

From the Principal

High Talent

At the fencing National Schools Team Qualifying Tournament, our sabre team won gold. Our Epée team A won gold and B won silver. These teams have qualified for the national schools competition to be held in Brisbane in June. Well done boys! Congratulations to Sam Musgrove who was selected in the CHS first XV rugby team at No 8 after selection trials in Wagga Wagga last week.

AAGPS Athletics Carnival

The AAGPS carnival was held in warm sunshine at SOPAC last Saturday. Our junior boys were very competitive, finishing just 4 points away from a third placing. The intermediate division placed fifth and we struggled in the senior division finishing only in front of TAS. There were some impressive performances, including: Ben Nguyen – U13 long jump 1st, U13 90m hurdles championship 1st, U13 100m championship 2nd; Lucas Wong – U15 200m championship 1st, U15 100m. championship 1st; Kazi Hasan U13 200m division 1st, U13 100m division 1st. Multiple placegetters were: Oliver Gao – U14 long jump 3rd, U14 100m division 2nd; Conor McGrath – U16 800m division 3rd, U16 1500m championship 3rd; Clinton So – U15 100m championship 3rd, U15 long jump 3rd. Third places were earned by: our relay teams in the 4x400 junior, U13 4x100 and U16 4x100, Anderson Chan U14 400m championship, Desmond Cai U16 100m championship, Luke Schofield Open 3000m championship and Vasco Santos-Dwyer U14 high jump. Jayden

Schofield was 2nd in the Open 3000m division. Congratulations to all our successful competitors! Thank you to all staff and students who assisted on the day.

Athletics Assembly

Our guest speaker, Greg Haddrick, linked the pressure of moments in athletic competition where nerves needed to be conquered and good, calm choices made, to his life as a writer and producer of TV and film. He recounted two highly stressful events relating to 'colourful underworld identities' where he was forced to think on his feet under great stress and come up with a course of action to allow the projects to proceed. He outlined his life lessons from sport at school and how they have helped him in his professional career. My speech to the assembly follows:

Special guest Greg Haddrick, coaches, parents, Old Boys and GPS competitors, welcome to our athletics assembly for 2015. I acknowledge this morning the Gadigal people of the Eora nation as the custodians of the land on which we meet and pay my respects to elders past and present and extend that respect to any Aboriginal people here today. We have developed higher expectations about our athletics program over the last few years and we expect another strong showing at the GPS carnival tomorrow.

Athletics MIC, Kurt Rich, has built up a great team of coaches and his efficient administration has made an impact in what is a very short athletics season that had to be kept going during two weeks of holidays. I want to acknowledge the fine job that Kurt has done with the athletics program 2013-15.

Kurt and Head Coach Joshua Tassell (SHS 2010) have grown together as a team to give athletics back a pride in itself and instilled in the boys a joy of competition. Joshua and Eugene Lee (SHS 2014) are coaching sprints with Joshua Leo (SHS 2014) as a keen utility coach. Middle distance head coach, Lachlan Youll, ably assisted by long distance guy Adam Booth (SHS 2012) and Ned Anson (SHS 2014), has increased the depth and competitiveness of our distance squad. Christian Lozada, head hurdles coach, has given our jumpers enhanced self-confidence and a much better technique. We are hoping to improve our finishing positions in quite a few hurdling events.

Andrew Walters (SHS 2003) joined athletics this year to coach shot put. He has put a lot of emphasis in improving our technique. It is too early for much improvement to come through but the future of our shot put contingent looks rosier. Davina Strauss has nurtured a strong long jumping culture over the past two years. Our boys have more self-belief in this discipline. Thank you to our High stalwarts Wayne Baldock, Mark Gainford, Sean Creer and Terry Lancaster (SHS 1963) for their help at carnivals as managers and marshals. You are helping to keep the culture of athletics at High strong.

When people are immersed in a structure and a culture surprising results can emerge. The great Australian athlete, Cathy Freeman, has a rightful place in the Sport Australia Hall of Fame 'Great Sporting Moments' in Australian sport. Her inspirational win in the 400m at the Sydney Olympics in her distinctive full length running suit was a wonderful national moment. However, her effort was no one-off highlight or lucky run. Ten years earlier at age 16 she had won a gold medal at the Commonwealth Games in Auckland in the 4 x100m relay. In 1994 she won gold in the 200m and 400m at the Commonwealth Games at Victoria in Canada. In 1996 she won a silver medal in the 400m at the Olympic Games in Atlanta, followed by world championship 400m gold medals at Athens in 1997 and Seville in 1999. Cathy had a long and very distinguished career, but how was it possible for her to become an international athlete?

