

## From the Principal High Talent

Congratulations to our Table Tennis Team for

their back-to-back victories in the state final of the CHS Knockout Competition (2015-16). Our team comprised Edward Belokopytov (12E), Lenny Han (10R),

Adam Masen (8E) and Alex Yeung (8S). In the final the boys defeated a strong Normanhurst Boys Team including four state ranked players. In a first for High Cross Country, three teams have qualified for the State Cross Country Championships: 16 years (Eric Holstrom, Jonathan Lee, Jeremy Zhang and Luke Posumah); 17 years (Luke and Jayden Schofield, Nicholas Katsilis, Jake Rowlands and Conor McGrath) and 18 years (Marcus Plataniotis, Harry Huang, Symeon Papadopoulos and Johnson Lin). Individual qualifiers for state were: Nathan Wang (12 years), Rhys Shariff (13 years) and Matthew Moloney (14 years). Good luck on 22 July to all our competitors!

## Inappropriate and Offensive Discourse

Recent incidents in the public media and locally on social media highlight the ongoing need for men and boys to self-edit their utterances and re-think their attitudes towards women and girls. It is unacceptable for misogynistic language to be used by anyone. Eddie McGuire's tasteless trio chortled over their sexist banter about the Big Freeze promotion at the G and what they would pay to see the humiliation of AFL journalist Caroline Wilson. It was not just who was making these on-air comments that offended public consciousness, but more broadly that unreconstructed chauvinists were reinforcing such last century male stereotypes to a mass audience. McGuire was condemned by the media and the AFL and pressured to make a public apology.

Closer to home, we had offensive material posted by our own students on social media in response to our planned joint venture bake sale being held to raise awareness of the issue

of unequal pay for women in our society. Many girls at SGHS were justifiably hurt and disappointed by the sexist, unrestrained and deliberately obfuscatory arguments against unequal pay posted online under pusillanimous pseudonyms. They complained about the kind of culture that would think it's OK to vent venomous opinions under the cover of anonymity.

Notwithstanding the motiveless malignity of the minority, the subsequent bake sale was a great success, even though the trading was in staggered lunch times separating the two school populations. A nett profit of \$1400 will be directed to assisting women in refuges as a result of domestic violence. My thanks go to the organisers who persisted, particularly Vishal, Max, James, Thomas, Luke, Jayden, Ervin, Nelson and Ethan, and to Mr Dowdell, for his agile response when re-organising the day.

## After Hours Library Availability

Thanks to the generosity of Mr Dowdell we are running a trial after hours study opportunity for all students on Tuesday afternoons from period 5 until 5 pm. The idea is for students to do individual homework and study. We intend to run the trial for four weeks in Term 3 and then, if it proves popular enough, work out a more permanent staffing structure.

## Wet Weather Jackets

In response to an SRC request for a piece of apparel to protect school blazers from getting wet during rainy days, Michelle in the High Store was approached to find an appropriate garment. It was never intended that this piece of school uniform was available as a substitute for existing items. The jacket purchased can be rolled up neatly into a small carry bag which comes as an accessory. Clearly, the jacket is designed to be carried as a substitute for an umbrella. Permission was given by the School Council for the wet weather jackets to be offered as a substitute for an umbrella and to preserve blazers. Boys should not be wearing these jackets as an alternative to school jumpers or blazers. As well, non-uniform anoraks and jackets are not to be worn.

### UNSW Co-op Scholarship Program

This scholarship is a prestigious one and is worth \$18,200 pa with added industry experiences. It is a popular one with our boys but difficult to earn. In 2015 there were 1035 applications; 302 interviewees and 74 scholarships offered. From our school there were 42 applications, nine boys were interviewed, four students shortlisted and one scholarship offered. It was not accepted this year. For more information on this scholarship please email: [cooprog@unsw.edu.au](mailto:cooprog@unsw.edu.au) or call 02 9385 5116.

**Dr K A Jaggan**  
Principal

### High Store

The High Store will be closed on Friday 1 July for stocktake.

