

From the Principal High Talent

Congratulations to Edward Lin (Year 10) who has been selected to represent NSW in the Duke Trophy, the biggest teams event in Australia for short-course speed skaters on ice. Congratulations to Jason Phu (SHS2007) on being hung as a finalist in the Archibald Prize art competition. Jon Frieberg, Lokesh Sharma, Riley Irwin and Peter Stephens will debate in the final of the PDC Hume Barbour Competition on August 8 at the University of Sydney against North Sydney Girls. We congratulate them for their semi-final win against Hurlstone Agricultural College and wish them well in their quest to win a third consecutive title.

Debating, Rifle and Volleyball assembly – 2014

Radio and TV broadcaster and sports commentator, John Stanley (SHS 1973) spoke passionately about the many opportunities offered to him at High and that his only lasting regret about the school was that he hadn't engaged in more activities when he could. My address to the assembly is reprinted below:

Special Guest John Stanley, staff, students, coaches and representative teams, welcome to our annual debating, rifle shooting and volleyball assembly. It was Lady Bird Johnson who remarked that: "the clash of ideas is the sound of freedom". Debates are organised arguments with rules. The art of debating is to produce a sustained argument on either side of a topic. The most difficult part is to manufacture passionate support for a counter intuitive or even personally opposed side of the topic being considered. It requires self-discipline, careful preparation under very constrained time limits and the mental agility to follow the ebb and flow of the debate in progress. Debates, like wars, have a life of their own once they get started and never stick to the plan. Similarly, debaters must respond to circumstances as they arise. It is an activity which requires not only training and practice, but continuous research into current contentious social, economic and political topics. Debating in its broadest sense makes a society free, because

first and foremost it is allowed. In society where free speech is constrained and information censored, a clash of ideas is not possible. In recent times we have seen robust debates as a feature of our democracy although oftentimes the quality of the clash of ideas was questionable.

It was another great year for our Eastside Competition team, notching up High's sixth straight win. In FED Competition our Year 10 boys stepped up to take the title. Well done to Eli, Esmond, Oliver and Fayed for winning the Senior Bs. In the PDC Competition - Hume Barbour Competition, our team has reached the semi-final against Hurlstone Ag. Our Karl Cramp and Teasdale teams have survived the zone contests and are awaiting opponents in Regionals. Our boys are going into tonight's first round of the GPS Competition with a lot of confidence and self-belief. Let's wish them well in the weeks ahead. I want to recognise and applaud the work of Ms Powell in her role as MIC of debating. The breadth and depth of the training program is impressive and the competition opportunities many and varied. Her management of a complex operation is highly valued by debaters, coaches and parents. Thank you to Antony Paul for his work with first grade, Chris Chiam with second grade and Tim Sullivan with the thirds.

Rifle Shooting concluded another very satisfying year of training and competition this week. Our two teams at the All-Schools Championship were successful, defending last year's title with a 1-2 finish. In this week's GPS Shoot, second grade, captained by Minghao Wu, blew away the competition with another record point score. Our first grade boys were confronted with a professionally coached, highly drilled SGS team that set records in two of the competitions. Despite their third place overall, our boys were very much up to previous benchmarks. This year the standard has been raised, signalling a need for us to respond next year with an increased intensity in training. Jeremy Chan and Terry Fong were selected for GPS Combined Team, Terry for the second time. Thank you to our most dedicated coaches Sam Kremer, Ishan Nadkarni and Daniel Comben for the great work they have done with the top 21 shooters this year. Once again, our tireless MIC Cathy Meaney has organised the program and the administration and managed the team on tour to TAS, Wingham, Canberra and Hornsby. Our program is highly respected for its quality, depth and consistency, year on year.

The consistency of High's volleyball program is really quite remarkable. I'm struggling to remember a year since 2000 when High hasn't come away with a significant title. Again this year our boys won the All Schools Championship and pushed very hard despite losing in the CHS Knockout Final in a tough five-setter. In GPS the competition is growing tougher year on year with SGS and SIC teams being well-prepared, professionally coached and serious about winning. Michael Kay has managed and coached the squad in fine style again this year with the dedicated assistance of Yaegan Doran, Balraj Ougra, Ritam Mitra, Terry Ly and Nishan Abeysuriya.

