

**From the Principal
High Achievers Evening**

On 27 August at 6pm in the Great Hall, the SHSOBU is holding another *High Achievers* evening. This is a free event designed to showcase the life and careers of High Old Boys as well as to gain publicity for the OBU and demonstrate its relevance to current students. The inaugural evening, held last year, was very informative and entertaining. The feedback from the boys who attended was very positive. This year's organisation promises to be even better, with a wide variety of professions and experiences represented. I urge all boys who are starting to think about life after school and possible vocation options to come along and hear from some great role models who attended High. Register at: <http://www.shsobu.org.au/high-achievers-2015-speakers/>

Tell Them From Me – Survey for Students, Staff and Parents

We have been collaborating with the researchers at *The Learning Bar* for a couple of years to gather data about the school from the perspectives of students, parents and staff. We have learned about our school climate, how students feel about having an advocate for them at school and about how high the incidence of engagement with school life is. The surveys have certain shortcomings in the wording of some questions and in the inferences drawn from answers to single questions, but nevertheless the instruments are valuable for the senior management team to inform our planning. This year there is an opportunity for us to ask some of our own questions and add them to the survey. By this means we hope to make the responses we receive more pertinent to the context of High and consequently, more meaningful for school planners.

I commend the surveys to the High school community. An Award Scheme point is on offer as usual for boys who complete the survey. The Partners in Learning Survey can

be accessed from Monday, 17 August at <http://sbhs.co/pil15> They will be live until Friday, 16 October. The survey window applies to all three surveys: parents, teachers and students.

Year 12 Letter to Parents

All Year 12 parents should have received a copy of a letter from me, dated 5 August. The letter sets out the important

events and dates marking the end of secondary schooling for Year 12 students. Information about reports, references, scholarships and the farewell assembly is included. Our zero tolerance policy on behaviour during the final weeks of school is also explained. If you are a Year 12 parent and you haven't received this letter, please contact the School Office.

Winter Sport Co-payments

All winter sports depend on prompt payment of invoiced co-payments to pay coaches. Parents are reminded that all programs have to meet their budgetary obligations and cannot do so without maximum support from everyone. Our sports are delivered at a fraction of their actual cost, being subsidised by parking revenues and ASF donations, along with the structural support and supervision provided by the school with assistance from the sports levy and general contributions. Please settle up your son's winter sports co-payment now.

Sick Students at School Policy

Many students present to 'sick bay' with a variety of ailments. A School *First Aid Officer* makes an assessment of their condition. Many injuries are treated on the spot and the cases are managed between the school and parents. If the presented symptoms are serious, an ambulance is called and parents are notified of the School's action and where the student has been taken. If the student just needs time to rest, lounges in 'sick bay' are provided. In the case of sprains and minor injuries, parents are notified and

arrangements are made for students to wait until the end of the day or make their way home straight away, if the parents and the School agree and there is someone at home to care for them. There are cases where the student is clearly ill but is not serious enough to be hospitalised, and parents are contacted and asked to come and pick up their son.

Usually, parents find a way to pick up their sons within an hour of being notified. Parents are reminded that the School has no resources to devote to caring for sick students at school if they need constant supervision. The School reserves the right to call an ambulance and have a sick student taken away if parents do not agree to attempt to pick up the sick student within an hour after notification.

Chess News

Congratulations to our Intermediate A team who won against Sydney Grammar School last Friday and now progress to the regional final of the NSW Junior Chess League Interschool's competition against Scots this Friday.

The players are James Snow, William Weber, Edgar He, Sean Zhang and Wesley Yu.

R Barr

From the Canteen

Did you know that the canteen at Sydney Boys donates \$70,000 plus to the school each year to be used to improve educational facilities and resources for our sons at High? This is money we make by providing an extensive menu with a wide range of healthy low cost food options for the boys.

The above is only possible because we are one of the few parent run canteens left in high schools in Sydney i.e. parent volunteers work in our canteen and a parent committee supervises the management of the canteen.

More parents – mums OR dads - are needed to sit on the management committee, as a number of parents are finishing this year. Meetings are only for 1 hour – 2.45pm, 2nd Fri each month i.e. 2-3 a term. Parents who work both part and full time have been involved.

