

## From the Principal High Talent

Congratulations to Luke Schroeder (12T) who was selected in the NSW Combined Independent Schools Basketball team. Great effort, Luke! At the All Schools Swimming

Championships William Lee placed 3<sup>rd</sup> in the boys 14 50m breaststroke final (32.55) and in the 12-14 years 100m breaststroke final (1.11.94). Nathan Wang placed 3<sup>rd</sup> in his final of the boys 12 years 50m breaststroke (38.77). Terrific results, boys!

## Walk To School Day

National Walk Safely To School Day is in its 17<sup>th</sup> year and will be celebrated next Friday, 20 May. It is targeted at primary schools but would be a healthy alternative for any of our boys who live within reasonable walking distance.

## Year 12 Reports

Ask to see your son's report. Only boys requiring Clearance Forms may not have them by this Friday. I encourage boys and parents to meet the requirements noted on the Form and for boys to then book a time for their report interview with me.

## UNSW – Electrical Engineering & Telecommunications

The School has a total of 1324 students. The School is a leader in photovoltaics, quantum engineering and energy storage. It has opened a new phototonics laboratory. Phototonics develops optical electrodes for the brain / machine interface. Biological neural networks are studied with a view to developing technology to treat disorders from epilepsy to visual impairment. Another field of study is microelectronics. Miniaturised integrated electronics are developed as active biomedical implants – deep brain stimulation, pain control and bionic eye – are examples. Overall UNSW graduates 20% of all the engineers in Australia. Demand for engineers exceeds supply. Currently, there are more engineers coming to Australia on 457 visas than are graduating from Australian universities. The university is training engineers in Myanmar for

international accreditation. Myanmar was described by the Dean of Engineering, Prof. Mark Hoffman, as 'the last frontier in Asia'. Australia is well positioned to help open up interactions with Myanmar through education and export trade. There are strong links between the School of Electrical Engineering and Telecommunications and Industry. Employers are at the table in regular dialogue with the Prof Ambikairajah, Head of School, and his staff via Industry Advisory Board meetings, and are very interested in UNSW graduates in engineering.

## Caught Doing the Right Thing

There was a call from a woman this week who has travelled on the Bankstown line. She said that there were SBHS students who were very polite and who always stood up for people on the train. They were always very respectful and quiet. To those seniors and juniors who were travelling in this lady's carriage – thank you. You are modelling the ethos of the school really well.

## Solar Project – Update

Since last week's publication High received a wonderful donation of \$10,000 towards our first stage 10KW solar system. I want to thank Mr Richard Harding (Elias Hall 12S) for his generosity. Mr Harding sees his gift as an investment in sustainability – think globally, act locally. We want to model at High how much we care about saving on greenhouse gases and reducing our carbon footprint. It is a gift that keeps on giving – perhaps for fifty years at several thousand dollars of saved electricity costs per year. The efficiency and longevity of the new generation solar panels make this likely. A separate sub-dissection has been set up within the *Sydney Boys School High Building Fund* to sequester the funds received there until required for the project. I invite parents, Old Boys and friends of High to **invest in the future**, too. With school community support we will quickly achieve our first target of \$30k. We plan to get the system installed in December / January.

## Full Uniform Policy

High is proud of the fact that its boys wear their school uniform. We expect boys to be in their appropriate uniforms at all times. In winter there can be extreme weather events but where adjustments need to be made in clothing, the High Store has responded to the requests from the SRC to supply approved supplementary items. The **school beanie** and **school scarf** can be worn at all times as part of the official school uniform. Students feeling the cold should not improvise with random items of clothing of various colours and designs. It is permissible to wear white skivvies underneath school shirts when it is really cold. Students in Years 7 & 8 are allowed to wear sports clothing on Thursdays and can add the school tracksuit for warmth. When it is raining, umbrellas are recommended rather than non-uniform anoraks. Waterproof over garments were researched and sourced by the SRC but insufficient pre-orders were submitted so the purchase was abandoned. A cheaper line of clothing is being discussed. Contact your SRC member to express your interest!

**Dr K A Jaggar**  
Principal

## From the Canteen

High Canteen offers a range of healthy, hot and cold options for our hungry boys. Canteen Managers, Tracey and Karen, rely heavily on the support of dedicated parent volunteers. If you have a few hours to spare, why not join the roster. All profits raised from sales are returned to the school community.

We would like to thank the following parent helpers for weeks of April 27 and May 2:

**WED:** Ria Lam, Yasmin Khan, Dimi Barlas  
**THU:** Jian Ping Li, Tasio Sciavenitis, Kim Ngan Do, Wendy Dar  
**FRI:** George Haddo, Agnes Cheuk, Jenny Fulton, Kit Lau  
  
**MON:** Pam Jepson, Yoshi K-Leong, Usha Arvind  
**TUE:** Vivian Huang, Long Nguyen, Katherine Ng  
**WED:** Kai Wang, Faidha Razmi, Jenny Chiu  
**THU:** Pit Trent, Xing Ping Zhang  
**FRI:** Olexandra Putilina, Sabrina Xu

As we approach colder months, chicken corn soup and steak and onion roll will also be available.

