

From the Principal Annual Photographs

Our large number of team photographs were taken last week. Considerable organisation is required to assemble all the boys, liaise with

the photographers at the two stages, set up to take the pictures, check on the correct attire for the sport,

arrange the composition of the shots and record the names for the caption. Thank you for their great work to: Taryn Evans for taking over the organisation from Mark Gainford while he is convalescing, Mr Baldock for his great management of the schedule on the day and John Prorellis for overseeing the smooth running of the day.

The End of the 'Before and After Shot.'

More than a dozen years ago, after a photograph of Year 12 looking immaculate in their school uniform, a student asked the photographer to take a companion photograph in which boys were allowed to express themselves in different dress and poses – a celebration of individuality after a formal example of conformity. For many years this 'second year photograph' was seen as some harmless fun by Year 12. Regrettably, in recent years a small group of students has behaved inappropriately after the candid shot was taken. They have stayed in costume and paraded around this school and at least once at SGHS, causing consternation and distress. This year the added dimension of social media, exacerbated a deteriorating attitude surrounding the photograph. An offensive image was uploaded onto social media. Despite being taken down within 35 minutes, the damage was done. The day has degenerated into a kind of rite of passage. There will be no more second shots of Year 12 in the future.

Parents – Have your say about our school

The School and *The Learning Bar* support team are looking forward to working with our school community this semester, to maximise the opportunity to collect feedback from our stakeholders using *the Tell Them From Me*

(TTFM) surveys. Important information and updates for preparation and implementation of the surveys will be communicated during the next two weeks. The upcoming survey window is **open between 21 August and 13 October**. You can complete a survey at any time during this window. Over recent years we have built up a data base of staff and parent opinions about various aspects of school life. We appreciate the feedback – both positive and negative – as it helps us with our forward planning in our search for continual improvement. Each year we are able to customise a few questions and add them to our survey. These questions help us to gauge parental opinion about specific aspects of school life. Information given is confidential and will not be used in any way that identifies a person or the school. Additional information for parents, including parent FAQs, can also be found on the CESE website at:

<http://surveys.cese.nsw.gov.au/information-for-parents>.

I urge as many parents to participate as possible. Parent voice is very important to us at High. Your responses will inform our School Plan (2018-2020).

Enrolments for Years 8-12 (2018)

Enrolment applications have been assessed by a team of teachers and a check score added to the top ranking candidates. A 'best fit' addition of three of the closest four scores is calculated and the group re-ranked. An interview list is generated comprising the top rated applicants. The number of interviews depends upon how many places are vacant and on how many should be on the Reserve List. We normally operate with a Reserve List of five places. Given the high numbers of applications and places offered in Year 9, we are extending the *Reserve List* to six for this year's process. Interviews are being held each afternoon for short-listed applicants. A round of offers will be made next week. No offers are made for students entering Years 10 and 12. Thank you to Maria Glen who oversees the enrolment process and Brooke Ashton and the SASS staff for their rapid and accurate

processing of applications, recording of data, arranging interviews and responding to enquiries. Thank you to the High team of Teacher Assessors who read, assessed and scored the >200 applications so efficiently and quickly.

Winter Sport Co-payments

This is the last week of winter sports. We roll over into the short athletics season next week. Participation in athletics is a key educational goal we have for our boys. Consequently, we provide a program each year at no cost to parents. Now that the office is back up and running to take money and the online payment system is operational again, parents are able to pay for their son's winter sports activity. All winter sports depend on prompt payment of invoiced co-payments to pay coaches. Parents are reminded that all programs have to meet their budgetary obligations and cannot do so without maximum support from everyone. Our sports are delivered at a fraction of their actual cost, being subsidised by parking revenues and ASF donations, along with the structural support and supervision provided by the school with assistance from the co-curricular support levy. Our programs offer unbeatable value for money. Please settle up your son's winter sports co-payment now.

The Record 2017 – Reports for winter sports

Captains of winter sports teams have a responsibility to prepare a short report about the season their team had. A focus on the positives is appreciated and also highlighting any good individual performances. Reports should be submitted electronically to Ms May. One enduring feature about *The Record* is the pleasure gained by Old Boys returning after 30 or 50 years who relive moments of their teenage years through the photographs, names and summaries preserved in *The Record*. Co-curricular activities need to submit reports also. Supporters with good action photographs are asked to email them as attachments to Ms May who might be able to use any interesting ones in *The Record*. Captains, please take this responsibility seriously.

Meet the Prefect-Intern

I think it's very easy for us to say what comes to mind hastily, we preach about the opportunities we have at Sydney High, and our High spirit or culture, yet we don't immerse ourselves into the school. Being a High boy is not just about the grades, award scheme points, extra-curriculars, or Saturday sport. It's about the people you interact with every day that you learn from and learn about. It's about standing in the rain, hail, and shine, cheering for the young men out there who've worked tirelessly weeks in and out for our school. It's about sharing the journey with the

students around you and showing everyone what Sydney High means to us.

