

From the Principal High Talent

Congratulations to Sabesh Muruganathan (12R) on his selection in the Combined GPS cricket team to compete in the NSW Schools Championship.

International Women's Week – Equality Committee Launch

In order to highlight our focus on the issue of discrimination in society, the High student leadership Executive decided to put their weight behind an awareness raising campaign, emphasising the need to combat discrimination against women. I am pleased that our senior boys want to take the lead in understanding more about gendered behaviour and in modelling appropriate discourse and attitudes.

An assembly on Monday will begin the program. We will use the occasion to launch the *Equality Committee*. The aim of the Committee is to promote greater sensitivity to societal issues of diversity and welfare, so that our students become better informed and encouraged to behave and conduct discourse in a positive and inclusive manner. On Tuesday and Wednesday Year 10 and Year 9 students will be taking part in the *One Woman Project* - Gender, Inequality and Feminism workshops. On Thursday, we will host a breakfast (#myiwdbrekkie). On Friday, we will have a Q & A panel event, taking place in the Great Hall. Throughout the week, we will be fundraising for programs sponsored by UN Women with the selling of purple ribbons

NAPLAN Bonus for Student Awards Scheme

In our *Student Award Scheme*, we reward good performances in academic competitions and consistently excellent academic effort. We are now rewarding students for reaching or exceeding their NAPLAN, growth targets for

Years 5-7 and Years 7-9. Mr Dowdell tracks student progress in the NAPLAN tests and rewards students up to 5 Awards Scheme points per test, depending on how much growth they have shown. Those boys who take NAPLAN seriously, and prepare themselves for it and perform at their best during it, will get something more than the satisfaction of knowing that they have improved. We need to convert more Year 7 Band 9 results into Year 9, Band 10 results. Our policy is that we don't teach to the test. Nevertheless, we can teach more about the test. Skill development is supposed to be included in our subject programming. However, some boys need help refining their skills. There are many suggested activities and resources available within NAPLAN on MySchool to help boys to help themselves to improve their basic skills.

Driving On School Grounds

Students move around inside the school grounds very frequently, presuming they are safe. They frequently do not attend well to their surroundings, being distracted by their friends or technology. They may run out from behind a parked car or across a driveway. In the area in front of the UTS gymnasium there is a great deal of pedestrian and vehicular traffic. Several cars driven by parents have been observed travelling towards the school building at speeds well in excess of 10km/hr. They also execute three point turns in the bus bay area where visibility down the hill is poor. We ask parents to respect our speed limits and to use designated drop-off zones.

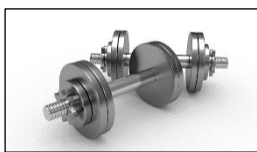

Parking is **rear to wall or rear to fence** to maximise driver views of the roadway. There have been several tragedies involving SUVs and small children in recent years in schools. In the interests of providing the maximum

possible safety for our students, staff and visitors, please be careful when parking and when exiting the site and please drive slowly in school grounds. Try to enter by gate 1 and exit by gate 2 whenever possible.

Weights Room

Memberships for the Weights Room have now closed.

Thank you to the 210 boys who value this facility and have joined for 2017. Kurt Rich can now focus on the personal preparation, training

and development of all members. Training session times to suit all members can now be allocated. Visits when space is available is unlimited throughout the year and extends to school holidays when the weights room is open but with reduced hours.

Early Bird Discounts Have Closed

Parents of students in Years 8-12 have had an opportunity to earn a substantial discount in return for paying all of the items listed in their letters. The scheme concluded at close of business on Tuesday, February 28. Discounts no longer apply. Thank you to so many parents who have supported the school fully in its efforts to provide high quality facilities and resources for everyone.

Games to Play Out...

The former Headmaster of Shore, Mr Robert Grant, has written a detailed history of the Athletic Association of Great Public Schools. This handsome hard cover volume detail the history of membership of this elite school sporting association since its inception in 1892. It is an interesting account of how schools have changed and grown and of how participation in various sports have altered. I commend the book to you. I found it an enjoyable read. The project was inspired by the quasiquintennial celebration of the founding of the AAGPS. By agreement, the schools are selling the book for \$40. Michelle in the High Store has copies available for purchase.

Solar Generation Savings Report

Since our expanded solar electricity generating system was installed last October, considerable savings to the school budget have accrued. Our Systems Administrator, James Rudd, has calculated that the school saved \$1400 on its electricity bill last year and has saved \$850 in the first two months of 2017. Even though the system was conceived as a contribution to combatting climate change via a reduction in our consumption of coal-fired base load power, it has had welcome economic side benefits.

