

From the Principal Welcome Back to Term 4

I trust all staff and students had a restful break. The HSC starts next week for Year 12. Summer sport is in full swing. Staff changes this term: Steven Marcos Head Teacher Sport replaces Mark Pavone, Anna Hitchcock appointed in English (replacing Evan Higgins), Natalie Mackenzie in Science returns from maternity leave (replacing Chris Noble), Emily Stephens is back for Ron Boros in mathematics and Matthew Kwong is filling in for Angie Ward in mathematics. Maria Glenn is relieving SAM while Sharon Kearns is on LSL. Welcome to everyone.

High Talent

Congratulations to Thomas Schanzer (10F) who was named the 2017 Science Teachers Association, Young Scientist of the Year. This award is important because thousands of young scientists compete for the honour. Great job, Thomas! Benjamin Coan (12E) and Jonathan Zeng (11M) represented NSW in the U19 Men's Volleyball Team which competed at the National Championship on the Gold Coast. Well done, boys!

Terrorism and Homicide Victims Remembrance Day

This Thursday was a designated day of remembrance for victims of terrorism and homicide. This day was gazetted by the Premier in 2007. It behoves us to recognise and be grateful for the relatively peaceful society in which we live. Nevertheless, there have been many victims of terrorism and homicide, many by domestic violence, in our recent history. We need to eradicate racism, sexism and prejudice from our society, starting in our schools.

Tell Them From Me Survey

We need your help! The School and *The Learning Bar* need to collect feedback from you, our parent stakeholders, through the TTFM surveys. We do not have a large enough sample to make informed decisions. The survey site will now remain open until **October, 20**. You can complete a survey at any time. Over recent years we have built up a data base of staff and parent opinions about various aspects of school life. We appreciate the feedback – both positive and negative – as it helps us with our forward planning in our search for continual improvement. Information given is confidential and will not be used in any way that identifies a person or the school. Additional information for parents, including parent FAQs, can also be found on the CESE website at:

<http://surveys.cese.nsw.gov.au/information-for-parents>. I urge as many parents to participate as possible. To have your say about our school go to <https://sbhs.co/pil17> Parent voice is very important to us at High. Help us to make decisions based on a strong amount of data.

Sydney Boys Team Travel Fund – ASF

We have an *Australian Sports Foundation* Project – the team travel fund. The idea is intended to defray some of the costs of our extensive sporting travel costs – to Armidale, Melbourne, Wingham, Canberra, Taree, Grafton, Terrigal, Port Stephens or the Gold Coast. If your son represents the school in any sport and is likely to 'go on the road' then it may be possible to work with your MIC to reduce the cost of these sporting tours considerably via a tax deductible donation. Old Boys and friends of High are invited to make a contribution to this Fund also. If you have an interest in sport and would like to give back something to help our boys experience the fun of sporting trips while they are at school, then do as I did and donate direct to ASF at www.asf.org.au/make-donation/sydney-boys-team-travel-fund/ Last year the basketball teams that travelled to Victoria for the National Schools Championships were subsidised from the fund. Ask your MIC about organising a future sporting trip to take advantage of the ASF Team Travel Fund.

Foundation Day Assembly

Jon Isaacs (SHS-1967) was our special guest at our annual Foundation Day Assembly. He was School Captain in 1967 and spoke with great insight and experience about the elements of leadership and how to behave well as a leader. He emphasised the need to be true to yourself, to be honest with yourself and admit weakness, to find your appropriate leading style, to be a good listener always, and to attract people around you with complementary skills to yours. Twenty or so Old Boys from his year were in attendance to share in the experience of revisiting High in the 1960s. My speech to the assembly is reprinted below:

Special guest Jon Isaacs (SHS-1967), Ms Andrea Connell, Principal SGHS, Paul Almond, President SHSOBU, Geoff Andrews, Chairman, SHS Foundation, Professor Ron Trent, President SBHS School Council, Ben Wilcox (School Captain 2012) distinguished Old Boys from the Class of 1967, staff, parents, Prefect Interns and students, welcome to our Foundation Day Assembly for 2017. It is inspiring to have 23 Old Boys to celebrate Founder's Day with us this morning. Thank you all for coming. Thank you also to our piano players James Li and Christopher Yuan.

