

## From the Principal

### High Talent

Congratulations to Daniel Fang of Year 12 who has been announced as the National Winner of the UNSW Australian and NZ Economics Competition! Thomas Shortridge and Max Koslowski came second out of 200 teams in the Dr Evatt UN Competition and will now represent NSW at the National Finals in December – a great effort! At the National Model United Nations Competition, Thomas Shortridge, Andrew McNaughton and Thomas Nguyen came third against some older opponents. Good job, boys! GPS Combined representatives to go to the CIS carnival are: James Cai, Eugene Lee, Leonard Mah, Conor McGrath, Brandon Nguyen, Pete Upatising and Lucas Wong – very well done indeed! Daniel Arzani, who left High this year to study at the AIS, has been selected in the Australian U17s team to play a FIFA World Cup Qualifier in Thailand. Well done to the first XV who came back in the second half to record a worthy win against quality opposition at Shore last Saturday. Of equal note was the first XI's come-from-behind away draw against St Ignatius. An impressive effort by all!

### Prefect Interns Elected

Thirty-six boys were elected by staff and students in this week's Prefect Intern election. I congratulate all the successful candidates. I want to thank all the boys who qualified to have their names included on the ballot. I know that there were many deserving boys who have shown leadership qualities but were unsuccessful. I commiserate with them, but disappointment is a part of the democratic process. I trust that these boys will show the resilience for which High boys are admired and redirect their energies into other leadership endeavours in the next twelve months.

### Early Migration to Oliver Library System

High will be one of the first schools outside of the 229 LMBR pilot schools to migrate from OASIS Library to the new Library System – *Oliver*. The new system is web based and offers significant improvements for library processes. *Oliver* also creates opportunities for enhancing student learning. For example, it provides the integration ability for the school to purchase and

use e-books and other digital materials. Given the growing age and unreliability of the existing system and the fact that it is completely separate and independent from SALM and LMBR, I have accepted the offer for early migration. The 12-week implementation period for the first group of schools will commence in the last week of October this year. The migration will take place in early March 2015.

### School-wide Printing Solution

Several of our photocopiers and one of our print room machines are out of warranty. We are consequently at a crossroads and need to make a decision to purchase replacement equipment or seek another solution. After in-depth research by our IT team, David and James have recommended that the school should lease all its printers and photocopiers to avail ourselves of a system discount. We will receive cash back for any machines still under warranty. A negative will be that the Océ printer, which has three years left to run on its warranty, will be written off and removed. However, it hasn't been a great machine and the company supplying it has been bought out. A positive is that the school will have a manageable annual lease payment, smoothing out budgetary concerns over the next few years. Costs per copy will rise, but printing costs to students will fall in the case of colour copying at least. The deal seemed to be better all round, so I have signed up.

### Joint Project – The Governors Centre

The Tender Evaluation Team has completed assessing tenders for Head Designer and has made a recommendation which was endorsed last Thursday by the PCG. The TET worked very well together over several weeks to reach unanimous agreement on the preferred tenderer. The recommended tenderer has to be approved by DEC prior to a formal contract letter being prepared. The pace of progress will accelerate over the next few months as each school commits >\$300k to getting a design worked up for PCG approval. At this exciting time I would like to take the opportunity to thank all donors to the project, past and present and hope that they will continue to support the SHS Building Fund to move the project to construction commencement stage in Q3, 2015.

## WRITER'S BLOCK

*Students in 7EnS were asked to compose a quote about writing. Here are a few responses:*

'Writing is a gateway to the land of dreams: wondrous creatures, great machines, ancient magic - this is the way that the maelstrom of ideas becomes real.'

'Coming up with new ideas every day is like trying to separate salt from water: It's there but you can't take it out.'

'Writing is like life. You can't make your characters too mean or too nice, or your piece will crumble into unrealism.'

'Writing is like an itch; once you start you can't stop.'

'Writing is like a flame. When the air is gone it fades away.'

'Writing is highly original. There is a thrill in knowing that no one has ever written this before.'