Dr K A Jaggar
Principal

Meet the Prefect Intern

"You're braver than you believe, and stronger than you seem, and smarter than you think." – Winnie the Pooh.

Leaving primary school was an incredibly daunting experience, not lessened by the fact that many of my close friends would go to other schools. I was totally devastated. However, at the time, I would never have thought that coming to High would be one of the best decisions of my life. Culture at High seemed like a strange thing in Year 7. Seemingly, random stomping during the school song and the rhythmic clapping that our primary school teacher would have tagged as "rude" were only two things I would need to be accustomed to in those early years. High culture is more than just a small blob of matter visible above water. Rather, it forms the identity of the school and student body as a whole. I believe the vast array of opportunities offered to High boys should not go untapped. An extremely professional yet incredibly friendly staff and coaching body is always there to support High boys in their endeavours. Thanks to this, I have been able to represent Sydney High in both Water Polo and Rugby, both of which would provide my first experiences with working in a team under pressure – something that I have come to cherish – as well as within the Sydney High School Cadet Unit, which has given me many opportunities to develop both interpersonal and field related skills. Every single bit of High life should be valued, from yearly papers to the playing fields, the overarching support and competitiveness both on and off the field is instrumental in the forming of scholar-sportsmen that graduate from the school.

Photography came to me rather tentatively, only spurred on by the encouragements of school photography titans such as Daniel Cai and Jason Huo. Soon, I would take many opportunities to take photos for the school at events such as carnivals and sporting events, some of which would make it onto our school publication – The Record. This only serves as a testament to the opportunities that High provides, and, as the prefect of photography, I wish

to ensure that the standard of photography is maintained after the departure of the Class of 2017.

Ultimately, as a Prefect of Sydney High, I can only encourage all High students to take up or maintain their involvement in extra-curricular activities to not only develop their physical self, but also to evolve their identities and contribute their part to High culture.

Ronald Luo
Photography Prefect
Stand Tall, Stand for All

P & C News

Principal's HSC & ATAR Presentation

A reminder from your P&C that at the next P&C General Meeting on Monday 13/3/2017 from 6:30pm - 8pm in the school Great Hall, Dr Jaggar will be presenting our HSC results and ATAR presentation.

It is an annual event not to be missed as he shares his insightful understanding of our results from last year, ATAR in general and our performance, subject for subject against other schools and against the state over a decade.

Year Group Parent Representatives

The Principal, Dr Jaggar, is very keen to hear parents' ideas, views and/or concerns on ANY aspect of schooling at Sydney Boys.

He understands some parents may be reluctant to raise some matters directly with him about the school or their child's welfare at school, so as an alternative, you can raise it with your Year Group Parent Representative and they can then raise it with Dr Jaggar anonymously.

Some examples of topics that may also be raised could be; school security; security cameras; providing a safe learning environment at school; Saturday sport communication; Working with Children volunteer checks; fundraising ideas; air conditioning.

To do so, please email sbhs.pandc@gmail.com with your name and your son's year only.

We will then connect you to the appropriate Year Group Parent Representative to discuss in detail before representation to Dr Jaggar.

Alternatively, if you know any of the parent representatives, you are welcome to discuss it directly with them.

We urgently need a Parent Representatives for Year 11. If you are a Year 11 parent and would like to represent the parents in that year, please contact sbhs.pandc@gmail.com

Hieu Bui
President SBHS P&C

Year 7 Camp Experiences

Camp Review #1

I think everyone would agree when I say camp exceeded expectations and was a great opportunity to make new friends. Throughout the three days spent at Macquarie River we got to experience a total of ten team-building activities. These included the giant swing, sailing, high ropes, and who could forget Mud World.

We left at around 8 am on Monday and as soon as we arrived, we were overwhelmed by the choice of activities available. We were then given a briefing and shown to our cabins, each consisting of 10 beds.

Now on to the activities, they were designed perfectly to encourage teamwork, bonding and trust. It also included something for everyone, my personal favourite being the giant swing. I made quite a few new friends and cannot think of a better way to begin my time at Sydney Boys High.

Jack Keating (7R)

Camp Review #2

My name is Shreyas Chatterjee and I am going to share my experiences of Year 7 camp.

We went to Morisset for our camp and participated in a lot of activities. There was high ropes, canoeing, sailing, pioneering, archery, the giant swing, orienteering, mud world and abseiling. The night activities we participated in were commando with flashlights and challenge night where we listened to a story about George the Gorilla.

I found climbing high ropes was extremely scary for me. My heart held me back to participate in it as I have a fear of heights. I also found the giant swing very scary as well, but fun at the same time. In abseiling, going up the ladder was nerve racking especially when I reached the top. I soon got into my groove when I started abseiling down, thanks to some really simple techniques the instructors taught us.

