

## From the Principal High Talent

Congratulations to Kieran Guan (9R) for his success competing for NSW in the Duke

Trophy national short track speed skating event. He was ranked first in the Junior B Division. Well done to the Year 11 PDC team

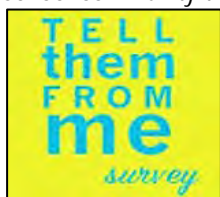

who won the Regional competition. This team also won the UNSW Debating tournament, defeating SGHS in the final. Great job Alex de Araujo (11R), Guy Suttner (11T) Symeon Ziegler (11M) and Justin Lai (11S).

## LMBR – Implementation Update

Outstanding leadership by David Isaacs, assisted by James Rudd and John Prorellis, supported our SAS staff as they worked so collegially for eight days to learn a completely new accounting system and phase out OASIS. The amount of effort required to effect this transition seamlessly should not be underestimated. Thank you to Sharon, Caroline, Cathy M, Annette, Lorraine, Louise and all the SAS staff for their professional approach to our mutual steep learning curve these first two weeks of term. We no longer have a bank account and all financial matters are governed by three central platforms. The good news is that the team has been successful and we are now open again to receive money and pay bills. Our online payment system is working again, too.

## Tell Them From Me Survey

The School and The Learning Bar support team are looking forward to working with our school community this semester, to maximise

the opportunity to collect feedback from our stakeholders using the TTFM surveys. Important information and updates for preparation and implementation of the surveys will be communicated during the next two weeks. The upcoming survey window is **open between 21 August and 13 October**. You can complete a survey at any time during this

window. Over recent years we have built up a data base of staff and parent opinions about various aspects of school life. We appreciate the feedback – both positive and negative – as it helps us with our forward planning in our search for continual improvement.

## Prefect Intern Elections

The Executive has considered the list of potential candidates for the Prefect Internship. Students who have been nominated may be vetoed for a number of reasons. An important prerequisite for School Prefect is acceptable academic progress. That means estimated ATAR 90 for students who started in Year 7 (calculated on 12 units) and 86 for those who joined the school later. Strong, ongoing participation in the Student Award Scheme is the next benchmark to be met. We expect School Prefects to be role models for participation. By the time the ballot nominations close all students nominated should have earned 70 points this year towards an award. Boys who already have Platinum Awards, have until the closing date of the Award Scheme for the year to complete their 100 points requirement. Nominees can be vetoed for recent acts of misbehaviour at the discretion of the executive or because of attendance and punctuality or school uniform

issues. Boys who have not maintained the academic standard, but have been close to it (ie 5 ATAR points below 90 or 86, depending on year of enrolment)

have a right of appeal in writing to the Principal, with testimonials from at least three teachers, supporting their claims to have improved their academic standing since their first report and assuring that the benchmark will be reached by April of their HSC year. Nominees successful in their appeals are automatically on probation until their first Year 12 reports. Ms Rigby is the Manager in Charge of School Prefects and is in charge of the nomination and voting process.

## Meet the Prefect-Intern

Only after looking back through my nearly five years at Sydney Boys do I truly appreciate the multitude of opportunities it has provided the boys. From Year 7, I strongly engaged in our GPS sport which has developed into a precious platform for making friends and memories inside and outside school that endure the test of time. Although Sydney Boys advocates itself mainly in nurturing scholar-sportsmen, it still has more in store; debating, the co-curricular creative arts and even extracurricular programs such as Convo at Clevo where boys dedicate their time to enhance the lives within the local community. These programs are amazing as they unite rewarding experiences with survival skills in the wider world. It's never too late to begin. And most importantly, reach for the horizon of opportunities provided. You won't regret it.