Co-curricular activities at High are disparate but have commonalities – collegial effort, teamwork, goal setting, dedicated training and character developing challenges. What we celebrate is educational and thus a parallel curriculum to the academic one. I congratulate all boys who were selected in GPS teams. I congratulate the rifle shooters on their accomplishments and wish the debaters and volleyball teams all the best for the GPS season commencing tonight.

Student Leave Requests

Far too many families in recent years have been ignoring school policy when making application for approved leave for their boys during the school term. Up until now I have been very lenient in not denying leave to boys who fail to give the **two months' notice** required. The flood of applications in the last week or so of term has become irksome. I am informing the school community that as of **this term** I will not approve leave in the last two weeks of term. This means that any boy coming to me with a leave request in the last two weeks will have the leave denied. If he should absent himself anyway, the leave will be recorded as unexplained.

Dr K A Jaggar

Red Nose Day

On the last day of Term 2, the 27th of June, Sydney High participated in Red Nose Day collections both internally and externally to raise more than \$7000 for SIDs and Kids Australia. Eighty boys from Year 10-12 braved the cold this year and arrived at Martin Place at 6:30am to volunteer until 9am. Many boys were congratulated for their work whilst selling merchandise all over Sydney's CBD and were praised for their good manners. School fundraising started at 7:30am with the aim to have every boy in the school with a red nose. Merchandise included noses and wristbands and collections continued throughout the day until recess. It got off to a slow start but after a while many boys were seen throughout the school with red noses. All the funds raised go to SIDs for Kids, an organisation dedicated to saving the lives of babies and children during

pregnancy, birth, infancy and childhood. In Australia each year 3,500 families experience the sudden and unexpected death of a baby or child. It was a privilege for us to help such an amazing cause and our thanks go out to all the volunteers, Mr Phillipson and to all those that donated on the day. Overall the event was very successful and I recommend everyone to participate in future events like this to help more incredible causes.

Anthony Allingham and Joshua Tran, Year 12

What's Up in the McDonald Senior Library? New study guides have arrived!

As our Year 12 students approach their Trial HSC exams the more support they can have at this stage of their school lives, the better. The library is currently accessioning many new study guides including Cambridge Checkpoints series for 2014, Success One HSC series, Board of Studies 2013 HSC Exam Workbooks, Coroneos Past HSC

Papers up to 2013 – Chemistry, Physics and Biology, Excel HSC guides for Engineering Studies, Physics, Preliminary Legal Studies and a new copy of Cambridge Mathematics Year 12 4 unit text.

As soon as these are processed they will be available for loan by the end of the week.

Many other fiction and non-fiction titles are also coming out soon. We also intend to order DVD's to supplement our current collection. Keep checking the school website for the latest new books displayed under the Libraries link.

From the High Store

Keep warm & cosy with the NEW design HIGH Beanie \$22 & S.H.S Scarf \$22.

Great gift ideas for Father's Day to keep dad happy, while watching your match.

The High Store is clearing Satchel Bags in black which would be ideal for taking home paperwork for preparation or marking.

A special for staff only \$15 well below cost price.

From the Canteen

Thank you to the volunteers last week:-

15/7 - Marion Elton, Grace Chung, Lynn Chen.

16/7 - Hiroko Kitajima, Fumiko Hirose-Cheong, Jackey Cheng.

17/7 - Ming Ming Lee, Jian Ping Li, Charlie Wang.

18/7 - Jenny Beer, Lien Tran.

Sharon Hughes

Debating MIC report

It was a good start to the GPS season on Friday with 7A, 9A, Seconds and Firsts all winning their debates against Scots. Well done to the coaches and the boys.

Thanks to everyone who helped with supper. Most boys managed to bring food to share which was very pleasing.

Can I encourage everyone to check out the SBHS debating website and to email me if you are not receiving the weekly emails.

<http://www.sydneyhigh.org.au/debating/>

sbhsdebating@gmail.com

We held a DSG meeting on Thursday and discussed the progress of the debating program and made plans for the debating dinner.

The debating dinner is on 6th September and it is a lovely celebration that we hold at the end of the debating season. It is open for ALL Debaters and their parents. **You do not have to be a GPS debater to attend the evening.** There is great food, great company and the highlight of the dinner is the coaches debate - which is ALWAYS highly entertaining. Each coach nominates someone from their coaching group to win an award. Last year some families missed out because they left buying their tickets until too late. So this year make sure you keep your eyes out for the announcement of ticket sales.

