

From the Principal High Talent

Stephen Young (12R) was a member of the victorious NSW Schools Tennis Team who

won the National Secondary School Teams event – the Pizzey Cup. The Pizzey Cup is a prestigious national

schools tennis championships open to students from Year seven through to Year 12 inclusive. Great job Stevie!

Role changes

Thank you to Hazel Stephens (Social Science) who has taken on the role of Coordinator of Legal Debating and United Nations debating. Cassandra Pride (English) is the new Coordinator of Public Speaking. Thank you to these teachers for taking up these positions, which provide great opportunities for our boys.

Armidale Visit

Another successful trip to Armidale was completed last weekend. Thank you to all the boys, parents and staff who attended. The TAS hospitality was up to its usual high standard. The behaviour of the boys was good and the weather unseasonably balmy. TAS were too strong for us everywhere except in basketball. The 16As had a good win in rugby. It is a pity that our third grade soccer didn't come up to play their usual fixture. My special thanks go to Mick Aldous, Julie Eggleton and the 22 boys who had to fill in hours waiting for a replacement bus for the one that broke down in the main street of Scone. They were very cheerful, even though they didn't get to TAS until after 8pm! It was a fine demonstration of school spirit and stoicism. Thank you to everyone involved.

Year 7 Progress Reports

Year 7 parents should have seen the Interim Report for their sons for each subject. The reports were distributed by each Faculty towards the end of term one. The idea of the report is to let parents know how well their boys are adjusting to school life and the workload involved for each subject. Also, having so many teachers is a fundamental change for students used to having one only for most of every day. Talk to your son about how he is

going in each of his subjects and about how he is responding to high school life.

Thinking Routines

Developing thinking dispositions—whether it is a disposition to strive for understanding, to figure out the complexities of fairness, to seek truth, or hunt for creative solutions—occurs within a cultural context. It is within cultural contexts, that we develop our patterns of behaviour and thinking that become our habits. Therefore, *Visible Thinking* uses an enculturative approach to develop students' thinking, immersing students in a rich culture of thinking in classrooms. In order to engage more of our boys more often in more lessons, teachers in the Junior School are employing 'thinking routines'. These are structural frameworks for investigating concepts, skills or content. Because thinking routines are aimed at an individual's thoughts, feelings or imaginings, there are no right and wrong reactions. This learning scenario allows everyone to be confident enough to be involved in the activities of the lessons. In term one there were at least 75 lessons where thinking routines were employed by teachers across various faculties. My aim was to have 100 lessons use these techniques in semester one and 250 by the end of the year. The purpose of recording the frequency of the lessons is to enable us to make a judgement about whether we have evidence that it is a school wide technique, likely to be making an impact on students' approaches to learning

Walk To School Day

National Walk Safely To School Day is in its 18th year and will be celebrated next Friday, May 19. It is targeted at primary schools but would be a healthy alternative for any of our boys who live within reasonable walking distance.

Year 12 Reports

If you have a son in Year 12, ask to see your son's report. Only boys requiring Clearance Forms may not have them by this Friday. I encourage boys and parents to meet the requirements noted on the Form and for boys to then book a time for their report interview

with me. I really need to speak to all Year 12 boys about their progress in this really important last year at school.

Winter Sport Co-payments

All winter sports depend on prompt payment of invoiced co-payments to pay coaches. Parents are reminded that all programs have to meet their budgetary obligations and cannot do so without maximum support from everyone. Our sports are delivered at a fraction of their actual cost, being subsidised by parking revenues and ASF donations. Also, structural support and supervision are provided by the school with assistance from the co-curricular supervision levy. Even with these resources and parent co-payments, the school has to use its budget to contribute funds to each sport. We are going to have to close the register for transactions very soon as a prelude to migrating to the LMBR suite of programs, so there is more urgency in our request for your compliance this year. Please settle up your son's winter sports co-payment now.

Principal

Meet the Prefect-Intern

"From little things, big things grow"- Industry Superfund

The Industry Superfund ad is a very relatable analogy to my experiences at High. The ad progresses to compare two women who earn the same income, but one woman makes the change to an industry superfund instead of staying in an ordinary retail one, reaping greater superannuation funds for the future. High has been like my industry superfund. Entering high school as an unsure, timid person, High has paved the way for me to implement change through a wide range of opportunities; playing two GPS sports, participating

in extra co-curricular activities and having the privilege to attend such a prestigious school has allowed me to give back to those most in need by becoming heavily involved in charity events. Yet, the smaller experiences have also contributed greatly to this memorable journey. Whether it was being told by the science teacher not to drink water in the lab because "it wasn't a cafeteria" or accidentally falling asleep the night before the geography research project was due and leaving the rest of the group members to do it, the embarrassment and guilt I felt during these moments made me realise that a journey cannot exist if you don't feel uncomfortable or experience negative emotions have given me the resilience to bounce back and have prepared me well for the future.

