From the Principal High Talent

Michael Alexandratos (Year 11) received an 'Excellent Effort and Commitment' award from the Open High School for his work in Italian Beginners. Well done, Michael! Darren Taing has had his film selected for screening at the Robin Anderson Film Awards next week. Congratulations!

Governors Centre Update

The tender documents for the project management of stage 1 – to Development Application – have been submitted. The invited tenderers have had a site visit. The Project Control Group will be assessing the tenders in November with a decision by the end of the month. The plan is to have a Project Manager in place before the end of the school year so that the project doesn't lose momentum. Meanwhile, the Project Control Group is firming up its guidelines. They will be critical to the success of the relationship between the two schools as the Joint Project develops. The Project Control Group needs to have an agreed way of making decisions, approving plans, authorising and making payments and regulating itself in case of conflict. In recent months there has been a lot of work done by volunteer members from both schools. The Joint Project has taken a big leap forward. Now we have to finance it! As parents you can spread the word among the wider High community that the project is underway and needs widespread financial support to make it happen.

Reports

Year 11 reports should have been collected. If you haven't received your son's report, ask him for it. Boys who haven't completed Clearance Forms for Year 11 will not be able to sit for Year 12 Assessment Tasks because they will not have completed requirements for Year 11 Preliminary. There are still nearly 30 uncollected reports. Year 12 Portfolios are available for collection from the Principal's Office. Clearance Forms for Year 12 have been printed and are available for collection from the front office.

Examinations

The HSC is continuing and enters its final week to conclude by November 7. Year 7 and Year 9 examinations have finished. Year 8 examinations will be held next week.

BYOD and the TSO

The DEC has agreed to fund the existing TSO position at the school until June 27 next year. This is a most welcome development and will relieve the financial pressure somewhat in the ICT budget next year. The announcement doesn't affect our policy. Our plans for next year are now well advanced and all parents can find out more about what we are going to do by reading the previous High Notes and the documents posted on our website www.sydneyboyshigh.com/byod.

Enrolment 2014

In order to ease the pressure on funding our programs, the enrolment ceiling will be reached in 2014. Thirty students will come into Year 9 and three into Year 11, making 210 students in each year. The increase in staffing will be 0.3FTE which will offset some of the 19.5% on costs for all our above establishment employees. I will be re-convening the Enrolment Committee to recommend raising the ceiling in Years 11 and 12 to 215, to allow for more flexibility with Year 11 enrolments. We will maintain our policy of not accepting enrolments into Year 10.

A Visit from a German Exchange student

Three months of my life passed by in a flash of lightning. Three months of enjoyment, laughter, happiness disappeared so quickly and I was left alone, sad but at the same time overjoyed with my choices.

Entering the exchange program had been the best 3 months of my life. I gained freedom, the will to enjoy and most importantly a friend. A friend whose memories I will cherish for my entire life. My exchange student, Alex, and I enjoyed many good times together. We went to places together and had fun, he was just like an older brother to me.

Such an opportunity comes very rarely, and fortunately, I grasped this one tightly with two hands and so began my trip to places I had never ventured to before. I met new people from various cultures, I visited many tourist attractions that I had long since forgotten about and I also drastically improved my German skills. I have gained a significant amount of language skills compared to a few months ago; my German has rocketed up by just speaking German for an hour a day.

Often, Alex and I would head to a tourist attraction, and he would start taking an enormous number of photos. I remember one time he had 700 photos in just a few hours. I have gained an extraordinary amount of wisdom and knowledge from Alex's trip down under, and I pass this on to you all, in the hope that one day, you too will host an exchange student, have fun and apply for a scholarship to go to a fascinating country for a few months, and explore a new culture, a new way of life and make new friends.

A Black Tie Affair...

... was the banquet and ball for the NSW and the ACT recipients of the SAGSE (Society for Australian German Student Exchange) scholarships. The ten girls were resplendent in their dresses and the two boys – one of them Sagar Nagaraj – most elegant in their dinner suits.

The festivities took place in Doltone House with a magnificent view over the bay. There were pre-dinner drinks on the deck and after those we moved into the dining room. The President of SAGSE, Mr Christian Holle, welcomed Mr Hans-Dieter Steinbach, the Consul-General of Germany, the many representatives of German industry in Australia and – last but not least – the parents and the students - the "Stippies".