Missing out on favourite foods? Canteen lines too long? Why not place an order before bell time in the morning?

**Usha Arvind**  
President Canteen Committee

## Letters Re Student Absence/Late Arrival/Early Leave

When your son returns to school from being absent he is required to provide a letter of explanation signed by a parent or guardian. If your son is going to be late for school a note is also required.

Alternatively, you may contact the school by phone on 9662 9300 and dial "1" for the absentee line.

If your son has an early leave note he is required to have his note signed by either Mr Dowdell, Ms Powell or Mr Prorellis **before 9:00 am** and handed in to the Main Office immediately after. Each letter should be signed by a parent or guardian with the **name, date and roll class** of your son **printed clearly**. Your son needs to pick up a leave pass from the Main Office before he leaves the school.

## Absences

Absences – School: [absences@sbhs.nsw.edu.au](mailto:absences@sbhs.nsw.edu.au)  
Absences – Sport: [absences.sport@sbhs.nsw.edu.au](mailto:absences.sport@sbhs.nsw.edu.au)

## Leave

If you require **extended leave** for your son **exceeding four days** please, apply in writing, on the departmental application leave form which is available on the parent portal or front office. Your son must then present this application to Dr Jaggar for permission for extended leave. Please note that leave applications need to be submitted **four weeks prior** to your son's leave of absence.

# Combined SGHS and SBHS P&C Meeting 2016

Thursday 16 June 2016 –  
7pm for 7.30 to 9pm  
The Great Hall, Sydney Boys High School

High's P&C welcomes all members of the SGHS and SBHS communities to the 2016 Combined P&C Meeting, featuring guest presenter  
**Dr Andrew Martin.**

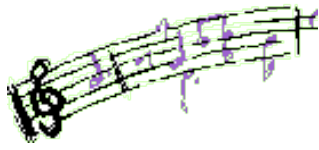

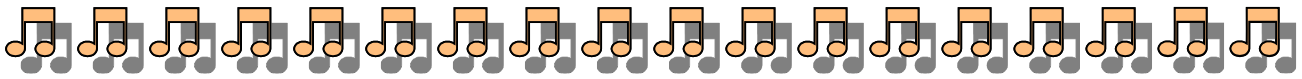

## Motivation, Engagement and Achievement: Pathways to Personal Potential

With a focus on positive, practical strategies for parents and carers, Dr Martin will address issues around motivation and achievement that are faced by many teenagers and their families in our schools' environments, including building persistence and control, reducing fear of failure, emphasising personal bests and maximising academic success.

Supper provided from 7pm

About: Dr Andrew Martin BA(Hons), MEd(Hons), PhD, MAPS is a Registered Psychologist and Professor of Educational Psychology in the School of Education at UNSW. Andrew's research focuses on motivation, engagement and achievement, and boys', girls' and gifted and talented education, academic resilience, ADHD, and parenting. He was listed in *The Bulletin* magazine's SMART 100 Australians, and in the top 10 in education. He is on the editorial board of a number of Australian and international journals, and his books *'How to Motivate Your Child for School and Beyond'*, *'How to Help Your Child Fly Through Life: The 20 Big Issues'* and *'Building Classroom Success, Eliminating Academic Fear and Failure'* are published in five languages.

# MUSIC NOTES

## Meet the Music 2

Elective music students (Year 9-12) went to see the second concert of the *Meet the Music* series @ the Opera House last Wednesday 4 May 2016. Young Armenian cellist, Narek Haknazaryan performed two major works with the Sydney Symphony Orchestra: *Dawn and Darkness-Cello Concerto* by Australian Composer, Paul Stanhope (b.1969) and *Variations on a Rococo Theme, Op.33* by Pyotr Ilyich Tchaikovsky. He also performed an encore piece which captured the audience. The piece required Narek Haknazaryan to play the cello and sing at the same time. You can see a performance of this piece being played at the Hallex aux Grains, Toulouse: <https://www.youtube.com/watch?v=bJklsdDG2Rk&sns=em>

The piece is called *Lamentatio* by Giovanni Sollima.

## Annual Music Camp

Our Annual Music Camp is in two weeks! Music Camp is held @ the Collaroy Centre from Wednesday 25 - Friday 27 May. All students involved in the music ensemble program must attend. There will also be a Music Camp Concert (6pm start) back at school on the Friday when we return from Collaroy. Please make sure to take a foldable

music stand. School music stands will not be taken to the camp. The music committee will be selling food and cakes from 4.30pm (near the Great Hall)! We are in need of helpers, so parents/guardians, if you are able to give the music committee a hand could you please sign up by following the link:

### MIC of Football Report

Riverview are a very physical side. They show us a different way to play the game that our students are rarely prepared for. The results may not be positive, but going from previous years we usually come better prepared during the GPS season and are able to match their physicality and come away with a few wins.