The central reason for today's gathering is to celebrate the opening of the School on October 1, 1883. While reminding ourselves annually about what we believe the school was established to achieve, we also reinforce the cultural rite of passage for its student leaders as they enter their final year. Our school was founded to prepare students for university study. That is also its objective today. In the 1880s students wanted their school life to be richer than just academic study, so they organised 'games'. High's co-curricular life grew out of student action, culminating in membership of the AAGPS in 1906.

We honour the impressive student leadership traditions that have developed over 134 years since our establishment. The investiture ceremony for Prefect 'Interns' restates our belief in our core values, preserves our past traditions of service, revives the stories that bind us to our interpretation of those traditions and reaffirms our vision for the future. Modelling cultural values through leadership is, and has always been, an integral aspect of our school culture.

Our guests today include School Captains and Prefects from the past. Their names are signed in the Prefects Book – our special record of generations of leaders. Their names are on our honour boards. They were awarded prizes for physics or chemistry. They represented in the first XI, the first and 2nd XV, the first VIII, the IVs, first grade tennis, water polo, debating. They played in the orchestra. By their presence here today they indicate that there is something important happening here at High that should be honoured and preserved. They will bear witness today to the pledges that you Prefect Interns make to uphold the values of the office of School Prefect.

When our 1967 guests were in their last year of school, major offensives were launched against the Viet Cong in Vietnam by the USA and its Allies. In June there was a six-day war between Israel and its neighbouring Arab states. Nigeria plunged into

civil war. Dr Christian Barnard successfully transplanted a human heart. Sgt Peppers' Lonely Hearts Club Band was a ground-breaking album for The Beatles.

In 1967 there was a real changing of the guard here at High. A.R. Jessep departed after 17 years of service to the school in the areas of Classics – as teacher and master, in sports development and management, the School Union and the chess club. J. G. Bradford was appointed Deputy Principal. He took over from Murray Callaghan as Principal in March of 1973 and led the school until 1976. Fourteen new staff members entered on duty in 1967 – a major shift in personnel. It was a time of renewal and of hope, as the Wyndham Scheme replaced the Leaving Certificate with the Higher School Certificate, as the School Certificate had previously replaced the Intermediate Certificate. Years became Forms and the Class of 1967 were our first Sixth Formers. The curriculum became broader, but as Callaghan said in *The Record*, High's "essential aim remained unchanged – that of providing a full educational experience, a rich opportunity for each pupil"... Urging our students to seize the myriad opportunities on offer, is still a catch cry of ours at High.

Jon Isaacs, as Captain, in 'The Record' of 1967, characterised school spirit by identifying its manifestations "...we can acknowledge it by deeds, by accepting it as part of our faith, by consciously directing our participation towards the school's advantage...School spirit, like religion, is a way of life." There is an element of seeing support for the school as a calling that we can still relate to strongly. People have a propensity to adhere to a principle, cause or belief greater than themselves, in order to add more depth to their lives. Too often in contemporary society, people in general and students in particular, are apt to inquire – 'what's in it for me?-', before committing themselves to an activity. There is just so much choice and so many distractions in this technological age that it is increasingly hard to keep students focussed on devoting time and energy to any one pursuit. There is a sense that personal empowerment through online activity is more of a priority than seeking empowerment through commitment to an institution or to others. For those that do commit, there are personal and social rewards. Jon's characterisation of a spiritual commitment to school life is very much aligned to the way we promote our school today – 'You can't buy spirit.' Indeed, you have to live it.

Turning to those who will carry on the fine leadership traditions at High, I exhort our Prefect Interns to be great role models and demonstrate high quality leadership. Each one of you must pledge to uphold and enhance the traditions of this fine school. You will have to maintain a high academic standard in state terms throughout your internship. You will need to participate in two GPS sports in your final year, starting with summer sport in term 4. You will need to earn 100 Student Award Scheme points and qualify for an Award in this current year and in 2018. You will need to demonstrate to all your peers by your dress, demeanour and self-regulation that you believe in the ethos of the school. Your behaviour, attendance and punctuality will need to be exemplary. We have set a high bar. You have all shown that you can clear it – with dedicated effort. I congratulate all Prefect Interns who will be inducted here today.

