

From the Principal High Talent

Congratulations to James Siu (10M) who is

representing Australia in the SEA Cadet & Junior Fencing Championships at Pasig City, Philippines in late May. A fine achievement, James!

Campbell Green (9S) has been selected in the NSW U16 basketball team. Well done, Campbell! Thomas Shortridge (12R) has been selected in the NSW Debating Team to compete at the Australian Schools National Debating Championships. An impressive effort, Thomas! Kurt Rich (MIC Rowing, MIC Athletics) our strength and conditioning coach, was a member of the bronze medal winning crew in the Open Surf Boat Championship at the recent National Surf Lifesaving Championships. Great job, Kurt! John Wormell (SHS 2010) was awarded the University Medal in Applied Mathematics at the University of Sydney. An outstanding achievement!

Welcome Back to Term 2

Welcome to Shannon Sainsbury who is replacing Paris Koh'k in Visual Arts. Paris was successful in obtaining a merit selection appointment to Newtown High School of the Performing Arts. Term 2 is invariably the most hectic term as we examine, assess, report on and discuss the progress of every boy in a ten-week time frame. We run straight into examinations: Year 9 Wednesday to Monday, Year 11 Thursday to Friday Week 2, and Year 10 Friday to Friday Week 2. All boys who want to attend the Armidale visit to TAS will have completed their examinations so that they are free to go.

Staff Development Day

Our staff spent a profitable day on 27 April. In the morning the revised contents of the school's Emergency Management Plan were presented and discussed. We have learnt considerably from the lock down experience we had last year and incorporated some changed processes into our Plan for 2016. Next we had a presentation and workshop on

double exceptionality – gifted students with autism. Detailed explanations of the behaviour of students with autism were presented, raising staff awareness as to how better to meet their learning, emotional and psychological needs. Staff in cross faculty groups then evaluated our current reporting process. We addressed questions such as: What is the purpose of reporting? Who is it for? Do we use reports to their best effect? Should reports be only digital? What is the role of the Year Adviser comments? Examples of good quality report comments were discussed in the groups. Comments were recorded live for other groups to observe. There was also an activity where staff had an opportunity to rate the school's performance against elements of the School Excellence Framework. Although there was insufficient time on the day for these tasks to be completed, the suggestions will be collated, organised and presented by the Quality Teaching team during term 2. We intend to revisit these topics later in the year. After lunch I presented a power point summarising the work of Ian Gilbert "Why Do I need A Teacher When I've Got Google?" His message is to put the learner at the centre of the learning process and to tap into the increased learning opportunities that technology allows the IT savvy students of today. As the century progresses the employment sector is differentiating rapidly and a different range of skills will be needed. Gilbert argues that teachers have a vital role to play as facilitators of children's learning.

Properties Update

During the holidays our contractors were busy upgrading the cabling, computer hardware and keyboards in Music Room 101. Our students routinely access the Sibelius program when composing. The existing equipment was ageing and in need of replacement. All music students will appreciate the new set up. Also, our continuing demand for space in the school was alleviated partially by the construction of a storage room under the library stairs in Killip Wing. A small group / examination space will be freed up in the Projection Room, currently used for storage. The new shower / toilet facility for staff and COLA users was made ready for use starting this term.

Governors Centre Update

Our once in a generation project, the construction of a theatre and examination space in partnership with SGHS, has reached an important milestone – submission of the Development Application. This was lodged in the first week of April. We expect approval sometime in June. For those of you who think this project has been going on a long time ...remember the Sydney Opera House construction! Defining projects seem always to take a long time, cost much more than people expected and are very hard to finance (the Opera House Lottery lasted for ages). The Governors Centre project will be to Sydney High what the Opera House project was to Sydney – seemingly never ending in the lead up and development but a proud achievement for a very long time after its successful construction. Once we have satisfactory formal agreements in place with SGHS and City of Sydney Council approval, we have to decide as two communities to commit to the next step – prepaying the proposed tender expenses to the Department of Education. Each school will need c.\$5.25 million initially and another c. \$950k for the final fit out of the building. We are working towards these targets but we will need ongoing support from parents, Old Boys and friends of High to get there.