As the 2017 Swimming Prefect, I had big shoes to fill. Andrew McNaughton, my predecessor, was an enthusiastic, compassionate leader. One of his

greatest achievements was garnering the largest High home crowd at the GPS swimming finals in several years. To an extent, I have emulated his achievements which made my last two unforgettable. As a prefect of Sydney Boys, I felt that our role entailed more than being just a role model. It's being

be part of a team that has a vision of radically improving our school so that the boys can graduate with a fulfilled school life. Even more, we hope to guide them so they can play a role in consolidating the future of equity and equality. The privilege of being part of this group of awesome people cannot be described in words.

## CASH REGISTER RECEIPTS

Cash register receipts for all items (with the exception of General Contributions and Tax deductible receipts) **are not delivered to students in classrooms.** Receipts for payments made via telephone, the online payment system or left with the office for processing will need to be **collected by the student** before the end of each term.

Receipts will be available for collection from the **McDonald Wing Office** during the following times:

**Monday to Friday**  
Lunch 2

Uncollected receipts will be destroyed at the end of each term and copies will not be reissued.

Receipts will still be issued directly when paying in person at the register.

## From The High Store

HIGH STORE WILL BE CLOSED from  
Monday 28 August through to Thursday 7 September.

Lesa Katsillis & Cherelene Maniaci have kindly volunteered to open the store on my behalf, on Friday 1 September 10.30am – 1.30pm for your convenience.

No exchanges or blazer orders can be processed on this day.

**The store will re-open on Friday 8 September.**

## Basketball

## CHESS NEWS

Congratulations to all teams who played in the NSW Junior Chess League competitions during term two. The competitions ran smoothly and the students enjoyed the intellectual sparring and social interaction with students from other schools that this competition provides.

We are pleased to announce that four of our teams move on and qualify for the Metropolitan East Regional Finals which are conducted in a knockout format.

These teams are:

### Junior A

Dean Nguyen  
Jack Keating  
Ryan Lee  
Simon Wu  
Kevin Ton

### Intermediate A

Peter Boylan  
Amerthan Thevathasan  
Henry Chen  
Ryan KC  
Justin Wayne-Lowe

### Junior B

Jack Lin  
Derrick Lin  
Maroun Rahme  
Apoorv Verma  
William Wibawa

### Intermediate C

Mridul Pant  
Dean Rong  
Matthew Ye  
Nam Anh Dang  
Nabhan Hassan

Good luck to these players for their knock out rounds.

## From the Canteen

On behalf of canteen managers Karen & Tracey and all the others on the committee, we would like to thank the extended school community for continued support and patronage. We are proud to remain one of the few entirely P&C run canteens that serves a healthy range of foods, most of which are made fresh daily on the premises. This allows us to return all profits back to students for earmarked projects.

High Canteen would like to encourage boys to pre-order recess and lunch before 9am daily. This will greatly reduce waiting times and also ensure that you don't miss out on popular items. We understand that it is frustrating to move up the queue only to find that an item is sold out. Please help us serve you better.

**PRE-ORDER NOW!**

We would like to acknowledge the following parent helpers:

**MON:** Grace Chung, Winne Chan, Emi Matsuoka  
**TUE:** Letty Chan, Anne Chen, Mook Kooi Loo  
**WED:** Dimi Barlos, Ria Lam, Yasmin Khan, Qing Chen  
**THUR:** Kim Ngan Do, Jun Wang, Su L, Lee  
**FRI:** Min Wei, Baofeng Liu, Ru Zeng Rong

Have you tried our new Chicken and Vegetable Fried Rice, Pumpkin Soup or Meatball Panini? These are recent additions to the already extensive menu. Perfect to keep hunger pangs at bay!!!

Karen and Tracey are always eager for suggestions and feedback.

How to Clone a Woolly Mammoth

Serious and reputable scientists now believe that it is technically possible to clone or "de-extinct" a whole range of animals, including the woolly mammoth - Jurassic Park style - within the next five to seven years. This involves major advances in the study of and the manipulation of ancient DNA, and in cloning. This program is a beginners guide to de-extinction; its about the science behind the mammoth de-extinction project - about the difficulties it faces, the enormous fragility of DNA, the challenges of discovering relatively undamaged mammoth DNA and about advances in cloning technology.