It is an interesting and fun way of contributing significantly towards your son's life at High!!

The general committee help with stock takes, assisting with volunteers, open days etc. The positions of President and Secretary are quite straight forward and involve doing High Notes, minutes of meetings etc. These are positions that do not take a lot of time as everything is in place to keep things rolling along so to speak. Both our President and Secretary are leaving the committee this year, so it is important we have new people come onto the committee so the canteen operation continues to run smoothly. We are very fortunate to have excellent canteen managers and the committees essentially are there to help keep the canteen running in the best and most efficient way possible for the benefit of the boys and the school.

Being on the canteen committee is an indirect and easy way of helping make a significant contribution to your son's education at high school.

Please phone Canteen on 9360 4027 if you are able to help. The school and the canteen need your help.

Thank you to last week's volunteers:

MON: Pam Jepson, Usha Arvind, Yoshi K-Leong and Nerida Wilson.

TUES: Long Nguyen and Yu Liu (Frank).

WED: Jenny Chiu, Cindy Tseu and Kunti Ranade.

THUR: Annie Jiang, Xing Ping Zhang and Pit Trent.

FRI: Connie Tai, Electra Manikakas, Zoe James and Sabrina Xu.

Sharon Hughes

President Canteen Committee

HIGH ACHIEVERS NIGHT

27 August 6.00 pm in the Great Hall

FREE ENTRY - REGISTER NOW

Dear Students and Parents

The Sydney High School Old Boys Union invites you to the 2015 High Achievers, to be held from 6pm to 8pm on 27 Thursday, 27 August in the Great Hall at the school.

High Achievers is a *free* event that gives the current students in Years 10, 11 and 12 the opportunity to talk to High old boys who have successful careers in a range of occupations, including medicine, law, science, research, business, finance, IT, engineering, education, art, sport and, media.

Priority placement at the event will be given to those students who are in the Old Boys Union Student Life Membership Scheme, but all senior students are strongly encouraged to register.

To **register** and to read more about the speakers please complete the online form [here](#).

To join the Student Life Membership Scheme please click [here](#) or complete the form attached.

Our speakers include some with outstanding entrepreneurial achievements who will talk about 'how they did it'. Speakers confirmed to date include:

Jason Phu (Class of 2006) graduated from the College of Fine Arts UNSW in 2011 with a BFA Honours. He has also studied in Nova Scotia College of Art & Design & Central Academy of Fine Arts, Beijing. He is the winner of this year's Sulman Prize and was also a finalist in this year's Archibald Prize for his portrait of curator Glenn Barkley and in 2014 for his portrait of gallerist Evan Hughes.

Dr Louis Wang (2000) BSc(Med) MBBS MM FRACP is an early-career cardiologist. Louis is the Chief Resident Medical Officer at St Vincent's Hospital and is undertaking doctoral research at the Victor Chang Cardiac Research Institute

David Scribner (1983) is the CEO of Virgin Mobile Australia. During his tenure, Virgin Mobile has secured the position of market leader in customer satisfaction and become a leading challenger in the Australian Mobile market.

Since graduating in 1981, **John Croll** has played a leading role in the media industry in Australia. John gained more than two decades of experience at Croll Communications, and Media Monitors before becoming Chief Executive Officer of iSentia (formerly Media Monitors) in 1999.

Allen Liao has been busy since he graduated in the class of 2011. In 2014, during his Bachelor of Electrical Engineering and Bachelor of Commerce degree, he co-founded Tzukuri, which aims to make the eyewear industry more sustainable. The first product designed by Tzukuri is the world's first 'unloseable sunglasses' which required the development of the world's smallest Bluetooth device, as well as new plastics manufacturing processes.

James Solomons graduated in 1998 and went on to complete a Bachelor of Commerce in Accounting at Macquarie University. James is the Head of Accounting for Xero Australia, the emerging international leader in online accounting software. He also is a director on a number of boards of not for profit organisations.