### High Store

### Canteen

The High canteen would like to acknowledge the following parent volunteers for their help last week:

**MON:** Pam Jepson, Susan Mitchell  
**TUE:** Lynn Chen, Linda Blackman, Sharon Wang  
**WED:** Dimi Barlas, Ria Lam  
**THUR:** Usha Arvind, Kim Ngan Do, Jian Ping Li  
**FRI:** Baofeng Liu, Ru Zeng Rong, Kathryn Cook

Thanks also to volunteers who came in at short notice during the annual Melbourne High exchange.

Please speak to Canteen managers Karen or Tracey, if you have a few hours to spare. It is a wonderful opportunity to meet High parents, exchange ideas and get to know the school better.

Wishing staff, students and extended High family a safe and restful winter break.

**Usha Arvind**  
President Canteen Committee

### Zone Athletics Carnival 2016 ES Marks

On Tuesday 21 June, Sydney Boys High Athletes participated in the Eastern Suburbs Zone Athletics Carnival. I am pleased to report that many of the boys have made it through to the next stage – Regionals. To make it to regionals a placing of 3<sup>rd</sup> or better was required in the 100, 200 & 400m while every other event required 2<sup>nd</sup> or better. The boys should be happy with the results; especially given that this year our GPS Athletics season is later in the calendar year. Boys interested in Athletics are encouraged to participate in a minimum of one (1) pre-season athletics session a week.

Special thanks to teachers Mr Baldock, Mr Shirley and coaches Andrew, Steve & Rick for their fantastic and very appreciated help on the day. They worked on discus and long/triple jump events from 9am-3:30pm, with very few breaks, to help the carnival run smoothly.

**Kurt Rich**  
MIC of Athletics

Students, Old boys and staff took part in a wonderful Iftaar meal prepared by the Sydney Boys High Islamic Society on Friday 24 June 2016.

# P&C

## High Family

### Next P&C Meeting – Monday 8 August 2016 6.30pm to 8pm in the Staff Common Room

**All High parents, carers and member of the community are invited to the next  
P&C meeting to be held on Monday 8 August 2016.**

This general meeting will include the Principal's report, a presentation and update from the P&C's High Foundation representatives, and discussions regarding current issues of interest in the school.

An opportunity to raise / discuss other business or questions will also be available, subject to time constraints.

*If you have other business please email [sbhs.pandc@gmail.com](mailto:sbhs.pandc@gmail.com) to have it on the agenda, to ensure time is set aside where possible.*

### P&C Facebook Page

Help us to communicate with you – **please like the P&C's Facebook page**

**[www.facebook.com/sbhspandc](http://www.facebook.com/sbhspandc)**

### This Week's News

- At the P&C Meeting on 16 June 2016, the P&C was happy to donate \$50,000 – being Canteen profits so far this year – to the School. Canteen profits are donated to the school and used to address priorities identified by the Principal. This year the priorities include:
  - The Governors Centre fund
  - Replacement of junior Maths textbooks
  - Funds set aside for upgrade of school buses
  - Purchase of laser printer
- In addition, takings from recent P&C subcommittee parking events were, as usual, donated to the school.  
**Thank you to all parents who have contributed to the raising of these funds for the School.**

### Upcoming Diary Dates

12 September 2016 – General Meeting

10 October 2016 – General Meeting

14 November 2016 – Annual General Meeting

## MIC of Football Report

I would like to thank all the students for coming down and supporting our 1<sup>st</sup> and 2<sup>nd</sup> XI footballers. It created a great atmosphere and played an integral role in helping us beat King's. The players were very grateful and said it was amazing to play in front of the boys.

On Wednesday, the 1<sup>st</sup> and 2<sup>nd</sup> XI had their catch-up match against King's that was washed out a couple of weeks ago. With many players injured and sick we had an understrength 2<sup>nd</sup> XI side. They defended very well for the first half of the match that gave them confidence in the second half to attack more.

With the crowd building from the junior boys the 1<sup>st</sup> XI were outstanding. They dominated King's all over the park with the junior boys thoroughly enjoying the entertainment. The talk of the town was Finley Hayhurst scoring from outside the box using the outside part of the boot to swing the ball around the goal keeper.

