

## From the Principal Welcome Back

I trust all staff and students had a restful break. Welcome back to the hardest term of the year. We start the process of preparing assessment tasks, conducting examinations, marking student responses, collating marks, preparing reports, writing comments and discussing the contents with parents and students. Teachers and students are under a deal of stress during these examination and reporting periods but with the high level of collaboration that we enjoy here at High, a myriad of tasks are accomplished with everyone being civil with one another. The only staff change for this term is Mr Beringer (English) who will be teaching Mr Higgins' classes this term.

### Governors Centre Update

A final few details are being worked out with TKD (architects) and GHD (project managers) so that the project can have 100% drawings for the tender process which will commence next month if no further. The *Governors Centre Ltd* was successfully incorporated and an informal initial meeting of Directors was held. Some compliance issues need to be worked out, for example, Directors' liability insurance. A formal first meeting of the eight Directors will be convened shortly. SGHS won the toss and nominated Quinn Sloan as Chairman of the Management Committee. Paul Almond (SHSOBU) was nominated as Company Secretary. The next stage in the process requires the Governors Centre Ltd to negotiate an agreement with DoE to enter into a lease or deed of licence over the land to develop the property, (with the DoE as Principal) and manage the activities occurring in the building over the course of the agreement. The precise terms of the arrangement with DoE are yet to be negotiated.

### Wall of Gratitude - Buy-A-Brick Campaign

The next two months will be critical to the timing of the official start of the actual construction of the Governors Centre. We need to raise cash quickly! The Development Office has launched a campaign to sell 1,000

bricks at \$1,000 each to build a wall within the GC development area. Each brick in the wall will have a name inscribed on it according to the donor's requirements. The standard brick has two lines of text available. The wall of gratitude will be a permanent memento of your son's time at the school or your family's connection with it. I have bought my brick. When are you going to buy yours? Go to <https://shsfoundation.org.au> to help us make an iconic addition to the facilities of this great school!

### Payment of Invoices - Thank You for Your Support

I would like to express my thanks to the hundreds of parents who went out of their way to pay their summer and winter co-payments and other invoices. The office was swamped with transactions to process in the last few days of last term and had 80 more to manage that came in during the holidays. Thanks to you all, we will have far fewer invoices to cancel and then re-enter into our new accounting system. This process commences as early as May. There will be quite a long period near the end of term during which we cannot process transactions at all. I encourage parents to continue to help out by settling their accounts early for summer and winter activities to avoid double handling in our accounts.

### Cars Travelling On School Grounds

Parents and visitors to the school are reminded that they must travel at a safe speed (10KMphr) whilst in the school grounds. When entering from Cleveland Street by Gate 2 they should park rear to the buildings or tennis courts. Parents and visitors should not use the Anzac Parade entrances. Three-point turns in the bus bay area have posed serious risks to students walking beside the Great Hall and the buses or walking along the path next to the tennis courts and coming down the stairs. The bus bay area is not a drop-off point for students. Parents should drive in gate 1, drop off their sons and drive out gate 2, as per school policy. Please be vigilant in the interests of the safety of our boys!

Principal**

### NSW SCHOOL VACCINATION PROGRAM

Each year NSW Health works in partnership with schools to offer the vaccines recommended by the National Health and Medical Research Council (NHMRC) for adolescents as part of the school vaccination program.

In 2017 the following vaccines will be offered:

YEARS	VACCINE	NUMBER OF DOSES
Year 7	Human papillomavirus (HPV) vaccine	2-doses in 2017 at least 6 months apart*
	Diphtheria-Tetanus-Pertussis (whooping cough) vaccine	Single dose
	Varicella vaccine (chickenpox) – catch-up	Single dose
Years 11-12	Meningococcal ACWY vaccine	Single dose

\* The second dose of HPV vaccine is being delayed to later in the year (at least 6 months after the first dose) to allow the recently-announced Meningococcal ACWY Vaccination Program to be offered to students in Years 11 and 12 from Term 2 when the second dose of HPV vaccine is usually given. There is no harm for Year 7 students in delaying the second dose of HPV vaccine and further advice for parents will be provided later in the year regarding HPV course completion.

Parent Information Kits that include an information sheet, consent form and privacy statement will be sent home to parents/guardians. To consent to the vaccination of their child, parents/guardians are advised to:

- [read all the information provided](#)
- complete the consent form, including signing their name next to the vaccine/s they would like their child to receive
- return the completed consent form to their child's school
- ensure that their child eats breakfast on the day of the school vaccination clinic. Please note that students who commence HPV vaccination in school clinics in Year 7 but do not complete the course during the school year may be offered catch-up doses at school in Year 8.

Students who have any HPV doses at their GP will be advised to complete the course with their GP.

Parents/guardians who wish to withdraw their consent for any reason may do so by writing to the school Principal or phoning the school. The Procedure for Withdrawal of Consent is available on the NSW Health website at [www.health.nsw.gov.au/immunisation](http://www.health.nsw.gov.au/immunisation).

---

To improve vaccination completion, students will be opportunistically offered any missed doses throughout the year where possible.

A Record of Vaccination will be provided to each student vaccinated at each clinic either as a physical card or a text message sent to the mobile number recorded on the consent form (within 1 business day). Parents/guardians should ensure that this record is kept for future reference and should not assume that their child has been vaccinated if they do not receive this Record of Vaccination.

For 1<sup>st</sup> and 2<sup>nd</sup> XI GPS points ladder please go to:  
<http://aagps.nsw.edu.au/winter-sports/football/>

Welcome back to Term 2 and I hope everyone had a safe and enjoyable break.

In our final week of Term 1, our 1<sup>st</sup> XI played in their first round of the CHS Knockout Competition. The boys played very well taking full control of an inexperienced opposition winning 7-1. Had the boys converted all their chances the score line could have been much greater.

CHS Round 1: Shokan Johnpillai

During the holidays, SBHS had their football camp. It was great to see over 200 boys attending the camp. This is a great opportunity for the boys to get outside, away from studies and let off some steam and do some exercise, while up-keeping their football skills. Thank you to everyone involved.

Also, in the second week of the holidays is the annual St Andrews Cup our 1<sup>st</sup> XI get to participate in. This has grown substantially over the past few years to the point that FFA have now stepped in to sanction the tournament. The event was held at Valentine Sports Park. We decided to make the event more prestigious by having the boys stay overnight at VSP accommodation.

SBHS going up for a header against St Patricks

The boys had a terrific time providing invaluable experience, exposure, fitness and most importantly, team bonding. The boys did very well making the Plate Cup group and finishing 8<sup>th</sup> overall.

Please ensure the following instructions are adhered to:

**Note:**

- All boys must arrive at least 60 minutes before the start of their match.
- All boys must arrive at their fixtures wearing SBHS football uniform and may wear a SBHS track suit as outerwear.
- All boys must wear football boots and shin pads
- Ensure plenty of water is taken to training and fixtures and be well hydrated before your activity.
- If you are sick and unavailable to play, you MUST notify your coach, MIC and Sports Absences well in advance. Just making notification of your absence online is not sufficient.
- No footballers are allowed to wear glasses on the field. If he needs glasses he needs to purchase approved optical sport goggles.

Keep up the good effort and I am sure SBHS Football will continue to have a successful season.