After the main course each student was called to the stage and Mr Holle, Mr Steinbach and the manager of the relevant company handed him or her the framed scholarship certificate to great applause. Sagar received the Volkswagen Sponsorship. Amongst the guests was also André Brokman who is now a "Gassi" (a chocolate bar to the first person who can tell me what the two abbreviations mean!)

Once the official part was over the band struck up and the dance floor quickly filled up – some exercise after dinner is always recommended! As I drove Sagar to his railway station he told me that this evening had been the best practical lesson in German and should be repeated frequently

Theatresports Competition - Junior Division Report

The time had come for our first Theatresports competition, with all of us still mastering the fundamentals. Although we didn't have lots of experience of such competition, this year's Year 8 were an eager and confident bunch. This was the very cause of the predicament our coach had in picking the team and after a long and anxious wait, the team was announced. Unfortunately, many talented actors had to be left out. The team was comprised of Akeedh, Hugh, Jaspar, Louis and Sanishka. The Year 8 Theatresports coach, Bridie did well in the weeks before the competition, piling us up with priceless advice using her own Theatresports experiences. Regardless of not having performed in the team we now found ourselves in, we looked like a strong and determined group of actors with plenty of potential.

Having decided on a theme of bowties and shirts we all made our way, through public transport to the venue at Newington and after we got lost for a bit in the school, we finally found the auditorium where the competition took place. After Bridie, quickly commented on how smart we all looked, the workshop began. Bridie and John, two really enthusiastic coaches mentored us in the workshops and informed us on how we were to be judged and also gave us and seven other schools valuable tips, while allowing us to put them to use.

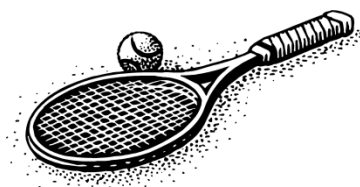

After the workshop ended, we were allowed a thirty minute break before the parents and supporters filled the hall. Nerves and excitement engulfed our minds before our first proper Theatresports competition. John, our host and judge of the category entertainment, guided the teams to sit at the sides of the stage while he introduced himself, Bridie, the other two judges sitting in the audience what Theatresports was generally about and marking technique and narrative. Each category was marked out of five.

The show commenced with the one minute games and we were still hesitant of what we wanted to play. The first few teams put on solid performances and we realised it was going to be tough to come out on top. After about three or four performances, our school was called up and we all finally settled to play the game, "poem". Hugh, Jaspar, Louis and Sanishka put on a solid performance for a very tough topic and we managed to gain an excellent 12 points (4, 4 and 4) after the first performance, putting us in tied first place with The Scots College. Our neighbours, Sydney Girls were close behind in third place. The second round consisted of two minute games with Akeedh and Sanishka performing in gibberish and Louis and Hugh translating them, our team gained 13 points (4, 4 and 5) after the second round putting us at first place, closely followed by Scots and Sydney Girls. We stopped for an intermission where Jun, "our assistant coach" gave us helpful advice and feedback on how we were going so far in the competition. The competition started again and the third and final round began. Akeedh, Hugh and Louis put on absolutely amazing performance and the whole audience erupted after we finished and everyone cheered louder when the judges pulled out the first five, then the second and finally the third. A cracking 15 out of 15, giving us a total of an amazing 40 out of 45 for the night, putting us comprehensively in first place with Scots in second and Sydney Girls tied third with the home school team.

Overall, the entire night was an experience that we would all keep forever and definitely take into the next heat that we qualified for, in two weeks. Many of us learnt many new things that have really improved our acting and performing skills. This was further re-enforced on Friday night when we came first place, and hopefully we can take this form into the next round. None of this would have happened without our wonderful Ms Rohr and Bridie who have really helped us for almost three terms, bringing us to the standard we are at now. Another thanks to the parents and supporters (Jun) who really had a laugh and enjoyed their night and also who came to cheer us on to our victory. A final thank you to my teammates Hugh, Jaspar, Louis and Sanishka who gave me an enjoyable experience to keep forever.