This competition was marked by, beautiful to watch, sportsmanlike behaviour, sometimes in the face of bitter public disappointment. It was great to see those handshakes and laughs at the end! Thanks to all volunteers who assisted particularly George Ge and Edmund Pan (Year 12). Edmund wrote this:

*The Amateur and Professional Blitz Chess Tournament was held over the last week during recess and lunch breaks. Both competitions were able to run smoothly due to the time and organisation put in by Mrs Crothers, the library assistants and the volunteer judges.*

*Vincent Le (Year 9) was crowned the Amateur Blitz Chess King, closely followed by Kalaish Stanley (Year 8) and John Tian (Year 12) in third place. The professional final was closely fought between Peter Boylan and Amerthan Thevathasan (both Year 10) with an intense last-minute dash - due to the clock ticking against Peter. Amerthan Thevathasan (Year 10) triumphed and earned his place as the Professional Blitz Chess King with Peter Boylan (Year 10) in second place and Andrew Xu (Year 12) in third.*

*The Blitz Chess Tournaments were a great success and we hope to see these fun competitions in future years.*

### **Team of the Week 2nd XV**

This week, the 2nd XV had a very close game against Kings 7th XV. Coming down to the wire on a tight contest that tested the limits of both our attack and defence. The 22-19 victory came mostly from the second half, where we became much more dominant in attack. We had let them under our defences in the first half, our mistakes allowing them to sneak in two early tries. But an amazing try by the captain, coming in from the 22, served to even up the score slightly. We slowly increased our speed in attack and found gaps in their defence, resulting in two fast tries almost under the goalposts. Even though failing to convert them, we pressed on. Now only four points behind, we were suddenly in the game. Closer to the try line, Tushaya found a gap in the play and running in a try putting us up one point ahead. Nick Liang was able to convert the try which put us in a three point lead to win the game. 2nd grade worked extremely hard to stay in the game when all hope seemed lost, and it paid off in those last few minutes. With only three games to go, I hope we can go on to be one of the most successful sides High has seen in years.

16Bs celebrate one of their greatest comebacks!!

### **1<sup>st</sup> XV Report**

After a well needed two-week break, the return to school also meant the return of the rugby season and our long-awaited confrontation at Kings. With back to back sessions throughout the holidays, the young lads of the 1<sup>st</sup> XV looked forward to hopefully securing a hard earned W in this volatile and unpredictable GPS competition, with any side capable of pulling a win.

We had trained hard over the holidays, with addition of new faces such as Will Choi from Year 10, stepping up to join us in part of the training squad, and Second Grade Captain Matthew Whittaker, the skillset and physicality of the 1<sup>st</sup> XV was taken to a whole new level. We had focused especially hard this past holidays on fitness and intensity, through repeated efforts to support one another and focus on "no talent" behaviour. We have become a much better drilled team mentally and physically compared to last term.

Kicking off in the game, it was a rare experience to play on the 1<sup>st</sup> XV of the Kings School. With a crowd of Joeys and King's players amassed in the grandstand, and the sea of parents dozing on the grass under the sun, the stage was set for a tightly contested game of rugby.

The first half saw a very tightly contested wrestle between the two sides. Kings were able to pluck two tries from little mistakes on our part which saw us enter the sheds down 12-0. The second half however, saw a revitalised High side storm through the Kings defence. Fitter than we had been last term, the work and effort paid through as the initial discipline of King's forwards and the agility of their backs slowly vanished as the game progressed. Playing with equal intensity to how we started, the second half saw the boys play our own tempo of the game.

This game was more than a learning curve but a

testament to what this side could achieve. Now able to outlast sides while playing at high intensity, this is what we envisioned to be the core of our playstyle. However, heading forward, we will be looking forward to refining our style of play and executing what opportunities are offered to hopefully bring a couple more W's into our season.