In order to keep ticket prices low we are looking for sponsorship from local businesses. If anyone has a business or frequents a business on a regular basis please consider sponsoring the dinner. For the past few years we have had successful sponsorship from a range of businesses who were then featured in our program.

On Friday we held the annual Debating Assembly which we share with volleyball and rifle shooting. Dr Jaggar address noted the merits of debating and highlighted the fact that we are lucky to be able to embark on the 'clash of ideas' as this is the mark of a free society. John Stanley (Class of 1973 and 2UE radio presenter) was the guest speaker and encouraged students to make the most of their time at SBHS and take advantage of the wonderful array of co-curricular activities we have on offer. He requested that

debaters consider a career in either the media or politics in order to raise the standard of political debate in Australia.

A huge congratulations to Year 12 who have made it to the Finals of the Year 12 PDC competition. Well Done boys and thanks to Antony for his hard work and determination.

In addition Year 7 and Year 8 won their first debates for PDC and Year 10 won their zone. Four year 12 boys went to SUSMUN last week and Andrew and James got honorary mentions. Well done.

Rachel Powell
MIC Debating

Debating Prefect Report

Last Friday marked the start of the GPS season for us and we made a positive start with 7A, 9A, Seconds and Firsts all winning against Scots. The topics for the night were all centred on media with all teams required to think about the effects of reading the news and perceptions people have about different newspapers and other media. Year 7 faced a tough topic – "That the media should publicly name and shame children who commit crimes" whilst Year 10 had to focus on ideas concerning privacy with their topic being – "That governments should be able to constantly monitor private social media accounts for criminal activity". Looking to build on our solid start to the season we face Kings' at home again tonight. I'd like to wish all the team's the best of luck for this week.

In other news, on Tuesday our Year 12 PDC team was victorious in its semi-final against Hurlstone Agricultural High School. Debating a very difficult topic "That support for Israel should be conditional on implementing a two-state solution" it was our general knowledge of the ensuing conflict that pulled us over the line in a close debate. The GRAND FINAL for the Hume Barbour competition is on the 8th of August. I encourage you all to come and watch as we try to defend our title against North Sydney Girls' and win the competition for the third year running.

Tip of the Week: Listen carefully to the feedback given to you by the adjudicators and your coaches after debates on Friday and try to improve on your weaknesses throughout the season.

Lokesh Sharma
Debating Prefect

'Bring Your Own Device' Program 2015

In 2015 students in **Years 7 – 10** will be requested to bring their own computing device to school every day.

This expands the Bring Your Own Device (BYOD) program that currently runs with Year 9 students and which has been enthusiastically adopted – all 210 Year 9 students bring a device each day.

What is BYOD?

Bring Your Own Device, or BYOD, is a technological trend in education and in the corporate world.

BYOD recognises that technology and choices about technology are very much personal.

BYOD acknowledges technology in education means more than meeting specific curriculum requirements.

BYOD is designed to give you, as students and families, freedom to make technology choices that suit you and all your circumstances.

How will it work?

In 2015 students in Years 7–10 will be expected to bring their own computing device to school every day.

We will be making **recommendations** later this year as to the model of device you may choose to bring.

Or you can bring something of your own choosing that meets our **Device Specification**.

There is also some software that you have must on the device. In most cases there are free options for software.

You will be required to sign a **User Charter** that sets out how the device can be used at school.

A member of the school staff, the **BYOD Technical Support Officer**, will be available to answer questions and to give assistance.

However, the school does not manage, support, own or warranty the device - it's your device.

Find out more

A letter has been sent to families of Years 7 and 8 students to launch the 2015 Bring Your Own Device program.

Visit the Sydney Boys High School BYOD Program Portal to learn about device and software requirements, view the policy and see answers to common parental concerns:

<http://www.sydneyboyshigh.com/byod>

You can send questions, comments and feedback to:

byod.feedback@sbhs.nsw.edu.au

High vs. Newington

A great start to the new term with most team winning and all teams having competitive games. The weekend was

capped off by a very good performance by the 1st XV who beat Newington 3rd XV 52-7.