Large crowd celebrating John Zhao's goal

Aryan Vatandoust celebrating his goal for the 1<sup>st</sup> XI

During the week, we hosted Melbourne High School for the annual Melbourne Exchange. It was played in great spirit. Due to the King's games on Wednesday we had many of our players unable to play the first match. The team mainly consisted of our younger players gaining invaluable experience. The second match we were able to field a stronger team of all the boys who were billeting a student. Roni Uchitel was awarded a penalty kick, that was "not" converted by Chris Nguyen as the goal keeper saved the "attempted" shot, but he followed it through and got the bounce off the keeper that allowed him to score for the team and win the match to square the series 1-1.

### Free Physiotherapist Service for Students Involved in Sport

Parents and students are advised of the weekly Sports Physiotherapy Service. The service is provided by an APA Sports Physiotherapist who have strong backgrounds in exercise and sports science. The service provides in-depth experience with both youth and elite athletes, specialising in musculoskeletal injury diagnosis and rehabilitation.

The aim of the service is to provide all injury assessments with correct diagnosis and to formulate an injury rehabilitation plan to get our students back on the field in a safe and appropriate time frame. It is also aimed at reducing injury risk and the chances of re-injury.

Where: SBHS Gym Gallery, outside Room 901  
 When: School Term Mondays (except for the first day of Term)  
 Time: 7am-9am  
 Cost: Free

Bookings: Turn up between the hours of 7am-9am on Mondays – no appointments taken at this stage. 1<sup>st</sup>/2<sup>nd</sup> grade players will get priority.

Rehabilitation: Students will be given advice and a rehabilitation program to be used in the schools' weights room.

### Opal Card Reminder

Please remember to **tap on and off** when travelling with a school opal card

# Volleyball Notes

## Volleyball Results 22 – 24 June 2016 (Term 2 Week 9)

During Week 8 we had the annual visit from **Melbourne High School**. Volleyball matches were held on both Wednesday 22 and Thursday 23 June in the SBHS gymnasium.

While SBHS won both games, they were closely matched and the games were enjoyed by all.

Wednesday 22 June: SBHS vs MHS: 25-27; 25-16; 25-18; 17-25; 15-9. 3-2 Win.

Thursday 23 June: SBHS vs MHS: 14-25; 25-23; 25-15; 25-20. 3-1 Win.

On Friday 24 June, the 15A and 16A Volleyball teams attended the **NSW All Schools Tournament** at Homebush. Both teams proceeded to the final.

15A defeated Eaglevale in the Final 2-0.

16A defeated Baulkham Hills in the Final 2-1.

Well done to these junior teams who are performing well and showing great potential for the future.

No GPS matches were held on Saturday 24 June. The boys enjoyed a well-earned rest after their great performance throughout Term 2, winning almost all matches, most without conceding a set.

## Photos from Melbourne Exchange Matches

## High Spirit

### SBHS vs King's Results

1sts XV 10-33 L

#### 1<sup>st</sup> XV Report

The odd Wednesday fixture for our make-up game against King's didn't hinder our preparation and determined mindset going in to the game. Tony Dong's unfortunate injury allowed fresh, youthful additions to the forward pack, Connor Fisher and Tushaya Mehndiratta, led by the extremely capable Ethan May, with versatile David Kim remaining in the centres.

Our start to the game was impeccable and gained immense momentum heading into the match. We were able to recover the kick off and fell naturally into our attacking shape, with Archie Fox quickly distributing to Eli Hall. With an outstanding block line ran by Connor Fisher, Eli used his speed to penetrate the defensive line, and score a 20 second try, our most remarkable try of the season. Our attitudes were lifted and we continued relentlessly in attack.

Going into the second half, King's were passionate and hungry to strike back. Their tenacity and ferociousness in attack left us occasionally unable to win the contact

phase, allowing several tries through our own line. Alec Pham's effort was truly tireless, working endlessly to secure key turnovers and make vital defensive tackles. Unfortunately, it was not enough and we lost the game to King's 33-10. As always, we learn from every experience, and now aim to bring new levels of physicality to our next match.

