

## From the Principal High Talent

Vishal Karnamadakala (Year 11) had his HSC visual arts body of work selected for possible exhibition in ARTEXPRESS. Great job, Vishal! Congratulations to Tim Palmer (7T) whose team entry into the iAwards Computing Technology and Communication Competition was selected by APICTA to represent Australia in Sri Lanka at the Asia Pacific competition. APICTA – Asia Pacific ICT Alliance- is an alliance of national ICT organisations representing their respective economies to build and enhance a mutually cooperative network to promote ICT, enhance technology innovations, capability and adoption, and encourage the development of indigenous ICT solutions for the global market.

## Tell Them From Me Survey – Students: Social-Emotional Outcomes

The *Tell Them From Me Survey* response at High was 228 boys or a 19% sample size. It was disappointing, but understandable, given we have asked for several surveys to be done in the last 12 months. It is difficult for the Executive to draw many firm conclusions about school climate from such a sample. The NSW norm was derived from 75,000 responses. In measures of social-emotional outcomes, High's culture is very healthy. 'Student participation in sports' 96% which was 1.85 times the NSW government schools norm of 52% for boys. 'Student participation in extracurricular activities' (67%) was three times the norm for boys. 'Students with a positive sense of belong' (85%) was 16% higher than the boys' norm. 'Students with positive relationships' (82%) was around the NSW boys' norm of 77%. 'Students who value schooling outcomes' (77%) (v 73%). 'Students who regularly truant' 3% (10%). Truancy is defined as skipping classes or arriving late or missing days at school without a reason. 'Students with positive homework behaviours' 84% (v 50%). 'Students with positive behaviour at school' 91% (87%). 'Intellectual engagement composite' (64%) (v 48%). 'Students who are interested and motivated' 41% (v 29%). Teachers will need to reflect on this measure

which the school would like to improve. Effort (trying hard to succeed) 75% (v 65%). **Matrix of challenge and skills.** High skills/high challenge (72%) (v 42%) high skills/low challenge 12% (v 11%), low skills/high challenge 13% (v 4%) and low skills/low challenge 3% (v 7%). The results of this matrix probably reveal that the scope of our underachievement task at High. **Optimism:** 'high levels of optimism' 61% 'medium' 29% 'low' 9%. **Happiness:** 'high levels of happiness' 40% 'medium' 46% 'low' 14%. It seems our school climate might benefit from applying some of the strategies from the positive psychology movement. **Academic self-concept:** 'high' 88% 'medium' 11% 'low' 1%. Given the number of late entry students at High, this is a pleasing snapshot.

## Light Rail Update

At our last meeting with ALTRAC on 14 October, we were very pleased to see that the site

compound on Moore Park West was significantly smaller than we had first

been led to expect. A 2.4m hoarding will be erected around the work site, thereby minimising noise and dust pollution. Our emergency muster point can still be MPW. There will be significant changes to Anzac Parade during construction of the light rail tunnel. It will be closed outside the school and diverted through Moore Park East. Buses on Anzac Parade will be affected and new arrangement will need to be negotiated. Piling for the bridge over the eastern distributor is scheduled for the Christmas holidays. The pedestrian bridge over Anzac Parade to the light rail station is being redesigned and will be released for comment by SBHS and SGHS once it is completed. ALTRAC is sensitive to our needs for peace and quiet during examination periods and has pledged to liaise with our schools' planners to minimise disruption to both the schools and the schedule of works.

## Resource Allocation Model Funding

In 2012, the NSW Government announced its Local Schools, Local Decisions (LSLD) reform for NSW public schools. This reform places students at the centre of school decision making. It gives principals and school communities a greater say over how they use the available resources to best meet the needs of their students. To enable the shift of resources to the school level, a Resource Allocation Model (RAM) has been developed. The RAM provides a simpler, fairer and more transparent distribution of government school funding and changes the way resources are managed in our school system. On 21 October 2015, the NSW Premier the Hon Mike Baird MP and the Minister for Education the Hon Adrian Piccoli announced the next phase of the RAM implementation. In 2016, \$113 million in additional funding has been allocated to NSW public schools through the RAM. These additional funds have been allocated in a way consistent with the recommendations of the Gonski Review.

In 2016, NSW public schools will receive a base allocation for staff professional learning and funding for each student using a new methodology. Schools will continue to receive equity loadings for socio-economic background, Aboriginal background, English language proficiency and low level adjustment for disability. High was allocated \$132,689 for its equity loading. This used to be Student Assistance Funding and transitional equity funding. At least \$80,000 is new funding. Our indicative annual entitlement of \$574,751 has been boosted by a per capita grant of \$81,981. This additional financial assistance is most welcome. We shall have more funds to drive our Strategic Plan in 2016-17.

**Dr K A Jaggar**  
Principal

## From the Canteen

Thank you to the volunteers for this week:

MON: Grace Cochrane, Susan Mitchell, Cole Gu  
TUES: Marina Liao, Sharon Wang, Minhua Zhang  
WED: Fumiko Cheong, Mark Zhu, Stephanie Fung  
THUR: Kim Ngan Do, Jian Ping Li, Echo Lin  
FRI: Angela Feng, Baofeng Liu, Ru Zeng Rong, Ling Cui

Anyone interested in joining the Canteen Committee, please call Karen or Tracey in the canteen on

**Ph: 9662 9350.**  
**Sharon Hughes**

## Sports Physiotherapist Available for Sport Injuries

SBHS Sport is now offering to students a free Sports Physiotherapist service to cater for boys who have suffered an injury from playing or training for SBHS sport. The service will be available on most Monday mornings during the summer and winter seasons.

