

## From the Principal High Talent

Congratulations to Terence Mui (8E) and Ryan Chan (8T) on their selection to represent NSW in the Australian U15 Badminton Championship for the Val Nesbitt Trophy. Great job, boys! Congratulations to James Ye (Year 11) for his medal for highest score in NSW/ACT for the International Competitions and Assessments for Schools (Science). The prestigious Sidney Meyer Fund Australian Ceramic Art Award was won this year by Ramesh Nithiyendran (SHS 2006). In the Regional Tournament of Minds competition held last Sunday, a High team, facilitated by Dominic He, won the Applied Tech category. At High we have previously had moderate success at TOM so this win was exciting for our program. The team included: Liam Heng, Thomas Jiang, Brendan Kwan, Daniel Ma, Jeremy Ma, Varun Sharma and Etkin Tetik. Our boys will now progress to the state final in September. Congratulations to all concerned in this week's inaugural Bake Sale, organised by the Quality Teaching Committee – garden and COLA project. Daniel Jiang and Christopher Shi were coordinators on the day which raised \$1090 towards installing a second water tank at the COLA. Thank you Dan and Chris. Congratulations to the winners of the inaugural SBHS Public Speaking Competition. The Kushaal Vyas Trophy for senior public speaking went to Esmond Ye (Year 11). The Junior Trophy was won by Ryan Borges (Year 8). Congratulations to these boys, all the competitors and the organiser, Mr Higgins.

## National Literacy and Numeracy Week

This is the 17th week of celebration of the importance of developing literacy and numeracy skills in young people. An exciting new development at High is the growing catalogue of e-books available from our libraries. The BYOD program works in well with the increased availability of e-books for loan. I am confident many more boys will be drawn to increase the level of their reading as a result of having electronic literature easily available.

Parents in Years 7 and 9 would have received their son's NAPLAN results recently. There is much information about individual strengths or weaknesses available to support the outcomes reported to parents. At High we find most boys in Years 7-10 have a strong skill set in the kinds of numeracy skills tested in standard tests. We have had some difficulty in adjusting to varying text types when it comes to the extended writing skills being tested. We did not reach our NAPLAN targets in these skills in Years 7 and 9. A significant number of boys are not progressing up to trend line expectations in grammar and punctuation also. We didn't reach our target in Year 9 but the Year 7 boys performed up to expectations. Our results again show the necessity of building into our Junior School programs explicit teaching of writing skills in various contexts, for multiple purposes, and for communicating with different audiences. The performance of students in the highest bands in Years 7 and 9 were mixed. Year 9 reading and spelling met their target levels as did Year 7 spelling. However, reading in Year 7 was not at the expected level, nor was writing in Years 7 and 9. As always, NAPLAN results should be interpreted in terms of the context of the tests and their purposes.

## Year 12 References

All the Year 12 boys have received their personalised paperwork to prepare both their references and valeté entries for *The Record*. We would really appreciate the submission of the paragraphs by 4 September. As parents may know, there is a lot of work involved in collating the data from the students, their three referees, the Award Scheme information and the attendance data. They all need to have data entry completed by the end of term so that the references can be completed by the Principal during the holidays. Prompt submission is particularly important for students wishing to have their references uploaded into UNSW Medicine or Co-op Scholarship applications.

## Year 12 'N' Awards

Students with unresolved issues arising from warning letters about incomplete work or particularly poor attendance were notified of their 'N' award status in HSC courses. Students have until 1 September to appeal against the 'N' determination. Student records will be adjusted on 11 September if no appeal is submitted and the work remains outstanding

**Dr K A Jaggar**  
Principal

## Parent Information Evenings

### Year 9 2016 Parent Information Evening

A Parent Information Evening will be held on Tuesday, 8 September in the Great Hall at 6:00 pm to discuss the subjects studied by boys in Year 9 2016.

### Year 10 2016 Parent Information Evening

A Parent Information Evening will be held on Tuesday 1 September in the Great Hall at 6:00 pm to discuss the subjects studied by boys in Year 10 2016. Subject Acceleration (in subjects such as Modern History, Geography, and Music etc.) has been offered to Year 10 boys in past years. In 2016 Year 10 boys will study three electives (possibly including an Acceleration subject). The options available to boys for 2016 will be discussed at the meeting.

The main focus of the meeting will be relevant for boys interested in subject acceleration.

