

## From the Principal High Talent

At the Fencing National Schools Teams Championship in Brisbane our Sabre Team (Garry Huang (12), James Siu (10), Kinzey Rahardja (10), Lincoln Hui (10)) won gold for the third consecutive year. Our Epee A Team: (John Tian (11), Peter Lin (12), James Ye (12), Arthur Chao (12)) broke through to win a gold medal. Indicating our depth in this discipline, High's Epee B Team (William Zeng (10), Roy Zheng (10), Kentaro Takahata (12)) won a bronze medal. Congratulations to all our competitors and to Mr Dat Huynh who managed the team at the Championships.

## June is EOFY Time

If you have intended to make a tax deductible donation to our **SHS Building Fund** or to the **SBHS Library Fund** or to the **SBHS Scholarship Fund**, or to our **ASF Project** but haven't yet done so, I invite you to make that donation, as I have done, before the end of the financial year. There are so many great achievements coming from the boys in a diverse range of endeavours. In order to consolidate, maintain or improve our services to them, they would really benefit from your financial support. There is only one week left to make a difference in this financial year. I ask for your help to make High strong.

## Refugee Week June 19-25

In our privileged and peaceful society, it behoves us to take time out occasionally to consider the plight of the unfortunate, none more deserving of our sympathy than the millions of refugees displaced, dispossessed and destitute as a result of domestic or international conflict. Various activities, such as Act For Peace's *Ration Challenge*, are aimed at raising awareness, particularly among young people, about the plight of refugees.

## The School Excellence Framework- Part 3

The third area of the Framework is **leading**. In element 1, '**leadership**', in schools that excel, "the school leadership team supports a culture of high expectations and community engagement, resulting in sustained and measurable whole school improvement." We rated ourselves as excelling in this element. Many staff have purposeful leadership roles based on their professional expertise. As well, they use their professional skills in autonomous MIC roles in sports and co-curricular activities. The school community is committed to the scholar-sportsman ideal and to the maximising of opportunities for excellence. The school has incrementally increased its average ATAR including its increased population of locally selected students. Our school is recognised as excellent and responsive by our community. We have many collaborative and governance structures: P & C, School Council, Sydney High School Foundation, Old Boys Union, Parent Support Groups for >15 sports and co-curricular activities, parent representatives on the Student Wellbeing Committee and the Libraries Committee, Parent Year Groups and Gardening Committee.

High enrolls students representing > 150 postcodes and >95% of its students reside outside a 5km radius from the school. Our community is more demographic than geographic and is very diverse. In our area we have agreements with St Marks Church, the Sydney Swans, Centennial & Moore Park Trust, Double Bay Sailing Club, Woollahra Sailing Club, the NSW Rifle Shooting Association, Indeepp Tennis, University of Technology, Sydney and SISC. We have a partnership agreement with UNSW to offer practicum placements for up to ten students each cycle. We have an agreement with Sir Roden & Lady Cutler Foundation to operate a medical appointments pick-me-up service. We have agreements with local cricket associations to rent our covered cricket nets. We run outreach programs at Cleveland Street IEC, Bourke Street Public School, Vincentia House and Kirra Kids Centre.

We have a strong presence in charitable organisations as volunteer collectors having raised more than \$1,000,000 during my principalship. For all that, we could be more proactive in establishing relationships with the local media and we have work to do to make our vision more visible.

In element 2, ***'school planning, implementation and reporting'***, in schools that excel, "the school plan is at the core of continuous improvement efforts, with the school's vision and strategic directions evident in its main activity." We rate ourselves as excelling in this element. Our School Plan incorporates evidence-based strategy and innovative thinking. Its overarching theory is the IPEC model, a gathering of 'intelligences' to be developed: academic IQ, physical PQ, emotional EQ and cultural CQ. In the Junior School 7-9 the driving model is Gagné's differentiated model of talent development. In the Senior School 10-12, Ziegler's actiotope model of interactive talent development is overlaid on Gagné to reflect the growing autonomy of learners and their more sophisticated relationships with teachers.

High has valued its traditions and its recipe for success in the same way as quality brands like SAO and vegemite have. Simon Sinek's 'Start With Why' urges organisations to look within themselves to discover their core values and driving purposes. Since 1883 our objective has been to prepare students well for university. Since 1886 our students have wanted to get involved in non-academic activities which they organised for themselves. In 2016 we pursue the highest possible academic outcomes while maintaining life balance by providing our students with a plethora of opportunities for excellence. Our community expects us to do both well. Our structural governance through P & C and School Council makes collaboration usual practice. Data gathering tools such as TTFM surveys and Year 12 exit surveys have broadened our understanding of where strategic school improvements need to be made.