Being the year 7/8 Student Relations Prefect, I want the juniors to not feel daunted by high school but guide them so they feel like they can make changes not only in the school but outside of school as well. I want to get to know as many students as possible and want to see that in a few years, their journey at High will allow them to accomplish big things from their now small involvement.

Ellison Zhou
Year 7/8 Student Relations Prefect Intern

Debating Report

We had a successful Friday night of debating against Reddam with everyone winning their debates except for one year group. It's pleasing to see the enthusiasm and hard work of debaters and coaches paying off.

Debating Tip of the Week – Humour

Humour in speeches is great, it lightens the mood and makes the speech enjoyable for both the audience, the adjudicator and yourself. Often a lot of debaters try extremely hard to have a bit of humour in their speech to the detriment of their matter. While humour can be great, the focus of debating is more on the matter you present, rather than how funny you are. Ensure you are not forcing that humour into your speech or being rude to your opposition. Having said that, a little light-hearted jest can make the debate enjoyable for all.

Akeedh Razmi

SBHS Debating Prefect

P&C News

Governors Centre Brick Appeal

A bit of homework for the Parents. This Saturday and on every other sports Saturday, can you talk to one other parent you know about donating to the Brick Appeal.

The P&C Parents are sponsoring a brick. Our Canteen parents are sponsoring a brick. But our personal influence can only reach so far. We need you to reach out to your circle of friends in your own language background to get the message across to them that we need everyone to

chip in. I know most of us can afford this. We just need to be reminded by other parents who are in the same boat. Treat it like a necessary school fee for your child. Get it over and done with and donate via <https://shsfoundation.org.au>

Security Camera Upgrade

The school is currently refurbishing our Video Surveillance System. Additional security cameras will be installed outside high use areas (e.g. outside of Great Hall and sports change room). It is expected to be all completed by the end of this term at a cost of \$65,000.

P&C Meeting Last Tuesday

We had a very good P&C Meeting last Tuesday. I learnt our Canteen and School Sports Council put a lot of thought into the food we offer for sale to our kids. Making sure they have only healthy non-sugary drinks for sale. The canteen made \$0.5 Million in sales and a profit of \$80,000 last year that went straight back to school.

They have a dedicated cohort of canteen staff, volunteers and committee members, and have even chipped in to sponsor a brick for the Governors Centre Wall of Gratitude.

We also followed up on the parent feedback from the HSC Results Presentation in March.

Dr Jaggar gave an anecdote of a boy that didn't enjoy maths but chose it anyway thinking it would scale well. He worked hard at it and got good grades for it. But then reflected that if he didn't need it for a course at University, what's the point of suffering with it all those years at high school. Wish I had a video of it to share with everyone as Dr Jaggar shared snippets of knowledge and anecdotes from decades of educational experience.

As a final note, Dr Jaggar ask parents to provide more specific HSC questions that he could answer rather than of a general nature (eMail your feedback to sbhs.pandc@gmail.com).

He also believes the school throughout the year provides opportunities to discuss subject selection for each year that are hosted by our teaching staff. Subject choice reference materials are also available on the school website (look under Curriculum menu).

There's also an annual Careers Market/Expo event and a number of OBU hosted mentorship events hosted throughout the year. Our detailed HSC results over many years are also provided on the school website (look under Publications menu) that you can read up to understand and make an informed choice on your child's schooling, his subject selection and career choices post-school, there's no other way than for parents to put the effort into reading up on it from the many publications

available on our school website, google on How HSC Scaling Work, and also to make sure your child lets you know and you attend these school hosted subject selection and career expo events when it is communicated to them from school.

THE ARMIDALE SCHOOL (TAS) SPORTING EXCHANGE 2017

May 5-7 saw 163 students and 8 staff members travel to Armidale for our annual sporting exchange. Whilst TAS retained the Hannon/Harris Trophy for the fourth straight occasion, the SBHS boys played with spirit and passion. Junior and Senior Basketball had comprehensive victories and our 16 Rugby boys dominated their rivals in a mature display. Both rifle shooting and 13's rugby went down by narrow margins. It was fantastic to see so many parents make the trip. Special mention goes to the Posumah family (Theo, Lucas and Lydia who departed at 1.30am on Saturday morning so that Lucas could play Football at 9.00am) and to the parents of Adam Gordon and Julian Markworth-Scott who transported many of our basketballers back home on completion of their matches. These acts exemplify true HIGH SPIRIT.

