

From the Principal

High Talent

Last Saturday, the Head of the River regatta was held in rainy weather with a tricky crosswind. Times were slow on the day as a

result. The best High row of the day came from the 2nd VIII (6.32.31), at WT+ 5.28%, it

was High's best result since 2005. This was followed by the 2nd Year 10 VIII (6.59.86) at WT+5.99%, the best performance since 2003 and the second best since Year 10 competition began in 2001. The first VIII (6.21.64) had a margin slightly higher than last year at 6.1%, but still the second best row since 2005. Again, our sportsmanship at the pontoon was notable. I received this email: "I am a Riverview boy who rowed at the head of the river on Saturday in the 2nd VIII. After coming off a depressing loss, we were clapped off the water in a tunnel by all of your boys there on that day. It was really special as it was one of the best expressions of sportsmanship I have ever witnessed". Well done to all our rowers.

Old Boy Khushaal Vyas (SHS-2014), currently debating and public speaking coach at High, was awarded the NSW Premiers Multicultural Youth Medal at the Premiers Harmony Day Dinner for the community work he has been doing at University and whilst at school. Congratulations, Khushaal!

Caught Being Chivalrous

The following email I received this week speaks for itself. "I am a student in Year 8 from Sydney Girls High School and I wanted to thank a student of yours immensely. I do not know what his name is but this is why I'm very, very grateful: on Tuesday, as I was walking down Cleveland street between the two schools, a young man in a car seemed to glare at me for no apparent reason - I really don't know what was wrong - and then skidded very fast near the curb, soaking me with a wave of water (it was raining and the gutters were full). It isn't that I was collapsing on the ground or anything, but a student of yours ran over to me, seeing that I was soaked and shivering, he asked profusely if I was ok, held his umbrella over me and it made my day, it was very nice

and made light out of an irritating situation. I was quite quiet when it happened because I was pretty shocked, but if you can, please bring it up at an assembly or a year meeting or something, because, for some reason, it really touched my heart and I didn't think of thanking him at the time!" To our Good Samaritan- thank you.

Harmony Day 21 March

Staff and students wore orange ribbons to celebrate our cultural diversity. We reinforced the purpose of the day was to highlight inclusiveness, respect and a sense of belonging for everyone. At lunch, a basketball game between two ethnically diverse teams

was held. The day coincides with the United Nations International Day for the Elimination of Racial Discrimination. This year's theme was – racial profiling and incitement to hatred, including in the context of migration. Racial and ethnic profiling is defined as "a reliance by law enforcement, security and border control personnel on race, colour, descent or national or ethnic origin as a basis for subjecting persons to detailed searches, identity checks and investigations, or for determining whether an individual is engaged in criminal activity". Our school community needs to be aware of issues surrounding the treatment of different races

The Co-Curricular Supervision Levy

In order for us to run a six-day school with after-hours activities for 15 sports, debating, music and chess, we need to **provide a teacher / MIC / manager for organisation**

of the activity and supervision of staff to meet our duty of care obligations. Some parents are asking: 'Why should I pay this co-curricular levy when I'm paying quite a lot in co-payments for a sport or activity for a season? The money raised from the levy is used to pay for the time that supervising teachers/MICs have to spend: hiring and managing coaches, organising teams, fixtures and venues, buying and managing equipment, supervising coaches during training sessions, coordinating results recording / publishing, following up on attendance, awarding participation points in a text file, getting reports from captains, managing assemblies and dinners, as well as travelling and being there for competition fixtures on Friday nights or Saturdays. All these duties take time for which personnel must have some compensation, by way of time, money or a combination of both.

In addition, the levy is **used** to pay for physiotherapy services at venues and for the extra allowance given to the Head Teacher Sport to manage the overall sports program. The levy has to meet the cost of running athletics and swimming programs which are provided **free of charge** to all students. The levy **does not cover the running costs of sports** – coaches' fees, venue hire, equipment, consumables. All these have to be **funded through co-payments**.

To clarify why the levy is necessary and should be supported by **all** parents, I want to share with you the direct costs to the school of management, supervision and duty of care. Staff members are remunerated by way of allowances (time free from face-to-face), or the period equivalent in money or a combination of the two. Non-teachers are paid the equivalent of the period allowance that would be offered to teachers. **The cost to the school for these services in 2017 will be \$497,140.** At its present level of support, the **co-curricular supervision levy** is contributing **27.8%** of these supervision and management costs borne by the school and **none of the coaching costs**. The shortfall has to be **made up from general contributions**. Please support the school and your sons in their sports by contributing to the *Co-Curricular Supervision* levy each year.

