

### From the Principal High Talent

Congratulations go to Geoff Gerlach who was chosen in GPS combined first basketball and to Mitchell Flynn, James Baraceres, and Eamon Kelly who were selected for GPS combined 2<sup>nd</sup> grade. Nathan Sutton was picked as reserve for the team. The sustained quality of High swimming continues at GPS carnival 3. Congratulations to: Kalem Best for his win in the 50 free and second in the 100m.; Yu Peng Man in the 200IM, Leonard Mah in 50m free' and second in the 50m breast', Allen Guo in the 50m breast', Kevin Guo in the 50m & 100m.breast', Kazuo Nakamura in the 50m 'fly and 2<sup>nd</sup> in the 100m., Darren Chien in the 100m breast', Luke Schofield, Kalem Best, Jason Qiu and Kevin Guo in the 4x50 medley relay, Andrew McNaughton, Max Menzel, Kazuo Nakamura and Christian Haddo in the 4x50 medley relay.

### Library Committee Meeting

At the *Library Committee* Meeting held last Friday, Ms Elaine Sadler (Parent Rep.), Mr John Walker (HT Student Welfare), Ms Veronica Crothers, Ms Suzanne Gordon (Teacher Librarians) and I discussed the operation of the two school libraries. The Balance Sheet for the Public Library Fund was tabled and discussed. Balance brought forward was \$21,852.37 to which was added: parents' donations (\$114,166.25), GST refunds and printing card income (\$3,119) and interest (\$974.96). Expenditures comprised equipment, books, subscriptions, papers, teaching/learning resources, software (\$32,657.54) and administration (mainly salaries) \$88,000.12. The school bears additional costs of the two libraries from its No.1 Account. Capital program expenditure was \$250. After total expenditures of \$120,907.66 the Fund carried forward its working capital reserve of \$19,204.92. The school account absorbed expenditure for salaries and equipment of c\$20k. Direct expenditures on library services amounted to c\$120 per head for every student at High. Income was \$96/student. The shortfall each year is taken from general contributions.

The two Librarians responded to questions about budget items and the mix of

expenditures on software/books and subscriptions. They outlined their budgets for the coming year. There was considerable discussion about e-books and online learning. Database license purchases needed to be justified on the basis of student use, cost and alternative access. Access to State Library is important to many of our boys and our Librarians will do the necessary training now that the help from the State Library has been withdrawn. The change of timetable and the reduction in Values Education time have made it difficult for Veronica to give Library training to Junior School boys. Ms Sadler re-visited her previous suggestion that the Libraries needed a 5-year plan to set directions for pedagogical and personal development through library services access.

### SHSSA AGM

More than a dozen people attended the Annual General Meeting of the Sydney High School Sailing Association last Saturday morning at Double Bay Sailing Club. The Association membership is open to Old Boys, Parents, university students and those interested in learning to sail. The Association provides a vehicle for YA membership at a very low cost. The Association has an agreement with Double Bay Sailing Club to provide boat storage, club house facilities and safety services for our sailing program until June, 2017. In 2012, two new Pacers were purchased, bringing the fleet to 10. This year another two will be ordered to allow 24 sailors to compete simultaneously. There are 57 sailors in our program in 2013. I encourage all sailing parents to join the Association to support their sons.

### Financial Forum Reminder

Planning, implementing and monitoring a budget can be a problem in the complex DEC accounting system. As Principal I am personally responsible for all monies collected and expended as public monies through the school accounts. I have delegated authority to MICs and Support Groups to raise and spend money on behalf of the school. It is important that we all understand how the accountability process

works. Please come to the forum/briefing with your Supporters Group representative or Treasurer on Monday, March 18 at 6pm in the Great Hall.

### **Parking Issues**

Moore Park West and Bat and Ball Oval are being booked by non-SBHS people on most afternoons each week. These hirers feel they have a right to park on our site. UTS has published its booking schedule. The gym is used each weekday from 6pm. SBHS vacates the gym at 5 and it is cleaned before UTS users arrive. We are locking gates 9, 10 and 1 most days now. Extra restraints will be needed to section off the site so UTS can have their 30 car spaces. The result of this increased traffic will be that parents and staff coming to meetings after 5pm each day may find the premises locked down. If you are having a meeting after hours, please arrange to have keys to open a section of the site for your parents to gain access.