Boggabilla Cultural Exchange 2017

Dear Parents,

The Boggabilla Cultural program is one of the most special opportunities in which our boys are able to participate.

In Week 9 Term 2 the students from Boggabilla Central School will be coming to Sydney for their annual exchange and we need a

number of billets for these students. If you are able to host students for the two nights (Tuesday 20 and Wednesday 21 June) could you please let Mr Cotton

know as soon as you can. We try to billet in twos where possible to alleviate any anxiety for the visiting students.

Boys who are billeting these students will also be involved in some of the activities held with them over the course of their exchange and will be guaranteed a spot when we visit them.

If you are able to billet students and are interested in your son participating in this exchange please email me on cottonm@sbhs.nsw.edu.au or alternatively get your son to speak to me ASAP.

I would like to lock down the spots quickly.

Many thanks
Mr Matt Cotton

Love Your Junior Library

Years 7, 8 and 9 Library Surveys

All library surveys need to be completed by next Friday so that you qualify for an Award Scheme Point. Thank you for completing these and we will purchase the books you recommended. These points will not go on this

Semester One School Report but will be included on your Yearly Report.

Library Monitors

As always our library monitors have been involved in complex and vital jobs for our library over the past term.

- We arrived back at school to discover our just cleaned shelves covered in dust as our window ledges had been ground back and plastic inserted to prevent the wood from rotting. So our boys cleaned every book and every shelf for us. What a huge job!
- Our senior monitors also undertook the huge task of looking for books missing from our most popular series so that we could order them. Our library used these lists to order directly from online suppliers to maximize savings on purchases. Thank you to Mrs Rigby for assisting us with our first credit card mass purchase of paper based books. All E books of course are online purchases now. And thank you boys.
- Our long standing teams are continuing now with putting all non fiction book covers into our Library Catalogue. We have about half of the non fiction books still to do.
- At present, teams of monitors are engaged in the annual task of removing books which were printed over 15 years ago, from the Fiction shelves. **All books removed will be available for students or teachers to take home.** SEE DISPOSED TROLLEY OUTSIDE THE JUNIOR LIBRARY.

Big Thank You to Monty Chan – 1980's Old Boy

Thank you Monte for thinking of us by donating lovely IT magazines and IT books to our libraries.

New Books – You Can Borrow From The Display Shelves

The librarians spent a very productive day at Kinokuniya personally choosing books for each library. Orders are now being done for these books. The online ordered