Building up a routine of disciplined training in early life is an effective platform from which to launch a full time career in athletics. Until age 13, Cathy was mentored in her sport by her stepfather, Bruce Barber. He recognised and developed her talent and had the prescience to know when professional coaching would be needed for her to reach her potential. Cathy moved to Kooralbyn International School as a 14-year old to be trained by Romanian Mike Danita who was to become her long-time coach and mentor. Danita designed for her a strict training and lifestyle regime. Three years later she was running for Australia. She had the motivation, physical attributes, psychological capacity and the right opportunities on offer, to convert her natural gifts into performance talent.

Hard preparation over a sustained period is always a precursor to success in athletics, as it is for most activities performed at an excellent level. The '10,000 hours rule' applies. Given our small population, distance from strong competition and with Southern Hemisphere seasonal issues, it is rare for Australia to produce world class athletes in track and field. Cathy had the talent, the drive and the right people mentoring her and she became a significant international athlete.

Athletes need to get the right training while at school in order to develop excellence later in their lives. High runs a very good athletics program. We have the people, the program and the facilities. Be inspired to participate by the example of the GPS athletics team to be introduced to you today. As customary, I wish all of the boys selected in events for tomorrow's carnival a PB performance. I hope many High boys will be there to witness your efforts.

Year 12 Reports

Year 12 boys should have their reports. If not, please ask your son to complete his Clearance Form and make an appointment to discuss his report with me. One week from this Friday (ie 22/5/15) is the last occasion for boys to make an appointment. Thereafter, I will make personal contact with the families of the boys with uncollected reports.

Dr K A Jaggar
Principal

From the Canteen

Thank you to our volunteers last week, your help is very much appreciated.

NSW Bright to Brilliant - Presentation to Families and Adults 30th May

Time: 2:30 – 4:00pm

Venue: UTS Sydney, University of Technology
Sydney Broadway Street, Sydney. The
Campus is approx 5 minute walk from
Central Station.

Cost: Free

<https://www.mensa.org.au/events/event/nsw-bright-to-brilliant-presentation-to-families-and-adults>

The organisers are saving us 10 seats. Please contact Ms Powell for more information.

Debating MIC Report

In spite of our rather non-orthodox approach of not choosing teams in FED at all we still managed to achieve the following:

Year 7 into the Semi.

Year 10 and Senior B into the Finals.

Good Luck to all three teams who will remain the same for the last two rounds. Congratulations to any boy who debated in the FED competition. Your participation has been of benefit to your own development as a debater and benefited the school competitively as well.

FED Finals are at Newington on 22nd May.

In Eastside we have teams in the Semi Finals in Years 9-12. Semi Finals are this Friday 15th May at SGHS and finals are two weeks after this on Friday 29th May at SGHS. Good Luck to all the teams who have made it through this far.

Rachel Powell
Debating MIC

Hello. First off, I would like to congratulate all those debaters who made a GPS debating team. It's a wonderful experience and one that I'm sure you will enjoy. If you didn't make a team that you wanted, my commiserations. However I encourage you not to give up and keep trying in coaching and watching some senior debates. Some of the best debaters I know often didn't make a team in their junior years, or were in the Bs.

In the meantime it's an exciting period in our Eastside and FED comps. It's rare to see FED teams make the semi-finals or finals due to the rotating nature of the squad, but this year both the Year 10 and Senior B teams are going on to the finals and the Year 7 team is entering the semi-final. The success in FED is a testament to the skill of our debaters and often the more social nature of FED is more helpful in refining debating techniques in a more relaxed environment. In any case I wish all the teams moving forward in FED good luck in their debates. Historically High has done quite well in Eastside, and we have carried on the tradition this year with Years 9, 10, 11, and 12 teams making it to the Semi-Finals at SGHS this Friday. As Eastside is a more intensive competition, the schools' teams often have some of the best debaters from their schools competing and thus it is a challenging competition. All teams who made it through should be congratulated on their success.