### Year 11 2016 Parent Information Evening

A Parent Information Evening will be held on Tuesday 8 September in the Great Hall at 7:00 pm to discuss the subjects studied by boys in Year 11 2016.

**R Dowdell**

## The Bake Sale

On 25 August 2015, Sydney Boys High had its first Bake Sale in years (if not ever). Thanks to the collaborative efforts of the Gardening Committee and proud students

and teachers of the school who baked something or helped sell, an incredible total amount of \$1090.60 was raised towards a

water tank besides the COLA cricket nets, which will hopefully be installed by the end of the year. Not to mention the miracle that was the weather that brought clear skies for that brief moment during the school day. Special thanks has to go to Dr Jaggar for presenting us with this opportunity, Ms

Ayre and Mr Barris for helping organise the fundraiser event as well as James Nguyen (11S) and Christopher Shi (11T) for helping rally students and making it all possible.

**D Jiang (Year 11S)**

## Tournament of Minds

On Sunday 23 August we entered four teams in this competition which was held at Sydney Girls. The students involved have been training throughout terms 2 and 3. The long term challenges were published six weeks ago and since then the students have been busy devising solutions, writing scripts and building props. On the day each group must also work as a team to solve a spontaneous dilemma and then present their ideas to the judges. Our Applied Technology team was outstanding, achieving a first place in this difficult discipline. The boys benefitted from the experience of their facilitator Desmond He (Y12) who has participated in this event since Year 7! The team included Liam Heng, Thomas Jiang, Jeremy Ma, Daniel Ma, Varun Sharma and Etkin Tetik. They are already preparing for the State final which is on 12 September at UNSW, which is very exciting. This is our best result over recent years.

The Social Science team came away with a 'Spirit of Tom' award which is most admirable as there is only one given and it is in recognition of effort under difficult circumstances. In this case the team only had five members. However, they made up for numbers with lots of energy and plenty of personality and humour to win the sympathy of the judges. (a typical High ploy!) Their facilitator was Thomas Nguyen (Y10). The team was Branko Stajic, Adrian Panas, Nemon Harris, Luis Sales and Gautama Desaraju, Congratulations!

Well done also to Peter Lin who worked very hard to mentor the Maths Engineering team which consisted of Angus Henningham, Eugene Kang, Gaurav Madnani, James Maniaci, Jeffrey Yang, Jason Yang Zhang and Daniel Hu (sick on Sunday) and Keiran Mascarenhas who looked after the Language Literature team of Ryan Borges, Ryan Jepson, Daniel Bounitch, Vinushan Kuganathan, Joshua Lam, Saarangan Arvind and Eddie Qi whose script was very witty and whose costumes were quirky.

All of the students demonstrated that they can work independently and cooperatively to achieve a final product of which to feel proud. Most importantly, they enjoyed each other's company and had a load of fun. Rehearsals and storage of props and costumes took place in 801, beginning at 7.30am on Sunday and finishing with a clean-up at 3.00 pm. Thank you to Mr Aldous for overseeing this aspect of the event.

**J Eggleton (English)**

## Philosophy News

For the past six weeks, a lunchtime philosophy discussion group has been taking place. Dr Andrew Crosby, our philosophy tutor, has been facilitating

communities of enquiry around the topics for this year's Philothon which will be held next Thursday night, 3 September at Cranbrook. The school will be represented by Hugh Bartley, Alexander De Araujo and Vishal Karnamadakala.

Thank you to all of the students who have supported them in their preparation for this event. Kabir Agrawal, Ganesh Chandrasekaran, Jason Huo, Dharmesh Sharma, Aryan Vatandoust, Ahad-Anhiang Zafar, Preetham Kadappu, Akeed Ahamed Razmi Jack Zhou, Simeon Zeigler, and Nicholas Giannoulis. Last week, Lukas Posumah, Ellery Smith and Jack Hutchison also dropped in for a session. The discussions are always energetic and thoughtful. It is a great forum for the sharing of ideas in a guided and productive way.

**J. Eggleton (English)**

## Jeans for Genes External Collection

Jeans for Genes Day 2015 was held on Friday 7 August, with SBHS Community Services holding a Mufti Day, barbecue and external collection. From 6:30 to 9:00 am at Central Station, Mrs Ibbott and 15 volunteers helped raise funds for the Children's Medical Research Institute. Founded in 1993, Jeans for Genes supports the CMRI not only in research on genetic disorders; but research into cancer, neurological disease and embryology as well. The fundraiser was a huge success, with many generous commuters donating to the worthy and well-known cause, and showing their support with the Jeans for Gene's badge. Special thanks go to Mr Barris and

Mrs Ibbott who oversaw and supervised the events. To all those who supported the CMRI by wearing jeans on the mufti day, and woke up early to help raise funds at the external collection – thank you again for helping to support genetic research and help put an end childhood disease.

