

From the Principal High Talent

Well done to Kieran Guan (Year 7) who came 2nd in the Sub-Junior Men's division at the 2015 Australian Short Track Open Championship for Ice Racing. Edward Lin (Year 11) placed 8th in the Junior Men's division. Congratulations, boys! At the Mini Series Fencing competition, Matthew Pellen (Year 7) won the Gold in the U13 Epee and Max Huh (Year 7) won Bronze in the U13 Sabre. Congratulations, boys.

Year 11 Reports

All Year 11 boys should have their reports to be discussed with their parents. Year 11 accelerants should also have theirs, describing their Preliminary Certificate results. Students are making final course selections now and deciding upon future university courses of interest. Parents are asked to discuss with their sons the quality of their results in each course and their intended HSC pattern of courses. The recommended number of units of study for the HSC is ten. More units can be taken by boys who have a vocational plan or ILSP that is not ATAR sensitive, so long as they have a predicted ATAR cushion. Fewer units can be taken by boys doing acceleration, but only after their HSC results have been published and analysed. Some boys cannot finalise their suite of courses until they know whether they have earned a spot in mathematics – extension 2. They may not occur until week 8. Students enrolled in extension history or LOTE should be confirmed in their courses by Mr Dowdell this week.

Summer Sport Co-payments: Term 4

The rolls for summer sports and activities have now been finalised. In many activities co-payments are levied for the season – in this case Term 4 2015 and Term 1, 2016. Other sports have a policy of fixing co-payments on a term-by-term basis. In either case, invoices have now been posted. For Years 7-10 this means that the summer invoice will be included on individual Clearance Forms. These will need to be cleared prior to boys receiving their reports. The base co-payment for sport for a season is

\$148 for 2015-16, as adjusted for on costs. Term charges for other sports, proposed and ratified by sports supporters groups, include: tennis (\$165), rowing and rifle shooting (\$190), water polo (\$200) juniors - (\$250) seniors, and sailing (\$305). It would help the MICs for these sports greatly if families could pay for their sports in the next ten days.

The Co-Curricular Supervision Levy

In order for us to run a six-day school with after-hours activities for 15 sports, debating, music and chess, we need to provide a teacher/ MIC / manager supervision structure to meet our duty of care obligations. Some parents are asking: 'Why should I pay this co-curricular levy when I'm paying quite a lot in co-payments for a sport or activity for a season? The money from the levy is used to pay for the time that supervising teachers/MICs have to spend hiring and managing coaches, organising teams, fixtures and venues, buying and managing equipment, supervising coaches during training sessions, as well as travelling and being there for competition on Friday nights or Saturdays. All these duties take time for which personnel must have some compensation, by way of time, money or both. The levy has to pay for the extra allowance given to the Head Teacher Sport to manage the overall sports program. The levy has to meet the cost of running athletics and swimming programs which are provided free of charge to all students. The levy does **not** cover the running costs of sports – coaches' fees, venue hire, equipment, consumables. All these have to be **funded through co-payments**.

So as to clarify why the levy is necessary and should be supported by all parents, I want to share with you the direct costs to the school of management, supervision and duty of care. Staff members are remunerated by way of allowances (time free from face-to-face), or the period equivalent in money or a combination of the two. Non-teachers are paid the equivalent of the period allowance that would be offered to teachers. Sports organisation and supervision estimates for 2015: \$197,174. Co-curricular organisation and

supervision: \$73,028. So far this year the Sports Levy has raised \$95,500. Consequently, the **co-curricular supervision levy** is contributing only c. 35% of the supervision and management costs borne by the school. The remainder has to be taken from general contributions.

Cars Travelling on School Grounds

Parents and visitors to the school must travel at a safe speed whilst in the school grounds, enter from Cleveland Street by Gate 2 and park rear to the buildings or tennis courts. Parents and visitors should not use the Anzac Parade entrances.

Dr K A Jaggar
Principal

Sports Physiotherapist Available for Sport Injuries

SBHS Sport is now offering to students a free Sports Physiotherapist service to cater for boys who have suffered an injury from playing or training for SBHS sport. The service will be available on most Monday mornings during the summer and winter seasons.