With the advent of both semi-finals and finals in these competitions, I urge all debaters to relax, and enjoy debating. As long as you try your best it should be a great debate and an enjoyable one. Besides there's nothing more fun than being right, knowing you're right, and proving why the opposition's case holds no merit, in the most sassiest and annoying way possible. If you are not debating this week I still urge you to watch some of the debates. It's often encouraging to have friendly faces to talk to rather than the back of a chair or the judging face of the adjudicator. Besides, by making it this far your friends deserve your support and encouragement as much as possible. Plus, it's just a quick walk over the Girls School.

I look forward to hearing about our wins this Friday and am sure that you will have fun along the way too. Making the Semi-Finals and Finals is a rare and unique opportunity, so be sure to make the most out of it. Good Luck!

Ganeshmoorthy Chandrasekaran
Debating Prefect

Software Design & Development Student Success

Congratulations go to Kevin Ni (Year 11), who has qualified for the second Round of the Google Code Jam competition.

Google Code Jam challenges professional and student programmers around the globe to solve difficult algorithmic puzzles. The four online Code Jam rounds will conclude with the World Finals at Google's Seattle office this August. The competition will really heat up during the finals, where the top 25 contestants, along with last year's champion, Gennady Korotkevich of Belarus, will jam it out for the \$15,000 grand prize; the coveted title of Code Jam 2015 Champion and automatic qualification in the Code Jam 2016 finals, to defend the title.

Round two will be held on Saturday, May 30th at Midnight because of the online nature of the competition, and it being run by Google in the USA. Wish him luck!

Sydney Boys High Weightlifting Club Summary

Very few will be aware that the Sydney Boys High Weights Room is, as of this year, a registered weight lifting club. We are the first school in Australia to ever achieve this. Raising the funds necessary to register we have had 2 school boys (Rick Saha and Nigel Zhang) compete against other clubs. Due to a clash with the AAGPS Rick Saha was unable to compete at the State Weight Lifting Competition but Nigel Zhang was able to do so. Nigel placed 2nd in the U17 age group Snatching 75kg and Clean and Jerking 95kg. Look out for this program to develop over the years as the boys and myself as a coach continue to improve.

High Rugby

Open Invitation - Year 7 Rugby Parents

The High Rugby Parents Committee extend a warm invitation to the parents of our new Year 7 players to join us at McKay Oval from 8am on Saturday the 16th of May for a cup of tea and an introduction to the High Rugby community. We'd love you to join us, meet other High Rugby parents and watch our boys play our traditional season opening rival, St Pius X College.

We look forward to seeing you there.

SBHS Drama

On Thursday May 7, Year 11's full-length, self-devised play *NO DIRT* premiered at SBHS. Written and Directed by James Merlo, Ellery Smith, Nelson Yin, and Robert Yuan, *NO DIRT* tackled some heavy issues, including human trafficking and class

divide. They performed incredibly well, and really delivered an exceptional performance. The first half surprised the audience, using locations around the school to set their scene (pun intended), and the second half was an intimate showcase in the Drama room. The boys have worked so hard on this project, and it was so wonderful to have so many familiar faces come and support their efforts. Special thanks to our guest actor from Year 10, Aryan Vatandoust, and our techs for the evening, Connor Fisher and Tushaya Mehndiratta. Congratulations to the Drama cohort, for a fantastic evening!

Courtney Powell
SBHS Drama Teacher

SBHS Fencing

On the 9th of May, our top 4 fencing teams (1st sabre, 1st foil and 1st & 2nd epee) began the season by facing off against teams from around the state at the AJ Rae Senior Boys Team National Qualifiers for a chance to represent NSW at the National level.

The foil team (John Tian, Julian Tu, David Zhou, Jonathan Tran) was first up, arriving at the venue at a bright and early 6:45am, and beginning an hour

later in fine form, achieving 3rd place in their poule of 5 competitors before being bested by only a single point (44-45) in their following direct elimination round. Special mention to John Tian for his particularly unrelenting determination. The two epee teams (Peter Lin, Arthur Chao, David Huang, and James Ye, Kentaro Takahata, Patrick Han, Ronald Chan) competed next, easily achieving gold and silver respectively to both qualify for Nationals.

The sabre team (Garry Huang, Chi Mao, Simon Nguyen) fenced last but not least, cruising through two bouts (45-15, 45-17) to also secure gold medals and qualification for Nationals. Throughout the competition, William Zeng and James Siu were also present, kindly donating their time to referee.

