From the Principal

High Talent

Congratulations to Simon Luong (Year 12) for his organisation of the World's Greatest Shave fund raiser for the Leukaemia Foundation. Just over \$640 was raised on the day and \$2000 overall from additional efforts by individual boys. A great effort by all! The GPS swimming competition was well contested by High this season: Juniors 12-14 (3rd overall) and intermediate 15-16 (2nd overall). Well done to all our competitors. Congratulations to our combined GPS swimming representatives selected to compete at CIS: Allen Guo, Brendan Yoon, Kevin Guo, Christian Haddo, Kazuo Nakamura, Leonard Mah, Darren Chien, Kalem Best, Max Menzel, Luke Schofield and Jason Qiu. High players dominated Sydney East Volleyball selections again this year. In the regional team are: Jonathan Clements-Lendrum, Ivor Metcalf & Jeffrey Ni (Year 12), Pinyan Gao, Jason Le and Yu Peng Man (Year 11), Kevin Lu, Kevin Robinson & Sunny Xu. Well done, boys! Bill Deng (Year 12) is one of 16 students in Australia selected to attend the AIOC Informatics Olympiad Selection School. The 4-member Olympiad team will be selected at this Selection School. Good luck, Bill!

High Praise

Adam You (Year 9) and Ethan May (Year 8) did a great job volunteering at KU Kira Children's Centre last week. "Both boys were polite, punctual and helpful. They were respectful of children and the environment at Kira. They communicated well with our educators and were able to take directions and instructions...They are both great ambassadors for SBHS and you should be proud of them". And so we are! Great job boys!

Well done to the numerous volunteers who organised the mufti collection and barbecue for the Lak Saviya Foundation. Proceeds of the event were \$2,316.85. Each year the money supports educational development activities at KRMV a Tsunami-ravaged school in Sri Lanka that we have been helping since 2005.

Technology Policy

An important meeting was held last Thursday, involving Gavin Patterson (A/Director of Business Services) John Evans (Regional Manager DER) and Stu Hasic Manager, Schools ICT Support, John Prorellis (HT Administration), Network Administrators, James Rudd and David Isaacs, and me. We were able to confirm that funding for Technical Support Officers will cease at December 31. We agreed that High would need to employ a TSO in 2014 at its own expense. It was confirmed that the school could expand the DEC wireless network as long as it followed the agreed protocols around connecting to the network. There was considerable discussion concerning the introduction of BYOD (Bring Your Own Device) at High. After the meeting it was decided that we would trial a BYOD program for Year 9 in 2014. Teachers are accustomed to 'blended delivery' in Year 9 since the DER notebooks for schools program. Some preparatory work needs to be done to expand the wireless network and develop a BYOD policy for the school. The school community will be kept informed of our progress as details are worked out.

AAGPS Heads Meeting

At the GPS Heads meeting last Thursday, it was agreed that the calendar for 2014 would remain as it is for 2013. That is, no change would be made to the timing of the athletics season. However, the Heads are exploring options for a broader winter competition and showed a preparedness to align with other Associations should an expanded competition be negotiated in the latter half of 2013 for operation in 2015 at the earliest. The contentious issue of video clips being posted online using images of other schools' boys was raised. While conceding that control over social media was problematic, the Heads agreed that video clips that inappropriately pictured students from other schools would not be permitted on the school's official website. Tensions among schools have arisen surrounding 'recruitment and attraction of students with sporting ability', particularly enrolling in Years 11 & 12. In order to lessen those tensions a 'New Boys Committee' was

formed to gather data from member schools about their teams in Years 10-12 and the enrolment dates of their players. A paper was prepared as a draft which sets out points limits for each sport, depending on the number of players in the team. Points range from 7 in rugby to 3 in tennis. A team cannot exceed the points limit. A boy enrolling in Year 10 would attract 2 points; in Year 11 3 points. Players arriving after day 1 in Year 11 attract 4 points and no player is eligible to play if he arrives after term 2 of Year 11. Exchange students would not be eligible for GPS Competitions. Heads are considering the proposal and are awaiting an analysis of the data from schools before making a decision on how the proposal might work.

The Football competition for first and second grade will be a seven round draw, with matches in the last seven weeks of the winter season. The third grade rugby competition will involve 9 teams. Each team will play 8 matches and have a bye. The 2014 draw will be a new draw.