Element 3, ***'school resources'***, in schools that excel, "school resources are strategically used to achieve improved student outcomes." We rated ourselves as 'sustaining and growing' here. We do have long-term planning integrated with school planning and implementation. Our Site Development Plan 2011-2020 and our Long Term Financial Trends documents put perspectives on our resource allocations for specific purposes. Funds available have increased by 500% during my principalship. Even so, resources have to be carefully managed to balance the budget each year. In addition, trusts to the value of \$350,000 have been established for strategic purposes. Money has been

targeted for gifted education programs and academic competitions. The school has established a Development Office to manage relationships with the wider school community. The school publishes a newsletter each week (High Notes), a periodical marketing pamphlet (High Flyer), a detailed compendium of school activities (The Record) and the Annual School Report.

The use of school facilities is optimised with the UTS SBHS gymnasium, the tennis courts licensed to InDeep, regular hiring of the Great Hall, the COLA nets and the school grounds (principally for event parking). The High Store is licensed to Sydney High School Foundation. We work our assets pretty well. We cannot claim to have integrated and documented leadership development, succession and workforce planning within our drive for whole-school improvement.

For element 4, ***'management practices and processes'***, in schools that excel, "management systems, structures and processes underpin ongoing school improvement and the professional effectiveness of all school members". We rated ourselves as excelling. Our practices and processes are responsive to school community feedback. Apart from oversight of school practices by our school governance bodies (P & C, SBH School Council) a large number of school organisations have input opportunities into co-curricular activities. Parent surveys, SMS texts, website, Facebook, High Notes, The Record, School Plan and Site Development Plan, provide platforms for parents with particular views to engage with the school. Information evenings are regularly held to explain HSC results, to discuss the acceleration intervention, to outline courses 11-12 and electives 9 & 10 and to orientate new parents into the school culture. We are very transparent. Our policies and processes are located on the website, accessed via a parental portal or written about in High Notes. Our intranet has an organisation chart; our website has a 'live' calendar which is updated daily and on Saturday mornings. Our results are published on the website and analysed in PowerPoint presentations. We have online feedback opportunities for parents and they are surveyed annually. Our Performance and Development practices are effective, well-documented and have a nearly perfect compliance rate.

## Meet the Prefect

Hi, I'm Ethan and I am part of the prefect body of 2016. You might have seen me around the playground or on the sporting field. A bit of background, I grew up in Washington DC, America and lived there for the first 4 years of my life. I moved to Australia in 2003. I started my time at Sydney Boys High in Year 9 and during the

past couple of years I have been lucky enough to represent the school at national basketball level twice, at 15s and also 1<sup>st</sup>. I have been fortunate to have been selected for state athletics once. Besides competing in the GPS carnival, I was able to make 1<sup>st</sup> grade rugby this year.

Outside of school and sport I enjoy playing video games, watching NBA and just relaxing with friends. Being a Prefect is more than a tie and title. It gives you the ability to have an impact on the school in a positive way along with representing the prestigious school that is Sydney Boys High.

## News from Latin

### National Latin Exam

In March this year, Years 9-12 Latin sat the **National Latin Exam**, an annual event organised by the University of Mary Washington, Virginia U.S.A.

Students had to complete 40 questions in 40 minutes at their own particular year level of Latin. This year, the following students achieved Gold and Silver medals:

### Year 9

#### GOLD

Thomas Schanzer  
 Jadon Yang  
 Ronan Gao

#### SILVER

Ryan Jepson  
 Ramanan Linghanathan  
 Timothy Chen  
 David Goh  
 Matthew Le

### Year 10

#### *GOLD*

Gorden Zhuang  
Richard Zhong

#### *SILVER*

Edward Heaney  
Roy Wu  
Lingyu Wong  
Joshua Pham  
Tony Xu

### Year 11

#### *SILVER*

Ramachandran Kaniyur  
Roy Yi  
Louis Shapiro  
Sanishka Balasooriya

### Year 12

#### *SILVER*

Ervin Zhou

Congratulations to these students.

### Year 12 HSC Latin Seminar Day

This is an important day for students of Year 12 Latin. Students will be attending a series of lectures presented by leading academics on the Literature texts set for the HSC and on approaches to Unseen Translation. This year's Seminar Day will be hosted by Shore School, North Sydney.