Principal

Meet the Prefect

When I was offered a spot into Sydney High after being placed on the reserve list, I was hesitant to make the switch. I'd already been at another high-school for a few days, which is where all my good primary school friends were, and the academic reputation of High seemed quite daunting. After my time here, I'm lucky enough that my closest friends are the ones I see five days a week. I get to play footy on a field as lush as McKay One and row out of the Abbotsford boatshed when the sun is just peeking over the water, all with the boys that make this school such a vibrant and enjoyable place. These are just two examples of the full spectrum of opportunities High has offered me, and though that word gets tossed around a lot regarding High – opportunity – I know that it has been thoroughly well deserved.

Seeing the Year 12's when I was a chubby Year 7 with their immaculate blazers and academic records was completely intangible. How on earth would that ever be me? And now that I see myself surrounded by a community that embraces diversity, promotes change and inspires success, I look back on that boy, three days into Year 7, uncertain about accepting the offer to Sydney High, and know that I couldn't say "take it" fast enough.

Gifted and Talented

The Australasian Philosothon was held at St Andrews Cathedral School during the September school holidays over three days. The event was coordinated by the Hale School in Western Australia and we were invited to compete following the outstanding achievements of Alex de Araujo, Nicholas Giannoulis and Jonah Beer in 2016. This was a wonderful opportunity for our boys to work with students from across Australia. It also gave them access to academics who are passionate about ideas and critical thinking. They were awesome representatives of SBHS. Nicholas Giannoulis was brilliant throughout and earned a well-deserved second place in the Opens. Congratulations also to Neil Ni, Jesse Koslowski, Thomas Smallbone, Jonah Beer, Peter Boylan, Nicholas and Edward Heaney. These students were supported in their preparation by a fantastic group of philosophically minded and highly articulate young men from years 9, 10 and 11: Justin Lai, Alexander de Araujo, Ronan Gao, Ryan Jepson, Arshad Mohamed, Tri Nguyen, Harry Wu, Roy Wu, Louis Flint, Nicholas Palmer and Symeon Zeigler.

From the Canteen

We would like to farewell the outgoing Year 12 cohort. Good luck for the HSC and wish you all the very best in all future endeavours. Thank you for the new sandwich maker – a welcome addition to canteen. We would like to express our sincere thanks to your parents and carers for their ongoing support over the last six years, especially to those who continue to be on our canteen roster.

High Canteen is very privileged to have committed volunteers who not only ensure smooth daily operations but also readily fill in gaps as required. This would not be possible without inputs of Stephanie Fung, who manages volunteer roster. As a result, High Canteen is able to return all profits to the school community.

Welcome back to Tracey, who was on sick leave last term! And thank you Eirini and Kylie, who did a marvellous job, while she was away.

We would like to acknowledge the following helpers for the last three weeks of Term 3:

MON: Anita Bu, Xia Zhou, Razni Nazar, Usha Arvind,
TUE: Katherine Ng, Becky Ralph, Vivian Huang, Yu Liu Frank
WED: Faidha Razmi, Jenny Chiu, Joanne Wong,
THUR: Si Angela He, Pit Trent, Xing Ping Zhang,

CASH REGISTER RECEIPTS

Cash register receipts for all items (with the exception of General Contributions and Tax deductible receipts) are **not delivered to students in classrooms**. Receipts for payments made via telephone, the online payment system or left with the office for processing will need to be **collected by the student** before the end of each term.

Receipts will be available for collection from the **McDonald Wing Office** during the following times:

Monday to Friday
 Lunch 2

Uncollected receipts will be destroyed at the end of each term and copies will not be reissued.

Receipts will still be issued directly when paying in person at the register.

MUSIC NOTES

Term 4

WELCOME BACK! Term 4 will be another busy yet exciting term! All ensemble and instrumental lessons have commenced this week [unless advised by conductor/instrumental tutor]. Please ensure students arrive 5-10 minutes to help set up and tune.