1st Grade

1st Grade headed out to Newington College for the third round of the trial season to challenge ourselves against the best in the GPS. Josh and Adam fought well and showed improvement from last week's match however went down in the doubles 6-1 6-3. While Eddy and Matthew demonstrated their ability as a pair getting themselves into a lead however Newington's experiences was the difference in the loss. Richard and James showed their ability as well to fight their match out to three sets unfortunately losing 6-2 3-6 5-10. In the singles in general much necessary improvement was evident. Matthew received a well-deserved win 6-4 6-4. Josh and Adam played very well against probably the best couple of players in the GPS and challenged them. Carl, James and Eddy also gave their all on the court however were unable to showcase their best tennis. Overall, a much needed improvement.

-First Grade Captain

-Adam Smagarinsky

2nd Grade

Second Grade played Newington for the third match of the GPS trial season, one of the strongest teams in the GPS and against all odds, played surprisingly well and showed huge improvement. The number one doubles, consisting of Calvin and Ervin, won in a tough three setter claiming our first doubles victory out of the past three matches. The other two doubles played tight first sets but were let down in the second sets with disappointing losses. In the singles, Calvin and Joonho played close three setters, both losing the first set but fighting back to claim the second set. Unfortunately they couldn't use their momentum to finish the match off. Junjie stood out with the only victory in the singles, a quick win of 6-1 6-2 and claiming his first match. Second Grade has played well, showing vast improvement and can be relied on to further improve to eventually claim a victory.

- Second Grade Captain

-Calvin Zhou

3rd Grade

Sydney High's third grade team played excellently over the weekend against the very strong Newington College school, players from both sides showed excellent team spirit and commitment. It was a brilliant effort from all players and most players from Sydney High won their single games with only one loss, we found however that our doubles were our biggest weakness and we as a team look forward to improving as a whole.

16 As

This week High Tennis played against Newington. However, the distraction of thundering jets above Newington's home courts proved too much as High suffered a loss at the hands of Newington's 16As, winning only 2 of the 6 played games. Anthony Yu and Thomas Nguyen took a 6-3 victory in doubles against the A3 and A4 and I fought for a 6-3 victory against their A3. Garry Huang, Anthony Yu and Alex Liang were all defeated in their singles, 6-1, 6-2 and 6-0 respectively and Garry Huang and I suffered a 6-2 loss in our doubles, leaving the tally at 4 wins for Newington and 2 wins for High, leading to our defeat overall in this week, despite our best efforts.

-Preetham Kadappu

16 Bs

After a disappointing loss last week against Grammar the 16Bs sought a few wins. The team's spirit was high as usual and the B1 doubles had a great head start of 3-0 although losing the match 6-4, the B3 doubles lost 6-4. From then on things went downhill with B1 losing 6-2, B2 losing 6-3 and B4 managing to overcome his opponent with an astounding win of 6-0. Unfortunately for us, although we had some spectacular highlights we still lost overall and we hope to improve our game through hard training over the next few weeks.

15 As

This week we played against Newington on our home courts. Due to a missing player from Newington, we began our matches with singles instead of the usual doubles. The A1 singles was very close but Wanyu was unable to seal off many match points early on in the match and his opponent was able to catch up leaving the final score 5-6, Tiebreak 1-7 to Newington. A2 and A3 singles were both close but mid-way through their game, the opponent stepped up their game and SBHS were unable to keep up, finishing both singles 3-6 to Newington. A4 singles left much to be desired with an unfortunate loss of 0-6. The doubles concluded as expected with A1 and A2 in a 1-6 loss and A3 and A4 in a 2-6 loss. This week's result signifies a rising need to increase the number of people attending training and thus being able to improve their skills.

This week, we played Newington and unfortunately we lost 6-0. A1 lost 6-4, A2 lost 6-4, A3 lost 6-3, A4 lost 6-3 and in A1 and A4 doubles, we lost 6-3. In A2 and A3 doubles, we lost 6-1. Even though we were dominated by our opponents, hopefully we will improve in the future. Good luck for next week!

Edward achieved outstanding results in the teams events, giving many National team players trouble, as well as Glanden making it to the Round of 32 for U/18's Singles and achieving an 11 to 9 win-loss ratio in teams events. It was overall, a very fun and highly successful tournament.

Sydney Boys High School Sailing

26 October 2013

Early on Saturday morning, the Sydney High School Sailing Association held its second, new boat christening. After acknowledging the respect for and the significance of the first peoples of Australia to the area where we stood, the President of the Sailing Committee, Dr Nick Evans spoke about the huge efforts that the parents and supporters had undertaken to provide the team with brand new boats. The Principal, Dr Jaggar, added to those words of thanks.

