

From the Principal

Welcome to term 1
It is with a sense of excitement and renewal that I welcome back to

High all the staff, students and Old Boys who were with us in 2014 and I welcome warmly new staff and students commencing at High in 2015. We are entering a new phase in the evolution of teaching as a profession, with the switch from an accountability model based mainly on line management to one based particularly on tightly defined Australian teaching standards, maintained by collegial commitment.

The firm focus on teaching and learning and its improvement by means of lesson observations and professional learning inside and outside the school setting, has the potential to lift the quality of teaching at High in the medium term. With many new faces with diverse experiences and varied perspectives, our professional profile is being refreshed and renewed. Working together we can enhance the learning experiences for our boys.

Staff changes

We welcome back to High Patrick Parker as Head Teacher mathematics. Madeleine Rigby was appointed as Head Teacher history. George Barris is acting in a new position of Head Teacher Administration. Julie Eggleton is relieving as Head Teacher English for three terms. Anthony Cipolla is relieving as Head Teacher Student Wellbeing for term 1.

Temporary teachers in English for this term are: Jeremy Ohlback, Nicholas Jones, Courtney Powell and Joanne Curry. We also welcome Matthew Cotton as a temporary teacher in science as well as MIC Rugby. Rosie Tracey is relieving in history and Ani Rao has returned to fill in for Jamie Kay's position in social science. Bonnie Collignon has returned part time in visual arts and Con Barris is working part time in history.

We welcome new SASS staff, Jacqueline Blazek, SAO, and Catherine Rodakis, LSO. Chris Brown, our new Director of Development, is employed by the SHS Foundation Inc and commenced work on January 12.

Welcome to Year 7 assembly

My address to the Year 7 welcome assembly is reprinted below.

Good morning and welcome to High for the 2015 academic year. I look forward to a year in which we set the bar a notch higher yet clear it with confidence. This morning we are honouring new students who have joined the High community. As custodians of the High culture we have a traditional rite of passage - the clapping-in of Year 7. This is a corporate acknowledgement and recognition of the previous academic success of each student who earns a place at High. You were all selected by means of a rigorous entrance test. We understand that each one of you is an academically gifted person with a range of natural abilities. Our task is to mould these natural abilities into talented performance in several areas of school life.

To the new students joining us in Years 8, 9 and 11, I extend a special welcome to you from the High family. You were selected because of your all-round achievements in secondary school so far. You have demonstrated talent in a variety of activities or excellence in one and competence in others. We welcome you and expect you to add value to the High culture. You have a great opportunity to establish yourselves at our school by quickly getting involved in the co-curricular program. I urge you not to waste time waiting and watching. Get involved. Don't stick to only what you are good at. You need to grasp every opportunity. Get organised and be prepared to work really hard. Set yourself incremental academic goals and strive to achieve them. Lots of people are ready to help you.

This year we have a school wide BYOD policy. Information and communication technology will become increasingly integrated into the pedagogy of our school. Use your device and your researching privileges responsibly. Our teachers will be endeavouring to work closely with you to find out more about your preferred learning style and individual needs. We will be trying to improve your learning. We will be 'fussy about focus' in order to get more out of each lesson. We will need you to pay attention and participate, not hide in your own world of recorded music or in a virtual world within an iPhone or iPad. We expect that you will participate positively and respectfully in class.

We will expect excellence from you not just adequate work. We 'care about compliance' – do all the work that is set for you. Our teachers will be concentrating on consistency in completing tasks in class and at home to the required standard. We are dedicated trustees of our reputation and success at High. Together, if we work hard and help each other, we can maintain and enhance our excellent outcomes.

I expect that you will all adopt our all-rounder culture and take advantage of activities at High. We want you to work hard, train hard and play hard. We will also expect you to give some of your time and effort back into school and community service. Our High ritual comes full circle with a clapping-out in Year 12 at their final assembly. By then we will all be acclaiming what you have become. We will be celebrating your growth and achievement as secondary students. We will be honouring boys who have become men.