## RIFLE SHOOTING

This season of Rifle Shooting has been a tumultuous one. We have faced various difficulties, including the temporary loss of our clubhouse, a shortened season, and a large number of new shooters. However, the team persevered and I am proud of the resilience shown by the fullbore squad.

Training this year started late March at the Anzac Rifle Range at Malabar and it was pleasing to see how far the new shooters have come despite the fewer training sessions we've had. Over the past months, the team has become incredibly close. We've gained valuable experience from the various prize meets that we've entered, including the ANZAC Day Memorial shoot, the Cessnock Open Prize Meet and the Wingham Open Prize Meet, where Ricky Li won the C Grade Competition.

**Ricky LI showing his plot of his first ever POSSIBLE! – Anzac Rifle Range, Malabar**

These competitions culminated in our annual, intense week-long training camp during the second week of the recent school holidays, where we trained alongside the Scots College and Newington College at the familiar Anzac Rifle Range.

Weather during the camp was rather pleasant all except for the one Wednesday where the overwhelming rain drove us off the range. By the end of the week, all shooters had demonstrated remarkable improvements, making it a difficult decision for the coaches to select

teams. What was most impressive was the high standard of achievement by the newer fullbore members, especially Dinan Pingamage and Jason Feng.

On Saturday, we woke up to chilly weather for the Fiona Reynolds Memorial All Schools Match. This year we entered four teams allowing all of our shooters to gain team competition experience. Our first team, Team Fraser won the match with a four-point lead over Scots College and our second team, Team Fergusson, was placed fifth overall out of nineteen teams with the third team coming in at eleventh. Exceptional performance in this match by Nathan Wong who was placed overall second, also to Dinan Pingamage and Andrew Lui both coming in top 10 overall and with myself earning King of the Range. High also won the Prorak Trophy which was contested by the New England Girls School, The Armidale School and High. This was a great morale booster going into the final GPS competition the next week.

**All Schools Match Winners holding the Fiona Reynolds Memorial Trophy**

After a well-earned break on Sunday, the start of this week saw the fullbore team enter the AAGPS Shooting Competition. With a whole year of training behind us, and having won both 1<sup>st</sup> and 2<sup>nd</sup> Grade Premierships last season, we had confidence that we could come out on top again. The 1<sup>st</sup> Grade Team was announced consisting of Dinan Pingamage, Frank Zhou, Jason Hidajat, Ricky Li, Zhikai Mai, Jason Feng, Dallas Yan, Wentao Ruan, Nathan Wong as windcoach and Vice-Captain and James Jiang as windcoach and Captain.

The first match of the day was the Rawson Cup which was hotly contested with 2<sup>nd</sup> and 3<sup>rd</sup> place only 2 points behind the leading team, Newington College, and High placing 4<sup>th</sup> only 2 points behind The Armidale School in 3<sup>rd</sup> place. We upped our game for the next match, the NRA Shield, placing 2<sup>nd</sup> only four points behind Newington College. It was a fantastic performance from our first time first grader Dinan Pingamage, and our returning first grader Ricky Li. Unfortunately, due the distribution of the premiership points, First Grade

Premiership was out of our scope, however the team was unyielding in our spirit going into the second day more determined than ever.

The Second Grade Match began on Wednesday morning. With Alex Tan as captain, his team consisted of Daniel Im, Tom Liu, Andrew Lui, Royce Xiao, Henry Deng, Jason Feng, Jason Hidajat as windcoach and Vice-Captain. The team took out a respectable 4<sup>th</sup> place overall despite this being the first year of GPS shooting for most of the shooters. It was a valiant effort from the team but it was not enough to defend our four-year winning streak in second grade.

The third and final match for First Grade was the Buchanan Shield. This match is always the most difficult for first grade due the piercing afternoon sun blinding the shooter's vision. We all knew this was our final hurrah and first grade fought hard and well. Jason Feng, in his first year of fullbore shooting, debuted in the team, alongside Jason Hidajat showing their great skill in handling the snap shooting stage. Both performed amazingly, with Jason Hidajat shooting a perfect score of 40 out of 40. The subpar organisation from the event coordinators were a hindrance, costing Frank Zhou his perfect snap stage. We all put in our best efforts, but some days that is not enough. High finished second place on the scoreboard, losing first place by only 3 points to a very strong Newington team.