I thought Sailing was the best activity. When you see it on television, it seems so easy to do, but in reality, it was very difficult. I also liked it when we were not sailing as we were allowed to be in the water, to swim or just enjoy ourselves.

I really enjoyed Mud World a lot. It had many different activities but they were activities that encouraged us to build strong relationships with each other as we mainly were facing the same problems.

The atmosphere around the camp was very upbeat as everyone was excited for certain activities. Also, there was a lot of opportunity to visit other rooms to talk to friends and to get to know others on a much more personal level.

I have been on camps before, but Year 7 camp was definitely challenging which pushed me to my limits. It was great waking up to a sense of mystery in what a certain activity was going to be like. Since we were all new to the school and mostly unknown to each other, the

camp helped to break the ice between ourselves and helped to form new friendships.

I would like to thank my parents, our teachers and the instructors at Morisset. The camp was definitely a period in our lives, which we will remember for a lifetime.

Shreyas Chatterjee (7R)

Winter Sport Selection

The winter sport season is just around the corner.

Trial matches begin in most sports on Saturday, 25 March with winter sport choices becoming available on the student portal on Monday 6 March.

GPS Saturday competition continues each week in the sports of Rugby, Football, Cross-Country, Rifle Shooting and Fencing. Student involvement in Saturday sport is integral to Sydney Boys maintaining our 111 years of continuous AAGPS membership.

I would expect all boys in the school to undertake a GPS Saturday commitment across the winter season.

Lost Property Office Hours Change

The Lost Property Office in McDonald wing will now OPEN DAILY during LUNCH 2 ONLY. Please make any enquiries for missing property during that time only as staff managing the office have other duties to attend to as well. Your assistance will be much appreciated.

Mr D Te Rata

From the Canteen

Open from 8.30am, the High canteen provides an extensive range of healthy hot and cold options for our scholar sportsmen. These include freshly prepared rolls, wraps and sandwiches, homemade pasta, rice & curry, salads, foccaccia and seasonal fruit. Commercially prepared items include pies, pides, sushi and dons. A limited number of snacks and occasional foods are available.

Canteen managers Karen & Tracey have been working closely with P&C and the school community to embrace healthy eating guidelines. If your son has allergies or special dietary requirements, please consider visiting the canteen premises to discuss options. They are always ready to accommodate special requests and value suggestions/feedback.

The canteen relies heavily on the support of dedicated parent volunteers to keep operating costs low and return all profits for need-based school projects. If you have a few hours to spare each month, please do consider joining our canteen roster by calling 96629350. It is a great way of making new friends and staying in touch with extended High family. Language is never a barrier and full training will be provided.

We would like to acknowledge the following parent helpers for last week:

- MON:** Grace Cochrane, Susan Mitchell, Rowena Dixon,
- TUE:** Phan Nguyen, Thajeewa Pingamage, Zing Wang (Jessica), Ariel Yoon,
- WED:** Ria Lam, Qing Chen, Emma Fang, Dimi Barlas,
- THU:** Yasmin Khan, Kim Ngan Do, Jeannie Vye, Sue Lee,
- FRI:** Ru Zeng Rong, Baofeng Liu, Min Wei, Penny Chan

Usha Arvind

Cash Register Receipts

Cash register receipts for all items (with the exception of General Contributions and Tax Deductable receipts) **will no longer be sent to classrooms.** Receipts for payments made via telephone, the new online payment system or left with the office for processing will need to be **collected by the student** before the end of each term.

Receipts will be available for collection from the **McDonald Wing Office** during the following times:

Monday to Friday

Before school
Recess
Lunch

Uncollected receipts will be destroyed at the end of each term and copies will not be reissued.

Receipts will still be issued directly when paying in person at the register.

Opal Card Reminder

Please remember to **tap on and off** when travelling with a school opal card

SHOOTIN' 211 HOOPS

Welcome all to another week of Shooting Hoops! Last week High played Newington, where a lot of close matches were played. Our senior years won 5/9 games, where 16s and 15s did extremely well this week, sharing only one loss in each age group. 14s and 13s has also shown massive improvement, which is great to see!

The NBA recently had some game changing plays, where Demarcus Cousins was traded to the New Orleans Pelicans, joining Anthony Davis, which means the two best big men in the league are on the same team! It will be interesting to see what happens when they go against the top teams right now like the Warriors and Cavaliers.

The Basketball Dinner is coming up, on Friday, 31 March. Make sure you organise to buy a gift for your coaches; they have been working so hard for the teams. Deadline is 24 March, make sure you pay your \$40 and hand in your note by then. Everyone should be there, to celebrate the successful season of High Basketball! Award recipients must be in attendance.