## **PAWS**

The PAWS Committee are raising money for the Animal Welfare League by holding a baby photo guessing competition. Photos of selected staff members are located on the noticeboard between Rooms 606 and 607. Guess three photos correctly and pay your \$2 to win a \$200 Family Pass to Luna Park!

The competition closes on Friday, 22 March and the winner will be drawn on Tuesday, 26 March, just in time for Easter.

Entry forms are available from Ms Stephens and Ms Williams. Students who are members of the PAWS Committee will also be taking entry forms around during lunchtimes.

Put your entries in to win!

# SBHSDEBATING

The Debating Season got off to a good start last week. The Juniors were successful in all their debates in FED and Eastside - very well done and keep it up. The Seniors were less successful with only Year 10 and 11 wins against Rose Bay in Eastside.

We had a great turn out of food for the supper and many parents stayed around to help. As we have two competitions running here for the following two weeks we need even more helpers – especially in the senior years. At the end of the evening we all like to leave as soon as we can and it took Nina, Mr Vyas and myself longer to pack away because there was just the three of us adults here. If senior parents can stay around for a short while after the debate we could really use your help.

It was nice to meet some new parents at the Parents Information Night. This was a great opportunity to talk through the program (which can seem very confusing at times) and to answer questions that parents had. I would like to extend a big thanks to members of the DSG who stayed to help with the presentation – especially when the traffic was so bad and it took many of you such a long time to get here and back home afterwards.

Our next parking event is on 22<sup>nd</sup> March and this is an important way to raise money for the debating program. If you are able to give up some time on that day please contact me via the Gmail address below and I will forward your contact details on to Sunil Sethi our Parking Coordinator.

I would like to say a particular thank you to Bosco and Adilmorad who stood in at the very last minute as some Year 10s pulled out on Friday. This is very bad form and put a lot of stress onto me and the coaches when we had other things to attend to. If you are unsure if you can debate, do not sign up and if you find out you cannot debate you must tell me as early as possible.

Both debates are at Home this week and so I need lots of chair people. It was lovely to see some new faces in the chair people room last week and of course just as lovely to see some of the old hands! Double hosting is always chaotic. So in advance I'd like to thank you for your support. A special thanks to Nathan and Oliver my trusted helpers without whom I wouldn't get the job done!

Rachel Powell  
MIC Debating

Each week I send out an email to debating families. In order to receive this email, please send me an email to [sbhsdebating@gmail.com](mailto:sbhsdebating@gmail.com)

Please tell me your name and year group or your son's name and year group and I will add you to the contact list.

## Proud Schools Parent Information Evening

**When:** Monday 11<sup>th</sup> March, 7.30pm  
**Venue:** Great Hall (P&C Meeting)  
**Speakers:** Mr Terence Humphreys from Twenty10  
**and** Mr John Walker, Head Teacher Student Welfare

Twenty 10 is a community based, non-profit, state-wide organisation. They work with and support people of diverse genders, sexes and sexualities, their families and communities. Twenty10 is partnering with Family Planning NSW on the Proud Schools Program Trial in 12 schools across Sydney and the Hunter regions. Twenty10's role in the Proud Schools Program is to support schools in generating a greater understanding of the importance of the program aims with parents and students.