Try of the week – Eugene Lee

Team of the week – 1st XV

Training for the remainder of the season

Monday after school – All training on MPW

Wednesday during sport – Years 10-12 – McKay

Wednesday after school – 13s/14s – MPW

Thursday during sport – Years 7-9 – McKay

Thursday after school – 16s/Opens – MPW

Friday morning – 15s – MPW

Game schedule for the remainder of the season

Date	Game
July 26	Riverview vs. High
Aug 2	High vs. Joeys
Aug 9	High vs. Kings
Aug 16	Shore vs. High
Aug 23	Armidale vs. High
Sep 6	High vs. Grammar

16B (FluHighs): 21-15; 21-13; 21-11; 3:0 Win.

MIC Volleyball

RIFLE SHOOTING

Training Camp 5-11 July

This year marks the 3rd year that the Sydney High Rifle Team has gone to Canberra for training. With the harsh conditions that were presented the previous years, our coaches decided that the Canberra Rifle Range was a good place to train and we took a squad of 21 to camp, and were accompanied by over 15 Old Boys over the course of the week, with old boy Sam Kremer, Ishan Nadkarni, Daniel Comben, Brendan Leo, Yujin Wu, Dominic Tran, Bill Deng and Denis Stojanovic who stayed there for the whole week supporting us, whether it be sharing their experience, calming the shooters down, being a range/butts officer or helping with the preparation of food.

The Harsh conditions in Canberra caused a significant decrease in scores from all our shooters, but the overall level of the team increased by a huge margin throughout the camp, with half the team out-scoring previous premiership winners and combined shooters. We knew it was going to be a promising year. By the end of the camp, our top 16 shooters were all within a 5% margin and made the selection process a very difficult one by the coaches.

Fiona Reynolds All Schools Memorial Match 12th July

The teams for the All Schools match was announced on the last day of training camp, with Jeremy Chan(12), Terry Fong(12), Nick Phillis (11), Timothy Tran(11) and James Jiang(9) being in the first team, and Desmond Chiang (11), Evan Han(11), Keller Huang (11), Julian Tu(10) and Wentao Ruan(9) being in the second team, coached by Jack Zhou(11). With two teams that were separated by only 1% throughout their training camp scores, it all came down to competition pressure as well as windcoaching that was to decide the results.

By the end of the first 500m range, the 1st team was in first place with 241.21/250 and the second team was in 5th place with 236.12/250. But when we moved up to 600m for the next 2 shoots, the wind picked up and the scores were dropping from every target, but due to excellent wind coaching, from the practise in Canberra, the Sydney high teams were placed in first and second respectively by the end of the 1st 600m shoot.

In the end, it came down to the last range that was to decide our placing, and once again our teams kept ahead of all the other schools, leading to a clear victory by us, but to our surprise, the team that was going to come out victorious turned out to be our seconds team,

coached by Jack, winning by a 8 point margin in the last range, and resulting in a win with 712.34/750, 2 points ahead of our firsts team's score of 710.48/750. The best part of the day was not that we won, but the depth we had in our shooting team, with the top shooter and bottom shooter separated by a mere 7 points, the coaches knew they were going to have trouble in selecting the GPS teams.

GPS Day 1

After the training day, our 1st grade team for GPS Day 1 was announced, consisting of : Jeremy Chan (12), Terry Fong(12),Desmond Chiang(11), Evan Han (11), Keller Huang (11), Nick Phillis (11), James Jiang (9) and Wentao Ruan (9), with Jeremy and James to windcoach. With the results that were shown in the All Schools match, our team had high expectations going into the Rawson Cup Match. With a combined score of 274.17/280, we were confident not only in ourselves, but each other, something that was very important to the team. In the 600m shoot, we once again shot superbly, and ended up with a total of 544.31/560, which the whole team was proud of, as we broke the previous GPS record. Unfortunately, competition was tough this year and Sydney Grammar also beat the record, and took away 1st place and the 8 premiership points with their 546/560.

Our team however didn't let the results get to them, they prepared for the NRA Shield and kept a good mindset going into the NRA Shield, posting consistent 47-48s across the board, resulting with a score of 378.24/400, a score that was on par with the 2013 results and a score that would have won in most years. But we fell short and ended up in 3rd place, ending the day in a 2nd place tie with Scots on 8 premiership points.

GPS Day 2

In the morning of the second day, our second grade team got ready for their premiership match, the team consisted of: Minghao Wu (12, Captain), Timothy Tran (11, Vice Captain), Kaiwei Liu (12), Sam Phillis (12), Jack Zhou (11), Ciaran Farrell(10), John Huang(10) and Julian Tu(10), with Jack and Ciaran to windcoach. The conditions of the morning was exactly as we prepared for in Canberra, with fog that was covering the entire target for the first 5 minutes, we knew these were the perfect conditions for our team, the ones we trained in.