With such positive results despite a larger turnout at the competition this year, our teams have high hopes and much confidence to match or better our performance throughout the season and at Brisbane later this June.

Garry Huang
Captain of Blades

What's Up in the McDonald Senior Library? 15/05/15

LIBRARIAN'S "GOOD READS" PICKS

Severed Heads, Broken Hearts

by Robyn Schneider

Ezra Faulkner's life is great until tragedy hits and his athletic career is destroyed after a car accident. His fall from grace means that he is no longer part of the popular crowd. This forces him to make many changes including the company he keeps by joining a group of misfits which includes Cassidy Thorpe, a wonderfully weird and fascinating but mysterious girl, who he begins to find irresistible.

If you like John Green books like *The Fault in our Stars* and his many other titles you'll love this one. Sad, funny and quirky the story will keep you reading till the satisfying conclusion.

The Tournament

by Matthew Reilly

Matthew Reilly is known for his no-holds-barred action and adventure stories. *The Tournament* is different and has been described as the best book he has written so far. It does however bring many of

the qualities of his previous books with lots of action, mystery, suspense and danger in a historical fiction story. It's about a famous chess tournament held in the glittering city of Constantinople in 1546 by Suleiman the Magnificent the Sultan of the powerful

Ottoman Empire. Henry the VIII of England sends a delegation including the famous teacher Roger Ascham, Henry's daughter Bess (eventually to become Queen Elizabeth the 1st) and his best chess player to compete. After they arrive and amidst the excitement of the tournament, several barbaric murders take place and Bess and her teacher find themselves in great danger after they agree to investigate and solve the mystery.

Exciting, fascinating and unputdownable, this book will keep you reading till the early hours.

Find both these great books and many more in the Senior Library on the new book stand.

GPS Athletics Summary

After an efficient 8 week training block including 2 holiday weeks training with not one session being cancelled a well drilled athletics squad competed at Homebush in the Annual Athletics GPS Carnival and did the school proud.

Our Juniors placed 4th again just 4 points off 3rd place. Special mention must go to Ben Nguyen who was in 4 individual events winning one and coming 2nd in 2, he was also part of the U13 4x100m relay that placed 3rd. Kazi Hasan still eligible to compete as U12 won his 200m championship and 100m division race and was a part of the U13 4x100m. Vasco Santos-Dwyer and Raghav Ramanathan both High Jumped enormous PBs and Vasco placed 3rd in U14 high jump, both earning the school points in events that High in recent times has not seen much success. Oliver Gao was able to come 3rd in his U14 long jump, and 2nd in his division hurdles as well as being part of the best Junior 4x400m (also included – Francis Nguyen, Allen Guo and Michael Woo – new boy) relay High has ever produced placing 3rd with a time of 3:55.98.

The Intermediate team improved their position from last year's and came up in 5th spot. Our sensational U15s age group were a good showing all season and the 16s really stood up to improve the division's position - Lucas Wong winning both his 200 and 100 championship races as well as being part of the 4x100m relay that came a very close 5th. New boy to the school Clinton So set the standard for how to make the most of what this great school and athletics program has to offer, not missing a session all season, rewarded him with 3rd in both his U15 hurdles championship and long jump; a hand laceration ruled him out of the 4x100m relay. Brandon Nguyen as well as appearing on the cover of the 2015 GPS program found the time to win his hurdles division race and was also the 1st runner in the U15s relay. Our 16s 4x100m relay (Jason Huo, Thien Dang, Desmond Cai and Eli Hall) pulled out a sensational race to place 3rd.

Our seniors represented their school with tremendous pride but a lack of depth, placing 8th. Luke and Jayden Schofield ran the infamous 3k race and amazed us all, Luke coming 3rd in championship and Jayden 2nd in division.

Thank you to all the parents who helped in particular Mr and Mrs Ho-Shon, Sports Master Mr Pavone for his continuous support for myself and of the program, the junior captain Ryan Ho-Shon, junior vice-captain Ryan Zheng, senior vice captain Rick Saha and Neil Song Captain of Athletics. Our coaches once again did a fantastic job and we hope they will all be back to coach next season.