Keep up the good effort and I am sure SBHS Football will continue to have a successful season.

### Armidale Exchange 2016

The annual exchange with The Armidale School is widely anticipated throughout all age groups, allowing a range of students to bond over an 8-hour bus trip and 2 nights spent bunking together. Thankfully, the infamously cold temperature held off once we arrived, with fine weather underscoring the joyous exchange that was to come.

Basketball and tennis were the first events of the exchange, where we showcased our abilities through convincing victories in all games of both sports. The following day saw the schools clash in Rugby, where all age groups competed against their respective Armidale sides, proving the relationship between both schools held strong despite the geographical distance.

The 1<sup>st</sup> XV game was the climax of the exchange, with a large crowd amassing from both schools. The team were ready to prove themselves as a dominant side who stepped up to every challenge awaiting them. This was displayed through our promising start to the game played mainly in their half, with two try opportunities being unfortunately foiled. Our performance at scrum time was

extraordinary, especially considering the inexperience of our hooker William Chen, who played remarkably in all aspects of his 4<sup>th</sup> rugby game ever.

Although coming away with a loss, the game was an essential development point, proving to us that we can assert on field presence much greater than in the past. An enormous thank you to Sports Master Mr Pavone, the Armidale School and all staff behind the scenes who made this trip possible, hospitable and memorable for years to come.

## SBHS Narrowly Defeated by The Armidale School in the Harris-Hannon Cup 2016

Photo courtesy of TAS

On Friday 6 May, 160 students and eight staff and coaches travelled up to Armidale for the annual sporting exchange with The Armidale School (TAS). Originally this was a rugby exchange only between the schools; but in more recent years we have expanded the exchange to include basketball, tennis, football, rifle shooting and athletics relays. This year's trip was a reasonably successful one. However, overall we couldn't maintain holding the cup from 2015 and eventually lost to The Armidale School 7.5 to 5.5 points.

The weekend's sporting fixtures started off on Friday night after a long bus journey with tennis and basketball. SBHS usually gets an early lead against TAS and this year was no exception. The junior tennis team defeated TAS 6 rubbers to 0. The seniors were also very successful defeating TAS 5 rubbers to 1 overall. Continuing this form, the junior basketball team comprised of mainly the 15s CHS team then displayed a very professional and exceptional performance to win their match 87 – 32. Their fill-in coach Daniel Hamilton from Year 11 was inspiring with his coaching as well. Shortly after, the senior basketball team comprised of players from a variety of teams, struggled to dominate early, but once the game settled down they eventually showed their class and won 47-32. Thank you to Mr Cotton and Mrs Meaney for their assistance with tennis and to Mr Bruce Gordon, Samson Lou and Daniel Hamilton for their coaching of basketball.

Saturday sport started early with the rifle shooters setting off at 8.00am. The SBHS team was full of confidence heading into the match; however, in the end it was a draw between the schools. A big thank you to Mr Daniel Comben and Mrs Cathy Meaney for their considerable efforts with organising the day.

The football match which is usually played between TAS 2<sup>nd</sup> XI and SBHS 3<sup>rd</sup> XI is usually a close match. The issue this year was the majority of players from our 3<sup>rd</sup>/4<sup>th</sup> XI team were unable to make the trip up. So the team was put together in the warmup and was made up of tennis, basketball and football players. In the end, SBHS were outclassed by a team who had many seasons playing together and eventually went down 8-0. Nevertheless, a big thank you to all of the boys who played the game in great spirit.

The focus of Saturday was for our rugby teams to show just how much they have improved over recent years with the goal of winning as many 'A' matches as possible. Despite Armidale winning the majority of matches, the contests were mostly competitive and the score lines closer than in previous years with a number of significant close games in the junior teams and a highlight to see the 14As get a win. A great effort and improvement from our boys. It must be pointed out the significant performance displayed by the 1<sup>st</sup> XV. Despite being held scoreless, the effort and sheer determination to continue to play at such a high intensity and with such tenacity is a real credit to the team and their coaches.

The official rugby results were:

13A – 10 - 36 loss, 14A – 31-19 win, 15A 9-12 loss, 16A 19-35 loss, 2<sup>nd</sup> XV – 0-49 loss, 1<sup>st</sup> XV 0-33 loss

Please note: official scores of 'B' games were not recorded due to smaller sided games.

Thank you to Mr Matthew Cotton, Mr George Barris, Mr Con Barris, Mr Andrew Walters, Mr Mick Aldous, Mr Paul Scrivener, Mr Bruce Gordon, Mr Samson Lou, Mr Sam Gribble who made the trip up to Armidale and helped out with coaching and supervising all weekend.

Before the 1<sup>st</sup> XV match, the crowd was treated to the 4 x 100m athletics relays running end to end of the main rugby oval with a gauntlet of boys from both schools, cheering the boys on. The TAS boys were well equipped with strategies this year and defeated SHS 4-1 overall.

Lastly, a big thank you to all the Armidale staff, coaches and parents for their hospitality and smooth operation of events over the weekend.