Mr Shane Hogan, Head of Riverview, had his last meeting with the GPS Heads. Mr Hogan served as Chairman of the GPS Heads Committee for several years. On your behalf I would like to acknowledge his outstanding contribution to the AAGPS as an organisation of schools wanting to play games against each other for the purpose of educating boys. He was unfailingly supportive of High and our interests during his time in the chair. As a colleague he has collaborated with me frequently and always proved a wise counsellor and friend with a sensible, well-balanced view of life. He will be missed a great deal by the Riverview community and by those associated with the AAGPS.

DEBATING

It was a welcome rest for me to watch our teams debate last week. I attended the FED debates at Newington and Ms Rigby went to Reddam. At Newington our social debaters were more successful than the competitive debaters. It was pleasing to hear that the Year 12 Eastside team won their debate – even after turning up to the wrong campus and thus being late!

There is no debating coaching this week. Next week (5th April) there will only be coaching for the teams only because most of our coaches are attending the Easter Debating competition at ANU – we wish them all good luck. However, there will be coaching on during the last week of the school term – this is a one off because of the disruption caused by Easter and the Uni Debating competitions. Anyone new to debating – we don't usually have coaching on the last day of term.

I am looking for some students to take over the running of the school debating website. There has been a lot of work completed on this during last year and I thank Christopher Chen for organising all of that. This is our website: <http://www.sydnehigh.org.au/debating/>. Please have a look and, if you are interested in being part of a team which updates the information (Award points will be available), please come to see me.

I know that some of the coaching coordinators are keen to run GPS trials much earlier this year and I am encouraging them to do this. In the past we have not been able to run a very good program for non GPS debaters so we have kept classes together for as long as possible. However, we now have a fantastic program for GPS and non GPS and I am sure that all students will receive a quality coaching program based on their needs and abilities and I feel that having GPS coaching start early will further our chances of success in GPS and PDC. Please, if you are interested in trying out for the competitive teams, listen carefully to the coaches and look for information in the debating email. If you are unlucky in try outs then, of course, it is disappointing, but there will be plenty of opportunities for you to debate socially and your coaches will be able to help you further develop your debating skills for next year.

Each week I send out an email to debating families. In order to receive this email please send me an email to sbhsdebating@gmail.com. Please tell me your name and Year group or your son's name and Year group and I will add you to the contact list.

Rachel Powell

MIC Debating

With a lot of debaters having commitments with the basketball dinner, many junior debaters got the chance to debate for the first time giving them valuable experience in the lead up to the PDC and GPS competition. Whilst results this week were slightly disappointing in both the FED and Eastside Competition we saw some positive outcomes for all debaters.

The Senior A Eastside team came away with a win on the topic "That we should help citizens of China circumvent their internet filter" after a comprehensive performance against Reddam House. Unfortunately the Year 11s lost in what was a very tight decision.

In the FED competition, the Senior A team lost in what was a very close debate against Newington's 1st Grade debating side. Top effort boys!

Although we saw quite a few losses in the junior Years, it is important to note the progress and skills these boys are learning through each debate. I'm sure as the competition progresses the development and skills the boys will have acquired will definitely shine through.

Khushaal's Tip of the week: Change the tone of your voice throughout your speech. It adds effect and is much more interesting than simply talking loudly or monotonously. On top of this, it makes the audience more inclined to listen to your arguments and be persuaded.

Khushaal Vyas Debating Prefect

In addition to these great stats of the overall school, an outstanding team this season would definitely be the High 2nd Grade team, who were the outright premiers of the AAGPS 2nd Grade League. 1st Grade also did the school very proud, coming 3rd in the AAGPS 1st Grade league and smashing Mr Ben Hayman's goal for 1st Grade at the beginning of the season. Not to mention the countless unsung heroes within our school basketball community, the 2012-2013 season proved to be a great season for all teams at High. Work hard in the off season, and see you guys at the end of the year!

SWIMMING

GPS Swimming Report – Carnival 4 @ Riverview

Carnival 4 provided our swimmers the last opportunity to sharpen their competitiveness before the last carnival. It was also an opportunity to experiment with different strokes. It was great to see all the swimmers perform at such a high standard. The new boys contributed to our depth and allowed the team to strengthen its performances especially in the relays. The new students who joined swimming in Year 9 include Christian Haddo, Luke Schofield, Max Menzel, Kalem Best and Andrew McNaughton. They have made a valuable contribution the swimming team. Well done, boys.

GPS Swimming Report – Carnival 5 @ SOPAC

Carnival 5 was always going to be rather tense as it was the last opportunity for all swimmers to clock times that gave them GPS selection. Our boys went to the carnival feeling confident that they will perform to their best. It was great to see a small group of HIGH supporters organised by the SRC attend and support the swimming team. Furthermore, thank you to the all parents for sacrificing their time each week and making such a positive contribution to the swimming program. A special thanks to Mr M Pavone (Sports Master) and Dr K Jaggar (Principal) for supporting the swimmers at all times.