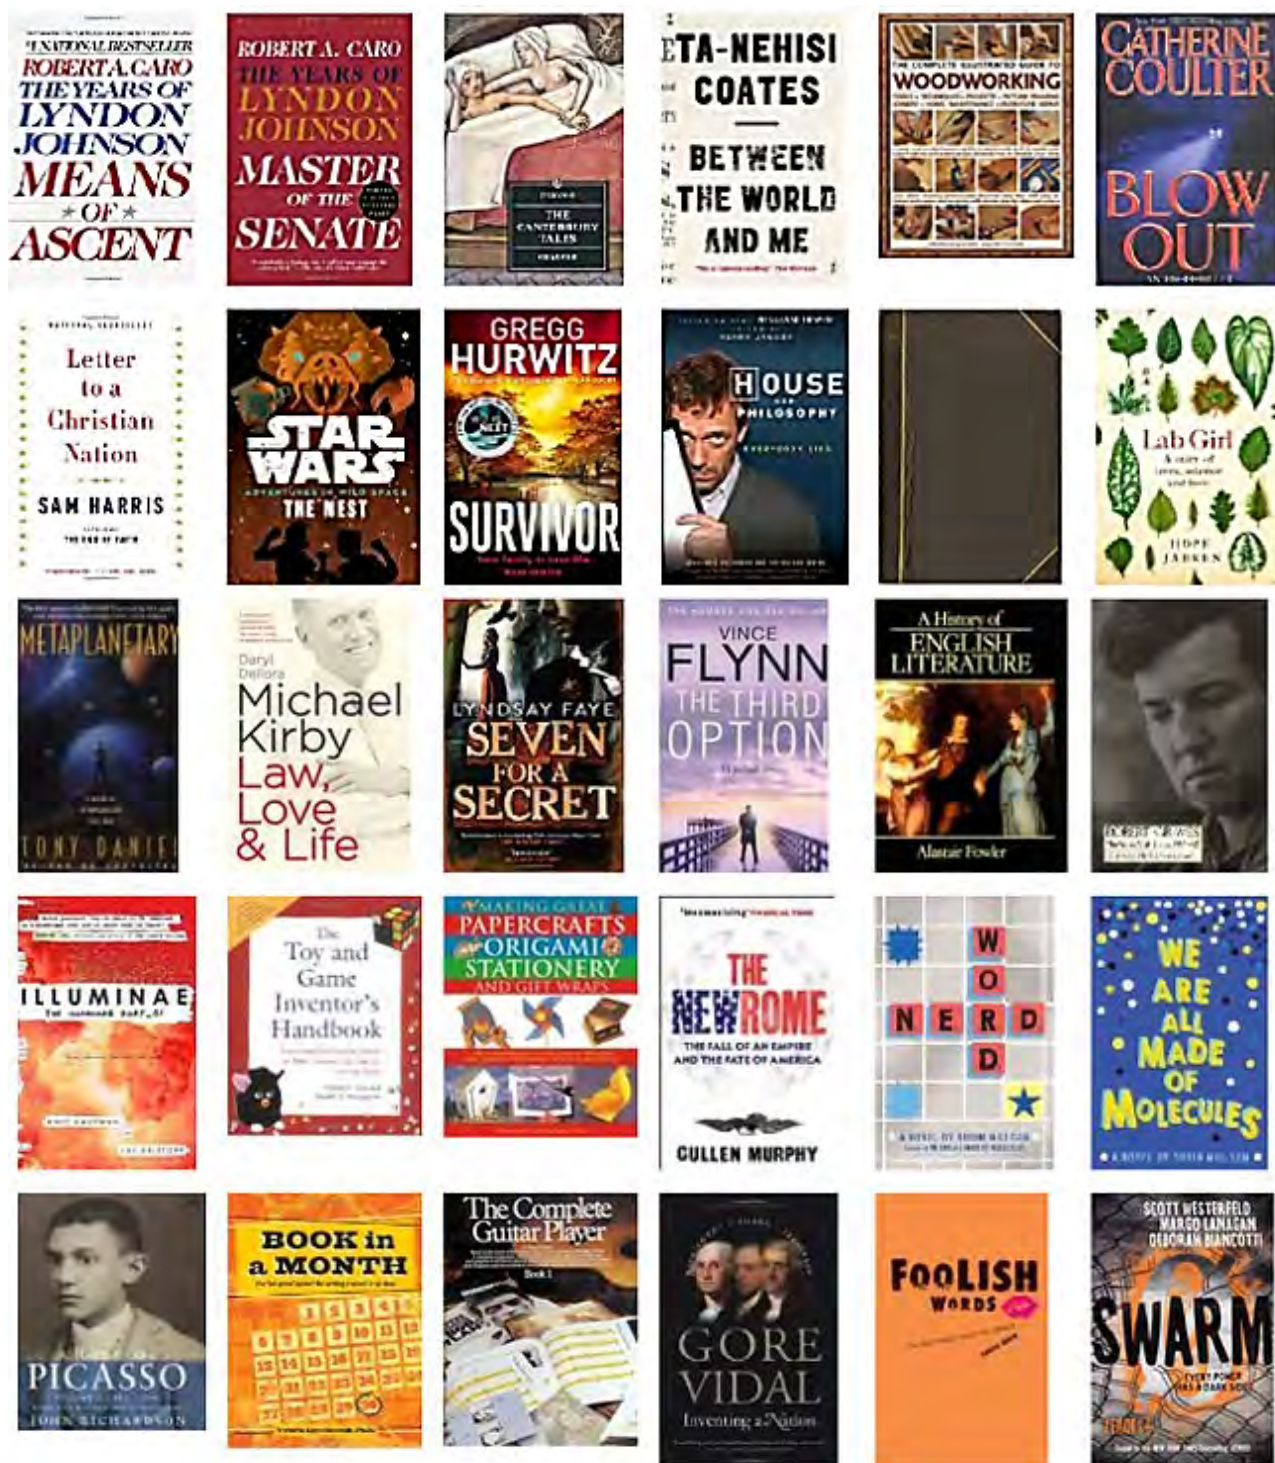

books to replace series have now arrived and are being processed. Very new books will begin to go out on the new book display shelves by next week. Please have a look at these and borrow anything you fancy.

Coming Up:

Years 7, 8 and 9 - Lessons on *How to Find Books in our Genre Based Library* will commence in June. Hopefully these will occur during *Wide Reading Lessons*. Thank you in advance to our English department for

allowing the library time to teach all of our students how to find books - this is a computer skill now and cannot be done without looking up the library catalogue. The Librarian will also be discussing popular series in each of the fourteen Genre so that boys are familiar with the theory behind the terminology. Every student will need at least one lesson from the librarian and probably several from the English staff to teach these concepts.