Overall, our rankings in each match placed us at a solid

2<sup>nd</sup> place finish behind Newington College. I would also like to congratulate Nathan Wong who placed 7<sup>th</sup>, and Frank Zhou who placed 11<sup>th</sup>, both earning a spot in the Combined GPS Rifle Team representing the AAPGS in the upcoming Josephson's Memorial Match this Sunday.

It has been a great honour to have been your captain this year. You've all done Sydney High proud by putting in your best efforts. That's all I asked for and that's what happened. We gave a good fight but we were ever so slightly outdone by Newington. What happened this GPS may have broken our hearts but may it never break our spirit?

At this point, there are many I would like to thank. Miss Meaney, our MIC, who has performed an absolutely amazing job for nearly a decade. Sam Kremer, our Secretary, whose invaluable knowledge and exhaustive behind the scenes work is the backbone of our club. Mr Comben, whose logistical organisation keeps the sport running. Dr Jaggar, for his continued support of the club. The superb team of old boys who are always there to support us and pass on their experience to the coming generations and Jacky Yang for his great work in running the smallbore program. And last, but certainly not least, the parents of the shooters, who have outdone themselves again this year with their support of their boys and not to mention their restaurant quality catering throughout the season.

## MIC of Football Report

For 1<sup>st</sup> and 2<sup>nd</sup> XI GPS points ladder please go to:  
<http://aagps.nsw.edu.au/winter-sports/football/>

Newington continue to stamp their authority in GPS Football by dominating the day. It was a tough day out for our boys, but credit to them for trying hard and always representing the school in "High Spirit". Some positives to take out of the day was the 16As, 15As and 13As all lost by a respectable score that saw our top teams reduce the goals conceded by 50% from previous years. They all were evenly fought, competitive games that came down to basic errors and unable to capitalise on shots on goal.

Joshua Suto and Vincent Le for 13As

The 14Es also remain undefeated with two wins and three draws.

2<sup>nd</sup> XI running on against Newington

A reminder that captains for each team must submit their Captain Team Reports by Friday 25 August.

End of Season Dinner is now open for families to purchase tickets. Please do so to secure your place.

Good luck and keep working hard and the results will come.

***Side by side: Bringing fun back into families!***

**We are offering families 14-16 free sessions of psychological therapy for disruptive behaviours delivered by experienced clinical psychologists.**

The treatments are:

- (1) Parent management training (PMT), an evidence based therapy that has been widely used for the treatment of behaviour problems for the last 50 years. The program trains parents to use strategies to change their child's behaviour (such as consequences, time out, rewards, sticker charts etc) and;
- (2) Collaborative and Proactive Solutions (CPS), an innovative treatment, developed by Harvard University Medical School that focuses on addressing skills that the child is lacking and teaches parents and their children shared problem solving.

This year a major randomised control trial in the United States compared PMT and CPS and found that both worked equally well in treating child behaviour problems (Ollendick et al., 2014). We hope to determine if CPS continues to show positive results for youth with disruptive behaviours when used in community settings. Also, our study will look at whether this therapy works well with Australian families

*Who is eligible for the trial?*

Families with children aged 7-14 years who are experiencing behaviour problems. At least one parent needs to attend all psychological sessions. They must also be situated within a 15km radius from our clinic in St Leonards.

*Who is ineligible for the trial?*

Youth who are highly suicidal or have severe behavioural problems (violence, theft)  
Youth with autism spectrum disorder or developmental delay

*What is required in terms of assessment?*

Families are required to attend 3 separate assessments – pre-treatment, post-treatment and at 6 month follow-up. Assessment sessions last 1-2 hours. Families are reimbursed with a \$100 Coles voucher for the end of trial assessment and follow up.