Graduating in 2000, **Matthew Baker** pursued an ambitious line of education. Matt was the 2005 recipient of the John Monash Scholarship, and went on to study at the University of Oxford, England, completing a DPhil in Physics in 2010. During his studies, Matt worked as tutor at Oxford. Matt is an internationally acclaimed fencer, representing Australia in

International World Cup competitions from 2005-2014 and was a member of the Australian Team at the Commonwealth Fencing Championships in Scotland in 2014.

After graduating in 2008 as School Captain, **David Vien** completed a Bachelor of Business in Accounting, Finance and Management at the University of Technology, Sydney. David excelled at university and was recipient of the Co-operative Scholarship and UTS Service Award. Since then, he has gone on to work for leading corporations including Deloitte Consulting, Commonwealth Bank, and Air Sea Global Logistics. He is currently an Investment Analyst at L Capital Asia – LVMH

Alan Morrison graduated in 1983. He was instilled with a strong sense of community service from his father and mother whose work has been recognised with Order Of Australia medals. Alan is currently the Director Education for New South Wales Ambulance. In this role he is responsible for the foundation education and ongoing credentialing of frontline roles including paramedics.

Simon Ho (1998), graduated with a B.Sc. (Honours) and M.Sc. from the University of Sydney, and completed a higher research degree (Ph.D) at the University of Oxford. He then worked at the University of Oxford and the Australian National University before taking up a permanent position at the University of Sydney in 2010. He is now an Associate Professor in the School of Biological Sciences and spends most of his time on research.

About the Sydney High School Old Boys Union: Sydney High School Old Boys Union was founded in 1892 to foster and continue the friendships formed by students while at Sydney High School and then to contribute through this fellowship something of value to the corporate spirit and wellbeing of the School. The Old Boys Union has continued to do this and has made valuable spiritual and material contributions to the School. It has become one of the largest and most significant alumni organisations of the High Schools of NSW.

We look forward to seeing you there.

13B's XV 0-71 Sam Colgan

Team of the Week 2nd XV

Coming into the game with many missing players due to illness, injury and players being moved up to fill in for 1st grade's injury list, meant that we had to rely on players such as Robert Yuan, Charles Wilson and Liam Elton to step up and fill out our team list. The game started with our introduction to the referee which we thoroughly enjoyed. After a few minutes our first try of the game came from our quick thinking man of the match, Ethan Merrick, who chipped a loose ball into an open field only to use his unmatched speed to out-pace the opposition from 60 metres out and ground the ball over the line.

Our second try came from a No. 8 play off the back of the scrum to Anthony Zhang, who, despite not having the necessary support to complete the play, decided it would be a good idea to run through the defensive line, stepping on four defenders before accelerating, leaving the Scots $\frac{3}{4}$ line in his dust and putting the ball down just beneath the posts. Onlookers such as Jacob Katafano noted that it was "the best try I have ever been privileged to witness". Our captain Tom Nassif slotted the conversion to finish a fantastic first half performance and putting us in the lead 12-10 going into the second half.

As the second half progressed we tired quickly and the Scots team got the better of us, scoring multiple tries

and after failing to score off dropped balls and defensive pressure, tempers flared, but not for long as our voice of reason Ethan told us to "cool our jets".

Despite our first half efforts, the game was lost after 50 minutes though with a score line of 12-29, this was our best result this season.

Report courtesy of A McCaffery

Australian History

Boori Pryor, Indigenous author and speaker, visited Sydney Boys High School to talk to Year 7 as he has every year for the past 20 years.

Boori entertained the students with stories of his life growing up in Townsville in the 1950s and 1960s with his large family, his escapades and, of course, his didgeridoo! The students really enjoyed the stories and engaged with Boori's sense of humour.

MIC of Football Report

One of the benefits of SBHS being a part of the GPS system is the opportunity to play away at these magnificent grounds. King's School is enormous in size and spectacular in facilities. As one of my coaches said to me, "Is this its own suburb?"

The 1st XI and 2nd XI played their best match of the season so far. The 2nd XI in the first half had even amount of possession, but created more chances. Kabir Agrawal and Jun Park were combining very well up front with Misha Libman and Bovan Lin in the mid field helping maintain possession allowing the team to push forward and have opportunities at goal. In the second half King's had the majority of possession, but our guys dug deep and never really gave their forwards a chance at goal. A couple of times we were able to counter-attack, but their goal keeper had a good game and made some crucial saves. The 2nd XI had their first clean sheet since my time as the MIC of Football.