### MIC of Football Report

Last Saturday we came up against the highly competitive St Ignatius' College, Riverview. They have won 10 of the last 15 premierships so we knew coming into this that it was going to be no easy feat. The results may not look positive, but there is always something we can take out of this and that is the results of our 1<sup>st</sup>-4<sup>th</sup> XI. This proves with a lot of hard work, good attitude and wanting to play to our best ability for the school week in and week out the results will come our way. Our 4<sup>th</sup> XI once again put in a strong performance that

continually set the standard for our top three teams. Along with the 3<sup>rd</sup> XI both sides had opportunities to score, but ended up with what was a fair result 0-0. The 2<sup>nd</sup> XI are the result of having seven players missing from our 1<sup>st</sup>/2<sup>nd</sup> XI squad. This can unsettle the team whereby they have to continually change their structure. This is why we are even more proud of our 1<sup>st</sup> XI to come away with a 2-2 draw. Last year we were beaten 1-9 and coming into this game the Riverview boys were already looking at a win before kick-off. Our boys played extremely well being the enforcers and

deservedly taking a 1-0 lead into the half time break thanks to a great header over the keepers head into the corner by Adil Nadir. In the second half Riverview knew they had to score quickly to get themselves back into the game. They stepped up the tempo and challenged our boys. Unfortunately we conceded two goals in five minutes with Riverview now believing they will race away with the win. Once again, and I have been writing about this for the past four weeks, our boys attitude has been superb and continued to play hard. We pushed forward and with about 10 minutes remaining we were tackled inside the penalty box with Adil converting from the spot and scoring his second goal for that match. We were very pleased with our boys with their work ethic and attitude to continually play for the whole 80 minutes. We are currently sitting in fourth place on the ladder. Next week we have Scots who Joeys beat 2-1 over the weekend, which gives us a lot of hope knowing we drew with Joeys.

The team of the week goes to a team that has improved dramatically over the past couple of weeks. This goes to our 13As who over the course of the season have had very strong opposition and have had some big defeats. The previous week against Newington they only lost 0-3 and last Saturday against Riverview they came away with 1-1 draw. This is evidence of hard work and dedication to continually aim for improvement. The 13Es should also be proud of their efforts scoring their first goal for the season with loud applause coming from the side line. Eatrend Wang once again continues to notch up his scoring tally to 12 for the GPS season (not including his 10 in one match in a trial game).

With heavy rain forecast for the week and weekend we are still aiming to make sure we get as many games on as possible for our 5<sup>th</sup> round match against Scots. Scots will be an even contest across the board and hopefully we get some positive results to go our way and reward our boys for their strong work ethic.

We have also confirmed a date for our end of season Football prize giving night. This will be held on Saturday 13<sup>th</sup> September starting at 5pm in the Great Hall. I will be attaching the flyer and emailing it out to all families. Seats are limited to 220 so please get in fast to guarantee a spot. I will make preference to families whose boys will be receiving a prize.

I have created a Twitter account for regular updates in results, information and wet weather. This does not replace the school wet weather website. The link can be accessed by phone or web browser without signing in or having a twitter account.

<https://twitter.com/SydHighFootball>

Please Note:

- All boys must turn up at least 45 minutes before the start of their match.
- They must be turning up in SBHS football uniform and if they wish to wear a track suit this must also be SBHS track suit.
- Make sure they drink plenty of water and carry a drink bottle with them to training and fixtures.
- If you are unavailable to play you MUST notify your coach well in advance. Just doing it online is not sufficient.

Keep up the good effort and I am sure SBHS Football will continue to have a successful season.

## Senior Captain's Fencing Report

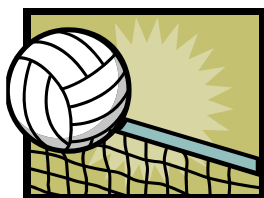

On Saturday 2<sup>nd</sup> August, three fencing teams from Sydney Boys High competed in the National Championships in Brisbane. Both our first grade sabre and epee teams achieved an impressive result, taking out the gold and silver medals respectively. This is an improvement upon our results from last year when we won gold in sabre and placed fourth in epee. Our recent success is largely due to the dedication and hard work of all our fencers and, as captain, I would like to congratulate every member in these teams. I would also like to thank our MIC, Mr Higgins, and Chi Mao in Year 11 for organising our plane tickets. A special thank you needs to go to Mr Huynh for being our coach and 'babysitter' over our weekend in Brisbane. Lastly, I would like to thank the UNSW coaches, Leo and Arash for their intense training schedules and invaluable bits of advice leading up to the Nationals. On a final note, I would like to wish all of our fencers the best of luck in the final few competitions leading up to the end of season.

# Volleyball Notes

*Come and support our final match for the season....*

On the 23<sup>rd</sup> August Sydney High will host Grammar in our last match for the season. If Sydney High wins we will be the 2014 GPS Volleyball Champions. **Your support** at this match could help give our boys that winning edge so come along and be prepared for a great end to the volleyball season. The 1<sup>st</sup> grade match starts at 11.30 am.

In addition we are also hosting an Old Boys match - High v Grammar to celebrate 20 years of volleyball at High. The Old Boys from both schools are preparing themselves for a competitive meeting that will undoubtedly provide great entertainment for those watching. The Old Boys game starts at 10.00am. BBQ food will be available on the day.
