Deputy Principal Con Barris retires

Highly regarded Deputy Principal of the Junior School, Con Barris, retired this week. He was a student at High (1966-1971). Con contributed a great deal to the academic, co-curricular and social life of the school since his appointment as a history teacher in February, 1985. As Head Teacher of History and as Deputy Principal since July, 2009, Con has made an outstanding contribution to the learning culture of the school. He pioneered acceleration and blended delivery in his faculty and courageously supported my change agenda when it was unfashionable to do so. His interpersonal and communication skills were important catalysts in the school's evolving collaborative and respectful relationships culture. He is a true believer in High who walked the talk. He was an institution as rowing MIC and later proved to be a passionate rugby coach. As a high quality leader, Con maintained a staunch faith in the past, possessed an engaging ability to keep pace with the present and demonstrated the strength of will to act to preserve the good name of High in the future. He will be missed.

Student Run Organisations

Erratum: When I wrote in *High Notes* about the SRO initiative I unwittingly omitted the major role of Jemy Ma who authored the first draft of the Proposal. I apologise to Jemy who did most of the work. I can confirm that the Executive resolved to allow a trial of Student Run Organisations under the revised constitutional requirements which includes the necessity of having a nominated staff patron for the organisation. The staff member will have the authority to approve, edit, modify or disallow SRO publications and activities. The structure will be 'guided autonomy' – as long as the SRO operates within DEC and school policy as interpreted by the organisation patron, it will be free to run its own affairs. As a first step the SBHS Community services Committee has lodged with me its Constitution as an SRO.

ASF Direct Donations

The Australian Sports Foundation has revamped its website and it now has the facility to donate directly to a Sydney Boys High registered project online. This new system will ultimately streamline the donation process, with payments direct to ASF becoming the norm. Each project will have its own discrete link. For example, the **Sports Development Fund** has a link:

<http://asf.org.au/donate/?projectID=1945>.

The **Sports Facilities** link is:

<http://asf.org.au/donate/?projectID=1946>

and the **Sports Equipment Project** has a link:

<http://asf.org.au/donate/?projectID=1947>.

One benefit of online donations is that donors will receive an automated receipt for tax purposes via email as soon as the donation is processed. To make this possible, it is imperative that valid email addresses are now provided by all donors. At the end of each month, each project that has received donations will be emailed a report detailing its donor activity. This will help us to keep track of our fundraising efforts and allow us to send a belated 'thank you' to our donors.

FROM THE JUNIOR LIBRARY

OPEN DAY THEME – FICTIONED OUT? "LOTS IN YOUR LIBRARIES - SCHOOL AND LOCAL - BESIDES BOOKS"

Our Open Day display on **current magazine** articles is meant as a reminder to our present students that our libraries subscribe to 23 popular magazines (as well as purchasing DVDs and books and subscribing to all the newspapers). The Library Monitors have picked articles

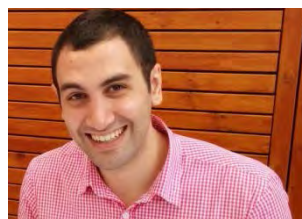

they felt interested in from the latest magazines on the top display shelf to show everyone what they can read in a magazine if they are "fictioned out". So *F1 Racing* features an article on Daniel Ricciardo the smiling assassin of formula one. *New Scientist* features an article on how much you can earn professional video-gaming. *The Planetary Report* features China on the Moon. *The World of Knowledge Australia* has a feature on what is the quickest way to build muscle.

Top Gear lists the top five hyper cars – The Pagani Huayra, the Ferrari LaFerrari, the McLaren P1, the Konigsegg Agera R and the Lamborghini Aventador as well as an article on the Porsche 911 GT3.

In Australian Personal Computer, APC, the boys found Microsoft surface Pro 3 which they recommend for Bring Your Own Device next year.

WILL KOSTAKIS – VISITING AUTHOR

Year 9 certainly enjoyed their visiting author this year. Will Kostakis managed to get his first book published when he was 19. He provided a living example of persistence achieving success to our students and inspired our boys

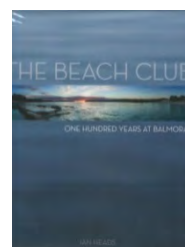

to take their ability at writing as a serious skill worth polishing. He offered life examples of how editing does make your writing commercially acceptable. Will discussed journalists' careers in blogs and Facebook as well as newspapers.