Summer Co-payments

In this very busy and complicated year, we will be switching to a no account, no cheques finance system. The critical stages of this transition begin as from Term 1 Week 10. Eventually, OASIS will cease to exist and all our ledgers will have to be rebuilt and re-entered into the new system. There will be no migration of financial data to SAP. It would be extremely helpful and would save the school considerable time and money, if all outstanding summer sports contributions were paid by the end of this

term. I ask for your cooperation. Ideally, all other invoices should be cleared before the middle of June.

The Governors Centre Joint Entity

On Tuesday a combined SBHS/SGHS meeting was held where Darren Fittler, partner in Gilbert and Tobin, explained the agreed Constitution for the entity. A great deal of drafting effort has been donated by Geoff Andrews, Kate Morgan and Paul Almond. I thank them and Darren for his patience. Minor edits were made to the Constitution. The entity is all but ready for incorporation. The first meeting of Directors will be held next week.

Dr K A Jaggard
Principal

Meet the Prefect Intern

"Sometimes it's the journey that teaches you a lot about your destination"- Drake.

My final goal is to be a doctor, a specialist, a neurologist in particular. I want to save lives; I want to be able to say

that this man or woman can now have a second shot at life because I was apt enough to save theirs. The journey however requires intellect, courage, teamwork, commitment, passion, determination, all of which have been deeply impressed in me during my time at Sydney High. If I had to be completely honest, reflecting on the

past five years and counting, it has gone very quick. I vividly remember my first cricket match in Year 7, a wicket in my 3rd ball from a rank full toss outside off. I remember my class in year 7, a Values Ed lesson with none other than the legendary Ms Berger. I remember my first interview with Dr Jaggard, sitting on the couches outside his room, palms sweaty, waiting to hear him say 'Sadin, take a seat. You ranked 1st in the cohort. Outstanding report. Keep it up.' Although he did never say that, (I did get close several times), the anticipation and sweaty palms are a feature of every end of semester, which have remained the same throughout the last 5 years.

All these memories, they are ingrained in me, and assuredly, I will never forget them. They made me. All the games, the teamwork and the friendships formed on the cricket field and on the football pitch, the changing classes every year until you become good friends with all 200 and more students in your grade and the teachers

who you hate for the first few weeks will eventually become our closest friends. These connections have all been a vessel through which I have been able to grow, to work hard in an academic sense year after year, but also balance my lifestyle by participating in other activities, sport in particular being the most favourite part of my time at Sydney High.

Over the course of my final year, I will seek to promote the values and aura, on which this school is founded, and preserve and promote the culture at High. The school is overflowing with opportunities in every corner, it is up to every individual to realise this and reach out. As Sharukh Khan once said, "The dreams I chased took me on a journey. A journey more rewarding than the goals." I know I have enjoyed my journey thus far, and intend on making sure everyone can enjoy this extremely rewarding experience as a High boy.

CHS Tennis Bathurst Trip

On Monday and Tuesday this week, Stevie, Andre and I travelled to Bathurst to play in the NSW all schools event, where we represented the CHS team. Stevie and Andre both won all three of their pool matches, moving on to the next stage, the Pizzey cup trials. However, I was unfortunate to lose my first match, not playing as well as I would have liked, costing me the chance to move to the next stage. This resulted in the CHS 1 team (which includes all three high players) winning the gold, coming ahead of CIS, CCC and CHS2. Stevie was then in a pool of four in the Pizzey cup trials, so was Andre. Andre and Stevie both lost their first matches in the pool, Stevie losing after an extremely tough match. The boys showed great sportsmanship as they embraced each other after the gruelling battle. Andre lost his next match, finishing third in his pool. Stevie won his next match, finishing second in his pool. Both pools had a withdrawal. Stevie made it into the NSW team and I wish him luck for when he plays in Albury against the best players of the other states. I would also like to thank Mr Putilin for driving us to and back from Bathurst as well as looking after us.

Weights Room

This summer the weights room has seen a big attendance from the boys. This is very pleasing. Now that winter season has begun it is important that during winter the boys continue to train and develop. The annual membership is there to encourage boys to do themselves a favour and train year round. The weights room rewards consist effort; there is no magic formula (sorry to tell you). I look forward to having a very productive year and witnessing the boys develop over the year.

In other weights room news...

Y11 Jack Horton & old boys Rick & Alex competed at a weightlifting comp on Sunday 19th. All competed well, Jack & Alex both got comp PB's, this comp was to help prepare them for the State titles in 3 weeks where Sydney Boys High Weightlifting Club will have 4 competitors.

MUSIC NOTES

HSC Encore Performance @ Sydney Opera House

Congratulations to Andrew Wu (Class of 2016) who performed at the HSC Encore Concert (Sydney Opera House) on Monday 20 March. He performed his HSC Music Extension Piece, *Piano Trio Op. 1 No. 1* by Ludwig Van Beethoven accompanied by Ms Rebecca Irwin (Violin) & Mr Andrew Hines (Cello).