#### Team of the Week 16As

The Under 16As rugby team have never officially played touch competitively against another side. They enthusiastically prepared for the touch game against Melbourne who had come up for three days as part of the annual exchange. The game took place on a cold and rainy Friday morning on the historic Moore Park Fields. The clear standouts for the game were Jack Ralph and Jack Horton. Both displayed incredible speed and agility running down the wings. Jack Ralph, arguably the best passer in the team, also set up many tries - most notably feeding the ball to Leo Li who had a barnstorming run down the wing. Ryan Ho-Shon also had a very memorable game, using strategies such as running sideways to get around the opponents rather than straight. Sam Merrick transferred his basketball skills to the tough rugby, side stepping an opponent before a long run down the wing where he got caught just before the try-line. The final score in the touch was not reflective of Melbourne's abilities with a nine to four try victory to Sydney Boys High School though both teams really enjoyed the whole exchange.

The Sydney Boys High 16As rugby team has been struggling to find form so far this season in the GPS fixtures. Nobody from our team had ever played against a Melbourne side before, so nobody knew what to expect. Before we started our game, both teams had a fun game of touch, before getting ready to face off against each other in a hard, tiring game of rugby. The Sydney Boys High team came out with much more intensity and dominated the possession for most of the game. Everyone from our team stepped up to the occasion, and we found everyone made some notable runs. There were many stages where we were defending on our own try line, with the Melbourne team just inches

away from scoring. Max McGregor played up an age group due to our lack of fit players, and he certainly rose to the occasion being one of our most impressive players on the field. Clinton So and Lachlan Goff also made their usual memorable runs down the middle of the pitch using pure speed and strength to get through the other team. The Melbourne team did not get much possession and were therefore unable to do much attacking; rather they spent almost the whole game defending. When Melbourne did have the ball their attack looked very promising. The game finished with a 79-0 victory to High.

**Mr M Cotton**  
**MIC Rugby**

## Table Tennis News

Sydney Boys High Table Tennis Team achieved back-to-back victories in the state final of the CHS Knockout Competition (2015-16). Congratulations and well done boys.

**Mr A Cipolla**  
**MIC of Table Tennis**

# SHOOTIN' 197 HOOPS

---

Although the AAGPS basketball season is currently on hold for High, The CHS Basketball has been going all Term 2 and 3 and other news is popping up in the wonderful world of basketball. From the NBA to in-school events; the basketball season is never really over.

CHS Opens went to Terrigal last week for top 8 and played very well at times. Still a development squad for the AAGPS season with all players preparing themselves, the side defeated two sides in their pool of four which usually leads to a semi-final berth. Unfortunately, there was a three way tie and because their points for and against weren't as good as the two other schools they were tied with, they completed the final day with a win and a place.

The SBHS vs Melbourne High fun games went really well. SBHS won the first day and lost the second day. The results were mixed because our team played all our players in a development fashion, with all our players hitting the court preparing for the upcoming season. It was a shame to see Oscar Dumas hurt his right ankle badly during the first day. Several players enjoyed the opportunity to play big minutes in a first grade uniform because they took billets despite not even being first grade squad players! Kurt Wang, CJ Gunther, Elliot Love and Julian Markworth (sick) were in the mix as well as Campbell Green and others.

Congratulations to LeBron James and the Cleveland Cavaliers for their valiant efforts in the NBA finals, coming back from a 3-1 series deficit, snatching the premiership from the defending champions' Golden State Warriors' grasp. It was Cleveland's first in franchise history. Among those who played for Cleveland were the Australian-born Kyrie Irving and the Victorian Matthew Dellavedova.

However, Cleveland's series win is a bitter-sweet one for the Boomers, Australia's Olympic basketball team, since

it meant an injury to GSW's starting Centre, Andrew Bogut, also a member of the Boomers. Bogut received bone bruising in his left leg during Game 5 of the finals, and will not be fit for the Olympics.

Australia's future in the NBA looks bright, with top prospect Ben Simmons being the number one pick in the draft to the Philadelphia 76ers. And who could forget Thon Maker, former Sudanese/Australian, surprising everyone by heading to the Milwaukee Bucks being the 10th pick in the draft, despite being predicted to be picked late in the first round.