### Latin Reading Competition 2016

On Friday 3 June, Years 10 and 11 participated in the Latin Reading Competition, held annually at Sydney University and organised by the Classical Association of New South Wales. Entrants had to recite a passage from the works of Virgil and Ovid. Students were judged by leading academics in Classics.

This year, Sydney Boys High achieved excellent results. Two students, Roy Wu of Year 10 and Sanishka Balasooriya of Year 11, have been selected for the final of this prestigious competition. In addition, Edward Heaney's presentation impressed the judges and has been awarded Highly Commended. Edward will be presented with his Certificate on the night of the final which will take place in the Law Building, University of Sydney, on 1 August. Parents and friends are invited to attend. Year 10 Latin has also been invited to present a choral piece on the night, as normally happens when a Year 10 student reaches the final.

After their recitations, the students visited the Nicholson Museum, which currently has an exhibition on Pompeii, and then attended a lecture on the Greek and Roman Oracle, a prophetess who presented "the future" (albeit ambiguously) to those who sought her guidance.

## PARENT TEACHER INTERVIEWS

Years 8 and 10 will take place on  
**Tuesday 28 June 2016**  
**3.00pm – 7.00pm**

### Booking interviews with your son's teachers

This year we will again use a web based electronic scheduling system for arranging interviews. This produces better results for all participants, especially more compact time schedules for both parents and teachers. The system works as follows –

- On Tuesday 21 June all parents of boys in Years 8 and 10 were sent by email details of the scheduling system and a unique code to be entered at [www.edval.com.au/book](http://www.edval.com.au/book).
- This email was/will be sent to the address currently held by the school. If you have not received this email by the following day or, if your email address has changed from what had been previously advised to the school, you should notify the school at [ptnight@sbhs.nsw.edu.au](mailto:ptnight@sbhs.nsw.edu.au) advising of this. Please indicate your son's name and roll class or date of birth so that the information can be forwarded to you.
- On the Edval website you will see your son's teachers listed and you will be able to select those with whom you require an interview. (If you hover over a teacher's name, the subject involved will be shown.) At the same time you can indicate your availability between 3:00 pm and 7:00 pm.
- Once the majority of parents have requested interviews, the overall schedule will be generated by the school and your individual schedule should be available for you to download and print from two days before the interviews.
- Periods will be shortened on the days of the interviews. Boys from all Years will be dismissed from class at 2:35pm on that day. School Special buses will run to normal schedules and there will be supervision available in the Junior Quad of boys waiting for these buses.
- *Interviews should not exceed five minutes' duration.* If there is insufficient time, a further appointment may be made for a later date, or contact by telephone arranged.

**Deputy Principals**

## Letters Re Student Absence/Late Arrival/Early Leave

When your son returns to school from being absent he is required to provide a letter of explanation signed by a parent or guardian. If your son is going to be late for school a note is also required. Alternatively, you may contact the school by phone on 9662 9300 and dial "1" for the absentee line.

If your son has an early leave note he is required to have his note signed by either Mr Dowdell, Ms Powell or Mr Prorellis **before 9:00 am** and handed in to the Main Office immediately after. Each letter should be signed by a parent or guardian with the **name, date and roll class** of your son **printed clearly**. Your son needs to pick up a leave pass from the Main Office before he leaves the school.

Absences – Sport : [absences.sport@sbhs.nsw.edu.au](mailto:absences.sport@sbhs.nsw.edu.au)

### Leave

If you require **extended leave** for your son **exceeding four days** please, apply in writing, on the departmental application leave form which is available on the parent portal or front office.

Your son must then present this application to Dr Jaggar for permission for extended leave. Please note that leave applications need to be submitted **four weeks prior** to your son's leave of absence.

#### This Week's News

- At the P&C Meeting on 16 June 2016, the P&C was happy to donate \$50 000 – being Canteen profits so far this year – to the School. Canteen profits are donated to the school and used to address priorities identified by the Principal. This year the priorities include:
  - The Governors Centre fund
  - Replacement of junior Maths textbooks
  - Funds set aside for upgrade of school buses
  - Purchase of laser printer
- In addition, takings from recent P&C subcommittee parking events were, as usual, donated to the school.

Thank you to all parents who have contributed to the raising of these funds for the School.

#### Upcoming Diary Dates

##### P&C Meeting

Monday 8 August  
Staff Common Room, 6:30pm

This General Meeting will include the Principal's report and will feature a report from the P&C's High Foundation representatives.

The following meeting will be 12 September 2016.

## SBHS Fencing: We are the 2016 National School Teams Champions in Epee and Sabre!

Our boys achieved amazing results at the Fencing National School Teams Championships in Brisbane on Saturday 18 June.