The specific details are:

- Location: Outside room 901 in the Gymnasium
- Time: Available from 7-9 am on Mondays
- Dates: There are certain dates the physiotherapist will be available. Please see the school calendar. A list of Term 4 dates is below.
- Priority: Official SBHS AAGPS teams will get priority i.e. 1st and 2nd grade over other boys
- Follow up Report: A report will be submitted to the MIC of the specific sport
- Rehabilitation Program: A rehabilitation program will be devised whereby boys will be required to complete their rehabilitation within the SBHS Weights Room (free of charge)

Term 4 dates are below following the previous Saturday game days:

Event	Date	Start Time	Finish Time
Summer Sport	2 Nov 15	7.00 am	9.00 am
Summer Sport	9 Nov 15	7.00 am	9.00 am
Summer Sport	16 Nov 16	7.00 am	9.00 am
Summer Sport	23 Nov 15	7.00 am	9.00 am

Mr Mark Pavone
Sports Master

From the Canteen

Congratulations to our Canteen \$10.00 thank you voucher winners. Penny Chan, Thajeewa Pingamage, Annie Jiang, Andrew Chew, Edwina Henningham, Letty Chan, Minhua Zhang, Long Nguyen, Kunyi Ye and Jian Ping Li, have all won \$10.00 for their sons to spend in the canteen.

Thank you to the volunteers for this week:

- 12/10/15: Wendy Yao, Olivia Yin Zhu and Binita Ghosh.
- 13/10/15: Min Wei and Tina Zeng.
- 14/10/15: Letty Chan, Kunyi Ye, Lin Yang and Hong P Nguyen.
- 15/10/15: Kim Markworth, Dean Nguyen and Deepali Johri.
- 16/10/15: Lien Tran, Jenny Beer and Edwina Henningham.

Sharon Hughes
President Canteen Committee

Painters Wanted This Saturday:

Are there any parents, carers, or students who would like to help finish painting the drama room between 7:30am and 12pm this Saturday the 24th? Even for a couple of hours? All equipment is supplied. Please phone Julie Fox on 9665 7326 and leave your phone number or email Julie at rodfox@iprimus.com.au
P&C

What's Up in the McDonald Senior Library? HSC exams and Our New Year 12s

As our Year 12 boys progress through their HSC exams a new group of Year 12 students begin their studies for 2016 HSC. The boys have already been busy in the Senior Library working on their new subjects! As this will be the second year of the new curriculum for some subjects the library has been updating HSC resources to provide appropriate support for this especially in English where students are studying the Discovery Area of Study. We have added many new BOSTES workbooks plus many new texts both non-fiction and fiction for use as related texts. We wish our current Year 12s all the best for success in their exams and in the future and look forward to seeing them after the exams to return all resources borrowed from the libraries.

Generous Donations to the Senior Library

Once again we have had donations of useful resources from staff and parents of previous students to our Senior Library collection. We would like to thank

Brenda Kilmore, Meredith Thomas, James Rudd and Cindy Tseu especially for their generosity. Many of these books have already been well used by our senior students.

Latest Good Reads

Teacher Librarian recommends *The Protected* by Claire Zorn winner of this year's CBC Older Readers Award. This is an emotional story of Hannah and her family after her popular and rebellious sister Katie is killed in a car accident. Written in the first person narrative, Hannah recounts her family's grief and her recovery which begins with help from the school counsellor and a budding friendship with the elusive Josh. I was moved to tears at times with this terrific novel and recommend it to all readers who have previously enjoyed John Green's books and Zorn's previously shortlisted dystopian novel *The Sky So Heavy*.

Veronica Crothers

Sydney High Water Polo

First Grade

First Grade Water Polo suffered an unpleasant loss on Saturday against Riverview. We started strong but didn't keep up our form throughout the game. A

close game overall but Riverview got lucky by getting a few weak goals late in the game and stayed ahead. The expressions on the boys' faces conveyed just how disappointed they were after that loss. This just goes to show our striving attitude for winning. Hopefully the 9-4 loss can work as the watershed to improving our game and give us a reason to train harder. Let's beat Scots this Saturday to cement our place in the GPS as a significant team.

Jayden Forday

First Grade Captain

Second Grade

Second Grade faced Kings for the second week in a row - and came away with a fabulous victory for the second week in a row - albeit with one casualty. The team kept up its strong form this week, finishing 7 points ahead, 10-3, thanks in part to some fantastic saves from goalie Ronald, along with a stellar all-round

effort from the team, despite the loss of Connor during the fourth quarter due to an unfortunate incident with a member of the opposing side. We've still got lots to improve on, but Second Grade are looking forward to continuing their winning streak next week.