The Annual Encore Concert displays outstanding music performances and compositions by HSC Music students from across NSW with a variety of works from different genres. The concert recognises the exemplary works of students in HSC Music 1, 2 & Extension courses. Twenty students are selected across NSW from over 6000 music candidates to perform at this prestigious event. This was a great evening with outstanding musical performances, giving our boys inspiration to excel in their performances.

SBHS Marching Band

Marching Band have been rehearsing twice a week (Tuesday 3.30pm & Friday 8am). Students in Marching Band will be marching in the Anzac Day March on Tuesday of April. There will be two compulsory holiday rehearsals (Wednesday 12 April & Thursday 20 April). Mandatory attendance for students in Intermediate – Senior Concert Band,

Junior – Senior Stage Band & Percussion Ensemble. Letters regarding Marching Band holiday rehearsal & Anzac Day will be given out this week.

Annual Music Camp @ Collaroy

All students in the Music Ensemble Program will be going on an excursion to Collaroy Centre (Homestead Avenue, Collaroy Beach NSW 2097) on Wednesday 31/05/2017 and returning on Friday 02/06/2017. The excursion is for all students involved in the music ensemble program and has been planned to supplement the work being done in the ensemble program. Letters have been given out at ensemble rehearsals this week. Please detach and return the consent & medical form with payment to the main school office by Thursday 6 April.

Sydney Marimba Weekend (SMW)

Mr Robert Oetomo (Percussion Ensemble Conductor, Drum & Percussion Tutor @ SBHS & Co-Artistic Director of the SMW) will be hosting professional Percussion workshops, presentations and performances. The SMW is an annual event open to all school students of all ages and levels. Mr Daryl Pratt (Chair of Percussion from the Sydney Conservatorium of Music) and Ms Alison Pratt (Ex. Synergy Member) will be featured artists at this incredible event! For more information including registration: www.sydneymarimbaweekend.com

Parent Feedback

Since Dr Jaggar's 2016 HSC Presentation night, we've had some very constructive feedback from parents via email to the P&C and WeChat discussions. It is abundantly clear that parents are hungry for more information about subject selection, a simplified explanation of scaling, school assessment ranking and more dialogue with HSC teachers and former students that can give information and tips on how to help your son approach the HSC. We are currently sorting through all these feedbacks before forwarding it to Dr Jaggar for consideration and see where we can fit it into this year's P&C Meeting Calendar.

Follow us on Facebook ([Facebook.com/sbhspandc](https://www.facebook.com/sbhspandc))

If you are already on Facebook, Follow us to get automatic updates of P&C news and events.

There are about 80 families who are 'following' the SBHS P&C Facebook page. Each post gets seen by around 500 people at the moment - that means that some of our followers share the post with other parents etc, which is good.

WeChat

WeChat for years 10, 11 and 12 were only setup a couple of weeks ago. Yet year 10 now has 76 parents, year 11 - 85 parents and year 12 - 67 parents. The junior years all have 100+ parents. It has been a great sounding board for parental ideas and helpful tips. If you want to join your year's WeChat, email sbhs.pandc@gmail.com

From the Canteen

Did you know that all profits generated through canteen sales are returned to the school community for earmarked projects that directly benefit our boys? In

2016, High Canteen donated \$80,000. This is only possible due to the ongoing support of our extensive volunteer base.

Our canteen managers are constantly working with P&C and the school community to foster healthy eating habits. If your son has allergies or special dietary requirements, please consider calling or visiting the canteen premises to discuss choices. Karen & Tracey are always ready to accommodate special requests and value suggestions/feedback.

We understand that lines are often long during recess and lunch. Please encourage your boys to place an order before 9am so they don't miss out on popular items. We would like to thank staff and students for their sustained support of High Canteen.

Football – 2016 Term 1 Week 7

Football Report

2017 Football Season has officially kicked-off. All the boys are in training mode and putting their best boot forward in an effort to make the A team. Our numbers are very strong again at around 570 students. This means we will have roughly 39 teams with over 40 coaches.

Parents: Please make sure your son follows the instructions below:

Note:

- All boys must turn up at least 60 minutes before the start of their match.
- Boys must arrive in SBHS football uniform and if they wish to wear a track suit then it must be a SBHS track suit.

- All boys must wear boots and shin pads
- Make sure they drink plenty of water and carry a drink bottle with them to training and fixtures.
- If any boy is unavailable to play then they MUST notify their coach, the MIC and also Sports Absences well in advance of the game. Just notifying their absence online is not sufficient.
- No glasses are allowed to be worn on the field. If a boy needs to play with glasses on, he needs to purchase appropriate optical sports goggles.

Keep up the good effort and I am sure SBHS Football will continue to have a successful season.
