

## From the Principal High Talent

Congratulations to Rowan Tan (8M) who competed at the Australian Athletics Championships at SOPAC in early April. He won the U14 triple jump and was 2<sup>nd</sup> in the long jump (5.21m). Later in the month, he represented NSW as U13s team captain at the Australian Little Athletics Association Championships. He won the U14 triple jump (12.11m) and was 4<sup>th</sup> in the high jump (1.55m). Great results, Rowan! Old Boy Ricky Pachon (SHS-2016) won the Jiu-jitsu Sydney Cup last Sunday. He is now being sponsored and competing as a blue belt in preparation for qualifying for competition in the world Jiu-jitsu Championships.

## The Record

Captains of summer sports teams have a responsibility to prepare a short report about the season their team had. A focus on the positives is appreciated as is highlighting any good individual performances. Reports should be submitted electronically to Ms May. One enduring feature about *The Record* is the pleasure gained by Old Boys returning after 30 or 50 years who relive moments of their teenage years through the photographs, names and summaries preserved in *The Record*. Co-curricular activities need to submit reports also. Supporters with good action photographs are asked to email them as attachments to Ms May who might be able to use any interesting ones in *The Record*. You can leave a personal legacy of your time at High by writing up and submitting your season report for your sport or activity.

## Student Awards Scheme - Naplan Results Bonus Points

Boys in Years 7 and 9 sit the NAPLAN tests next week. The idea behind NAPLAN is for all boys to try their best in each test to prove to themselves that they are progressing well at school, from Year 5 to Year 7 or from Year 7 to Year 9. They can demonstrate growth. Regrettably, often boys do not treat the tests as seriously as they might – rushing through just to finish early or working carelessly

because the results do not count on their reports. We need to convert more Year 7 Band 9 results into Year 9 Band 10 results. Our policy is that we do not teach to the test. Skill development is supposed to be included in our subject programming. However, some boys need help refining their skills. There are many suggested activities and resources available on the NAPLAN website to help boys to help themselves to improve their basic skills. Go to [www.nap.edu.au/naplan/the-tests](http://www.nap.edu.au/naplan/the-tests) if you would like to do some preparation or to hone your skills.

We want to incentivise student performances in NAPLAN. We offer up to a maximum of 20 **Student Award Scheme** points for the four tests – 5 points each. Boys maintaining their expected growth trajectory will receive three points and those exceeding it, five. We want to give boys an extra reason to try hard, to use all the available time and to check their answers for careless errors or mistakes of logic or judgement. In short, we want to nurture the process of performing to their best ability under pressure. We want to make their growth as learners **visible** to them.

## Full Uniform Policy

High is proud of the fact that its boys wear their school uniform. We expect boys to be in their appropriate uniforms at all times. In winter, there can be extreme weather events but where adjustments need to be made in clothing, the High Store has responded to the requests from the SRC to supply approved supplementary items. Uniform items are approved by the school community through the P & C. The **school beanie** and **school scarf** can be worn at all times as part of the official school uniform. Students feeling the cold **should not** improvise with random items of

clothing of various colours and designs. It is permissible to wear white skivvies underneath school shirts when it is really cold. Students in Years 7-9 are

allowed to wear sports clothing on Thursdays and can add the school tracksuit for warmth. When it is raining, umbrellas, disposable ponchos or the new wet weather jacket are

authorised. Non-uniform anoraks, jackets, caps, beanies, scarfs and wet weather gear are **not permitted** under any circumstances. Teachers are reminded to warn and then report them to the relevant DP, recidivist students, not wearing approved attire.

### MEET THE PREFECT-INTERM

"Books are the carriers of civilisation. Without books, history is silent, literature dumb, science crippled, thought and speculation at a standstill" – Barbara Tuchman

Before coming to High, I was a small kid who hated the mere thought of looking at words on a page. I remember having a friend who loved reading and would recount the tales which gripped him personally. Now, that sounded all fine and dandy, but when I picked up a book, my mind went to sleep as fast as a flick of a switch. After entering high school, the quote from Barbara Tuchman became very relevant to me. Literature opened up a broader perspective on the world, and it is with great regret that I've only come to fully appreciate this in my final year of high school.