Simon Shields

Second Grade Captain

16As

In contrast to last week's success in the trial round, the 16As team performed at their worst level yet. Although our team was still relatively new and had many new players to the sport, the terrible performance could be witnessed even by the opposition. The overconfidence of the previous week's game had shone brightly and has yet again proved that we need to train even harder. Although there were some spectacular passes by both sides, it would be the opposition's passes that enabled them to score the goals. However, an extremely good effort was put in by Jonathan Zheng, the goalie to block the shots, and in the end managed to save quite a lot of them. Though this team is still new, I do not expect this result to ever happen again, and this can only be the case with a more vigorous and custom-tailored training program. Overall, though this was a disappointing loss, the team can only get better, and with the help of the coach, we will become better.

Harvey Luo

16A's Captain

14As

Saturday's game was an outstanding improvement in offensive strategy and proved to be a great game. Unfortunately we were not able to come through with a victory due to a lack of substitutes, however we were able to pull back some goals during the latter half of the game dominating the water and ending up with a score of 9 - 6. Allen Guo put in a tremendous effort throughout the game acquiring more than fifteen steals and 3 goals. He never left the field and was clearly the MVP of the game. Against what seemed like a despairing game we managed to scrape a satisfying score and pull off an impressive offensive effort despite the lack of players. This week's game goes to show that we still have a lot to improve on defensively but reassures us that our team has the potential to win the competition.

Ryan Dow

14's Captain

THE HIGH STORE will be CLOSED on FRIDAY 30 OCTOBER.

Back into another season of Basketball and what a way to start. A 76% win ratio is a great effort from Sydney High Basketball. Looks like we haven't gotten too rusty over winter thanks to the holiday camps. 1st and 2nd grade won, with a convincing twenty-one point lead in Firsts and a really tight two point game in Seconds. Congratulations to Max Menzel who dropped twenty points in Firsts and Victor Chua who scored fifteen in Seconds. Looking over the results, four out of five games who lost were within a margin of less than five points, which is really unlucky. Hopefully we can polish up our games and turn the scoreboard around next time.

This week, we are up against Grammar. Seconds take the court at 10:00am at Sydney Grammar Gym 1, followed by Firsts at 11:15am. There was a really good turnout at the Joeys game to tunnel on Firsts and there was a really supportive atmosphere. Grammar will be a hostile environment so we need all the support we can get! Good luck to all teams and go High!

Archie Fox

SYDNEY HIGH TENNIS

S6	Daniel Zhang	W 6-4 6-1	Patrick Huang	W 6-3 6-3

1st Grade

First grade travelled to rivals Sydney Grammar where we were able to continue our fine pre-season form with a close 8-4 victory, which we were able to focus on some individual weaknesses going forward. In the doubles Daniel and I played a solid first set while a lapse in concentration and intensity caused the loss of the second. In the deciding tie break we were able to come back from 7-2, a testament to our perseverance. Similarly, Matthew and Antonio played good doubles while Wanyu and Danny suffered from mental lapses more than anything in their defeat. In the singles Antonio played another great match dispatching his opposition. So did Matthew with his emphatic victory. Daniel, Wanyu, Danny and I were all unable to consistently play to our very best and consequently lost our singles matches. Nonetheless, a good victory for the team. We look forward to Scots College this Saturday.

Adam Smagarinsky
First Grade Captain

2nd Grade

On Saturday 17 October, Sydney High hosted Sydney Grammar in what was a highly anticipated game throughout the week. The weather provided ideal playing conditions as we were also ready for the second game of the 2015 trial season. In the doubles, we all won our matches, with the second doubles pair of Kinzey Rahardja and Adrian Panas bouncing back from a narrow first set loss to easily win the second 6-1 and the super tie-breaker 10-5. After doubles, we were already 3-0 up, a massive confidence booster. Unfortunately, Adrian and I were unable to win our singles, both going down in two sets but with a fight. However, our second singles, Charlie Weng, was much more successful as his aggression and net play was too much for the opponent, dispatching him 6-1 6-0. In the third singles, Kinzey was able to dictate the play with his heavy groundstrokes, giving his opponent a difficult time and comfortably winning 6-3 6-2. Our fifth singles, Branko Stajic, won the first set 6-3 but lost the second set 1-6. He was able to recover from the loss of the second set, ultimately winning 6-1 in the third. A special mention to Patrick Huang, our 6th single, for stepping up from the 16's and also winning 6-3 6-3. At the end of the day, we were able to come out on top with 7 matches to 2.