The second grade team did not hesitate in establishing their lead and had a score of 264.27/280 in the first

500m shoot due to excellent wind-reading by the windcoaches and the shooters handling the rain well. In the 300m shoot that was to follow however, the team knew that it was no longer a battle for first place, but a battle to defeat their former selves, the record which they had set in 2013. By the end of the shoot, the 2nd grade team were the clear winners by over 70 points, and beat their previous record with a score of 533.48/560, defending our second grade title.

While our second grade team was celebrating, the 1^{sts} were preparing for their shoot, in the Buchanan Shield Match, a match that has a rapid-firing component called snap, which could decide the outcome of the entire premiership. Despite valiant efforts, our first grade team was not the most experienced team in Snap shooting, and ended up falling short, resulting in a 3rd place finish for both the Buchanan Shield and in Premiership points.

Although we came 3rd, which wasn't the best when compared with our recent years' results, we tried our best and shot our best. And that's what counts. The scores of all the shooters easily beat the previous years, and it shows growth not only in our shooting team, but the sport as a whole, which is something that is extremely beneficial for the sport. The Presentation ended with Jeremy Chan coming 2nd overall and Terry Fong coming 6th overall, resulting in their selections into the GPS Combined team that was to compete on the following Sunday, alongside the 2 Sydney High Old Boys Teams who also nominated in the competition.

Combined Shoot

The combined shoot this year marks the first year we sent in our Old Boys to compete in the W. S. Josephson Shield. And our Old Boys gladly accepted the invitation to join the competition. With an old boy team that consisted of Sam Kremer(1992), Daniel Comben (2003), Ishan Nadkarni (2008), Nevin Spoljaric (2009), Dennis Stojanovic (2009), Johan Santoso(2009) participating in the "Old School Team", as well as our

2nd Grade Premiers 2014

"Old Boy Super Team" that consisted of Wilbert Wu (2013), Dominic Tran(2013), Yujin Wu(2012), Brendan Leo (2011), Peter Tran (2011) and Ryan Woo (2011).

The scores from the Old Boys were extremely promising, with Sam who hasn't shot in 14 years, out-scoring half the other Old Boys, and Ryan Woo, who scored 199.20/200, beating half the national shooting team despite not having shot for 3 years. But in the end, they were no match for the GPS combined team, who took 4th and 5th place, with the score of 1142 and 1141/1200 respectively. Defeating the Old Boys Super Team with a huge margin of 1 point. That's right. A 1 point difference between our Old Boys and the GPS combined team, showing their skills haven't deteriorated over time, and reinforcing the reason why they are our coaches.

On behalf of the entire shooting team, I would like to thank all the Old Boys that came out during the year to help out, and it would take another page in the high notes if I had to list you all, but you all know who you are, and that we appreciate your help, but special mentions must go to Sam Kremer, who helps us fix everything that goes wrong, Ishan Nadkarni, our Head Coach, Brendan Leo, Ryan Woo and Joe Banh, who help out every week, as well Bill "Buttsmaster Bill" Deng, marking for us all day. I would also like to thank our MIC Mrs Meaney for doing all the paper work and coming out to support us throughout the whole year, and for being the best MIC we could ever ask for, as well as Dr Jaggar and Mr Pavone's continual support to shooting, coming out for moral support on the 2nd day of GPS where everything is on the line.

With the end of another shooting year, I wish the team good luck in future years, and hope that all the Old Boys will continue coming back to support us, because they are the ones that keep the club together and functioning.

Jeremy Chan

MIC of Football Report

We have been training now since mid-March and finally we have come to the end of our trial matches. Last Saturday we played against a very competitive Scots school in extreme windy conditions. We had quite a reasonable day with 7 wins, 12 losses and 9 draws. The 1st XI score line does not indicate the story of the game. Our boys played an aggressive style hitting the post twice and conceding a very unfortunate own goal. Jesse Cooper played well up

front with his Mark Viduka like style holding up the ball and drawing in two defenders. Our 2nd and 3rd XI also had narrow losses, which has been a common result leading into the GPS Season. I am sure with a bit of luck and momentum they will be able to knock up some wins. One of the highlights of the day was our off-field success with our very first hosting of Afternoon-tea. The parents from the 1st and 2nd XI teams put on a fantastic feast and we are very grateful for their efforts.