The specific details are:

- Location: Outside room 901 in the Gymnasium
- Time: Available from 7-9 am on Mondays
- Dates: There are certain dates the physiotherapist will be available. Please see the school calendar. A list of Term 4 dates is below.
- Priority: Official SBHS AAGPS teams will get priority i.e. 1st and 2nd grade over other boys
- Follow up Report: A report will be submitted to the MIC of the specific sport
- Rehabilitation Program: A rehabilitation program will be devised whereby boys will be required to complete their rehabilitation within the SBHS Weights Room (free of charge)

Term 4 dates are below following the previous Saturday game days:

Event	Date	Start Time	Finish Time
Summer Sport	2 Nov 15	7.00 am	9.00 am
Summer Sport	9 Nov 15	7.00 am	9.00 am
Summer Sport	16 Nov 15	7.00 am	9.00 am
Summer Sport	23 Nov 15	7.00 am	9.00 am

**Mr Mark Pavone**  
Sports Master

## What's Up in the McDonald Senior Library? HSC Exams and Our New Year 12s

As our Year 12 boys progress through their HSC exams a new group of Year 12 students begin their studies for 2016 HSC. The boys have already been busy in the Senior Library working on their new subjects! As this will be the second year of the new curriculum for some subjects, the library has been updating HSC resources to provide appropriate support for this especially in English where students are studying the Discovery Area of Study. We have added many new BOSTES workbooks plus many new texts both non-fiction and fiction for use as related texts.

We wish our current Year 12s all the best for success in their exams and in the future and look forward to seeing them after the exams to return all resources borrowed from the libraries.

### Generous Donations to the Senior Library

Once again we have had donations of useful resources from staff and parents of previous students to our Senior Library collection. We would like to thank Brenda Kilmore, Meredith Thomas, James Rudd and Cindy Tseu especially for their generosity. Many of these books have already been well used by our senior students.

### Latest Good Reads

Teacher Librarian recommends *The Protected* by Claire Zorn winner of this year's CBC Older Readers Award. This is an emotional story of Hannah and her family after her popular and rebellious sister Katie is killed in a car accident. Written in the first person narrative, Hannah recounts her family's grief and her recovery which begins with help from the school counsellor and a budding friendship with the elusive Josh. I was moved to tears at times with this terrific novel and recommend it to all readers who have previously enjoyed John Green's books and Zorn's previously shortlisted dystopian novel *The Sky So Heavy*.

### Have a look at our new resources!

# Sydney High Water Polo

### Water Polo Report

Firsts had a very disappointing loss to Scots this week, 9-1. The effort from the boys was there but we lacked motivation in the first quarter letting in some weak goals early on. The boys from Scots beat us with their greater experience of the game, but we fought hard and

shocked them quite a bit with our great tenacity and perseverance. Unlucky boys; we'll get them next time.

**Jayden Forday**  
1st Grade Captain

Second Grade continued their winning streak this week,

coming away with a victory of 6-1 against Joeys. Continuing on their excellent form from previous weeks, the team maintained a strong defence and offence,

conceding a goal only in the last second of the game. Despite the relative newness of the team, the boys have proven themselves all to be capable and invaluable players, with great form on the field. We're looking forward to another week of hard training in order to continue to work on our weaknesses and maintain our strengths – great work guys.

**Simon Shields**  
2nd Grade Captain

### School Photos

We have a new and improved system for ordering Sports & Co-Curricular photos. Please follow the instructions below and make sure you place your order by 15 November 2015. If you have any questions please call Melba Studios on 9438 4566.

#### Step 1

Visit [www.melbastudios.com.au](http://www.melbastudios.com.au)

#### Step 2

Select "school orders"

#### Step 3

Password is high  
(lower case)

#### Step 4

Select 2015  
(or 2014 if you need 2014 photos also)

#### Step 5

Choose your sport and order and your photos will be posted to you.

**Rachel Powell**  
Deputy Principal

### MIC of Cricket Report

Last week our 1st XI had their third round of the Alan Davidson Shield against Menai High School. We played at Barden Ridge and batted first. All our batters made good starts but were unable to go on and build a good innings. Although the score was respectable we still knew we had to bowl well. During our bowling innings we looked on top, but unfortunately a few errors crept in when the pressure was mounting and allowed MHS to win with just two balls remaining.

Geoff Tesoriero

## High Basketball Report

Against Grammar, First grade won 98-51, an incredible effort from the squad. Seconds also won, scoring 36 points to 27. We had straight wins in 16s with Steven Li getting 10 steals and 16 points, an amazing effort from Steven. An extensive win in 15 As, 51-25, good job guys.

Only one win in 14s the last two weeks, but don't be discouraged. Keep putting in the hard work and soon you'll be dominating the other schools.

Last Friday, the Under 15s CHS Knockout team travelled to play Deniliquin on the NSW/VIC. border. The team came away with a victory, winning 65-27. This means that the team is through to the top 8 CHS schools in the state –ready to play on the on 4 and 5 of November for a State CHS Championship title. Many thanks to all who made the trip possible, in particular Mr B Hayman.

Player of the week; Christian Lam (Year 7) hits his free throw.

**Go HIGH!**

**Play Hard, Play Smart and Play Together!**