The boats were named "Tamara" after a member of the Gadigal tribe, being the local custodians of the land and the other boat was named "Southy" after the Sailing Coach and Sydney High Old Boy (Class of 79), Adam South (pictured at right).

Sailing Report

After three weekends of light and shifty winds, this Saturday's racing produced a spirited and gusty fifteen to eighteen knot breeze to test the sailors competing in the three races. David Evans and Daniel Fang were consistent in gaining top ten places in the first two races and there were a number of both improved and pleasing results for other sailors still finding the fresh conditions a little testing. Tiger Zhang and Darren Tiang sailed well and only need to improve their starts, to gain more places and be in the top ten against the strong competition from the other schools. Teams racing have SHS 1 equal fourth with four wins at present.

HIGH CRICKET

Captain of Cricket report:

Last Saturday saw High take on Newington in most Group 1 matches, which were trial games preceding the start of the real GPS season for the 1st and 2nd XI. The 16As once again showed they will be the team to beat in the 16s comp, with many signs of a bright season to come, and possibly selection in Opens soon after Christmas. At McKay on Saturday, it was great to see players from the 14s coming to watch the 1st XI play in between their breaks and even stay back afterwards. Such passion for High is something the cricket program is in search of, and we encourage all teams who are playing near the 1st or 2nd XI to come early/remain behind to support some of the older boys in cricket. Award scheme points are also available for those who watch a couple of hours of senior matches. To add to this section of the High Notes; pictures of batting/bowling/fielding can be sent to MIC Hugo Richards, and the best snap of each week will feature in this article. Lastly, we would like to congratulate Vishal Nomula who, although unlucky in not making the CIS u16s team, made the final cut; which is an achievement on its own.

Tushaar Garg

1st XI

Newington 142 all out. (Y.Wong 4/15 [9], V.Avudainayagam 2/28 [7]) DEF High 98 all out. (R.Sura 38)

After winning the toss, High sent Newington in on a typically slow McKay wicket, with outfield grass longer than any other ground in the GPS. High's openers bowled accurately and economically early to have Newington 0/18 after 12 overs. High then drew upon the wildcard of Yiu Tao Wong, who bowled with vigour and vitality to bamboozle the opposition top order. He spun Newington in confusion, having them playing and missing ball after ball; getting three signature LBWs. A special mention must also go to Gautham Shankar who took a superb catch in the outfield off Wongy's bowling. After 30 overs, High had the opposition reeling at 5/61, and a sharp runout from Tushaar had them 6 down soon after. However, loose bowling and fielding to match let Newington off the leash and allowed them to get to 142 all out. High batted with conviction against the Newington openers before two quick wickets saw the experience of Aditya and Vishnu already back in the pavilion. It was then up to Raunak, who stepped up in his role and batted time; accompanied by Tushaar at the opposite end. Both were tied down after some tight spin bowling, with Tushaar soon losing his wicket to an appalling pull-shot, yet Raunak continued to loft with grace to play the anchor role in the innings. Jesse offered some resistance, running hard and guiding the tail towards the later overs, but to little avail. Not even the lofted cow-corner sweep/drive of talented Allen Chen could save High, who were eventually bundled out for 98. This side continues to defy the odds by pushing sides to the limit; and show glimpses of our devastating best – it won't be long before the 1st XI are a champion team, as we continue to develop as players and as a team.

2nd XI

Newington 8/218 (50) (J. Huang 5/20 [10], V. Murugananthan 2/46 [10], J. Malhotra 1/24 [6]) DEF High 106 (30) (V. Murugananthan 22, N. Selvakkumar 21, A. Dao 14)

After winning the toss and electing to bowl, High got off to a flying start, dismissing Newington's opening batsman after only 12 runs had been scored in the 8th over. Jackson and Varunan both had brilliant opening spells, keeping Newington to only 2 an over after the first 10. Unfortunately, the 2nd wicket partnership for Newington extended well into the middle of the innings, earning them 116 runs between the two top order batsmen. However, as soon as Jackson Huang came back on to bowl; wickets began to tumble. Dismissing both of their settled batsmen in consecutive overs, as High looked back in the game. Jackson Huang went onto take an incredible 5/20, taking a wicket every over of his second and third spells. In the end, High kept the Newington side down to 218, an achievable total. Heads held high, the 2nd XI opening batsmen went in with nothing to lose. Looking good after the first few overs with a couple of fours and another run here and there, the innings looked

as though it was going well. Unfortunately, in the 7th over, High lost two wickets in consecutive balls and by the 18th over, High was 6/47. However, some level-headed batting from Niroshan Selvakkumar and Varunan Murugananthan earned High a 55 run partnership, bringing them right back into the game. When Niroshan Selvakkumar got caught playing a risky shot, the batting collapsed. The innings was brought to a close in the 30th over with High on 106.