New Books On Display In Our Library

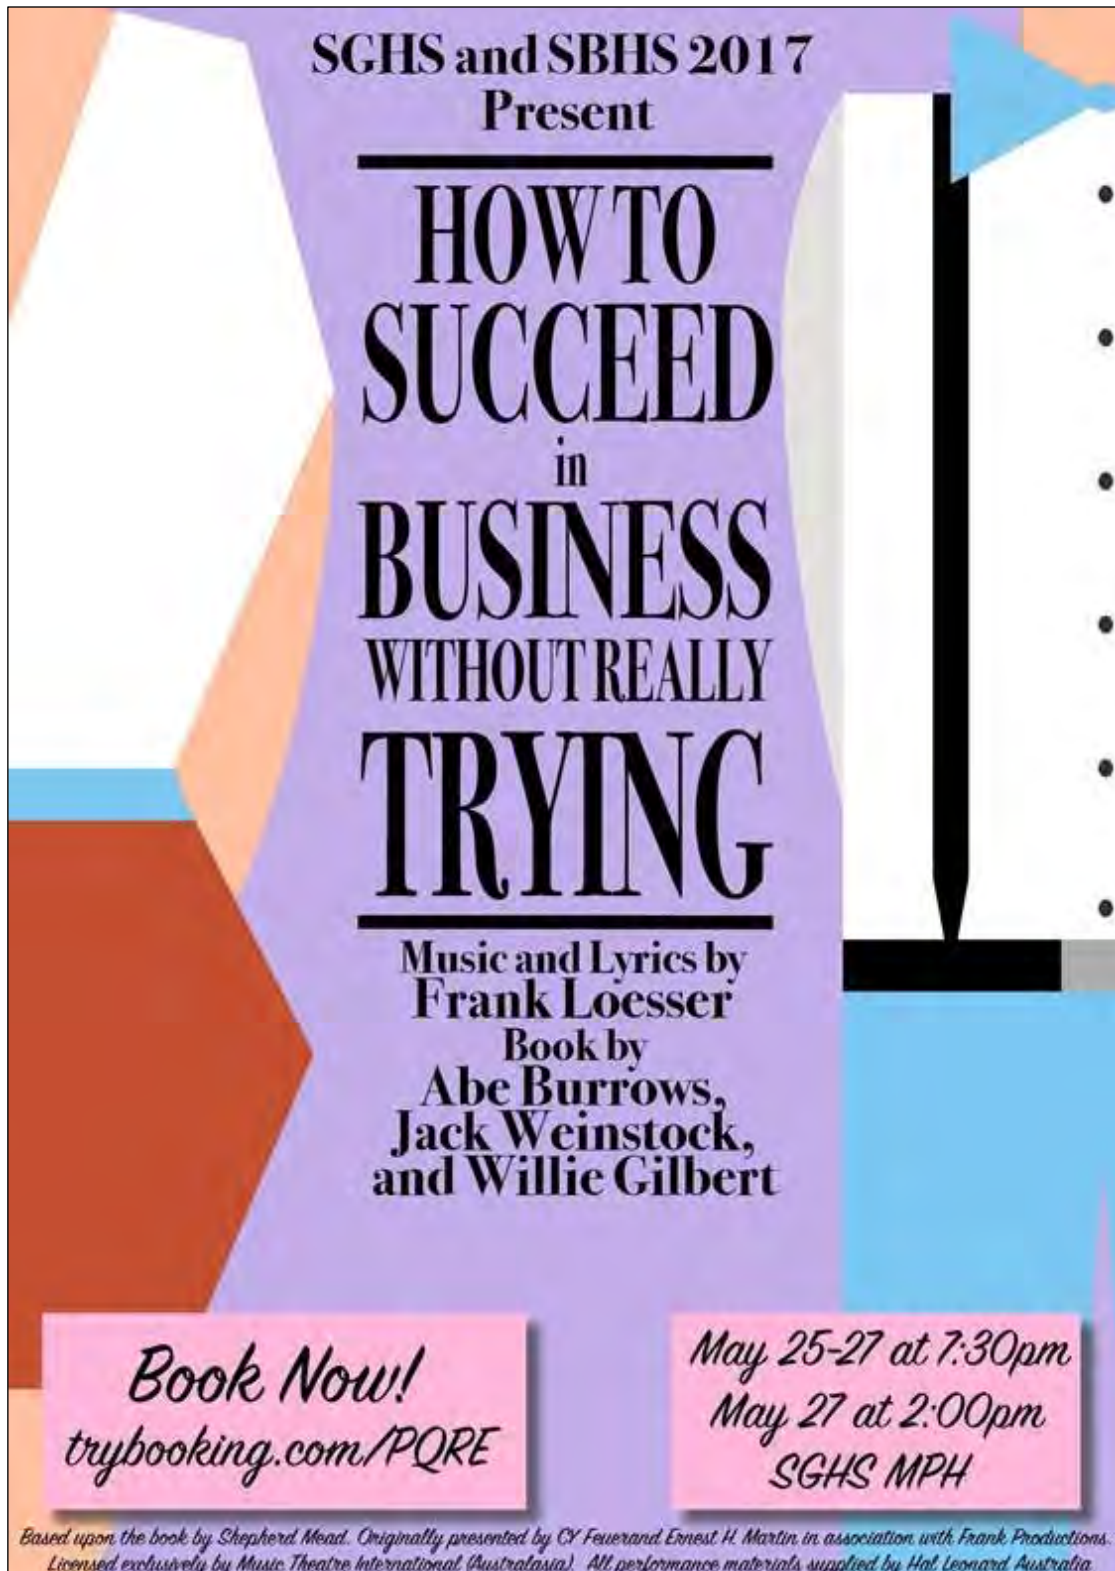

SBHS & SGHS MUSICAL: *How To Succeed In Business Without Really Trying*

The SBHS/SGHS Co-Production only happens every two years, and our production of *How To Succeed In Business Without Really Trying* is two short weeks away! The students and the team have been working incredibly hard, and are so excited for you to come see the show! The show dates are May 25-27 at 7:30pm, and May 27 at 2pm, and the Sydney Girls MPW Hall. Follow the TryBooking.com link (trybooking.com/PQRE) to secure your ticket. Don't miss out on one of the most exciting performance events in the SBHS calendar! Looking forward to see you all at the show!

IMPORTANT

PAYING STUDENT ACCOUNTS

The Department of Education is introducing a new system (LMBR) to Sydney Boys High during the coming months

Please pay all outstanding amounts to the school

before 15 May 2017

Dr KA Jaggar
Principal

PREPARING FOR LMBR PAYING YOUR ACCOUNT

The Department of Education is introducing a new system (LMBR) to Sydney Boys High during the coming months.

In preparation, please pay all outstanding amounts to the school before 15 May 2017.

Invoicing for co-payments, excursions and other extracurricular activities will continue during the transition. Please pay these invoices promptly upon receipt.

You may receive extra statements in the mail during the next few months as a reminder that amounts are due. If you require an account balance at any time, please contact the office on 9662 9300, Option 2 (Student Account Payments).

Office Hours are 8.30am - 3.15pm during school terms

Please Note: Due to the transition, the cash register will be closed during certain periods. These times will be advertised in High Notes and the Daily School Notices.

Payment options are as follows:

OPTION 1

CASH REGISTER - Paying in person

Current opening times as follows:

Monday & Tuesday	Before School	8.30am – 9.00am
	Lunch	11.10am – 11.50am