I expect all boys to involve themselves in co-curricular activities - the Student Awards Scheme identifies the main ones available. Sport is a very important part of life at High. Our traditional involvement in GPS and CHS competitions makes us unique. Sport training is offered on at least two afternoons as well. Membership of our weights room is excellent value for money. My strong expectation is that you will play competition on Saturdays. Participating in GPS competition is an integral component of our ethos. We focus on team sports for educational reasons – group cooperation, team building, goal setting, collaboration, time management, grit development and motivation skills – these are most necessary in modern work contexts.

We are trying to nurture 'future earning skills': problem solving, evaluating information, working in teams, communicating ideas and fostering creativity and innovation. For each boy we want to build positive emotion about High, engagement with High programs, respectful relationships with everyone, meaning in all we do and finding a sense of accomplishment for effort.

At school and in class show your teachers and all staff members and volunteers in activities the respect they deserve. Ask them for help. Be responsible for your own learning, training and performance. The pursuit of excellence is a lifelong discipline. Let's pursue our goals hard but have fun, too.

MIC of Cricket Report

Alan Davidson Shield

At the end of last term our 1st XI played away against Port Hacking High School to play in the South East Regional Final for the Alan Davidson Shield Match. We batted first and apart from our in form opening batsman, Vishal Nomula, seeing out the innings with a 56* the rest of the team chipped in for a few runs each and were dismissed for 126. The boys felt that was enough and they went out there and proved it. With some superb bowling from Kabir Agrawal with his looping out swingers and ripping through the top order with figures 5-11 they rolled through them and won the game easily. The boys now go on to Bathurst for a week and play in a round robin tournament against the other regional finalists.

Kabir Agrawal on his way to match winning figures of 5-11

Summer Trials

Over the summer break we had three trial matches. The first game was against SBHS Old Boys. They won the toss and controversially chose to bat first on a damp pitch. Our boys bowled well and rolled them cheaply allowing an easy victory for the boys. The next day we were up against St Aloysius. Again they won the toss and chose to bat. Raycole Dai has been in great form with the ball and took a couple of early wickets to then come back later in the innings and finish off the tail-end. The next game was against more senior players, Cricketers Club of NSW, being played at Camperdown Oval. Bowling first the boys got on top of them early, but allowed it to slip away towards the end of the innings. We started well with the bat scoring freely on an outfield that rewarded good shots. We then had a middle order collapse and we were in trouble at 9-86 needing 50 runs to win. Enter Raycole Dai. As he walks out to bat he turns around and says "don't worry boys I've got this". He joins Symeon Ziegler (our U15s captain) and advises him that he will take the majority of the strike. He swats, he slaps, he belts the ball all over the park scoring a miraculous 40 runs from 28 balls with 4.3 overs remaining. The boys were ecstatic with the victory swamping Raycole as he came off.

SBHS vs SBHS Old Boys.

I would like to welcome everyone back for the New Year especially our new students joining cricket for the term. Last week we had a Try Cricket Day that was very successful. We had over 30 boys turn up and they were able to demonstrate their skills with the bat, ball and fielding, while learning new things from our coaches. The day ended up with a modified game of "Reverse" Diamond Cricket which they all enjoyed.

This week our U13s will have trials at the school nets, while the remaining age groups will be up against Scots College. Scots 1st XI are currently undefeated, but with our boys playing on a smaller field that allows you to play shots and get rewarded for it, I believe we can challenge the premiership favourites. Good luck to everyone and I will see you all around the grounds.

U13s Try Cricket Day.

In the July holidays 2015 we are aiming to participate in a once in a life time opportunity to play in a cricket tournament hosted in Sri Lanka. We will be representing our school and Australia in the "World Premier Schools Cricket Challenge" Tournament. This is open to anyone in the current U15s-Opens cricket teams. If you are interested in attending please notify me by email.

I have created a Twitter account for regular updates in results, information and wet weather. This does not replace the school wet weather website. The link can be accessed by phone or web browser without signing in or having a twitter account. <https://twitter.com/SydHighCricket>

To all parents and players, don't forget to go through the points below:

- Please make sure that all the boys wear SBHS logo hats, tops and long white pants.
- They are not to wear thongs to and from their fixtures.
- Apply plenty of sunscreen throughout the day.
- Make sure they drink plenty of water and carry a drink bottle with them to training and fixtures.
- Please notify their coaches if they are unable to attend training or their fixture.