MIC of Cricket Report

Last week during sport our 1st XI played against a New Zealand school in a T20 match. We batted first and posted a good total on a slow outfield. We then bowled very well which was shared around by all the bowlers for a well-earned win.

The season has kicked off with our first trial match within the T20 format. The 1st and 2nd XIs had a huge day playing in three matches against three different schools. The 1st XI played Newington first. We could have won that game if we had done better in our fielding and got off to a better start with our batting. Next was King's which was another close encounter. King's needed 9 off the last 7 balls. They hit a four needing 5 off 6. The scores were levelled with one ball remaining, Tully bowled full and straight, the batsman inside edge it narrowly missing the stumps and keeper and giving them the win. Last match was against Riverview. Again we got off to a strong start, but couldn't finish out the innings.

The 2nd XI played against Shore, Scots and Grammar. It is a team mixed with all age groups. They showed promising signs especially against Shore when they had them 4-30.

Well done to Menuja Goonaratne from Year 7 who stepped up and played in the 1st XI squad. He bowled very well with figures of 1-13 off 4 overs and 0-14 off 4 overs. Also to Sam Hughes for scoring his first half century which came off the last ball of the innings and to Fayad Morshedi taking 5 wickets in an innings. On another positive note, Saarangan Arvind from year 7 was retired not out after his first century against U13.

Newcastle District Cricket Association.

This Saturday our 1st and 2nd XI play in the plate cup for the GPS T20 Tournament that consist of two matches to be played on the same day. The remaining teams also will be playing against Grammar. Good luck to all the boys and remember to play positive cricket and run hard between wickets.

To all parents and players, don't forget to go through the points below:

- Please make sure that all the boys wear SBHS logo hats and tops.
- They are not to wear thongs to and from their fixtures.
- Make sure they drink plenty of water and carry a drink bottle with them to training and fixtures.
- Please notify their coaches if they are unable to attend training or their fixture.

MIC of Cricket Report

Our 1st and 2nd XI played off in the Plate Cup and both teams were up against St Joseph's College. The 1st XI bowled first and something that I have never been a part of before we had two bowlers both get a hat-trick in the same match. The first hat-trick came from our youngest player from Year 7, Menuja Goonaratne. Bowling full and straight he managed to get one bowled and two LBW's. To finish the innings Kabir Agrawal then came in and did the same thing, if not better as his over went; w dot w w dot, taking a four wicket maiden rolling them for 88. The team batted well and chased the runs down easily in the 15th over for just the loss of three wickets. The Plate final was against Grammar. We batted first and started well, going at above 6 runs an over for the first 11 overs. Tully came in and smashed 24 from 16 balls that included 3 sixes. We were on track to set a strong total of 130 but we lost wickets at the end that restricted us to a still respectable total of 106. We bowled well and after 13 overs they needed more than 6 an over. Unfortunately a few errors came in and turned the match in their favour. The boys should be very proud from their two weeks. Never did they look out classed; in fact the losses came from our own doing. If we fix a few things up I have no doubt we will be pushing all teams this season.

The 2nd XI which consists of many young players performed well. The bowling and fielding was strong in the first game, but lack of partnerships with the batting made it difficult to chase the runs. The next match against Newington was played on a smaller field and the boys played their shots and were rewarded with scoring their highest total for the tournament. Nafis Rahman batted very well in both matches. Across the board there are positives to take away and they are the boys' enthusiasm, passion and attitude which have been fantastic. They are all keen to keep on trying to improve on their game. We need to start having our students playing stronger shots through the gaps. We need to stay positive and keep believing we can win each game we go into.

Mukund Rangarajan playing a cut shot for the U14Bs against Grammar

Last week saw our SBHS Cricket Academy (SBHSCA) do their first session of Pilates. It was very successful making sure we are strengthening the core area and increasing flexibility. This will help prevent injuries and make our bodies stronger.

This Saturday is our final trial match of the season against Scots. Scots are a very strong side and will be a good challenge for us leading into the competitive season. Good luck to all the boys and remember to play positive cricket and run hard between wickets.

To all parents and players, don't forget to go through the points below:

- Please make sure that all the boys wear SBHS logo hats and tops.
- They are not to wear thongs to and from their fixtures.
- Make sure they drink plenty of water and carry a drink bottle with them to training and fixtures.
- Please notify their coaches if they are unable to attend training or their fixture.