Wednesday & Thursday	Before School	8.30am – 9.00am
	Recess	11.10am – 11.30am
	Lunch	12.30pm – 1.10pm
Friday	Before School	8.30am – 9.30am
	Recess	11.25am – 11.45am
	Lunch	12.40pm – 1.20pm

OPTION 2

PHONE: 9662 9300 Option 2 Student Account Payments

Please Note: Where possible, please make phone payments outside the cash register opening times shown above. Staff are processing direct payments from students and parents during these times. If staff are unavailable to assist, please leave your name and contact number on the voicemail and your call will be returned as soon as possible.

OPTION 3

ONLINE: <http://www.sydneyboyshigh.com>

Online Payments - click on \$ sign located at the top right of the screen above the school crest

Paying your account before the transition period will greatly assist us both during, and after, this process. Thanking you in anticipation of your cooperation.

Principal

MUSIC NOTES

Annual Music Camp at Collaroy

The Annual Music Camp is coming around very soon! Wednesday 31 May – Friday 2 June at the Collaroy Centre. There will be a Camp Concert on Friday 2 June in the Great Hall (6.30pm start). A reminder for ALL students attending the camp to bring a PORTABLE MUSIC STAND (School music stands will NOT be taken). There will be a brief meeting for all students attending (TBC).

Term 2 Music Performance Program

All private lessons and ensemble rehearsals have commenced. Please ensure that students arrive early to help set up and tune.

Sydney Girls + Sydney Boys High School Combined Concert

The Combined Concert will be held at the Multi- Purpose Hall (Sydney Girls High School). Students in Senior Strings, Senior Concert Band, Junior Stage Band and the Jazz Ensemble will be performing at the concert. Letters have been distributed in ensemble rehearsal(s).

There will be a workshop for students in the SENIOR STRINGS & SENIOR CONCERT BAND. The cost of the workshop is \$35 per student to cover visiting clinicians.