For those interested in possibly following in the footsteps of these basketball sensations, watch the Daily Notices for any visits from Old Boys playing college basketball. Recently, Geoff Gerlach (Concordia University), Blake McGlenchy (Ohlone College) and Christian Jurlina (Whitworth University) were all recent visitors to the school. But it's not just for tips on college; these Old Boys may have a few tips and tricks up their sleeves for how to make the most of your time at High. Thanks to Mr Hayman - these meets are not to be missed.

Jumping back to Australia, to the NBL, the Sydney Kings have signed a new coach, Andrew Gaze, as well as Australian Boomer swingman Brad Newley. And who could forget former High student Craig Moller, showing lots of promise. The Kings look to come back from a poor 6-22 2015/16 season, slumping to last place.

Back to the world of High; there are rumours of a tour to Europe for Years 9 and 10 'ballers at the end of the year. Come on Mr Hayman; we know it can happen! The annual Old Boys game is scheduled for 11 September. Still a fair way off, but definitely not something to miss.

**IMPORTANT:** Parents part of the basketball committee have an AGM on 9 August at 7:00pm in Room 901.

Go HIGH!  
Play Hard, Play Smart and Play Together!  
Thanks to everyone who makes Shootin' Hoops possible  
Brought to you by editor Adam Gordon

Education

## Nationally Consistent Collection of Data on School Students with Disability Notification for Parents and Carers

All Government and non-Government schools across Australia are required to participate annually in the Nationally Consistent Collection of Data on School Students with Disability (NCCD).

All Australian schools will collect data on their students who are receiving adjustments to meet additional learning and support needs in accordance with their obligations under the *Disability Discrimination Act 1992* and *Disability Standards for Education 2005*. This data will be provided to the Australian Government to assist in the development of a consistent, national picture of the education needs of students with disability.

The data provided to the Australian Government by the NSW Department of Education is provided in such a way that it cannot be used to identify any individual student or school.

General information about the national data collection can be found on the Australian Government Department of Education website at <http://education.gov.au/fact-sheets-nationally-consistent-collection-data-school-students-disability>.

### Privacy Protection

The NSW Department of Education follows the requirements of the *Privacy and Personal Information Protection Act 1998* and the *Health Records and Information Privacy Act 2002*. Schools will collect, record, store and use data about individual students in line with these requirements. Data security and protection is a priority and students' personal details will be kept confidential.

Under Clause 52 of the Commonwealth *Australian Education Regulation 2013*, data collected by the NSW Department of Education for the NCCD must be provided to the Australian Government Department of Education. This includes the number of students at each level of education, the number in each category of disability and the number at each level of adjustment. The information is provided to the Commonwealth as a series of number sets that cannot be used to identify any individual student or school.

The Australian Government Department of Education follows the requirements of the Commonwealth *Privacy Act 1988* when handling any data provided by NSW Department of Education in connection with the national data collection. A privacy notice has been developed to by the Australian Government to provide students, parents and carers with important privacy information in relation to the data collection. This notice is available on the department's website at <http://education.gov.au/notices>

If you have any questions about the data collections, please do not hesitate to contact:

# Yellow Brick Road Gladesville

Dear parents,

I'm a High parent and actively supports my son's activities. I am also a Yellow Brick Road branch principal in Gladesville. I am offering a free 30 minute session to help you get answers to your financial questions. YBR Gladesville provides the following services:

Home Loans, Financial Advice, Superannuation, Insurance, Investments and Deposits  
Popular questions include:

- Can I afford a loan? How much can I borrow? Can I borrow if I just started work again?
- I am worried for my family if I am sick - what insurance do I need? How to best afford it?
- How do I save more for my children's future or for a home loan? What can I invest in?

I look forward to helping you. Make an appointment now.

Alan Khaw

## Ensure you're on track to reach your financial hopes and dreams.

Book an appointment with Alan Khaw at Yellow Brick Road Gladesville before 31st October 2016, and if you settle or refinance a home loan your school will receive a \$400\*\* donation towards your choice of school funding program. Terms and conditions apply.\*