Marching Band

Rehearsals will commence in Week 2 in Term 4. Rehearsals will run after school on Tuesday 3.30pm-4.30pm & Friday mornings 7.45am-8.45am. Mandatory attendance for students in the Percussion Ensemble, Stage and Concert Bands.

Meet the Music 2 Concert #4

Elective Music Students in Years 10-12 will be attending the last Meet the Music 2 concert for the

year, *Rachmaninoff on Fire* on Wednesday 18th October, 6.30pm @ the Sydney Opera House, Concert Hall. A pre-concert talk will commence at 5.45pm in the Northern Foyer of the Concert Hall. Concert duration: 2 hours (including 20-minute interval). Students are to be in full school uniform. All school bags are to be cloaked due to increased security. Tickets will be distributed in class.

End of Year Concert

Save the date! Our end of Year Concert [including a Jazz Workshop] will be held on Sunday 3rd of December at school. Students in Junior/Intermediate/Senior Stage Band will attend a mandatory Jazz Workshop prior to the concert. Further details regarding both the Jazz Workshop & Concert will be announced soon!

BOGGABILLA CULTURAL EXCHANGE

Dear Parent/Guardian,

A group of 20 students will be selected to go to Boggabilla Central School from Sunday 15 until Wednesday 18 October 2017. This trip builds on the long-standing, incredible relationship Sydney Boys High School has with the Boggabilla community.

The excursion is planned to support Aboriginal Culture and Understanding within the NSW Syllabus and is tied in with the community service activities of the school. In mid-June this year, the students from Boggabilla Central School came to Sydney Boys High so students involved in their billeting will be given preference to be included in this excursion.

The idea of the trip is as an exchange so anybody travelling to Boggabilla who has not billeted before will be expected to return the hospitality on the return visit next year unless there are extenuating circumstances.

The group will depart from school at 8am on Sunday 15 October and will return to the school on Wednesday 18 October at the Cleveland St Entrance at approximately 8pm. N.B. This time may vary and should be confirmed with the boys on the return leg.

All travel will be by the school mini-bus. The following is the general plan of events for the trip:

Sunday 15	Travel to Boggabilla Welcome meal at Boggabilla Central School Sleep in Boggabilla Central School gymnasium
Monday 16	Official Welcome to Country Explore local area, cuisine lesson and local lifestyle Camping
Tuesday 17	Explore the school and surrounding areas Boys prepare meal for locals Sleep at Boggabilla Motel
Wednesday 18	Depart for Sydney at approximately 7:30am Arrival time TBC on the return trip

The staff members attending for the duration are Mr Matt Cotton, Mr Con Barris, Emily Stephens all of whom have Emergency Care training.

There are only 20 spots available so if you are interested, then get in quickly by collecting a form from outside the science staff room or emailing cottonm@sbhs.nsw.edu.au

CIS Athletics Wrap Up

Wednesday 20th September (four days after GPS), was the CIS Athletics Championships, where the top 3 athletes in their events at the GPS champs were invited to compete against all the other private schools' associations across NSW. High sent a team of 12 athletes this year, and their results are as follows.

Kane Shields decided to make a name for himself in these championships, competing in the 400, 800 and 1500m treble. In his 800, Kane pushed to stick with the leading pack, kicking with 200 to go on a full sprint and pushing himself into the lead. Unfortunately, 2 national finalists caught him in the last 30 metres of the straight. Kane still finished 3rd in 2:11.59, smashing [Anton Brokman's](#) school record by 3 whole seconds! . Following his 800, Kane ran his 1500m against another strong field of competitors. Kane went into this field as one of the more inexperienced runners, which was shown in his 4 kicks in the final lap. What he lacked in experience however he more than made up for with grit and determination, forcing his way into another medal spot, and smashing his PB set at GPS by 3.5 seconds, in a time of 4:36.30, smashing yet another school record. Under an immense amount of fatigue, Kane still forced himself to run in the 400 metres, coming a very respectable 6th place and still managing to run under a minute (59.90). I think it's very safe to say that Kane has had an enormous week of racing, and that he still has a lot more left in him for years to come.