-Combined Concert Band Workshop 3.20pm-5.20pm in the SGHS MPH

-Combined Strings Workshop 3.35pm – 5.35pm in the SGHS C Hall

The evening concert commences at 6.00pm and will conclude around 8.00pm. Student performers are to arrive at 5.45pm and leave cases in the "C Hall" (this is NOT a green room). Students are expected to be part of the audience for the concert (your conductor will call you out in time to tune).

Entry to the concert is FREE. Tea, coffee and light refreshments will be available from 5.50pm for parents/guardians. Last date for payment is Tuesday 16 May. Please make sure to hand in the CONSENT FORM on the 16th as well.

Music Events Calendar

Date	Event	Students Involved
Thursday 18 May	SGHS & SBHS Combined Concert at the Multi Purpose Hall (SGHS) 6pm-8pm	SBHS Senior Concert Band SBHS Senior Strings
Wednesday 31 May – Friday 2 June	Annual Music Camp at Collaroy Centre	All Music Ensembles
Friday 2 June	Annual Music Camp Concert at SBHS, 6.30pm	All Music Ensembles
Saturday 3 June	Sydney Eisteddfod: Percussion Ensemble at Chatswood Concourse (The Concert Hall)	Percussion Ensemble
Thursday 8 June	Meet the Music 1 Concert #2 at the Sydney Opera House 6.30pm	Elective Music Students (Years 9-10)
Monday 20 July	Australian Chinese Community Association (ACCA) 43 rd Anniversary Banquet Charity Dinner	Senior Strings (selected students)
Monday 24 July	Australian Composition Seminar @ Santa Sabina (9.00am – 2.30pm)	11MS (KimS class only)

"This collection of Australian Indigenous art is entitled Na Ngara, which means "listen, think and learn" in the Darug language. As a way of learning and teaching about Indigenous life -- that which is truly unique about Australia -- the art displayed here offers a remarkable opportunity. For each work is a door to an epic struggle of people and culture in our midst. Congratulations to my old school for this enlightened initiative. It is, of course, just the beginning of listening, thinking and learning." **John Pilger**

CITY OF SYDNEY

SBHS Armidale Tennis Tour

On Friday 5 May seven of our tennis boys travelled to Armidale with Highs Rugby, Basketball, Rifle Shooters and Football players. The Tennis matches were played under lights on Friday night. Unfortunately, the squad lost in a close fixture. Each school won 5 sets (7 singles and 3 doubles were played) on a count back we lost in games 44-45.

1. Khobi Deep lost 1-6
2. Adrian Panas won 6-2
3. Patrick Huang lost 2-6
4. Daniel Zilberman won 6-2
5. James Macai lost 2-6
6. Vikas Bolisetty won 6-4
7. Jiawei Luo won 6-0

1 & 2 lost 3-6

3 & 4 won 7-6

5 & 6 lost 5-7

This was a fantastic experience for all involved; I would encourage all tennis boys to try to attend this trip in the years to come.

RIFLE SHOOTING

On 5 May 2017, Twelve shooters consisting of Jason Feng (12S), James Jiang (12F), Wentao Ruan (12F), Nathan Wong (12F), Dallas Yan (12E), Jason Hidajat (11S), Ricky Li (11F), Kai Mai (11R), Royce Xiao (11F), Hugh Zhou (11T), Andrew Liu (10R) and Tom Liu (9R) journeyed to The Armidale School for the annual sporting exchange. We arrived before sunset, giving us much time to unwind after the eight hour bus ride.

Feeling rested the next morning, we woke promptly for the 7am breakfast despite the morning chill. Filled up with sausages and baked beans we were ready for the competition. We headed towards the armoury to pack our gear and swiftly made our way to their smallbore range for our annual smallbore match against TAS and NEGS (New England Girls School).

The shoot started off optimistically with all our shooters confident in a victory against TAS and NEGS. The shoot was a 20-shot application match, with 5 sighters, followed by a "rapid fire" match, which consisted of 8 shots within 80 seconds. Over the course of a few hours, all our

shooters completed their shoots. Congratulations to Wentao Ruan, who top scored in our school with a score of 258-0/280, and to Kai Mai, James Jiang and Nathan Wong with a three-way tie scoring 256-3. In spite of our efforts, TAS still won by a narrow 4 points, (keeping in mind each shot is worth 10 points), with a score of 2001 out of 2240, with SHS behind at 1997 and NEGS scoring 1371.

Following the shoot, the SHS rifle team congratulated TAS on their victory and enjoyed a lunch of pies and chips. We had the rest of the day as down time in which we enjoyed watching other sporting matches and relaxing in our room, cracking jokes and bonding over card games. An early night allowed for the quick pack-up the following morning before we departed Armidale at 7am.