Captain's speeches at 1st and 2nd XI Afternoon tea

The remaining Open's teams all had very close matches, but the team of the week goes to our 9th XI winning 10-0 and what would have to be one of the school records, Eatrend Wang, incredibly scoring all 10 goals. Our U16As, U15As and U14As had a tough day out, but to come away with 1 win and 2 draws is a step in the right direction for our future years. Special mention goes to our 15As who were behind for the majority of the match, but kept fighting throughout to eventually come away with a draw. The 15Ds had an impressive day beating Barker 9-4 with Jerry Sung scoring 5 goals. Although the U13s age group did not come away with a win they showed huge improvements with their skills and structure. To me this is the most important thing making sure our boys improve throughout the season and this has been evident with our U13s boys.

I would like to congratulate our boys for turning up to our matches on time and playing with great spirit. The culture of football has improved remarkably over the course of the trial season and I am sure we will surprise some schools with our new competitive attitude.

Next week marks the official commencement of the GPS season against King's. We beat King's in the trial match and we believe we should be able to start the season on a high note and come away with a win. The teams were officially announced at the Winter Sports Assembly displaying their new playing strips. The boys are very excited and keen to now show all the hard

work they have put into training and the trial matches onto the playing field.

I have created a Twitter account for regular updates in results, information and wet weather. This does not replace the school wet weather website. The link can be accessed by phone or web browser without signing in or having a twitter account.
<https://twitter.com/SydHighFootball>

Please Note:

- All boys must turn up at least 45 minutes before the start of their match.
- They must be turning up in SBHS football uniform and if they wish to wear a track suit this must also be SBHS tack suit.
- Make sure they drink plenty of water and carry a drink bottle with them to training and fixtures.
- If you are unavailable to play you MUST notify your coach well in advance. Just doing it online is not sufficed enough.

Keep up the good effort and I am sure SBHS Football will continue to have a successful season.

ROWING COMMITTEE ANNUAL GENERAL MEETING

Date: Wednesday 20 August 2014
Venue: School Staff Common Room
Time: 7.00pm

**Come and find out about
new developments for the upcoming season.**

Rowing is a great sport that High provides for your boys. It also relies on parents to help facilitate the program. Every year we need new parents to become involved.

All Office Bearer positions will be declared vacant and available for nomination and election.

All parents of rowing students are invited to attend the meeting.

George Comninos
Committee President

ALL CANTEEN PROFITS ARE RETURNED TO THE SCHOOL FOR THE BENEFIT OF THE BOYS' EDUCATION AND DEVELOPMENT

DEALING WITH
CANCER IS REALLY
TOUGH.

WE GET IT.

CanTeen can help you cope with the impact that cancer is having on your life if you're 12-24 and dealing with:

- having cancer yourself
- a parent, brother or sister being diagnosed with cancer
- the death of a parent, brother or sister

OUR SYDNEY CAMPUS

**CBD
OPEN DAY
SAT 30 AUG**

NEW DEGREES IN FINANCIAL SERVICES

Finance degrees for ambitious students, from one of the world's top universities.

REGISTER NOW

SYDNEY BUSINESS SCHOOL
UNIVERSITY OF WOLLONGONG

Join us at our Sydney City campus Open Day to hear about our new degrees in banking and financial services. Meet the lecturers. Tour the campus. Meet students, corporate partners and the Executive Dean of the Faculty of Business.

The two specialised undergraduate degrees offered at our Sydney City campus were designed in collaboration with corporate partners. Students will acquire the knowledge needed to meet the challenges of an expanding financial sector.

The **Bachelor of Accounting and Financial Services** and the **Bachelor of Banking and Financial Services** are ideal for ambitious students wanting to establish a profession in areas such as banking, financial planning, superannuation, accountancy, funds management, investment analysis and business development.

Date	Saturday 30 August 2014
Time	10:00am – 2:00pm
Place	Sydney Business School Gateway Building, Level 8 1 Macquarie Place, Circular Quay
RSVP	Monday 25 August 2014 to business-events@uow.edu.au

For more information please visit business.uow.edu.au or contact Kimberley Humphries: on phone 02 4221 5661.