The 1st XI came out with more intent and belief. They passed the ball around and moved quickly down the sides. Unfortunately King's were able to counter-attack and scored against the run of play to go 1-0 up early in the match. Our boys rallied hard and thanks to a great strike by Chris Nguyen from 18 yards out beating the goal keeper to go into the half 1-1. They continued their positive approach. Again though, King's were able to win possession in dangerous areas and moved quickly down the flanks. Our boys, including the spectators, were waiting for the whistle to be blown for two reasons; he was off side and the ball had actually rolled past the dead ball line before the King's player chipped it back in field only for King's to catch us off guard and score to take the lead and win the match 2-1. It was a great game and a shame the game had to end in dramatic circumstances.

It was good to see our lower Opens team have success over the weekend. They have been inconsistent with their results so it was nice to see from the 5th-10th XI win their matches. Our 7th and 10th XI teams are two of four teams who remain undefeated. Well done to Joshua King scoring a hat-trick.

The U16s keep showing signs of improvement with all the teams having a narrow loss. Well done Faysal Ayub who has just been moved up to the B team and scoring a goal. The U15s is a very strong age group and have the potential to beat any team. Unfortunately they continually get hit with injuries and rarely have their full strength side. The A team dominated the majority of the match having most of the possession and creating themselves many chances. The two times King's were in our penalty box they came away with a goal. The U15Es and U15Fs are the other two teams who remain

undefeated. This is great to accomplish after three rounds and I hope they can continue their good form.

The U14s have shown a remarkable improvement. The A team last year lost 5-0 and within 12 months turned it around to win 2-1; similar to our 14Cs team reducing their deficiency by 9 goals. King's U13 age group is a very strong age group and our A team should be very proud of their efforts. They were only 1-0 down at half time and actually had many opportunities out wide with thanks to Kazi Hasan's speed. If we were able to capitalise on our chances I am sure the result could have been very different.

Nikhilesh Belulkar from the U15As

Next week we are up against Shore. Shore will be competitive, but I believe we should win the majority of our matches. Good luck for the weekend and most importantly have fun.

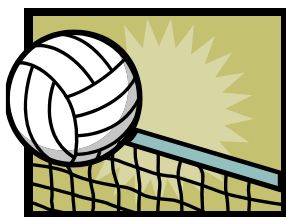

For SBHS Football updates please visit: <https://twitter.com/SydHighFootball>. The account will provide regular updates on results, information and wet weather. This does not replace the school wet weather website. The link can be accessed by phone or web browser without signing in or having a twitter account.

Please Note:

- All boys must turn up at least 45 minutes before the start of their match.
- They must be turning up in SBHS football uniform and if they wish to wear a track suit this must also be SBHS track suit.
- Make sure they drink plenty of water and carry a drink bottle with them to training and fixtures.
- If you are unavailable to play you MUST notify your coach well in advance. Just doing it online is not sufficient.

Keep up the good effort and I am sure SBHS Football will continue to have a successful season.

Geoff Tesoriero
MIC of Football

Volleyball Notes

Volleyball Results SHS vs SAC/TKS/SGS Saturday 8th August (Term3 Week4) 2015

Love to Write?

Apply for the Build Your Own Blog New Writer Scholarship and you could learn to help advance your writing career.

\$4,000

Have you written a poem/short story/ blog post you are proud of and want to show the world your talent?

Wait no more. Build Your Own Blog wants to support your journey and grant you \$4,000 to start writing on anything you want, in anyway you wish.

This scholarship could help a new writer in countless ways! A few examples are...

- Buy a new computer
- Publish an eBook
- Create a new website
- Personal coaching

Imagine what \$4000 could do for your writing career!

Who can participate?

- You are at least 16 years old
- Your submitted work was not published earlier in paper (ISBN)
- The work must be in English

You can submit your work to other competitions/scholarships and we don't have any right over your submitted work, nor will we publish it without your consent.

Submit your work online by November 29th' 2015

For more information visit buildyourownblog.net/scholarship