Rowan Tan was another one of our incredible U13s team to snag himself a haul of medals. Rowan's 1st event was the U13s triple jump, where he jumped 12.45 metres, smashing the CIS record by a whole metre! Rowan then competed in the 400 metres, where he again had an

incredible run, winning on the line in 55.34 seconds. Rowan finished off his great season of GPS athletics in the 13s 4x100m relay with Justin Lee-Nonis, Dylan Huynh and Andrew Gu, finishing in 3rd.

There were also a large range of great results by the other boys who competed in these championships. [Pico Dos Santos-Lee](#) competed in the U16s hurdles in a heat separate from his only competition, still managing to run 15.83 on one foot to come 3rd. [Sudaraka Pieris](#) ran in the U15s 100m and 200m, coming a respectable 3rd and 5th in 11.76 and 23.70 respectively. [Julian Markworth Scott](#) jumped another PB of 6.42 metres to come 2nd. The man is only getting better and better each time he competes! [Rhys Shariff](#) competed in the 14s 1500m, running 4:35.30 in what was a very tactical race to finish in 2nd. [Eric Holmstrom](#) ran in both the 17s 1500m and 3000m finishing in 2nd in a time of 4:24.00 and 3rd in a time of 9:27.68 respectively. [Nicholas Katsilis](#) competed in the opens 1500m, running a great time of 4:16.61 to smash his old personal best by a whole 7 seconds! [Raghav Ramanathan](#) also jumped 1.75 to finish in 4th place.

Overall this has been one of our most successful appearances at the CIS carnival. We finished up with a tally total of 11 medals. Congratulations to all the boys who competed, and hopefully next year we can send an even larger team of athletes to compete!

SHOOTIN' HOOPS

217

What's up everyone! The GPS Season is upon us, so hope you're all keen and ready to go now that the holidays have finished. To get you all pumped here's another edition of Shootin' Hoops.

First and Second grade competed in the Sydney Schools Shootout tournament against multiple schools from both the GPS, CAS, ISA and Sports high Schools. They defeated schools including Trinity Grammar, Cranbrook and Riverview. Seconds played strongly with 12 players, but had a narrow loss near the end of the day purely because they were tired by that stage. Regardless, there is still a lot of promise, with 5 players only in Year 9. Things can only go up from here!

First grade were able to get through pool matches undefeated. However, they were not able to come out with a win in a Finals match against Waverly, after dropping slightly towards the end of the quarter. Still, the team was able to recognise what went wrong and will return stronger into the first game of the GPS season against Kings. Mr Hayman said "Strong leadership within the team, communication of key points in huddles, and commitment to the program will be key, if we are to have a successful season".

The 15s CHS team has a big game coming up in Week 2, after taking out the Sydney East area. The game will be in the gym at 10am on the 18th, so be sure to support the team when you get the chance during breaks.

In other news, the Sydney Kings faced off against the Utah Jazz in the NBA preseason as a guest team match. The result ended with Utah dominating, winning 108-84, though it was fun to see big Rudy Gobert dunking all over Issac Humphries on multiple occasions.

Speaking of the Sydney Kings, Old Boy Christian Jurlina, who attended College in the US, is now on the squad. Also, Craig Moller was able to get a starting role in the Melbourne United side. He played Oklahoma City Thunder last night and scored a few baskets! See the opportunities Sydney High basketball has to offer if you make the most of it?

The NBA preseason has just begun, after a crazy offseason. Many questions are being asked: Will LeBron

bounce back and win the MVP and Ring he needs to help solidify himself as the greatest of all time? Or will the Warriors be too much once again? Will the 76ers finally be able to make the playoffs with a healthy Ben Simmons and Joel Embiid (#TrustTheProcess)? Will Lonzo Ball live up to the hype surrounding him, or did Lavar speak to soon? Stay tuned to find out.

That's all for this edition of Shootin' Hoops. The first game of the season will be against Kings this weekend. Juniors should be at SBHS and seniors away at Kings. Make sure to bring your best game. Until then, as always, Play Hard, Play Smart, Play Together.

Firsts at the Sydney School's Shootout and Mr Hayman's favourite guy Bruce Gordon, helping us with everything at the School's Shootout in the holidays.

Go HIGH!