Discrimination Survey

Ms Powell and Ms Stephens have been working with the Rainbow Boys to identify the discrimination issues that SBHS students are most concerned about, so that we can tackle the biggest problems first. Please complete the short survey on Moodle or go to <http://sbhs.co/adc>. You will get one award scheme point.

Ms Stephens

From the High Store

The High Store is introducing a New Wet Weather Spray Jacket for use on rainy days:

- Lightweight fabric
- Concealed hood

- Compact pouch
- Easy to store in school bag when not in use.

Students are required to call into the High Store prior to Friday 13 May 2016 to be fitted and pre-pay before order can be placed. The cost is \$55.00.

Congratulations to Sydney Boys High School Students

Liam Jepson and Jayden Forday

Liam Jepson and Jayden Forday from Year 12 have been selected in the Sydney East U18 Field Representative Hockey team for the NSW State Field Championships being held in Bathurst from Friday 29 April to Sunday 1 May 2016.

Kieran Guan

Kieran Guan from Year 8 competed at the World Development Trophy Speed Skating Tournament and the Tri-Series over the last holiday break. He did so exceptionally well that he broke his own PB and won all individual events and overall titles.

NEXT MEETING – ALL WELCOME!

Monday 9 May 2016
Staff Common Room 6:30 – 8.30pm

The next P&C Meeting will be addressing a number of issues of interest, including the School's site development plan, and parents' and carers' priorities for maintenance and development.

It will also include:

Digital Nutrition: navigating 'screenagers' towards healthy tech-habits

Presented by guest speaker Jocelyn Brewer – Registered Psychologist

Technology is here to stay and is an integral part of 21st Century learning. How can we support young people to develop healthy online habits that maximise the benefits of digital devices and avoid traps of problematic internet use? Jocelyn Brewer is a psychologist and teacher who has been studying teens and tech for over 8 years. She'll provide practical strategies for parenting in the digital age and answer questions you might have about video games, social media and digital cultures.

Please note – this meeting will be longer than usual and will end by 8.30pm.

This Week's News

- Please like the P&C Facebook page!
www.facebook.com/sbhspandc
- The SBHS Site Development Plan 2011-2020 is currently being reviewed. Parents can view the plan by logging on to the Parents' Portal. Community views regarding the areas that should be prioritised are sought. This will be discussed at the next P&C meeting, as above, or comments may be emailed to sbhs.pandc@gmail.com

MIC of Football Report

Over the break we had our 1st XI squad play in the annual St Andrews Cup hosted by St Andrews but being played at Saint Ignatius' College, Riverview. The event is becoming bigger each year with the FFA now interested in getting involved. It's a great opportunity for our boys to get a hit out before the GPS competition. Schools involved this year were St Andrews, Riverview, Grammar, Waverley, St Aloysius, Barker, St Pius, Shore, St Patrick's, Oakhill and Trinity.

time against Barker with only 10 men and coming back and winning the match.

Congratulations to St Aloysius for taking out the Cup.

We also had our holiday football camp. This is becoming very valuable for all our players and coaches. It allows us time to work with them individually and get to know players from all grades. We had over 70 boys with 11 coaches involved in the camp.

SBHS 1st XI v Oakhill in the St Andrews Cup

SBHS Football Camp

In our pool we had Oakhill and Waverley. Unfortunately, we did not have a win in the first day so we played for the plate trophy on day two. The boys were determined to come away with wins and finish on a high note. They managed to do this especially being 2-1 down at half

This Saturday we have another trial match against Grammar. We will be very competitive at the senior level, but Grammar is very strong at the junior level and will provide us with a very good hit out.

Note:

- All boys must turn up at least 45 minutes before the start of their match.
- They must be turning up in SBHS football uniform and if they wish to wear a track suit this must also be SBHS track suit.
- All boys must be wearing boots and shin pads
- Make sure they drink plenty of water and carry a drink bottle with them to training and fixtures.
- If you are unavailable to play you **MUST** notify your coach, MIC and Sports Absences well in advance. Just doing it online is not sufficient.
- No glasses are allowed to be worn on the field. If a student needs glasses he needs to purchase optical sport goggles.

Keep up the good effort and I am sure SBHS Football will continue to have a successful season.