I came into High as a naïve boy, taking everything for granted, doing the bare minimum, and letting all the opportunities before me go by. But over the years I had come to realise, upon watching First Grade, the banners in the gym, the shields in the foyer, seeing other students, older students participate in all sorts of activities, that so many students had been through High, yet so few memories remain of them. I reached out for the opportunities in front of me, to show my feelings for the school, to encourage fellow students to do the same. In many years from now we'll come across school again and reminisce about our years there, (hopefully the Governors Centre will be built by then), and be reminded of how we lived High culture to its fullest.

"...People will forget what you said, people will forget what you did, but people will never forget how you made them feel." – Maya Angelou

P&C News

Dear Parents and Carers,

There's a P&C General Meeting next Monday 14 August, 6:30-8pm (Staff Common Room). The High Foundation will give us an update of their work this year, in particular regarding the progress of the Governors Centre and negotiations with the Trust on long-term access to sports grounds on McKay/Fairland and Moore Park West. All are welcome to attend.

The P&C is also holding a subcommittee meeting on Monday 11 September from 6-8 pm in the SBHS Junior Library for all subcommittee members, MICs and people interested in subcommittees to come together to discuss how they work, what the requirements are, networking, etc. The P&C will provide food! Last year the event was well represented and very useful, especially the Q&A session, so please plan to come and see how easy it is to help.

To help us with catering, an event has been set up on Eventbrite so please register to attend on the evening. The EventBrite registration link is:

<https://www.eventbrite.com.au/e/sbhs-pc-subcommittee-meeting-tickets-36097813532>

This meeting is open to everyone at SBHS, whether they are currently involved in a subcommittee or not.

Thank You

We came into this round feeling confident we could match it with Scots. Although we did not win many games, the score line does show our competitive and positive approach to many of the matches. The 14As showed huge improvement to come away with a draw. The 13As continue their strong show coming up against a very strong Scots squad. The 13As continue to show fight and determination which holds well for the future.

The 14Es have remained their undefeated status by

notching up a convincing win. Additionally, the 15Ds are also displaying great football with just the one loss for the season so far.

A reminder that captains for each team must submit their Captain Team Reports by Friday 25 August.

End of Season Dinner is now open for families to purchase tickets. Please do so to secure your place. Hope to see as many of you there as possible.

Good luck and keep working hard and the results will come.

Team of the Week 1st XV

After a tough loss against, Kings the week before, the 1st XV were looking forward to bouncing back and making the most out of the long-awaited rematch with Armidale. This year, Armidale had taken over the vacancy left from Newington's departure from the 3rd XV GPS competition this year. With a long week of training, we as a team knew we had to make the most of the time we had left in preparation to one of the strongest teams in the competition.

Playing Armidale for me has always been the toughest games in the season and has always been the most satisfying despite the result. For many of the boys, the annual trips to Armidale will always be an embedded memory, the experience of playing against familiar faces for 5-6 years is hard to forget. From the 13A's confrontations to 1st XV, both schools have matched each other team for team, grade for grade and is a powerful and moving experience where games are filled with respect for one another teammate and opposition. Since 2016 however, Armidale has been finally known as part of the GPS and has made the change to come down to Sydney and play against High on our home ground a second time, where unlike past years we were always the travelling team.

Kicking off on McKay Oval, the day had been filled with a great atmosphere of rugby with a weekly Shute Shield derby with colourful advertisements and sponsors lined up on the sideline and on the normal bland white fence posts we were used to. With some tightly contest matches from Eastern Suburbs and Parramatta Two blues, the High and Armidale game was scheduled between the 2nd and 1st Grade games, accumulating a large audience.

The first half saw a very evenly matched contest both in physicality and ball play. Strong running from our forwards saw Armidale dig their heels into the trenches, forced to defend within their 22 for the first 10 minutes of the game. However, poor handling and sense of panic cost us the ball, Armidale were quick to roll back through their dominant scrummaging. With small disappointing misplays, Armidale were able to cross for a try. The battle continued throughout the first half, Armidale on the front foot tested our defence, an area we had worked on heavily since the game against kings. The crowds "Oooh's" and "Aah's" were a testament to our progress, able to repel the efficient Armidale offense and managing to turn over the ball and apply our own pressure within their half.

The Second half showed High return with a revitalised effort against the opposition. With second-grader replacements coming on after a tedious trip from Newington, they finished the game with as much impact as the starters, such as the likes of Ryan Zheng and 16's superstar William Choi. High returned into the second half with a much more dominance than the first half. The once dominant Armidale scrum was overshadowed by a now cohesive and well-oiled High pack, with fresh piggies bringing the energy High needed. Most notably, the second half was a major improvement, with us able to answer a try of our own by No. 13 Sam Merrick and huge dominant tackle by debuting 1st grader William Choi and Ryan Zheng's bloody nose after an unfortunate off-load resulted in a ball in face situation. However, despite our best efforts, Armidale was able to better us in the rematch.

The game was a major improvement with now an even more ferocious contest for places in the 1st XV. This level of contest is well needed leading up to our final game against Grammar