**Ihsan Mohamed**

## Debating MIC's Report

With two more weeks to go in the GPS competition things are getting very exciting. We have a number of teams that have a chance to win and if we can have as much success as we have had for all the weeks (apart from at Kings) we could make this the best GPS season in a very long time (maybe even ever). This will be our last Home debate and it would be fantastic to get big audiences for as many debates as possible. I will be offering double points for all of those students who attend this home debate and next week's away debate at Grammar. The results are on our website: <http://www.sydneyhigh.org.au/debating/results-2015/>

There are a final few days to pay for the Debating Dinner which, of course, is the highlight of the year for us debaters! We have one boy from each group receiving an award, the coach's debate and, of course, the Joseph Suttie Trophy to be awarded for team work. Don't miss out by forgetting to pay by the deadline which is Monday.31 August

**Ms Powell**

**Deputy Principal**

## Debating Prefect's Report

There are only two debates left in the season and the pressure is rising for all the debaters. Having seen the results we are on track for multiple co-premierships and with a little luck even some premierships. Thus far, our first grade team has been undefeated in the competition and over the next two debates we will be squaring off against Grammar and Scots, both of whom are talented teams. This year we are fighting for the first grade premiership which we have not held since 2000. Similarly High is undefeated in 10As and I am confident in their chances of also securing an undefeated premiership. I am also proud to say that most of the other teams are only sporting one loss, which places them in a strong position to chase a premiership or co-

premiership. Given these results I am very proud of High's performance in debating this year in GPS.

The next two debates will be challenging and stressful to many of our debaters and I urge as many of you to come down and support your friends; they've done well and deserve a strong show of support. I also ask each of the debaters to not stress and to relax. While the next two debates will be a blur, they are the last two debates of 2015 before you all get a much deserved rest in Term 4.

As always I encourage each of you to appreciate and enjoy the experience of debating. Before you know it you will be in my place staring down at your last two debates of high school debating life. Debating on Fridays is one of my favourite memories of high school and the friends I made in debating are also some of the closest. Whether you are new to debating or a seasoned veteran, it is something I strongly take part in as much as possible. At the very least you will never regret debating.

In honour of the last two debates, this week's debating tip is effective prep. Let's face it, it is tempting to procrastinate and mess around for the first half of prep and argue with each other over your points for the rest of the time. Effective prep essentially comes down to your personal team dynamics and what works for you. In my experience, what works for us is to have five minutes devoted to individual prep, before collating your ideas. I also recommend spending about 10 minutes fleshing out your first speaker's points and your team's characterisation, so there's no contradiction in your case. Usually teams get stuck on 2nd speaker material which is usually not as obvious as 1st speaker arguments. As a fellow 2nd speaker, I understand your pain. What I've found to work is to take time to cover specific stakeholders and how the model affects them or impacts their perception. While this may not always work it's always a good start to consider who the debate affects and how. Having said that **good luck and more importantly have fun!**

**Ganesh Chandrasekaran**

### From the Canteen

Thank you to last week's volunteers, the canteen would not run as well as it does without your much needed assistance:-

MON: Cole Gu, Grace Cochrane, Susan Mitchell,  
TUES: Lynn Chen, Sharon Wang, Marina Liao  
WED: Penny Chan, Stephanie Fung, Minhua Zhang,  
Mark Zhu,  
THUR: Kim Mapworth  
FRI: Jenny Beer, Edwina Henningham, Lien Tran

Anyone interested in joining the Canteen Committee, please call Karen or Tracey in the canteen on Ph: **9662 9350**.

**Sharon Hughes**  
President Canteen Committee

### Boggabilla Excursion

On Sunday, 9 August, a group of 20 students embarked on a journey to Boggabilla, a small town located in the far north inland of New South Wales. We entered Boggabilla Central School at approximately 5:00 pm, after a long and treacherous 11 hour bus ride from Sydney. Although most were tired and drowsy, we were very happy to have finally arrived at our destination. After a cold night sleeping in Boggabilla Preschool centre, we packed our things again and hopped on a bus to that night's camping site. Here, we were all able to do our own thing, if that was either swimming, collecting fire wood or even sleeping. That night we were served a nice barbeque and slept as much as we could in our warm yet uncomfortable tents. After breakfast at the camp site, it was back on the bus for supplies for our farewell barbeque and food for the night at Boggabilla motel. Although the accommodation at the motel was great, I believe it is safe to say that no one got much sleep. Early next morning, we got back on the bus for our return journey home. On behalf of everyone on the trip, a massive thanks goes to Mr Barris, Mrs Powell and Ms Munro as this trip would've been impossible without them.