Notable achievements on the night:

- 100% attendance as per usual
- GPS Breaststroke Record for Allen Guo - 12 years (time) 40.30s
- 23 top 3 finishes
- 11 boys finished 1st in their event
- Juniors 12-14 years finished 3rd overall
- Intermediate 15-16 years finished 2nd overall
- Final GPS school position was 4th
- 11 boys selected in the GPS team to compete at CIS. Allen Guo, Brendon Yoon, Kevin Guo, Christian Haddo, Kazuo Nakamura, Leonard Mah, Darren Chien, Kalem Best, Max Menzel, Luke Schofield, Jason Qui.

The 2103 GPS swimming team:

12 Years: Allen Guo, Barry Zhang and Sinha Nawa

13 Years: Brendon Yoon, Adam Feng, Harvey Luo, Jonathan Zeng and Jonathan Zheng

14 Years: Kalem Best, Jason Qiu, Luke Schofield and Kevin Guo

15 Years: Christian Haddo, Kazuo Nakamura, Max Menzel and Andrew McNaughton

16 Years: Michael Sawang, Leonard Mah, Ian Lai, James Chee and Brendon Hancox

17 Years: Darren Chien, Eugene Lee, George Dzero, Dominic Mah and Yu Peng Man.

Congratulations boys on a great season.

FROM THE ANDREWS JUNIOR LIBRARY

HAPPY EASTER READ LOTS – E books, your local library??

This notice is a reminder that Easter is a great time for reading. So if you miss out on the new books we are displaying in this notice before you go on Holidays, have you tried borrowing an e book from your local Library? Many Local Libraries are developing a great E book collection. All you need is a current Library card and the world of literature is at your fingertips. Who has a notepad? Ask for one as a present. I bought an Android device for \$85 and took books to read overseas last year – great way to read!

NEW RESOURCES THIS WEEK ANDREWS LIBRARY

Our new resources have just begun moving out to you. Keep an eye on the new book stand, the newspaper table display area {new DVDs} and the Popular Books stand.

WE EMAIL YOU NEW RESOURCES - DEC EMAIL

Do you check your DEC email? If your books are overdue you will receive automatic DEC emails to tell you about it.

As of last year we are sending you an email about new resources into the Library. This year you will receive a link to "Library Thing" with the new resources on it. You may be able to use the link to find new books or your literacy circles book reviews. So check your DEC email occasionally.

World Challenge Expedition to Zambia & Botswana in 2014/5

Dear Parent/Guardian of Y9 & Y10 Students,

World Challenge is delighted to announce the launch of a very exciting program for Y9 and Y10 students. This program will culminate in a month long expedition to Zambia & Botswana, departing after Christmas in December 2014.

Students will explore the Kalahari Desert, navigate through the Okavango Delta by boat and experience up close the might and power of the Victoria Falls. Along the way, they will also work and interact with under-privileged communities in sub-Saharan Africa and learn desert survival skills from local bushmen.

As if that wasn't enough, a World Challenge expedition is led by the students – under the watchful eye of their Expedition Leader and assisting staff. Initially, they will be involved in planning their itinerary, and whilst away they will take on much of the day-to-day decision making. They will manage their budget throughout the trip, decide where to stay and what to eat, and how they are to travel between the different locations on their itinerary.

A World Challenge expedition is a unique and powerful activity that will broaden your son's understanding of the world while significantly developing his leadership and teamwork skills. Completing a World Challenge program has been proven to enhance future university and career prospects.

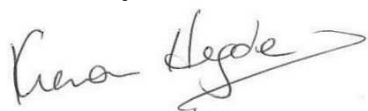

World Challenge would like to invite you and your son to a presentation

7pm Wednesday 3 April – The Great Hall, Sydney Boys High School

delivered by a member of our team who will discuss the benefits of the program, the fundraising support and safety back-up we provide, and how we deliver a fun, rewarding, and safe experience.

To learn more about World Challenge, please visit www.worldchallenge.com.au, or find us on Facebook or YouTube. Letters will be distributed to Y9 and Y10 students. Please return the reply slip if you are able to attend, and we look forward to seeing you there.

Yours sincerely,

Kieron Hegde
Regional Director – NSW, ACT & NT
World Challenge Asia Pacific

***Y9/Y10 Students - Please return to the box outside Mr Phillipson's door
at Sydney Boys High School.***

I will be able to attend the World Challenge Parents' Presentation on Wednesday 3rd April.