### 1st Grade

Round 6 of the GPS competition saw High play its final home match of the season against ultimate rivals Grammar. With 3 out of the 5 rounds being rain affected, it was no surprise when we arrived at school to find the courts under water. However, with determination and eagerness to play and pick up much needed competition points, the boys arrived an hour before schedule to prepare the courts for play. The immense effort from the boys, coaches and parents saw the doubles commence around our usual time of 12:30pm. It was a tough start to the day with the boys struggling in the first sets of the number 2 and 3 doubles, despite the number 1 doubles pair cruising along before a rain delay affected play at 1:30pm. With a lengthy one hour delay to talk over tactics, the resumption of play saw an improvement in all doubles matches. Number 1 doubles combo of Frank and Patrick, quickly and comfortably dispatched their opponents winning 12 straight games, 6-0 6-0. Number 2 doubles, Adam and Ian recovered to find themselves with a lead in the second set, however in the end were unable to push the match to a tiebreak, 3-6 5-7. Number 3 doubles, Josh and Eddy fought back after a poor first set to comfortably take the second, however couldn't capitalise on momentum, going down 2-6 6-2 2-10. After the doubles High faced a 2-1 deficit and needed to pick up matches quickly in the singles with storm clouds threatening once again. In the number 2 singles, Pat took advantage of having no umpire to race through his match, equalising the rubber with a dominating win, 6-0 6-4. In the number 1 singles, Frank capped off an impressive day with a 'quad bagel' win, as a result of not dropping a single game all day, dispatching his opponent 6-0 6-0. Rain once again affected play once again at 4:00pm with High leading the rubber 3-2. However, with Adam and Josh both securing their first sets in the singles, an effort was once again made to dry the courts in an attempt to gain more points. As play resumed after another hour long delay, no 3 Adam finished off his match comfortably winning 6-2 6-0. In the number 5 singles, Josh also completed an impressive win and secured the 3 bonus points for High with the fifth win of the day, 6-0 6-1. Eddy was unable to hang on till the end of day's play, going down 2-6 1-6. Finally in the number 4 singles, Ian held on for a tight draw with his opponent 3-6 5-6 unfinished. The final result, High earning a major win over rivals Grammar 8.5 to 3.5, giving us a major boost of confidence as the season nears its closing stages. The boys will be keen to finish the season on a positive next week when we travel to face competition leaders, King's.

### 2nd Grade

This week High went out against Grammar, and after a disappointing cancellation against Scots, Seconds were pumped to play a good day's worth of tennis against Grammar to make up. However the weather was, once again, not on our side. Small chances to start the day and matches occurred, yet none were long enough to sustain a warm up as well as the start of the match. Disappointed that for the second week in a row that the matches were cancelled, High drew with Grammar 6-6. With Head of the River on the coming Saturday, seconds will have an extra week of intense training to make sure they are ready for the last match of the GPS Tennis Season, against King's.

### Riverview Junior Regatta Results

The High Junior crews raced at Lane Cove last Saturday morning in wet, cold and windy conditions, and results were a little disappointing for the last regatta of the season. A couple of Y8 crews had gear failures and there was a mix up of crews for some of the Y9 quad events. However, the Y9 3<sup>rd</sup> quad came 2<sup>nd</sup> in their heat in a time of 3.38.36, which put them through to the final. They finished 4<sup>th</sup> in the final in a time of 3.42.84. The Y9 1<sup>st</sup> quad came 3<sup>rd</sup> in their final in a time of 3.41.99.

Congratulations to Y9 3<sup>rd</sup> quad – Tony Dong, William Chen, Jiachen Lu, Jason Qiu, (c) Stratton Vakirtzis, and Y9 1<sup>st</sup> quad – Kevin Fan, Ed Belokopytov, Jacob Katafono, Oliver Lethbridge, (c) Keith Chambers.

## GPS Swimming Report – Carnival 3 @ SOPAC

Carnival 3 proved to be more competitive than previous carnivals. The competition is now intensifying as all swimmers are fighting for a spot on the GPS team. It was great to have everyone back in good health once more as this proved to be crucial for the relay teams. The most improved team performance went to the seniors who recorded a 2<sup>nd</sup> position finish in the 4 x 100 medley relay and some great individual performances. A huge improvement from previous carnivals. Well done to the boys involved: Dominic Mah, George Dzero, Darren, Chien, Yu Peng Man and Eugene Lee. The 14s and 15s continued their dominance in relay events. The 14s are: Kalem Best, Luke Schofield, Kevin Guo and Jason Qiu. The 15s are: Andrew McNaughton, Max Menzel, Kazuo Nakamura and Christian Haddo. The 13s and 16s 4 x 50 m medley relays both finished 3<sup>rd</sup>. Impressive results.

Carnival results can be viewed by students on the R Drive: Sport\Swimming\2013 folder.

Notable achievements on the night included:

- The 15s relay team for winning their event by 8 seconds
- 24 top 3 finishes out of 60 events
- 10 1st finishes out of 60
- The Junior division 12-14 years who have progressed from 3<sup>rd</sup> to 2<sup>nd</sup> position
- The intermediate team 15-16 years old who have progressed from 5<sup>th</sup> to 2<sup>nd</sup> position.

The GPS Swimming Team 2013

Great effort boys.