3rds – High 9/112 (P.Lam 50*, A.Narula 25) DEF BY Newington 1/113 (S.Vimalanathan 1/26, 0/14)

4ths – Newington 174 (22) (J.Lin 6/5 [5]) DEF High 149 (S. Arudselvan 42 R.Saha 35)

5ths – High 7/74 (P.Ryan 30, T. Nassif 23) DEF BY St. Ignatius 6/173 (I. Zhou 3/23 [3] T.Nassif 2/31 [4])

16As – High 4/161 (32) (S.Nampalli 55, V.Nomula 35, K.Subbanna 30*) DEF Newington 5/157 (32) (T.Moffat 2/16)

High won the toss and chose to bat. After getting off to a shaky start after losing an early wicket, Shashank and Vishal put on a great partnership of 93. Half way through the innings, High was on 1/57 and then steadily increased the run-rate through to the end of the game. Some outstanding performances in the batting include Shashank's 55 and Liam's exciting 21 runs off ten balls toward the end of the innings, giving High a respectable total off 161. Although High's bowling was tight, the fielding was loose at times and Newington took this opportunity to pile on the runs without losing a wicket in the first session leaving them in a strong position at 0/71. High fought back with Kabir getting a desperately needed run out. Some big hitting by Newington put them in a commanding position with 10 overs to go. With 7 overs to go, Newington needed only 36 off 42 balls. With a tight second spell, Tully took 2 wickets for 8 runs in 3 overs which left them needing 27 With 3 overs to go. Vivek and Peter bowled out the inning brilliantly with High winning the game by 4 runs.

16Bs – Newington 4/63 (13.1) (H.Ou 2/6 off 3, S. Sooriakumar 1/13 [3.1], T. Khan 1/9 [2]) DEF High 60

15As – Newington 207 all out. (F.Aysub 3/31, S.Afsar 2/37) DEF High 84 all out. (F.Aysub 19, E.Hall 14)
High lost the toss and bowled with some mixed results. Some power hitting and some poor deliveries summed up High's effort; and resulted in a colossal total of 207 by Newington. This wasn't helped by the fact that we lost both openers early. However, some calm, albeit slow, batting from Vyaas and Faysal added respectability to High's total. This side has the potential to dominate the competition this year, and only needs to show more application in matches to reflect such talent.

15Bs – Newington 3/267 (32) (B.Nguyen 2/48 [7]) DEF High 5/85 (32) (A.He 42)

14Bs – Newington 7/262 (32) (M.McGregor 3/30, R.Yousuf 2/38) DEF High 56 all out.

1st Grade Player Profile; Anto Wu:

Anto is 5'7, 60kgs and incredibly quick. His incredible speed and agility makes seemingly impossible feats become possible. So far this season he has made several plays which have brought the crowd to their feet! Nicknamed the Rookie he is playing like a veteran and living in the moment. Come watch him turn on the jets vs St Joseph's this Saturday at 11am!

Image taken after High defeated Scots at Scots on the 12th of October 2013. ‘Mateship’

This week saw massive wins by High against Newington, with High losing a total of only 6 games out of the 25 matches played on Saturday. High 1st Grade once again pulled off a great win against one of the stronger schools in the AAGPS, beating Newington 1st Grade by 17 points, even when Newington had two very talented athletic players in their team. High 2nd Grade also managed to pull off a marginal win, beating Newington by 10 with star player Charlie Shi scoring nearly half of the team's points. Special mention also goes out to Manson Luk, who has an integral role of keeping stats for High 1st and 2nd Grade.

Following up on last weeks' notice, I'm still looking for a student to follow up my duties as Editor of Shootin' Hoops for the next year, and note that award scheme points do apply. Please go to Mr B Hayman in the PDHPE staffroom if interested. Train hard for next week's games, boys!