After achieving Silver for the last two seasons, our Epee A Team finally won Gold this year and our Epee B Team had their strongest performance yet and came through with the Bronze.

Epee A Team: Arthur Chao, Peter Lin, James Ye, John Tian (C)  
Epee B Team: Roy Zheng, William Zeng (C), Kentaro Takahata

Our Sabre team delivered a stunning performance to win another Gold and remain the champions in Sabre for the 3rd year in a row.

Sabre Team: Lincoln Hui, Garry Huang (C), James Siu, Kinzey Rahardja

Congratulations and well done, boys!

### MIC of Football Report

Another wet Saturday caused a few games to be washed out. However, we did manage to get the 1<sup>st</sup> and 2<sup>nd</sup> XI matches on. Shore is regarded as the best team in the competition. The 2<sup>nd</sup> XI fought gallantly in defence while the 1<sup>st</sup> XI result does not indicate the evenness of the match. Only difference was Shore were able to capitalise on their three chances.

Dharmesh Sharma for the 2<sup>nd</sup> XI against Shore

The result of the week goes to the 13As who won 1-0 with this being the first win for any A team for the season and the first U13As win since my time as MIC. Well done!!

### CHS Regional Cross Country Championships

High Cross Country had its most successful year at the Regional carnival, sending a strong team to the State Championships, in most age groups. In two age groups (U16s and U17s), we qualify to race two school teams at the NSW championships. Congratulations boys!

NAME	Position	Age Group
Nathan Wang	4th	12 Years
Rhys Shariff	1st	13 Years
Matthew Moloney	3rd	14 Years
Eric Holmstrom	1st	16 Years
Jonathan Lee	7th	16 Years
Luke Schofield	1st	17 Years
Jayden Schofield	2nd	17 Years
Nicholas Katsills	3rd	17 Years
Jake Rowlands	4th	17 Years
Conor McGrath	5th	17 Years
Ruilin Zhang	10th	17 Years

These fine athletes will compete at the State Championships at Eastern Creek on Friday 22 July. High wishes them all success; with all the hard training and determination to get them over the line and on the podium!

Students need to hand in their State Championships consent forms to Ms Dam by Monday 27 June.

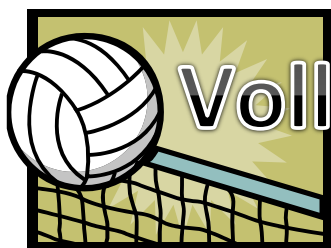

### GPS Cross Country

Brilliant results were achieved in last week's GPS Invitational Trinity carnival, where the Opens team of Luke Schofield, Jayden Schofield, Nicholas Katsillis & Eric Holmstrom took out the gold medal, just missing the record by seconds! Congratulations also go to the U14s team of Rhys Shariff, Matthew Moloney, Kelvin Meng and Steven Huang, who achieved a silver medal in this year's event; great future prospects for Sydney High Cross Country!

### Team of the Week: 16B XV

The ceaseless rain did not dampen the spirits of the boys, who played a brilliant game of rugby against St Ignatius. Although the fields were wet, the team powered through the nail biting winds. With two members absent due to sickness, we began the game with only 13 on the field. However, that did not play as a disadvantage in our game. Instead, the boys were driven by the desire to prove themselves against the Ignatius team. Adam Yang, who proved to be a crucial player in the team unmatched in both creativity and strength, opened the scoring within the first few minutes of the game. That led to the release of the floodgates, with Ahad Zafar, Rishi and Adam further adding to the score sheet, ending the first half with a lead, and a season record of 44 points to nil. The team began the second half determined and confident in securing a win, only to be met with the fact that Ignatius planned to play 15 players on the field against our team of 13 in an attempt to change the flow of the game. That did not trouble us, as Adam and Rishi exposed obvious flaws in the opposing defences, with assists from eagle eyed Michael Qiao and Nic Liang, further increasing our score. Conversions were taken and scored by Adam, Nic and Ahad. Ahad surprised many with his precision in kicking, despite being a forward who had never kicked before. The game ended in 68-5, with Ignatius scoring on a minor defensive hiccup, but nonetheless, it

was impressive effort shown by the 16 Bs. Although the entire team contributed to the win our man of the match undoubtedly goes to Adam, who ran in seven tries. A special shout out to Daniel Hamilton, who supported and assisted the team on the sidelines despite having to endure the pouring rain with an injury. Congratulations 16Bs on your effort and triumph! Keep up the good work.