James Jiang & Nathan Wong

NEGS, TAS & SHS Captains of Rifles with The Tankshell Trophy

SBHS Weightlifting Club State Championship Success

On Saturday 8 April (1st Saturday of the past school holidays) 4 lifters from SBHS weightlifting club competed at the NSW State Weightlifting Championship. The four lifters included Jack Horton Year 11, Nigel Zhang Year 12, Alex Liang Old boy 2016 and Rick Saha (Old boy 2015). I am proud to say that all boys competed and won their division. A great performance by all the boys and giving something for all weights room attendees to aspire to.

MIC of Football Report

For 1st and 2nd XI GPS points ladder please go to:
<http://aagps.nsw.edu.au/winter-sports/football/>

After 2.5 years, over 25 matches, the mighty 15As have finally notched up their first win ever for the school. The boys were dominating the whole match, but conceded a goal just before half time to be down 1-0. They believed in themselves and fought hard to take the win 2-1. This comes off the back from a draw from the previous week. The team trains hard and are determined to perform well. We believe they may surprise a few teams this season.

15As celebrating their first win

The 1st and 2nd XI kicked off the first of three rounds of the plate cup (a pre-season tournament) against Shore. The

2nd XI played very well and went up 1-0 thanks to Jaspas extending his long legs to get a toe on the ball. Some questionable referee calls allowed Shore a penalty shot to turn the momentum of the match.

The 1st XI played their best match of the season so far displaying high levels of skill, sticking to the game plan and converting their chances. A switch up the front with Roni Uchitel playing striker gave the team speed and grunt to get the boys going forward.

2nd XI celebrating Jaspas's goal

Next Saturday is the second round of the Plate Cup for the 1st and 2nd XI teams against Grammar. Good luck and keep working hard and the results will come.

High Spirit
SBHS v's Hale
Results Week 1

1sts XV 0-32L

Team of the Week 1st XV

During the holidays, first grade had the lucky opportunity to play the Hale School from Perth who flew down for a week-long tour in Sydney. One of the many advantages of this game was the opportunity to play another quality 1st XV side that provided both insight of where we were as a team, and what we could improve on as players. Yet again, without a full-strength team boys from second grade stepped up and were given the opportunity to show their skills and abilities in a higher level of rugby that will provide experience and game knowledge for when the season starts

From kick-off, it was clear that Sydney High is no longer a 5-minute blow out team anymore. With increased physicality, compared to past years. Our aggression and intensity clearly showing against the opposition. With a tight defence around the ruck, it took a while before Hale were able to put points on the board. Unfortunately, we were unable to execute the final scoring moves to put points up ourselves before half-time.

It can be seen from the game, that it was more of a learning curve than anything else. Hale had previously played Cranbrook's 1st XV and lost by a try and at times during our game we realised we could match a side who have contested a quality CAS 1st XV side. At our peak, we can match a team like this and in the coming weeks, we look to regather some peak performances and maintain it throughout the remainder of our games this season

1st XV Report

Returning back to the school after the holidays, our first game of week 1 led up to the confrontation of Shore at Northbridge. It was a rare opportunity to play on the main field of GPS schools and for many of the boys, a while since they had last returned to Shore to play rugby. This week was an exciting week after two weeks of hard preparation during the holidays mainly from rugby camp, in which the opens boys had participated over at the Abbotsford rowing sheds during the first week of holidays

Before kick-off, a standard was set for us with the expectance to win. The 15As and 16As all securing wins over their respective opposition, so it had come down to 1st XV to make their own respective mark on the Saturday line up. Entering this season, it is safe to say there is a whole lot more talent and more depth to offer this year. With wider structure and more athletic and skilled boys, there was expectance to win games and really a standard to win games instilled throughout the opens side, much different to past years of hoping to look competitive while we lost games

Kicking off in front of the Shore grandstand we were slow to start off. It was not often we played in front of a grandstand and it was clear, it was taking us a while to step up before really being able to show our full potential. Shore was first to put points on the board with an early try on the left wing. Entering the half down 2 tries with a player in the bin for a try-saving high tackle, we knew we were on the back foot and our game quickly relied on the dominance of the forward pack in set piece and lineouts. Shore unable to contest with a well-drilled scrum and slick lineout, we were able to gain quick metres up the field as our hard carries from the forwards gained penalties from a frustrated Shore side. With a deep kick from High, a nice turnover from the Shore line out within their 22 saw an instantaneous counterattack with a smooth offload from Chris Chang and good hands from Sam Merrick to put Clinton So over the line and score a try. Throughout the half, we played with revitalised energy. With now increased aggression in tackles and carries, we played hard till the end resulting in a disappointing defeat 19-5