Grammar	12	3	9	488	559	15

There is one more week of the 2012 – 2013 AAGPS Summer Sports season vs King's next weekend. All of High's teams performed magnificently against Grammar, congratulations to all! Both our 1<sup>st</sup> and 2<sup>nd</sup> Grade achieved outstanding results following their wins against Grammar; 1<sup>st</sup> Grade could finish the season with a top 4 finish, a finish which I'm sure Mr Ben Hayman will be very happy with as this was his goal of the season for 1<sup>st</sup> Grade this year. Being a relatively new team to play together, 1<sup>st</sup> Grade grew and established themselves in a fantastic fashion to do High proud this season. For 2<sup>nd</sup> Grade it could be an even better result; AAGPS 2<sup>nd</sup> Grade Premiers with only one narrow loss to St. Ignatius breaking their winning streak. The table above shows that High 2<sup>nd</sup> Grade has the 2<sup>nd</sup> best defence in the league and the 3<sup>rd</sup> highest scoring points; however being able to still come out on top by so much shows that it's not about brute scoring and defence when playing basketball, but about the High motto of playing hard, playing **smart** and playing together! Congratulations to both our High open representatives on their excellent results! GPS 1sts- Gerlach. GPS 2nds- Flynn, Kelly, Baraceros.

Remember House Basketball is still on during Tuesday lunchtimes; come and support your house and be part of the fun! There will still be training for this week, so make sure you make the most out of it before we go on to the Athletics season. Train hard!

*~ Go HIGH!*

*~Thanks to Mr B Hayman for all his contributions to HIGH Basketball*

## CHS Water Polo

Sydney High went into last Wednesday's game against Sydney Technical High School ready to win and move onto the CHS Round Robin. This was a knock-out game, and we knew we had to win!

In the first quarter, both sides played cautiously, but High managed to pull ahead 4-1, due to our tight defending and swift counter-attacking. Everyone in the team played their best and communicated well, which saw us increase our lead to 7-2 in the second quarter. Our stamina outlasted Tech's, and we began to capitalise on their mistakes, bringing the score up to 12-3 at three-quarter time. In the last quarter, despite a sudden change of playing style from Tech, our endurance was too much for them, and we out-swam and out-played them at every opportunity, finishing the game at 16-5.

### **WOTOPERA: Sydney** *original operas meaningful to the lives of young people*

Following its highly successful program in Sydney last year, WotOpera returns with fresh faces and four new, original works!

WotOpera unlocks the creative potential of young people. Over eighty students from four Sydney high schools have written four operas that showcase their creativity, talents and boundless imaginations, the participating schools are:

**Holroyd High School  
Lurnea High School  
Manly Selective Campus  
Sydney Boys High School**

The students collaborated to produce their own stories, then composed the music and designed and painted their sets in a series of four one-day workshops representing just 21 hours! The four schools will come together to perform their individual works at The Seymour Centre.

You are invited to delight in their journey and enjoy their creations on Tuesday 26 March at 7pm.

## FROM THE JUNIOR LIBRARY INTRODUCING N D WILSON

Occasionally a special writer emerges from the pack to delight us with a genre we thought could produce no more surprises. So in the past few years we have seen the emergence of Fantasy writers, Cornelia Funke - the *Inkheart Series*, the manic addictive popularity of George R Martin - *The Game of Thrones Series* and DM Cornish's *Lamplighter Series*. ND Wilson, *100 Cupboards Series*, is such a writer and our library is processing this series right now to put out on the shelves. This is a great junior read with a 13 year old male hero Henry who has inherited the fiery and magical powers of dandelions??? You will have to read the series to find out about these. (Not silly at all) Coming to our shelves very soon!!

In the new resources our library is listing today we are including a lot of DVD material that the library had collected over time and which is now being placed on the W Drive for staff and students to access. In the last few weeks while engaged in adding 33 resources to our schools growing collection of educational film material we thought we might point out to boys and parents that boys can teach themselves some very interesting things by watching this material on home computers, school PCs or DEC laptops. Thanks to James Rudd and David Isaacs for finding the software to record educational broadcast material and for making it easy for staff to choose curriculum appropriate material for lessons. Parents and boys are recommended to explore the subject material on the W drive. It would beat watching most popular TV programs hands down. If bored – try the W drive via the Portal.