## MIC of Football Report

Last Saturday, against traditionally one of the top football schools in the GPS competition, saw SBHS have their best results across the board for the season. It was great to see such a huge improvement against Riverview last year. Again our U15s continue to prove they are our strongest age group winning four matches with the 15As conceding the match losing goal in the final couple of minutes. The U15Es and U15Fs continue to retain their undefeated run with Jason Wang scoring all three goals for the 15Es equalling the Golden Boot leader board. The 15Fs conceded their first goal for the competition, but they were up against an E team. So they remain on course as the Golden Glove recipients.

The U16As finally notched up their first win for the season. Being down at 0-1 at half time, the boys came out with more intent. Sadin Afsar's two goals gave them much need momentum for the back end of the season. The U16Es also added their first win for the season. The 7th XI has extended their Dolan Cup margin by a huge 8 points with the 8th XI on their toes.

The U14s actually had a good day out with three draws and a win. This is on the back of the U14As and U14Bs missing up to seven players. The U13s continue to show a lot of promise and it was good see the A and E team both scoring two goals to give them their first Dolan Cup points for the season.

The 2nd XI played against a very good Riverview side who sit just one point behind the GPS leaders. The boys defended really well considering they had little possession. The 1st XI also was in the similar boat. Although James Pope created a couple of chances that unfortunately we could not convert, the spirit and attitude of the boys in defence was great to see. Ending the match in a draw prevented Riverview from taking the top spot in the 1st XI GPS Competition. This shows we can compete against the best teams and hopefully we can use that momentum to defeat Scots and Grammar for our two remaining games.

Next week we are hosting Scots. We managed to beat Scots in the trial matches so hopefully we can take that and get our first win for the season. It's important we keep striving to improve and get wins for the back end of the season. This will help us gain belief and momentum when going into 2016. Good luck for the weekend and most importantly have fun.

For SBHS Football updates please visit: <https://twitter.com/SydHighFootball>. The account will provide regular updates on results, information and wet weather. This does not replace the school wet weather website. The link can be accessed by phone or web browser without signing in or having a twitter account.

Please Note:

All boys must turn up at least 45 minutes before the start of your match.

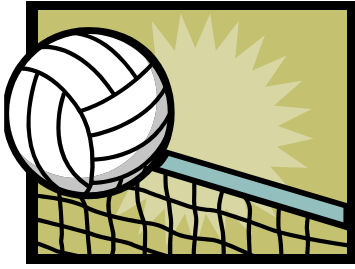

- They must be turning up in SBHS football uniform and if they wish to wear a track suit this must also be SBHS track suit.
- Make sure they drink plenty of water and carry a drink bottle with them to training and fixtures.
- If you are unavailable to play you MUST notify your coach well in advance. Just doing it online is not sufficient.

Keep up the good effort and I am sure SBHS Football will continue to have a successful season.

**Geoff Tesoriero**

# The Sydney Boys High Debating Dinner

*Starring our coaches in the event of the year:  
The Great Debate!*

**RSVP: 2015 Sydney Boys High Debating Dinner**

Student's name: \_\_\_\_\_ Debating team/year: \_\_\_\_\_

Number of \$35 tickets: \_\_\_\_\_ Total enclosed: \_\_\_\_\_

Number of vegetarian meals required: \_\_\_\_\_

**Parent Volunteers Needed**

**Sydney Boys High Open Day**

**Thursday 3 September  
9.30 am to 12.00 noon**

Please come and help the P & C to welcome prospective parents to the School.

We need volunteer parents to help serve morning tea and chat to visiting parents, answering their questions, such as:

"How did your son settle in?"

"What sport does your son play?"

"Is your son involved in music?"

It's a very enjoyable morning and all you need to bring is your friendly smile.

Please contact Ms Dora Shapiro  
Via email [md171@optusnet.com.au](mailto:md171@optusnet.com.au)  
if you are able to help.

Thank you