ADDITIONS TO THE IAN HEADS COLLECTION – PART OF THE OLD BOYS COLLECTION

It was lovely to once again see Joy Heads bring in her Old Boy husband's latest journalistic ventures to top up our Ian Heads Collection. Thanks to both Ian and Joy for ensuring that Sydney Boys High Libraries have a copy of – *The Fittler Files* (Brad Fittler with Ian Heads),

The Beach Club, *One hundred years at Balmoral* (Ian Heads) and *The Night the Music Died. How a bunch of bushies forged Rugby League's last great fairytale.* (Ian Heads). Ian is well respected journalist who specialises in interviewing famous sportsmen and he also explores interesting emerging hypotheses or historical changes in particular sports. Like Will Kostakis our visiting author, Ian's Collection of books is an inspiration to our budding journalists and an exemplar of following your dream as a career. Boys can look Ian's total collection up under his name "Heads, Ian" in Library Enquiry.

Wear it Purple Day

On the 29th of August, Sydney Boys High hosted a Wear it Purple Day event to raise awareness about the diverse sexual and gender identities that exist and to promote this diversity as something to be accepted amongst communities. This year's feature was to host a fancy-dress basketball game to promote the diversity of identities that exist and in turn show that stereotypes don't define us and that only an individual can know the individual.

This year Wear it Purple focused on stereotypes surrounding the GLBTIQ community and the sort of tags which limit the identity of people. I hope it allowed people to realise that all humans are simply people and we should not be tying down their individualism with stigmas and discriminatory behaviour. To spread this message of equality, Sydney Boys and Sydney Girls High together signed a pledge which simply agreed to this statement and to discourage discrimination, bullying, homophobia and transphobia in school environments.

I would like to thank Dr Jaggar, Mr Barris, Ms Powell, Mr Dowdell, Ms Connell, Ms Vickers and Mr Harrison for supporting both schools in continuing to enrich our environment so that people have the right to be proud of who they are. I would also like to extend those thanks to the Surry Hills police who have continued their involvement in our Wear it Purple day proceedings. Thanks also to Siobhan O'Brien, Caitlin O'Brien, Martin Nguyen, Anthony Tan, Darren Taing and many unforgotten others who made the day very special and successful. Also, thank you to the volunteer basketball players who made the fancy-dress basketball game such an interesting spectacle. To the rest of the students and staff who wore purple that day, you have no idea how powerful your message of support is to people who are struggling with their identity. On their behalf I would truly like to thank you and urge more people to spread the message of love and acceptance next year by Wearing it Purple on 29th August.

The full transcript of the pledge signed by students/staff from Sydney Boys and Sydney Girls High is available at:

MIC of Football Report

What a wet few weeks it has been. Non-stop rain has disrupted what has been a very enjoyable season thus far. We had to change the location of our 1st and 2nd XI matches from our home ground to Shore's home ground, Northbridge D. Our 2nd XI started the match with great intensity, but to Shore's credit they were too fast up front for our defensive back line opening up plenty of space and allowing them to create many shots on target. Our goal keeper, Liam Jepson actually had a good game diving left and right saving many goals. Our 1st XI came out like they have all season, high tempo and physical on the ball.

The score line of a 2-5 loss does not indicate the match. We had over 60% of possession with the majority of the match played in their half, but like our 2nd XI we also lacked speed at the back allowing the forwards to run, pass and take their chances on goal. The boys once again being 4-0 down fought back and scored two well-deserved goals to get it back to 4-2. Nathan Sutton, who has been one of our strongest players all through the GPS season, struck a half volley 20 yards out beating many players and the goal keeper to notch up his first goal for the season.

The opposing captain mentioned in the afternoon-tea presentation, the game was actually one of their most difficult games and the score line did not represent how hard

the Shore boys had to work.

This Saturday sees our final match of the GPS season against our long-time rivals, Sydney Grammar School. The boys have been psyched about this match all year and are keen to win the battle of the selective schools. Our 1st and 2nd XI will be kicking off at an earlier time at 10am and

11:15am down at David Philips (synthetic) field. The boys would love to see as many of you there to come and send off the Year 12s on a "High" note. Afterwards there will be a bus to take them back to McKay 1 to be involved in the opening of the new Fairland Pavilion scoreboard and watch the 1st XV battle up against top of the table Grammar's 1st XV.

We have also confirmed a date for our end of season Football prize giving night. This will be held on Saturday 13th September starting at 5pm in the Great Hall. I will be attaching the flyer and emailing it out to all families. Seats are limited to 250 so please get in fast to guarantee a spot. I will make preference to families whose boys will be receiving a prize.

I have created a Twitter account for regular updates in results, information and wet weather. This does not replace the school wet weather website. The link can be accessed by phone or web browser without signing in or having a twitter account. <https://twitter.com/SydHighFootball>
Please Note:

- All boys must turn up at least 45 minutes before the start of their match.
- They must be turning up in SBHS football uniform and if they wish to wear a track suit this must also be SBHS tack suit.
- Make sure they drink plenty of water and carry a drink bottle with them to training and fixtures.
- If you are unavailable to play you MUST notify your coach well in advance. Just doing it online is not sufficient.

Keep up the good effort and I am sure SBHS Football will continue to have a successful season.
