacular performance with the boys winning 6 matches to nil. Both doubles were forfeited by Grammar and the singles were won 6-0 by William Du 6-1 by Aaron Hasan and Gordon Qian and 6-2 by Jason Garrett. Fabulous work boys! I would like to see a repeat of this kind of performance in the future.

6th Grade Tennis Report

SBHS vs SGS 3/11/12

On the weekend Sydney High's 6th grade tennis team played off against Sydney Grammar in a crushing string of games. Due to the absence of a few players, Sydney Grammar had to forfeit doubles, giving both wins to High by default. However in singles Grammar was swept away with devastating wins from all four of High's 6th grade tennis players. 6th1 Jason Garrett swiftly defeated his opponent 6-2 while 6th2 Aaron Hassan overcame his opponent with ease 6-1. 6th3 William Du even managed to dominate his set in straight games and 6th4 Gordon Qi also crushed his opponent 6-1, giving all six sets of the day to High.

16 A's and B's Tennis report 3/11/12

The 16 A's and B's had a very tough game last week against our strong opponents from the Grammar school. Our 3rd week of the trial season looked very promising with all members of our team arriving half an hour early, warming up and getting ready for the game. However, due to Grammar's superior strategic knowledge, they managed to take home the victory. Despite the losses, there were a few wins including Misha Libman who reinforced our team with a tiebreak of 8-6 and Leonard Mah who stole the spotlight that day with an outstanding result of 6-2. Although we struggled to find our pace throughout the games, we will use this valuable experience to outsmart Grammar next term as we work on our strategy and game play.

Table Tennis Success

Glanden Zheng

Glanden Zheng (Year 10) and Edward Belakopytov (Year 8) recently participated in the 2012 Australian National Table Tennis Championships held in Perth. All the states and territories of Australia were represented as well as Korea. It was Glanden's third competition (U/18's NSW Boys B team) and Eddie's first (U/15's NSW Boys B team). The first four days were team events, with the doubles events interwoven between them. The singles events started on the last two days of the competition, where we got to witness some spectacular Australia vs. Korea clashes. All in all, it was a very satisfying experience and we were proud to represent the state at the most important Table Tennis event for juniors on the calendar each year.