High plays Grammar in the coming weekend, and make sure to come support each other as much as you can. Let's step on that court, play hard, and most importantly have fun! Thank you to Mr Hayman and the rest of the High Basketball Community for making the week great! Good luck to all teams and players competing this weekend. Play Hard, Play Smart, Play Together. Go High!

Adam Gordon and Alex Zhou

16As

The game was an absolute double overtime thriller. After trailing for the majority of the first half, they came back from a twelve-point deficit with the whole team playing a stellar defence to tie the game up. However, it is not an easy task to play excellent defence for long

periods of time, and after a long series of trading buckets, the 16As fouled twice in a row, giving Newington a three point lead. With less than 10 seconds left and Newington running a trap defence set, the ball had to be put inbound, taken up to the front court and a three had to be taken to tie it up, and as the story goes, Vasco hits a running three pointer to tie the game with less than a second left! Even the NBA's Ray Allen would've been amazed by the shot! After the basket volley, there was left about two and a half seconds in overtime and it came to a point where SBHS was down by three again. As the fairy-tale goes, Varun, with two defenders on him, hits another shot behind the three point arc to tie it up again and sent it to double overtime. A winning three pointer later made it 41-44 our way was unbelievable. A massive congratulations to all 16A players and their coach for their tenacious efforts and perseverance. Well done boys.

Akif Kazi

Andrew Gu (14E) with a successful free throw

Go HIGH!
Play Hard, Play Smart and Play Together!
Thanks to everyone who makes Shootin' Hoops possible
Brought to you by Adam Gordon and Alex Zhou

Sydney High Annual Basketball Dinner 2017

Celebrate another fantastic year of basketball at High by organising your team to attend the 12th Annual Basketball Dinner and finish the year in winning style!

Every team will receive trophies for the Most Valuable Player and Most Improved Player. Speeches will be made by staff members about their age groups and players will be able to show their thanks to them as well (buy your coach a present). There will be a big screen projection of the Annual Highlight video presentation and the best meal in the history of the dinner.

When: Friday 31 March 2017. Commences at 6:00pm, Concludes at 9:15pm

Where: Great Hall, Sydney Boys High School

Who: Players, parents, friends, supporters and coaches of all teams!

Why: 1. Because the friendships made through SBHS Basketball last a lifetime
2. Because the program has improved significantly again this season and requires your support for this to continue

STUDENTS TO ATTEND IN SCHOOL UNIFORM

All drinks will be provided on the night. Advise when booking if a vegetarian meal is required.

220 seats only – limited seats – pay at the office today, especially if you won an award.

Please pay ASAP. All dietary requirements catered for as per below.

NB: Proceeds from ticket sales etc. go into the Basketball program to help improve future basketball experiences for our students.

Please return the slip below with \$40/per person to the front office by Friday 24 March 2017

Give your son the smile he deserves!

We are here to provide long-term, professional, ethical dental services for families, in a fun, relaxing and trusting environment.

We provide comprehensive dental education and preventive treatment for teenagers and their families, which includes restorative, orthodontic, wisdom tooth extraction, and many other treatments.

Our clinic is equipped with state of the art diagnostic equipment including the latest 3D x-ray technology which allows us to investigate any problems for you faster and more efficiently.

Consulting in English, Mandarin, Cantonese and Korean.

牙医 牙醫 치과 의사

We accept all health fund patients and private clients, and we happily take family bookings. We also accept Medicare Children Dental Benefit Scheme patients.

DVA patients most welcome.

Discounts available for SBHS/SGHS students, all Old Boys/Girls and staff members.

Off street parking available by prior arrangement.

SPIRIT OF ANZAC CENTENARY EXPERIENCE

International Convention Centre, Sydney

15 – 27 APR 2017

Free tickets are now available to Australia's largest and most complex travelling exhibition, the Spirit of Anzac Centenary Experience.

The Award Winning, interactive exhibition displays over 200 artefacts from the Australian War Memorial, which tell the story of our nation's involvement in the First World War.

[You can watch a preview of the exhibition here.](#)

Free Children's Activities

As the Sydney Experience falls predominately during the Easter school holidays, we will also be hosting some fun and educational activities, in conjunction with the Australian War Memorial, from **Monday 17 to Friday 21 April 2017**.

Various sessions will take place throughout these dates. Whether you are a vacation care group or family, you will be able to tour the exhibition, participate in craft sessions, explore artefacts and learn more about service men and women from the First World War.

[Click Here to register your interest in participating in the Free Children's Activities](#)

(You will then be notified by email when bookings to these activities are live)

It really is a once-in-a-lifetime, not to be missed experience.