My fellow prefects have already outlined the wide experiences available at High. Indeed, I myself was fortunate enough to have a memorable experience while participating in sport. But sometimes, people forget to take full advantage of all the resources available to us. Reading doesn't have to be something which we only do when we're given a text to study in English. In fact, books are an excellent way to relax along with our other activities in our free time. Especially with the increasing popularity and accessibility of eBooks, reading is as convenient as ever.

So hopefully you'll consider reading an extra book here and there. And try out different genres too. Who knows, maybe you'll find something unexpectedly interesting.

### Debating Prefect Report

A warm welcome to all debaters for another term of Debating. We are getting down to business in both FED and Eastside competitions and it would be great if we could come away with some trophies at the end of it.

It's great to see enthusiastic and keen juniors participating and engaging in coaching and many of the junior teams managed to win many debates last term which means the future of debating at High is bright.

### Debating Tip of the Week: Improvisation

As a debater you would be required to improvise often, whether as part of your speech or as rebuttal. The prospect of improvisation can often be daunting to those who've never attempted it before. The key to improvisation is confidence. If you appear confident, seem like you know what you are talking about, it is much easier to convince the audience and adjudicator. Understanding what you are talking about also helps, so taking time out of prep to understand your team's points in your head so you could explain them to someone without having to look at anything is a good way to prepare.

**P&C  
General Meeting Monday 8 May. 6:30-8pm**

We have a P&C Meeting next Monday May 8th 2017 6:30-8pm in the Staff Common Room of Sydney Boys High.

Usha Arvind, our Canteen President will be presenting the Canteen Annual Report.

We will have updates to the Governors Centre Building and Fundraising.

Plus we will brainstorm together on

"How P&C and school can help parents and students re: HSC subject selection, scaling, assessment and study routines to maximise outcome for all students?".

All parents are welcome to attend. Hope to see many of you there and have your views heard.

There's still time to sponsor a brick for the Governors Centre Wall of Gratitude.

So far, we have raised \$70,000. It's a good start, but that's only 70 bricks out of 1000.

We can do much better than this. Remember, you can pay in 10 monthly instalments.

**HIGH CLASS 2020 Brick Appeal**

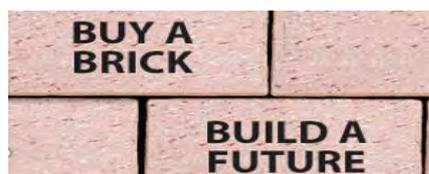

Dear Fellow Year 9 Parents

Thanks for those who have donated to the HIGH CLASS 2020 brick appeal.

We have received \$770 as of 2 May 17 and are only \$230 short of achieving our goal for our year 9 students to collectively purchase their own "High Class 2020" brick at The Governors Centre.

We are so close money-wise, but we are still 30 students short of a majority of year 9s. If 30 more can come on-board, at \$10 apiece, we will have a brick and can truly say it's a "High Class 2020" brick.

We will continue to do the collections until our target of \$1000 is reached. If your son does not have the specially marked envelope, please put \$10 or more in any envelope but write your son's name, class and email address on the envelope. Then, put the donation envelope into the box in the office.

For 1<sup>st</sup> and 2<sup>nd</sup> XI GPS points ladder please go to:

We hosted our first trial game for Term 2 against The King's School. Kings have built up a strong culture of football at their school and are fast becoming one of the top schools to beat.

Aidan Chow playing for the 4<sup>th</sup> XI against King's

With many players injured and unavailable for the top teams, the boys fought well. With a few more games under their belt providing more experience and fitness, the boys may just surprise a few teams.

Shipon Nat for the 13As

The lower age groups were in a similar boat. They all started the match well, but fatigue gets the better of us in the final minutes of the first half and second half. This is the time when we concede most of our goals. The encouraging sign is that pound for pound we are competitive with the other schools. Fitness is an easy thing to work on and improve. Then before we know it we are competing for the duration of the match and putting ourselves into a winning position.

Next Saturday is the first round of the Plate Cup for the 1<sup>st</sup> and 2<sup>nd</sup> XI teams against Shore.

Good luck and keep working hard and the results will come.