We do however say goodbye to head coach Josh Tassell, his impact and involvement in the High Athletics program has been massive. He will be missed, but the Tassell Legacy will go on.

SBHS Rugby

South Africa CHS Tour

CHS Rugby Development team tour of South Africa
6th April - 20th April 2015

James Tinker, Bennette Jiang and myself flew to Johannesburg to play our opening two games in Pretoria.

We participated in the Noord Suid Rugby Torni held over a 4 day period at Menlo Park High School.

Our first game against the number one school, Grey College saw us defeated not only on the scoreboard but perhaps by the effects of playing at altitude and a short preparation. In our second game against the fourth ranked school, Waterkloof our team won a tight match by toughing it out for a full 80 minutes.

A highlight during our stay in Pretoria was a coaching session with ex Bulls player Gary Botha and the opportunity to join in a Queensland Reds training session prior to their match at Loftus Versveld.

We then travelled south via George to Capetown where we were billeted with students from Paarl Boys High. We played our third game here against Paarl which saw us really combine as a team with another hard fought victory.

Our final game of the tour was against Kasselsvei High which we won in a more open free flowing game.

The visit to Robben Island where Nelson Mandela was imprisoned was memorable as was the spectacular Table Mountain.

We would like to thank the "CHS family" especially our coaches and management for a unique experience of sport and culture.

Sam Musgrove

Football Results – 2015 Term 2 Week 3

Team	Against	Result	Scorers
CHS knockout			
1 st XI	Rose Bay Secondary School	1 – 0	James Pope

Note: W/O = Washed Out

MIC of Football Report

Due to SBHS Football winning the South East Regional Finals last year we were given a bye for round 1 of the CHS Football Knockout Competition. Therefore in round 2 we came up against Rose Bay Secondary School. We knew we had a tough game against us with 5 of their players playing for a club or at a representative level. Before this match with school exams and huge amounts of rain cancelling training, this was actually the first time our team had come together. So we were a bit unsure how our team was going to perform. With many of the boys returning from last year they were able to combine as a team quickly and take control of the match. With more than 65% of possession the boys created many chances. The lack of fitness and training for our boys meant we were unable to capitalise in the first half. The second half was much the same but then our coach made a super sub bringing James Pope on at the front. Jun Park received the ball, went through some space and offloaded it onto Pope who rocketed it off his left foot from 18 yards out into the left corner giving us a well-deserved lead. Our boys kept pressing forward to try and extend the lead. Although we did not manage another goal our boys first hit out was a very promising start to the season.

This weekend we play our first official trial match for all teams against Shore. Our boys have been training well in the pre-season and hopefully we can come away with a few wins.

I have created a Twitter account for regular updates in results, information and wet weather. This does not replace the school wet weather website. The link can be accessed by phone or web browser without signing in or having a twitter account. <https://twitter.com/SydHighFootball>

Please Note:

- All boys must turn up at least 45 minutes before the start of their match.
- They must be turning up in SBHS football uniform and if they wish to wear a track suit this must also be SBHS tack suit.
- Make sure they drink plenty of water and carry a drink bottle with them to training and fixtures.
- If you are unavailable to play you MUST notify your coach well in advance. Just doing it online is not sufficient.

Geoff Tesoriero

Professor David Weisbrot AM

Invited speaker at the
2015 Sydney Girls High School &
Sydney Boys High School
Joint P&C Meeting

**“Coping with the media and social
media in today’s legal
environment”**

Wednesday

17th June 2015

7:30 pm – 9:00 pm
SGHS Campbell Hall

**All parents & carers
are welcome to
hear & meet our
distinguished
speaker.**

Supper provided

We are all conscious of the increasing impact that the various forms of media are having on our children’s education and leisure time. But are there consequences? Come and hear and meet the person who can answer your questions on this important topic.

ABOUT THE SPEAKER

Professor David Weisbrot is the recently appointed Chair of the Australian Press Council. He is also Emeritus Professor of Law and Honorary Professor of Medicine at the University of Sydney. He is a Fellow of the Australian Academy of Law. Prof Weisbrot was President of the Australian Law Reform Commission (ALRC) from 1999-2009 and so is the longest serving President in the ALRC’s history. He has written or edited ten books, including *So You Want to be a Lawyer?* as well as over 200 official reports, journal articles and conference papers. His daughter Ella Weisbrot was Vice Captain at SGHS in 2008.
